## Song of the Day

### STAY HOME WHERE IT'S SAFE

*{Tune: Home On The Range}*

Oh please keep us safe from COVID-19  
That's with us since February last year  
It continues to spread via cough and by touch  
Or a sneeze causing one to be sick

Home home where it's safe  
From the air filled with COVID-19  
Where never we have to be in a crowd  
We're safe in our homes all day long

Hope we'll all now be saved as we have the vaccines  
Be it made in China or elsewhere  
But keep washing your hands, wear face mask all the time  
Since you may still spread the virus

Home home where it's safe  
From the air filled with COVID-19  
Where never we have to be in a crowd  
We're safe in our homes all day long

*(Lyrics adaptation #2 by PP Peter)*

## **From the President**

**Pres. RJ Ermita**

A pleasant Day to fellow Pasig Rotarians!

We are at the Rotary month of March with the theme Water & Sanitation. We would like to welcome Pangkat 3 led by PP Ed Lucero who will serve as our meeting program hosts for the month. Our club will be hosting two blockbuster meetings with guest speakers Justice Antonio T. Carpio on March 11 and Sec. Leonor M. Briones on March 18 and we encourage everyone to invite your family and friends, especially our member prospects, to attend these meetings.

The virtual District Convention is coming up on March 25 and may I remind everyone to register before the deadline on March 10, 2021. We are the biggest club in the district and let us show our strength and support to our Rotary District. We will not have our regular meeting then, so we can all attend the DISCON.

May I reiterate our call to contribute to the Rotary Foundation by giving an equivalent of \$100 USD each. As shown with the magnitude of the projects we have had which were funded by the district and Rotary International, all our contributions to TRF goes back to us in terms of project grants. As part of our 50<sup>th</sup> year celebration, let us ones again aim to be a 100% TRF Giving club. Your contributions can be remitted through our club but you may want to pay directly through the Rotary International website, which offers flexible payment terms and project directed contributions.

Lastly, may I call on everyone to help us increase our ranks of likeminded, dedicated individuals by inviting our prospective members to attend our meetings and hopefully, if deserving, to be

inducted into the club. We are 91 members strong, but it is our aim to bring our numbers to 100 quality members in this Rotary year.

All the above are building up to a strong, relevant and sustainable Rotary Club of Pasig for the new decade that we are in and many more years to come.

On the 50<sup>th</sup> year of the COMMITTED Rotary Club of Pasig, we remain...

Yours in Rotary,

RJ H. Ermita

## Rotary Notes

PP Benny P. De Guzman

A week's vacation is not enough time to reflect. But it is the time to look at our club's operations. In the ***Pangkat*** Members' List, I mentioned the members totals 91. But our roster is only 82 members. Paying members? Not really. I don't want to delve into it as innocently I mentioned about dues, years ago, and I was accused of embarrassing a past president. No, he was not delinquent but a member that he sponsored. Result? Both got out of the club.

Will our treasurer take a peek of the paid dues and make a silent follow up? Neglect ***lang siguro*** but ***kung matagal na***, long neglect ***na***.

A tale of two Covid-19 cases in our club. Sometime in September last year, a couple got it and within 24 hours, our member Kel succumbed to it while spouse Annie took more than 3 weeks to recover. Last meeting, a hero of sorts, Rtn Dennis with a lot of lost poundage, was beaming as he licked Covid after more than 3 weeks. For those who would want to lose extra kilos, you now know the fastest way. Visit OPD of Rizal Medical Center without mask for three straight days and for sure you will be on the way to loose your extra kilos.

When it comes to scholarship, my friend PP Ner is always on the first list. PP Topax now that he has reached his Golden Wedding Anniversary may now change scholars, get to the lower grade level. The two top anonymous donors will remain as such as they are also known to donating to other worthy causes. ***Barya lang sa kanila ito***. Blessed are they as they certainly know how to share their blessings.

### *Continuation 1.*

***Tinig*** joins in congratulating our very own Mayor Vico for the recognition given by the U.S. government thru the office of Pres Joe Biden himself. His leadership style including his making regular those who for years were considered casuals was well appreciated by a grateful community. His PasigPass QR code is now accepted in five other cities.

Congratulations to PP Topax. His Bitcoin is always a hot topic of our Pangkat meetings where PH Bart used those of IP Garrick to give us the link connection for the zoom. The weekly meeting of ***Pangkat 6*** is truly like a regular meeting. But it cannot be considered a legitimate make up. The interaction is truly good, that we insist in a regular meeting we can make Topax our Guest Speaker. We can even invite ex-Rtn Butch as among those who can ask questions on Bitcoin.

## **PRESIDENTIAL MESSAGE**

**Holger Knaack**  
**President 2020-21**

**March 2021**

As someone who knows firsthand the great leadership potential of Rotaractors, I always look forward to World Rotaract Week, which we are celebrating from 8 to 14 March. Rotaractors are the focus of all three of my presidential conferences this year, and I was proud when, two years ago, the Council on Legislation voted to elevate Rotaract by including Rotaract clubs as members of Rotary International. Before that, the Council had already made dual membership possible, and shortly after, the Board of Directors decided to do away with Rotaract's age limits.

But we are only just embarking on our journey together. Partnering effectively doesn't happen by itself. It requires both sides to be open and to understand the value of cross-generational alliances. Louie De Real, a dual member of Rotaract and Rotary, explains.

Joint virtual meetings have helped Rotaractors introduce Rotarians to new ideas and tools, pioneering unique ways for clubs to collaborate. In the case of pandemic and disaster response, Rotaract clubs used social media to coordinate efforts, drive information, and fundraise, while Rotary clubs used their networks and resources to amplify support, provide logistics, and bring the goods and services to communities.

# Walking the Avenues

**PP Jun C. Zafra**

*Continuation 1.*

Rotaractors' innovative virtual engagement and professional development activities inspired Rotarians to support and follow suit. The pandemic made Rotaract clubs realize that we can immediately connect and partner with Rotary clubs through virtual platforms. With constant collaboration, we realize that Rotary and Rotaract indeed complement each other — that we are part of a single organization with shared goals.

Both sides add value. Rotarians can be mentors and service partners to Rotaractors, while Rotaractors can demonstrate to Rotarians that difficult jobs can be simplified and limitations can be surpassed through digital approaches. This synergy motivates Rotaractors to become future Rotarians: I joined Rotary because Rotarians gave me memorable membership experiences through inspirational moments of collaboration. I needed to be a Rotarian to inspire Rotaractors the same way, now and in the future.

That same synergy leads Rotarians to realize that while Rotaractors may have a different culture, we all share a common vision of uniting people to take action. Rotaract's unique ways of doing things serve as inspiration for innovation, helping Rotary increase its ability to adapt to future challenges. Rotarians and Rotaractors will build the future together, so let's start today.

I see no difference between a Rotary club and a Rotaract club, except perhaps for the average age!

Many Rotarians still view Rotaract as our youth organization, but I see it differently. For me, they are part of us, and they are like us. To be successful together, we need to have mutual respect — to see each other as equals. Let's see Rotaractors for who they really

are: students and young leaders, but also successful managers and entrepreneurs who are capable of planning, organizing, and managing a Rotary institute — including breakout sessions in five languages — as they did in Berlin in 2014.

As we take this journey together, let's remember the strengths of Rotary and Rotaract. And, as Louie says, let's get started right away in building the future together. In doing so, we open endless opportunities for our organization.
