## Song of the Day

### THE IMPOSSIBLE DREAM

To dream the impossible dream  
To fight the unbeatable foe  
To bear with unbearable sorrow  
And to run where the brave dare not go

To right the unrightable wrong  
And to love pure and chaste from afar  
To try when your arms are too weary  
To reach the unreachable star

This is my quest  
To follow that star  
No matter how hopeless  
No matter how far

To fight for the right  
Without question or pause  
To be willing to march, march into Hell  
For that Heavenly cause

And I know if I'll only be true  
To this glorious quest  
That my heart will lie peaceful and calm  
When I'm laid to my rest

## Song of the Day

*Continuation 1.*

And the world will be better for this  
That one man, scorned and covered with scars  
Still strove with his last ounce of courage

To reach the unreachable  
The unreachable  
The unreachable star

And I'll always dream the impossible dream  
Yes, and I'll reach the unreachable star

## From the President

Pres. Garrick Ang

Dear Fellow Rotarians and Friends,

Good Day!

Let us thank the Good Lord for stabilizing condition of Spouse Bella, wife of PP Ka Peping Mabanta and let's continue to pray her full healing and recovery

The Finance Committee of our Luxid Rotary Microfinance & Credit Cooperative headed by IPP RJ Ermita is busy at work supporting the additional influx of members. Thanks to Rtn Anson Tan and Rtn Jake Oh for registering their employees to our cooperative.

Again, I would like to invite all RC Pasig Rotarians, especially the newest members to register and attend our District 3800 Conference (Discon). This will be an in-person meeting on May 6 and 7, 2022 at the Marriott Hotel Manila in Pasay City. Please contact PP Jun Zafra or Edgar Manalang for your registration.

On April 19, 2022, we will have our President's Cup Golf Tournament at Hallow Ridge Golf Club (formerly TAT Filipinas), in San Pedro, Laguna. Please get in touch with PP Rel Gomez for more information. So far, we have around 20 players signed up we expect more with the fun and fellowship after.

# From the President

**Pres. Garrick Ang**

*Continuation 1.*

The Rotary District 3800 District Assembly (Distas) will be on May 22, 2022 at the Taal Vista, Tagaytay. It will then be followed by the Rotary Convention in Houston, Texas, USA on June 4 - 8, 2022.

On April 22, 2022 (Friday), the Rotary Club of Tanay will sponsor the golf tournament “Golf for a Cause” to be held at Valley Golf and Country Club in Antipolo City.

Let us all support incoming RC Pasig President Bong Paloma, who completed his President-Elect (PETS) f2f Training at Crowne Plaza. More power to you.

Also, congratulations to our Gravel Iron PP and HOF Doc Jess Acantilado, for finishing and surviving the UCI Gravel World Series held in Nueva Ecija.

Finally, we can all put the Finger controversies of Rtn Rod to rest.

Thank you!

Garrick

## **Rotary Notes**

**PP Benny P. De Guzman**

A new generation of Taong Bakal has emerged in the person of HOF/PP Doc Aga as he finished the intense world class tortuous Gravel Race. By any degree, he has surpassed the original, PRID Raffy in this category. Congratulations! Superman!

PP Ner promised attending face to face meeting every other week but another Batangueno , the first HOF PP Rhett attended and will make it once a month?

As admirable as Doc Aga, we salute our three nonagenarians, Charter members PPs Esto & Peping and PP Totoy. Esto is still a zoom meeting attendee but the duo of Peping and Totoy, 93 and 95 years old, respectively, are regulars in their weekly f2f attendance. Peping with a caregiver pushing his wheelchair and remarkably Totoy with a cane (just in case only!) but walking on his own. From PP Peping, we heard that spouse Bella has improved a lot.

The 40<sup>th</sup> day of much missed PP Ed was last Sunday and many of us were able to join spouse Ching and daughters for the rosary and mass. The smile of Ed is always one to inspire us in our desire to reach out meaningfully to others.

PP Peter always mindful of attendance was making record per Pangkat. We will not truly the Republic we are boasting to be if we rob the others of the opportunity to interact with us in face to face fellowship. The baby Rotarians which now is a majority in our club must be told we are not a zoom meeting club. They can schedule their Thursday noon even on the required minimum of 60% attendance in a meeting. Or totally program the two hours only once a week. Again, PP Peter arranged free parking for us.

## **Rotary Notes**

**PP Benny P. De Guzman**

*Continuation 1.*

What could be more pink than PP John? He was sporting a pink polo barong and had a pink wrist band. PN Adolf has a collar band in pink and has boasted that he is assigned to organize chapters for Leni.

Our club is not endorsing any candidate other than for Rtn Alex for senator on the national level. But PP Bert may want to discuss with PP Ner why he must not vote for the candidate Ner has in mind. Director Sonny may have other ideas but many in our club for the local elections are for Vico and Dudut and for councilors, we are endorsing Eric Gonzales, nephew of PP Peter and PPA Celia and son of a former member of our club and a Rotarian from RC Pasig Sunrise. The nephew of our very own Roman, Simon Tantoco is also running for councilor. Angelu de Leon is also being endorsed by no less than me. Of course Roman is known as a local candidate. We need to pad his lead to make him more comfortable in assisting us.

First the Facebook photo showing his equally handsome sons. The HOF/PP Conrad shows the big bass fish he and spouse Leni bought from the fishers in Laguna and had their nice pose. But when Leni told me they caught the bass, I believed her as both Leni and Conrad had almost always been catching the bigger ones. Mahusay na sa golf, mahusay pa sa fishing. Please do not belittle Rtn Rod's pointers on use of hands and fingers.

## **PRESIDENTIAL MESSAGE**

**Shekhar Mehta**  
**President 2021-22**  
**April 2022**

Friends, one of my mantras in Rotary has been do more, grow more. I am sure you are adopting this mantra. Do more, as in bigger and impactful service projects, and grow more, as in increasing our membership.

There is so much excitement across the Rotary world about our Each One, Bring One effort. Everywhere I travel, club presidents, district governors, and Rotary members — both veteran and new — express appreciation that their membership efforts are inspiring the Rotary world.

We are growing more, and I cannot wait to celebrate all of this success with you at the Rotary International Convention in Houston in June. There is still time to register and make your plans to join us. We are looking forward to a once-in-a-lifetime experience that will unite our members after far too much time apart.

As we grow more, we will have so much more opportunity to do more. April is Maternal and Child Health Month, a great opportunity for your clubs to consider what you are doing to support the health of mothers and young children. Improving access to care and the quality of care for women and children

worldwide is an important focus for us and it also ties in very well with our Empowering Girls initiative. I appreciate the work being done by various clubs in this area of focus, and I would encourage you to think of ways to do more.

It has been so exciting to see Rotary members come together at the presidential conferences to share ideas about using our areas of focus to bring about big, lasting change in the world. The past and upcoming presidential conferences are looking at our new area of focus — the environment — and how our work to protect our planet must support our efforts to grow local economies, especially in places with the greatest poverty. I also had the honor to speak at the 26th United Nations climate change conference in Glasgow, Scotland, known as COP26. This important meeting brought together nearly 100 heads of state and government over a two-week period to set new targets for fossil fuel emission. My call to action was to restore mangroves, a crucial ecosystem that can mitigate the effects of climate change in coastal areas. Already, countries across the world are showing great enthusiasm for this plan.

Our survival is at stake — the damage of environmental catastrophe is already upon us — and so, too, is our ability to lift the world's most needy out of poverty and offer them hope. We must find ways to protect our planet while sustaining the economic growth necessary to achieve our highest humanitarian goals.

This is a very exciting time in Rotary, a time when the world needs us most. As we Serve to Change Lives, remember that we are also changing ourselves. We are becoming the world's great change-makers and peacebuilders.

The world is ready for us. It's time to rise to that call.

## EASTER

Easter, which in the Christian faith commemorates the Resurrection of Christ and consequently is the most sacred of all holy days, is also the name of an ancient Saxon festival and of the pagan goddess of spring and offspring, Eastre. How a once-tumultuous Saxon festival to Eastre was transformed into a solemn Christian service is another example of the supreme authority of the Church early in its history.

Second-century Christian missionaries, spreading out among the Teutonic tribes north of Rome, encountered numerous heathen religious observances. Whenever possible, the missionaries did not interfere too strongly with entrenched customs. Rather, quietly – and often ingeniously – they attempted to transform pagan practices into ceremonies that harmonized with Christian doctrine. There was a very practical reason for this. Converts publicly partaking in a Christian ceremony – and on a day when no one else was celebrating – were easy targets for persecution. But if a Christian rite was staged on the same day as a long-observed heathen one, and if the two modes of worship were not glaringly different, then the new converts might live to make other converts.

The Christian missionaries astutely observed that the centuries-old festival to Eastre, commemorated at the start of spring, coincided with the time of year of their own observance of the miracle of the Resurrection of Christ. Thus, the Resurrection was subsumed under the protective rubric Eastre (later spelled Easter), saving the lives of countless Christians.

***Continuation 1.***

For several decades, Easter was variously celebrated on a Friday, Saturday or Sunday. Finally, in A.D. 325, the Council of Nicaea, convened by the emperor Constantine, issued the so-called Easter Rule: Easter should be celebrated on “the first Sunday after the first full moon on or after the vernal equinox.” Consequently, Easter is astronomically bound never to fall earlier than March 22 or later than April 25.

At this same council, Constantine decreed that the cross be adopted as the official symbol of the Christian religion.
