**Pres. Garrick Ang**

Good Afternoon Pasig Rotarians!

September is Basic Education and Literacy Month in Rotary, we will have a Director Abram Abanil of ICT - Information & Communication Technology of the Department of Education to talk to us about the tech in education.

First of all, I like to thank the Lord for Past President Ed Lucero recovering well and he is now finally home after 13 days in St Luke Medical Center.

As we continue to welcome ideas from our Pangkats and members on how to serve and change lives projects, it is important to note that it is the responsibility of the project proponent to seek the approval and support of the club's Board of Directors.

We will have our 2nd induction for RY 2021-22 with 2 new Rotarians. We are now back to the hundred club with exactly 100 members strong.

1. Fr Vincent Amores (Sponsor PE Bong Paloma and Rtn Tet Mallare)
2. Charlie Jamarillo (Sponsor LCP Garrick Ang)

Thanks to our hard working Membership Committee headed by Chairman Rtn Adolf Aran with Rtn Ferz Legaspi, Rtn Tet Mallari and Rtn Roy Quejada. Good job by the Membership Committee. Keep them coming. Each One, bring One!

Last week, Coach Anda and team gave us an inspiring talk on coaching and introduced us to their social responsibility project

with our Pasig SME. They are now in negotiation with our Luxid-Rotary memberships team headed by PE Bong Paloma and Rtn Adolf Aran.

There are 2 more projects proposed by Pangkat 3 headed by Rtn Bart Ronquillo and are now in the pipelines and some will be implemented in the coming weeks. The project now is headed by our Service Director Rtn Sonny Rivera and assisted by Rtn Dekdek Paloma and Rtn. Roland Vasquez. Also, thanks to our Club Secretary PP Peter John Javier, PP Ogie Lim and the whole Board of RC Pasig for their support to the projects.

1. Pasig PNP Blood Letting by Pasig Red Cross Chapter. Sponsored by PP Benny de Guzman and
2. 10 Top Policemen of Pasig PNP. Sponsored by Rtn Chony Gimenez.

It will be busy weeks ahead for this month of September, 50 years of service above self.

Keep Safe and Stay Healthy fellow Rotarian!

Garrick Ang

## **Rotary Notes**

**PP Benny P. De Guzman**

The adjustments to ease financial flows may not be limited to the banks. Because of necessities and efficiencies the need became instant need. For convenience, the likes of Cebu Lhuillier, Palawan, LBC and others have facilitated faster cash turnover. Even the scammers cannot find any entry points as well.

I got many unusual calls about loans I can “facilitate” in dollars and those who will avail need not pay upon receipt as I can convert this to a US International Aid Grant. The 14<sup>th</sup> caller is our very own PS Ray Armas. For a loan of US\$150,000 which could be converted to a grant, a service fee of only 1% or \$1,500 is to be remitted to my account abroad. Lucky for Ray, he called me up. My own nephew was thankful when he was to remit his US\$2,000 as a thank you, he had his doubts when he shifted to the Philippines as suddenly, his Uncle Benny was quiet. One even reached Poland as a Polish ex-priest who got out of the order and married a local girl was thankful as he can now expand his tutorial school in Makati. His expression of gratitude saved him his US\$2,000 as well. I am sure some of you have been exposed to this seeming generosity giving it a touch of credibility. I wonder if this is a scam tried elsewhere and they are trying the market here

I heard that aside from the Covid vaccine, our very own Mayor Vico offered super seniors with pneumonia vaccines. After clearance with Doc Aga, also known as HOF/PP Jess, he assured me that I don't need it as more than 10 years ago, I and my spouse Pura had our second vaccine and it is supposed to be a lifetime prevention of the dreaded pneumonia.

The need of swab or saliva test is imperative for this Covid. Red

## **Rotary Notes**

**PP Benny P. De Guzman**

*Continuation 1.*

Cross is offering for about P2,400 motorized personal saliva testing right in your own house. Such a small amount as chances are you can't get any hospital room in Metro Manila. Remember when Lady Minda had hers over a year ago, she had to wait for more than a week in the Emergency Room. Luckily, she got some of the transferred genes from the original Taong Bakal, PRID Raffy.

Our very own Alex Lacson is urging us to join his Kapatiran Party initiated by another nationalist like him, Nandy Pacheco. Many of us with no political color can join. We are after all, the silent majority.

## GUYANA ROTARY CLUB BRINGS COVID-19 VACCINES TO REMOTE COMMUNITIES

Members and government health officials use boats to reach villages deep in the rainforest

*by Ryan Hyland*

Members of the Rotary Club of Demerara, Guyana, are using their decades of experience in fighting disease while delivering COVID-19 vaccines and aid to a remote region of the South American country. The Indigenous communities there would not otherwise have access to the vaccine and would remain vulnerable to the virus.

The club's members have conducted crucial medical expeditions that penetrate the densely forested interior of Guyana for nearly 30 years. In doing so, they've developed detailed knowledge of the area and the particular needs of the villages in it. The treks have earned the Demerara club a nickname among nearby Rotary clubs: "the bush club."

When COVID-19 vaccines became available early this year, the club quickly took action, relying on members' familiarity with the region to plan logistics and coordinate delivery efforts. Focusing on the primarily Indigenous villages of Muritaro and Malali, the club collaborated with the local Ministry of Health and the Civil Defence Commission to immunize villagers. The vaccination teams — made up of club members, doctors, and local nurses — reached the villages by boat, tracing an 8 km (5-mile) stretch of the Demerara River.

Bhageshwar Murli, 2020-21 president of the Demerara club, says that supporting the equitable distribution of COVID-19 vaccines to underserved communities was a natural fit for the club.

“Our club was highly motivated and excited to be involved in the particular effort, since it coincided with what we frequently do as a club,” Murli says.

Because of pandemic travel restrictions, villagers couldn’t go to nearby towns to buy food, clothing, medicine, and other basic necessities. So the club collected and distributed these items as part of the initiative.

The vaccination teams administered COVID-19 shots to 24 residents of Malali and 16 residents of Muritaro. The results may seem modest, but they were hard-won: Lancelot Khan, the club’s service projects chair and the coordinator of the project, says that vaccine hesitancy is an obstacle in these communities.

The club had visited the region in March 2020, when COVID-19 was beginning to spread in South America, to deliver masks and hand sanitizer, Khan says. But it was also Rotary’s historical work in the global effort to eradicate polio that proved to the villagers that it is committed to fighting disease. “Our linkage to these communities and history with our polio efforts gave residents the confidence that Rotary wouldn’t leave them behind when COVID-19 vaccines became available,” he says. “Rotary’s global standing on polio was a big plus.”

During the most recent trip, team members appealed to the village captains (residents who are elected to represent the communities) to be vaccinated. “The captains taking the vaccine showed the

confidence necessary to convince others to take it as well,” Khan says.

The team members distributed educational materials about the vaccine, explained its side effects, and answered residents’ questions. They also showed photos of club members getting the shot to demonstrate its safety.

Murli hopes his club’s continued involvement in vaccination campaigns will boost the numbers of people who agree to get the shot.

“We believe that a compelling picture is painted when it is seen that Rotarians are involved with COVID-19 vaccination drives,” Murli says. “We think our efforts can engender an increase in vaccinations and trust.”
