NOVEMBER IS THE ROTARY FOUNDATION MONTH

Invocation

Almighty Father, as we thank You for sparing us here in the city from the onslaught of the recent typhoon, so now we ask you to bless our fellowship today. As our fellowship will be blessed, may we become even more resolved to help others in need, especially those affected by the recent calamity. We ask this through Christ our Lord.

Amen.

Song of the Day

IF YOU REMEMBER ME

Chris Thompson

When you remember me,
If you remember me,
I hope you see it's not the way I wanted to be,
Oh I'll be with you now,
But wherever you go,
My love goes with you.

Keep on smiling,
Keep on shining,
Even though you know you want to cry I tried to love you.
Looking in my eyes,
You saw promises in life,
Too many times.

When you remember me,
If you remember me,
I hope you see it's not the way I wanted to be,
Oh I'll be with you now,
But wherever you go,
My love goes with you.

I'll be with you,
Keep believing,
Some things even time can't come between,
And if you blame me,

Try to realize,
There were promises and lies too many times.

From the President

Pres. RJ Ermita

Greetings to all Pasig Rotarians and Guests!

We are very thankful to the members of pangkat #4 led by PP Rel Gomez for managing the club meetings last month of October. For the month of November, we have pangkat #5 headed by PP Jun Zafra. We have a good line up of speakers for the month and look forward to interesting weekly meetings. I would also like to greet the birthday and anniversary celebrants for November. Wishing you many more years of health and happiness!

Unfortunately, we started the month with a powerful typhoon code named “Rolly,” that devastated several provinces in South Luzon. Our countrymen from Catanduanes and the Bicol region, are in need of help since they experienced the brunt of the storm’s fury being the first and second areas of landfall.

Today we will hear from our fellow Rotarians from the Rotary Club of Legaspi North on the situation on the ground in Albay province. There are immediate needs that need to be addressed. We will be assisting the RC Legaspi North in their efforts. Thank you PP Rene Bocaya for initiating this partnership between our clubs.

We are very pleased with the initiative of PP Conrad to start the “ball rolling” in raising funds for the Typhoon victims. Several of you have heeded the call for both funds and dry clothing. Let’s keep it going gentlemen. It is in times such as this where we see the initiative and commitment of Pasig Rotarians to service.

Thank you.

RJ H. Ermita

Rotary Notes

PP Benny P. De Guzman

After our Memorial Mass, the Board and members who attended the mass at San Antonio Abad parish church and the virtual meeting proceeded to VVCC for merienda. I was to join with PP Peter but had a minor cold so I had to stay home.

We invited ARAP and even assured them that the Memorial Mass includes all departed ones including the spouses and children. In fact, I assured them that even PPA Ditas, the latest addition was included. But our very own Rtn Fr. Kell did not include the spouses and children of our members who went ahead. But we included them in our prayer. Birthday Boy, PP Bert made sure that I will enumerate the names of Rotarians who have died. I am sure there are more than 85 of them but to my recollection, the sure ones are only 85, 33 spouses and 8 children of members

We salute PP Rene on his fining last week as he made a Memorial Day fining even fining himself US\$100 in memory of PP Proning Ona, who like him, and a few others came from our daughter club, the RC of Valle Verde. Dir Garrick added his fine in memory of PP Bobby Paterno. I think Rene added an addendum fine for the Typhoon Rolly victims. PP Ner said that he will match whatever I will give. I am giving with via this article P10,000 for both Ner and I. Should additional be needed, we will add. We should give this as thank you for sparing us from the Signal 4 typhoon. It could have caused large scale destruction for Metro Manila had Rolly not decided to spare us by drifting away.

Now, on our Golden Anniversary Award. Golden Boy is a contest in favor of super Rotarian PRID Raffy, as he is a rare cut above the rest in our club, in our district, in our country and in the world of Rotary International. The club will elect the Junior Golden Rotarian Award thereafter. All HOF should automatically be candidates, as well as the PPs who have done exceptionally well and who are still doing very well. Leading the list are PPs Celso and Conrad. PP Sonny and non-PP Flor, both solid rocks of our club must be in the list. Whatever, Pres RJ and PRID Raffy must be in charge. I am not aware of anyone Pres RJ appointed.

What about the plan to have a meeting at the VVCC Veranda where social distancing can be observed? How about at nearby farm of PP Ogie or the Laguna farm of PRID Raffy? A fellowship cum preparations for our 50th?

At the intro of our Memorial Mass, Rtn Fr Kell was asking for parish contributions. The entire Catholic church is suffering since there are no masses in church and therefore no regular collections. The heaviest hit must be Christ the King in Green Meadows. But parishes like Fr Kell's must be affected too. ***Bago Bicol, Buting MUNA!!!***

PP Jun C. Zafra

Holger Knaack
President 2020-21

November 2020

We all know Rotary's tremendous power to transform our communities and ourselves. However, in every community, people have been left out, and we have not made a strong enough effort to reach them.

The RI Board of Directors is taking action to make Rotary more welcoming and diverse. We formed a task force to promote diversity, equity, and inclusion to help clubs attract new members regardless of gender, race, religion, age, or other factors. This will help us speed up the change we all want and need. The selection of Jennifer E. Jones as Rotary president for 2022-23 — the first woman to lead our organization — is another step in this direction. At the grassroots level, clubs drive inclusion and diversity. Alia Ali — who serves on the board of directors at the Big West Rotaract Multidistrict Information Organization and is a Rotary Youth Leadership Awards alumna and past president of the Rotaract Club of Surrey-Newton, British Columbia — offers her perspective.

I still remember the relief I felt as a RYLA participant four years ago. I had finally found my people: people who cared as much as I did. All over the world, Rotary has the same heart. We serve our

communities and take action where others feel paralyzed by the size and scope of a problem.

Let's continue that spirit, especially when the conversation is difficult. Racism, prejudice, and discrimination take on different forms but exist in every country, in every city, and in every person. How do we root it out?

As a diversity, equity, and inclusion consultant, I help organizations create a culture that empowers and attracts everyone using the power of empathy. When we feel with others as if they were ourselves, we cannot hold prejudice in our hearts. When every child reminds you of your own child, when every woman or man reminds you of your mother or brother, you start seeing the world differently.

We can apply The Four-Way Test through the lens of empathy. Are we building goodwill and friendship with everyone in our area, including women? Are things fair and beneficial to people of all ages? Who has to make choices that you don't have to make?

I made a heartbreaking choice between Rotary and my religion when a Rotary convention was held during Ramadan. I wondered: When we ask if this is fair and beneficial to all concerned, did that not include me as a Muslim? Would the convention ever be held over Easter? Only by asking difficult questions can we begin the work of creating a more inclusive and diverse Rotary.

We already connect so many people across the world. Imagine the possibilities when we bring even more people along for the ride. That's the future of Rotary I want to see: one where we are

unstoppable in our service, relentless in our kindness, and intentional in the change we want to see.

Rotary has a big enough heart. If we open our door wider, we might find a lot of interesting people with new voices and new perspectives. We already have a variety of clubs offering different styles, cultures, and opportunities — and those who do not feel welcome in any particular club might be great candidates for new clubs created on different models. It's important that we make sure every new Rotary member is a good fit for their club. Rotary Opens Opportunities through diversity.
