**NOVEMBER IS THE ROTARY FOUNDATION MONTH**

# Invocation

Heavenly Father, as we draw near to the end of this month, may You bless us and our loved ones with your presence. Strengthen our weary spirits, enlighten our tired minds, and increase the hope in our hearts as we continue facing every tomorrow full of challenges. This we ask through Christ our Lord.

**Amen.**

## APAT NA URIAN NG ROTARYO

ng mga bagay na ating iniisip, sinasabi o ginagawa:

1. Iyon ba ang **KATOTOHANAN**?
2. Iyon ba ay **MAKATARUNGAN** para sa lahat ng kina-uukulan?
3. Iyon ba ay lilikha ng **MABUTING KALOOBAN at LALONG MATAPAT NA PAKIKIPAG-KAIBIGAN**?
4. Iyon ba ay magiging **KAPAKI-PAKINABANG** para sa lahat ng kina-uukulan?

## Ang Layunin ng Rotaryo

Ang layunin ng Rotaryo ay ***“PASIGLAHIN AT IPUNLA ANG SIMULAIN NG PAGLILINGKOD BILANG BATAYAN NG ISANG GAWAIN KARAPAT-DAPAT*** at lalo’t higit pasiglahin at ipunla:

1. Ang pagpapaunlad ng pagsasama bilang pagkakataon sa paglilingkod.
2. Ang mataas na uri ng tuntunin sa pangangalakal at sa hanapbuhay, ang pagkilala sa kahalagahan ng gawain kapaki-pakinabang at ang pagbibigay dangal ng bawa’t Rotaryo sa kanyang hanapbuhay bilang pagkakataon upang makapaglingkod sa lipunan.
3. Ang pagsasakatuparan sa simulain ng paglilingkod sa bawa’t Rotaryo sa kanyang pansarili, pangkabuhayan at panglipunang pamumuhay.
4. Ang pag-unlad ng pagkaka-unawaan, mabubuting kalooban at kapayapaan ng mga bansa sa pamamagitan ng isang pang-daigdig na kapatiran ng mga propesyonal na nabubuklod sa simulain ng paglilingkod.

## Song of the Day

### IT'S THE 4-WAY TEST

*(Tune: It's The Real Thing)*

We'd like to help Pilipinos live  
In perfect harmony  
We'd like to help Pilipinos grow  
As honest as can be.

The 4-Way Test is what we offer  
To guide their way through life  
It teaches them to tell the truth  
And not to tell a lie.

#### ***Refrain:***

It's the 4-Way Test  
It's Rotary's way  
We're all proud to say  
It's the 4-Way Test

We'd like to help Philippines grow  
In the most beneficial ways  
And bring Pilipinos all together  
In harmony and peace.

The 4-Way Test is what we offer  
To bind them all as one.  
They'll cherish truth as their ideal  
Put lying out of mind

***(Repeat Refrain)***

*(Adaptation from It's The Real Thing for Rotary by PP Peter)*

## **From the President**

**Pres. RJ Ermita**

A pleasant afternoon to all Rotarians and guests!

November is drawing to an end and we would like to thank Pangkat #5 led by PP Jun Zafra for hosting our meetings for the month.

The Rotarian spirit was best exemplified during this typhoon month. The response of the Pasig Rotarians can be described as simply amazing. Allow me to mention some.

Almost Six Hundred Thousand pesos have been raised which we have shared with the victims through partner Rotary Clubs in Legaspi, Cagayan, Ilagan, Pasig and Marikina.

The Sky Hydrant project of PRID Raffy has distributed potable water to the most affected in Pasig, and Marikina so far with many more to go. PP Ramy is heading the mission on the ground.

In kind, we received 50 sacks of unused shirts and underwear donated by the family of FP Garrick, thousands of face shields and masks from PE Bart and an equivalent of two van loads of relief goods, such as clothes, food, eating utensils, laundry soap etc from our fellow members and their families.

A very significant contribution of RC Pasig Rotarians is **VOLUNTEER TIME** in the conceptualization, organization, solicitation and implementation of the various initiatives. It takes time to do all these but still the Pasig Rotarians were able to cope and deliver given the urgency of the situation.

## **From the President**

**Pres. RJ Ermita**

### ***Continuation 1.***

We have an activity this Saturday, November 28, 2020 which is the Shoot for a Cause, again conceptualized and organized by Rtn. Jecko for the benefit of the typhoon victims. We are encouraging those who are available to attend and support.

I cannot thank you all enough for your tremendous and timely response!

Next week, we will be hosting the first zone meeting with Sec. Berna Romulo-Puyat as our guest. This will be on Thursday, December 3, 2020 at 5PM to 7PM. At least 100 Rotarians are expected to attend representing the 13 clubs of Pasig. As the biggest club at 82 members, we should easily have the biggest attendance. Kindly remind your pangkat members to be present.

Thank you. On the 50<sup>th</sup> year of the BENEVOLENT Rotary Club of Pasig, we remain...

Sincerely yours,

RJ Ermita

## Rotary Notes

PP Benny P. De Guzman

There are many super PPs among lady Rotarians in other clubs and you will easily get impressed with their dedication to both their clubs and communities. Many can be qualified to be District Governors like last RY AG Gina Sanchez who talked to us lengthily last meeting on The Rotary Foundation where three of our members belong to the Arch Klumph Society.

I congratulate PP Vic L. for his very short introduction due to lack of time of Boy Nazareno of our Luxid-Rotary project, our last week's guest speaker. Boy and our own PP Conrad can interchangeably be our Luxid-Rotary Fellows.

First time I truly enjoyed the **Pangkat** System was when incoming President Bart convened his **pangkat** members to discuss our December meetings three Mondays ago and every Monday thereafter. I saw the deep bench of his **pangkat** and enjoyed even the discussions throughout. **Suwerte pa nga kami at hindi** participating member **si** Chony. He would add more weight to the group physically and contact-wise for speakers. ROY Flor can truly floor anybody when it comes to lively topics and national issues worth discussing.

I remember when there was a time we had many doctors in our club, then many lawyers and when the contractors came **medyo nag lay low ang** club. Now, it seems we have plenty of AIM graduates of varying years. PP Ogie seems to be very active in AIM that he has forgotten he has a son-in-law to monitor in participating in our club activities.

**Tinig** welcomes to the club our 4 inductees and now bringing up

our membership to 82. Before our 50<sup>th</sup> Anniversary, we can easily add another 20 to make it over a 100 members. Even for PRID Raffy for as long as we hit 100 that will be very good even if the group insists on NO lady members.

I have to cut short my column as PP Ner wanted me to discuss with him an option for the Board to consider. And since he has been able to arrange an urgent meeting with Pres RJ, then the issue can be discussed later after Board approval. Otherwise, fake news *na lang muna?*

## **A HOME FOR HEADQUARTERS**

The idea that Rotary should own its headquarters dates back at least to the 1920 convention, when Albert Adams, 1919-20 Rotary president, told attendees that he hoped to someday see the headquarters in a beautiful building of Rotary's own.

"It sounds like a dream, doesn't it?" he said. "But it can be done." Rotary's worldwide presence, and the number of secretariat staff members working to support it, would grow considerably by the time the idea became a reality in the 1950s.

### **The Chicago years**

The National Association of Rotary Clubs — now Rotary International — formed in 1910 and had its headquarters in the Chicago, Illinois, USA, office of its secretary, Chesley R. Perry. In March 1911, Rotary's headquarters moved to rented space in the First National Bank Building, one of many downtown Chicago rentals.

In 1914, Rotary set up its headquarters in the Karpen Building on South Michigan Avenue. During its nine years there, the staff grew to 78 people, and Rotary expanded beyond North America and Europe to Asia, South America, Africa, and Oceania. Citing increasing rent after World War I, Rotary moved to the Atwell Building in 1923, then to several more buildings after that.

After so many moves, some Rotary leaders began to call for a world headquarters that RI itself would own. Delegates at the 1921 convention attempted to pass a resolution to purchase a site for a building of Rotary's own, but they were unsuccessful. The 1928 convention delegates adopted a similar resolution, which had two

*Continuation 1.*

notable conditions: There would be no increase in the per capita tax or assessment on clubs, and the site was to be in Chicago. A committee was formed and potential locations identified, but the Depression and the U.S. entry into World War II delayed any further action.

## **The search begins**

Finally, in 1943, the debate over sites got underway when the RI Board appointed a headquarters committee consisting of 1939-40 RI Director Roy Weaver from Colorado, 1942-43 RI Director Fred Haas from Nebraska, and 1935-36 RI President Ed Johnson.

Around the time of his appointment, Johnson sent a letter to other past presidents sharing his vision for a building for Rotary in Evanston, a suburb north of Chicago and near the campus of Northwestern University. He appealed to the financial sensibilities of ownership and to the sentimental opportunity to dedicate a building to Paul Harris, Rotary's founder. He also proposed that sponsoring the building could become an objective of The Rotary Foundation, which at the time had no regular programs.

The 1944 convention delegates approved expanding the headquarters search beyond Chicago. Thirty clubs expressed interest in having the headquarters located in or near their cities. Committee members visited seven of the cities and ultimately recommended Denver, Colorado, USA, as the site for headquarters.

The recommendation surprised members and the Chicago community. The group representing Chicago met with the Board and highlighted the city's status as a financial and transportation center accessible by rail and air. Representatives also reinforced

PP Jun C. Zafra

*Continuation 2.*

the connection between Rotary and the city, noting that “Chicago business and civic leaders have a justifiable pride centered in the fact that Rotary is an offspring of Chicago.”

Proposals to relocate to Denver were debated at length and finally rejected at the 1946 and 1947 conventions.

## **Making Evanston home**

In January 1952, the Board decided to “immediately and energetically” begin looking for land or a building in Chicago or the vicinity. That August, a lot was purchased in Evanston. The November issue of The Rotarian (as Rotary magazine was then known) previewed sketches and details of the new three-story building, which was distinguished by a large granite staircase, monolithic columns, and angled building wings. Inside the building were modern systems and features, including an acoustic ceiling treatment and air conditioning.

Rotary leaders gathered at 1600 Ridge Avenue for a groundbreaking ceremony in 1953, and the building opened in August of the following year. In that first month, 250 Rotary members and friends visited to see it for themselves.

Despite initial room to grow and a later addition, Rotary eventually outgrew that space. In 1987, Rotary purchased the building on Sherman Avenue in Evanston from Baxter Travenol Laboratories. Known today as One Rotary Center, that building is still home to Rotary International World Headquarters and welcomes more than 2,000 visitors a year. Learn how to schedule a tour.
