Song of the Day

MY ROTARY DAY

(Adapted from "Beautiful Sunday")

Thursday morning, I'm up and about
I think I'll take a walk in the park
Hey, hey, hey, it's a wonderful day

I've got someone waiting for me
When I see him I know that he'll say
Hey, hey, hey, it's our Rotary day

Hi, hi, hi, wonderful Thursday
This is my, my, my, Rotary day
When you say, say, say, say that you'll meet me
Oh, hey, hey, hey it's our Rotary day

Birds are singing, you by my side
Let's take a car and go for a ride
Hey, hey, hey, it's our Rotary day
We'll drive on and follow the sun
Makin' Thursday go on and on
Hey, hey, hey, it's our Rotary day

Hi, hi, hi, wonderful Thursday
This is my, my, my, Rotary day
When you say, say, say, say that you'll meet me
Oh, hey, hey, hey it's our Rotary day

Hi, hi, hi, wonderful Thursday
This is my, my, my, Rotary day
When you say, say, say, say that you'll meet me
Oh, hey, hey, hey it's our Rotary day

From the President

Pres. Bong Paloma

Good afternoon RCP. Welcome once again!

August is Membership Month and as part of our membership celebration, we witnessed the charging and pinning of the Rotary lapel pin to 12 baby Rotarians who joined the club during the Pandemic last Thursday. Thirty-one were recruited during the Pandemic, but only 12 came to experience one of the momentous moments of becoming a Rotary member.

Today we continue the celebration by having one of our favorite District Governors, who heads the District Membership Committee, talk about Membership Update in Rotary. Let us learn more about Rotary membership, its profile and its impact on society. Let us all welcome PDG Tonipi Parungao!

Again, a reminder to all RCP members. This month, we have two significant events. First, on August 24, don't forget to join us for our Induction, Handover and Awarding Ceremonies at Valle Verde 5 Clubhouse at 6:00 pm. And on August 26, RCP will host the 2nd Leg of the District 3800 Golf Federation Tournament at Hallow Ridge Golf Course at San Pedro Laguna. We are also using this tournament to raise funds to support the various flagship projects of the club. To those who have given their support and pledges, thank you very much, and may God bless you with more.

I want to thank the senior members of the club who participated (on-site) during the pinning ceremony (PRID Raffy, PP Peter, PP Ner, PP Benny, PP Ogie, and PP Jun) for your participation and

presence made a difference. Thank you also to those who joined us virtually.

And lastly, to the July birthday celebrants, thank you for the fresh and crispy Elar's Lechon. And also to Rtn Phillip for his Asador's stuffed chicken. You all made our day.

I look forward to another exciting and inspiring talk from Gov Tonipi and to our usual good-humored Thursday bonding and fellowship.

Stay Strong and Healthy!

Bong

Rotary Notes

PP Benny P. De Guzman

With our average meeting closing time of 2:15 p.m., can we start the meeting at exactly 1:00 p.m.? Can the emcee arrange all parts and participants are in order? If there are assignees to be replaced, to look for replacements ahead of the sked?

IPDG Tonipi Parungao is our guest speaker today. May we have a good attendance especially for the Rotarians for pinning of the Rotary pin last week who were no shows? There were only 12 who were given pins twice. The club had ready pins for the pinning ceremony but PRID Raffy called up his house to bring the new Rotary pins. Since the ones from him were the latest Rotary pin, he was generous to give to the others who requested for it.

Before I started my fining last week, I acknowledged the two children of our very own Rtn Alex and spouse Pia, both very good lawyers. Daughter Angeli Francesca graduated summa cum laude from UP while her younger brother graduated with highest honors from Junior High. These young achievers are from illustrious clans. Alex is not only a recognized lawyer from Negros Occidental but is a part of the huge Ledesma clan. Pia is a Ferry from Nueva Ecija and a Pena from Palawan. Ano pa ba ang magiging bunga?

I also started with prayers for the recoveries of PP Peping and spouse Bella and PP Topax and spouse Meanne as both couples had Covid. As of this writing, both couples are in good health and Peping and Bella went farther to get certifications from the City Health Office that they both are Covid free and can mix freely with others. I heard that PP Bert also is now Covid free. Ingat pa din ang rest.

Rotary Notes**PP Benny P. De Guzman***Continuation 1.*

At the time of this writing, I am on my 38th day of using a cane. It started with a pinched nerve and a pulled muscle after. After so many sessions with a physical therapist with the blessing from our HOF/PP Doc Aga, I am to see today a medical acupunturist. If I am without cane in our meeting today, the acupunturist did well. If not, sana uli. I can just reiterate to those who are shying from both our face to face and zoom meetings the value of attendance to improve our fellowship and to show we appreciate seeing each other. That is the value of fellowship.

The two fine gentlemen who defended their classifications last week, Dir Dodie and the newest inductee, Dante Lardizabal did it in a different manner. Dodie did it with class as he prepared for it while in a friendlier manner, Dante showed why Rtn Anson, his sponsor calls him Champ. Champ talaga. I asked Anson what Champ meant. He said, champoy partner ko yan.

While an hour after our meeting, the brother of Dodie was to have a successful angioplasty although Treas Jake texted it was a heart by-pass. Anyway, glad to add that Dodie's brother is now back home resting. His brother is a Makati Rotarian and former president of both the National Jaycees and the Jaycees International. Today, PP Topax is to undergo a major shoulder operation. May you recover fast enough Topax. You are on your way to being a Taong Bakal too.

ROTARY PROJECTS AROUND THE GLOBE

United States

The Rotary Club of Duvall, Washington, celebrated Valentine's Day by hanging 133 double-sided hearts from light poles along a mile-long stretch of Main Street, where they loomed large from late January through early March. Bearing messages sponsored by residents and businesses at a cost of \$50 each, the signs raised about \$13,500 for food pantries and other organizations serving youth, seniors, and the needy in the community northeast of Seattle. The club was inspired by a long-running fundraiser of the Rotary Club of Loveland Thompson Valley, Colorado, whose sign subscriptions routinely sell out within hours.

Venezuela

Since 2009 the Rotary Club of Barquisimeto-Nueva Segovia has overseen more than 350 surgeries to correct congenital craniofacial deformities in children. In late April the club, based in the capital of Lara state, administered nine cleft lip and palate surgeries. Patients and their mothers are interviewed by club members who are specialists in children's maxillofacial surgery. Proceeds from the club's golf tournament fund the surgeries and follow-up care, which costs about \$150 per patient. "Children with these malformations generally require several surgeries, and our club guarantees them all," says Rafael Cárdenas, a club member. "Our goal is to change lives permanently."

After governmental delays hampered the replacement of critical

firefighting equipment damaged in responses to two major fires in 2021, the Rotary Club of Kos stepped in. Rotarians staged a dance marathon and a musical, raising \$2,300 to purchase nearly 2,000 feet of firehose, nozzles, and pipe connections for the island's fire department. "It's better to prevent than to cure," says Stavros Amaris, immediate past president of the club, paraphrasing Hippocrates, a famous son of Kos. Emergency preparedness is top of mind for the club, which also has organized blood drives and directed money to the Kos ambulance service.

Madagascar

Addressing needs caused by recent famine, clubs in District 9220 delivered 800 packages of rice, water, cooking oil, and other staples, as well as hygiene products, to the community of Ankiliabo in April. "Lately, the kere [famine or hunger in the local parlance] has taken on a great magnitude because the climate conditions do not allow the population in this area to live properly through agriculture and livestock," says Narindra Razafinimaro, immediate past president of the Rotary Club of Antananarivo-Anosy, which led the effort. The Rotary Club of Saint-Denis-La Montagne, in the French department of Réunion, another island in the district, contributed about \$2,700.

Kazakhstan

The Rotary Club of Astana in late 2018 inaugurated its first inclusive playground in a country sorely in need of such opportunities. Named Kunshyaq, or "Sunshine," the playground has specialized swings, ramps, merry-go-rounds, and other equipment to accommodate children with and without disabilities

and instill values of tolerance and empathy. While the municipal council of the capital city, now called Nur-Sultan, donated the land, Rotary members in Astana, led by Past President Lyazzat Alshinova, generated about \$55,000 from club members, other District 2430 clubs, embassies and other organizations, and proceeds from an art auction and ball. The playground is such a hit that the club, composed of Kazakhstanis and expatriates, raised funds for a second one in the capital.

ABBA got its name by taking the first letter from each of the band members' names (Agnetha, Bjorn, Benny and Anni-frid). The Swedish pop group once turned down an offer of \$1 billion to reunite.

Madonna once worked as a coat-check girl at New York's Russian Tea Room restaurant, but she was fired for wearing fishnet stockings. She once did a commercial for Pepsi..

Eminem and 50 Cent had very simple backstage requests at the MTV Video Music Awards; while other stars were demanding bowls of raw vegetables and expensive alcohol, the rap pair asked for four boxes of Kentucky Fried Chicken and large portions of Mexican treats from Taco Bell. Eminem's two favorite places to tour are Amsterdam, because of its liberal laws and London, because of its food.

Troubled singer Michael Jackson once paid \$30,000 to hire two private jets – one for him to travel in and another as a decoy to confuse the press when he traveled from Las Vegas, Nevada to Santa Barbara, California.

The song “When Irish Eyes Are Smiling” was written by George Graff and Chauncey Olcott and composed by Ernest Ball; all three were Americans and reportedly had never visited Ireland.
