## Song of the Day

### **“WHAT A WONDERFUL WORLD”**

*By: Louis Armstrong*

I see trees of green, red roses too  
I see them bloom for me and you.

And I think to myself  
What a wonderful world

I see skies of blue and clouds of white  
the bright blessed day,  
The dark sacred night  
And I think to myself  
What a wonderful world

The colors of the rainbow so pretty in the sky,  
Are also on the faces of people going by.  
I see friends shaking hands saying how do you do  
They're really saying I love you.

I hear babies crying, I watch them grow  
They'll learn much more, than I'll never know  
And I think to myself what a wonderful world  
Yes I think to myself what a wonderful world

# From the President

**Pres. Garrick Ang**

Dear Fellow Rotarians and Friends,

Good Day!

The past 2 weeks had been emotional with the passing of the Rotary Club of Pasig's first Hall of Fame and Past President Renato R. Ermita Sr.. We came in full force led by PRID Raffy Garcia III to pay our last respect to Rhett, the bionic man last April 12.

The Finance Committee of our Luxid Rotary Microfinance & Credit Cooperative is offering a good interest rate for a 12 months time deposit placement for our club members. So far, 7 already signed up to place their funds and help our cooperative. Kudos to IPP RJ Ermita for thinking out of the box in growing our local economy.

Again, I would like to invite all RC Pasig Rotarians, especially the newest members to register and attend our District 3800 Conference (Discon). This will be an in-person meeting on May 6 and 7, 2022 at the Marriott Hotel Manila in Pasay City. Please contact PP Jun Zafra or Edgar Manalang for your registration. At the moment, the only registered Rotarians from RC Pasig are me and PP John Javier.

Last April 19, 2022, we held our President's Cup Golf Tournament at the Hallow Ridge Filipinas Golf Club in San Pedro, Laguna (formerly Tat Filipinas) . We thank PP Rel Gomez for organizing the tournament.

## **From the President**

**Pres. Garrick Ang**

*Continuation 1.*

Rtn Manfred Guangko beat everyone to the money pot including Rtn Ben Baniel, PP Hermie Orbe and Rtn Vince Ermita who also made noteworthy scores. The booze fellowship with booze and pica-pica set up by Rtn Pal Bolivar and PP Tito Rel soon followed and with Edison introducing us to a very good Canadian whisky. “Hindi na, sana” nalasing mo na kaming lahat and that’s the kind of fellowship of RC Pasig and expect more to come.

The Rotary District 3800 District Assembly (Distas) will be on May 22, 2022 at the Taal Vista, Tagaytay. It will then be followed by the Rotary Convention in Houston, Texas, USA on June 4 - 8, 2022.

Today, we are celebrating in advance the birthday of PRID Raffy Garcia III. There will be lechon and alcoholic spirits for all of us.

Thank you!

Garrick

## Rotary Notes

PP Benny P. De Guzman

A Holy Week break did not turn out to be a break. First Hall of Fame PP Rhett, two days before Holy Week decided to let go and face his Creator. A loving club gave him all the honors with a very good necrological service. Holy masses and novenas were zoomed to have as many bereaved colleagues join. At the end of the novena was a memorial golf tournament for Rhett by the golf enthusiasts of the club. As of the making of my column, IPP RJ failed to give the names of the participants and the eventual winners. The Noblemen of Pasig had several pictures shown. Only one thing is amusing among their captions. That Rtn Manfred is a single handicapper while Rtn Ben is plain single. I know of a dozen Rotarians who are single once out of the house. Pag asked, single akong umalis and spouse ko nasa house. Single din siya doon. Ayos!

In a way, HOF Rhett really gave us his goodbye. Unlike PP Ed who was just as charismatic. Rhett mingled with the few members in attendance at last 31<sup>st</sup> March meeting. On 9<sup>th</sup> April, Araw ng Kagitingan, he surrendered to the Lord.

At least he saw fit that the third set of father and son members of our club will assume the presidency. The remaining father and son member, both fathers have yet to be presidents. Rtn Ike had shied from the presidency leaving the other one, Rtn Cesar but who at this stage is not presidential as yet. Both Rtn Gary and Rtn Bebert must thus wait a long while.

I mentioned in the Wise part of the March 31<sup>st</sup> meeting the need for a page in our Tinig for the Board to consider which will entertain ads of members or other friendly Rotarians for their needs. Like IPP RJ leasing his place in Capitolyo, Rtn Philip with

a to go part of his eatery, PN Adolf with his many offers, inquiries about properties, cars to buy, etc. Escorts needed is out of place though. Perhaps, it may be proper that only items owned by or businesses of our members must be the priority. There must be an administrator and proper fees or donation to our club in any perfected transaction.

Can we have a prescription on the number of times a member can attend by zoom or face to face? PP Ner defined his attendance in our meeting. Every other Thursday lang. PP Ner is Batangas based. So was the late HOF/PP Rhett who was to attend once a month coming from his Batangas farm house.

May I urge the sponsors to require all baby Rotarians to attend the face to face meeting every Thursday up to the end of this Rotary year? We have to strengthen our fellowship and make the club cohesive and stronger. Truly the Republic we are bragging about.

The last follow up, redundant if ever, is to follow up on the text brigade for all to follow up on our Alex Lacson, Roman Romulo, Vico Sotto and for our "must" endorse Eric Gonzales, nephew of PP Peter and PPA Celia and son of former member Jun Gonzales. And Simon Tantoco, nephew of our Cong Roman. Kasi even if sure na, we still need the extra mileage for all of them.

## ROTARY CLUBS UNITE ACROSS CONTINENTS TO COLLECT AND DELIVER MEDICAL AID TO UKRAINE

*Two cargo planes packed with tons of medical equipment have already been flown from Chicago, USA, to Ukraine where members helped to unload the supplies.*

*by Arnold R. Grahl*

Rotary members in North America, Argentina, and Europe are collaborating with a U.S.-based association of Ukrainian health care workers and using their connections to collect and ship more than 100 tons of critical medical supplies to Ukraine.

Two cargo planes packed with tourniquets, blood-clotting gauze, blood pressure equipment, and other items have already been flown from the city of Chicago in the United States to Europe, where members help unload the supplies and get them to Ukraine. Rotary members in Ukraine, where Russia's military action has caused a humanitarian crisis, are in daily contact with hospitals to determine what supplies are needed most.

"It is Rotary doing what Rotary does best," says Pat Merryweather-Arges, a Rotary International director-elect and member of the Rotary Club of Naperville, Illinois, USA. "It networks, pulls people together, and gets the job done."

North American and Argentine Rotary clubs are combining their resources to purchase items from the list of needed supplies. They're also working with contacts at pharmaceutical companies and medical equipment manufacturers to arrange donations. A hospital in Peoria, Illinois, sent an ambulance, and members in

Maine, USA, secured a C-arm, a mobile imaging device that can be used to X-ray people for shrapnel.

Supplies are streaming into a warehouse operated by the Ukrainian Medical Association of North America (UMANA) near O'Hare International Airport in Chicago. And more are on the way. Rotary clubs in the U.S. states of Nebraska and Iowa are collecting supplies to fill several large cargo trucks that will drive hundreds of miles to the warehouse in Chicago.

Inside the warehouse, UMANA and Rotary volunteers organize, sort, and bundle the items before they are shipped. Several donors have made contributions that offset the cost of shipping.

"It's amazing what one Rotarian talking to another Rotarian can accomplish," says Marga Hewko, president of the Rotary Club of Chicago.

Hewko is the spouse of Rotary International General Secretary and CEO John Hewko, who is of Ukrainian descent and is a charter member of the Rotary Club of Kyiv. The Hewkos lived in Ukraine for five years during the 1990s.

Earlier this year, Marga Hewko and the Rotary Club of Chicago had been working with doctors in Chicago and Ukraine to establish a stem cell storage facility for cancer patients in the Ukrainian city of Lviv that would allow the cells to be stored longer and enable more complex research.

That initiative shifted to a new focus when the war began.

"We were reaching out to the Ukrainian community in Chicago to learn how we could help, and at the same time, we already knew

these doctors," says Marga Hewko. "That is how I found out about UMANA."

It was an ideal match. UMANA, founded in 1950, promotes education through conferences and exchanges of doctors between the U.S. or Canada and Ukraine. After the war started, UMANA volunteers began sending medical aid to Ukraine and using their network of doctors and pharmaceutical companies to get supplies and equipment. Rotary clubs soon joined the project.

Marga Hewko, who is from Argentina, used her contacts there to bring Argentine clubs into the effort, and those members are also using their connections to obtain funds and equipment.

During a tour of the UMANA warehouse, Marga Hewko, Merryweather-Arges, and Jane Hopkins, the governor of District 6450 in Illinois, praised the efficiency and scale of the operation.

"UMANA is simply amazing," Merryweather-Arges says. "We opted to work with them because they are well connected to the Ukrainian community in Chicago and have worked to sort and pack nearly 400 pallets of supplies."

Members in Ukraine continue to develop the list of needed supplies. Olha Paliychuk, who is a surgeon, a member of the Rotary Club of Cherkasy, and a member of the Turkey-Ukraine intercountry committee, calls hospitals each night.

The delivery of the items to hospitals is coordinated by Paliychuk in Cherkasy; by Borys Bodnar, of the Rotary Club of Ukraine Unity Passport, in Lviv; and by Mykola Stebljanko, of the Rotary E-Club of Ukraine, in Odesa.

Marga Hewko says the actions of members in and outside of Ukraine demonstrate the power of Rotary's network.

"In the middle of the war, when some of the targets of the Russian army are hospitals, the fact that we have volunteers in Ukraine driving supplies across their country — if that is not Service Above Self, I don't know what is," she says.
