# Song of the Day

## MY ROTARY DAY

*(Adapted from "Beautiful Sunday")*

Thursday morning, I'm up and about  
I think I'll take a walk in the park  
Hey, hey, hey, it's a wonderful day

I've got someone waiting for me  
When I see him I know that he'll say  
Hey, hey, hey, it's our Rotary day

Hi, hi, hi, wonderful Thursday  
This is my, my, my, Rotary day  
When you say, say, say, say that you'll meet me  
Oh, hey, hey, hey it's our Rotary day

Birds are singing, you by my side  
Let's take a car and go for a ride  
Hey, hey, hey, it's our Rotary day  
We'll drive on and follow the sun  
Makin' Thursday go on and on  
Hey, hey, hey, it's our Rotary day

Hi, hi, hi, wonderful Thursday  
This is my, my, my, Rotary day  
When you say, say, say, say that you'll meet me  
Oh, hey, hey, hey it's our Rotary day

Hi, hi, hi, wonderful Thursday  
This is my, my, my, Rotary day  
When you say, say, say, say that you'll meet me  
Oh, hey, hey, hey it's our Rotary day

## **From the President**

**Pres. Bong Paloma**

On behalf of the Imagine Rotary officers and Board of Directors, I would like to thank this great club for a successful club assembly last July 7. I am happy to see and experience the kind of cooperation and commitment from the officers and the members. I hope it will always be this way in the upcoming meetings and assemblies.

I want to issue a call to support the various plans, programs, and projects presented by the different directors of our club. Your active participation, utmost support, and cooperation will advance this club.

Since we are doing hybrid meetings, our operating expenses have increased more than the pre-pandemic level due to inflation. Thus, as announced by our Treasurer, Jake Oh, and approved by the board, we are bringing back our annual membership dues to 24K (Pre-Pandemic rate). So far, initial pencil-pushing by our finance and operations team has yielded a positive result, and we are still within budget at 24K annual membership dues. However, our operating cash is already low, and we need to replenish it. Kindly settle your membership dues in the next two weeks because we need money to support our upcoming club activities and projects.

Don't forget, mark your calendar, July 21 at 6 pm at Valle Verde 5 Clubhouse. It is our club induction and handover ceremonies. Please don't forget to register. Let us aim for perfect attendance, and you are highly encouraged to bring your spouse. So, they too can witness the goings and happenings of this great club. It will be a fun, enjoyable, and memorable evening. So please give your

better half the chance to experience this once-a-year awe-inspiring activity of our club.

My apologies for not being present today; I have a customer appreciation event in Anvaya, Bataan. I leave you in the capable hands of our PN, PN Adolf Aran, and the ever active and the most capable perpetual secretary of our club, PP John Peter Javier. We have also invited the Hon. Teddy Baguilat, as our speaker in today's meeting. I am sure he will share some exciting thoughts and insights about things to come and his advocacies.

Thank you again, and I wish all of you a great day.

Bong

## Rotary Notes

PP Benny P. De Guzman

If you are doing good, people will keep you. If there is no one even better than you to get your assigned task in our Rotary club, you will have to retain it. This is the story of my column. Baka mas matagal pa ako kaysa Edgar's stay in our club in my writing this page. First, Pres. Bong tells me that he was not able to assign the post to any Rotarian. Please write only for the first issue then an expected text, "please carry on na lang." Ever active retained Secretary PP John also added, "PP Benny, ikaw na uli." Baka akala niyo hindi ako sanay ng uli? Uliulitin ko mga nailagay ko na and nobody will notice. If anybody will make the mistake of noticing invariably, he is offering to take over, even ASAP.

Before, there was one and only Taong Bakal, the original being PRID/PDGF/HOF/PP Raffy. Recently he proved that he's still the tough guy as he overcame all symptoms to be declared as fit as a fiddle. A claimant before despite so many major operations, the late HOF/PP Rhett finally gave up last April on the very day their Kidney Center was to be inaugurated. But PP Peping is emerging as a claimant. Tough Peping survived a bad fall, had five stitches on the face, some muscle pains and lots of bleeding. After one day in the hospital, he was also fit like a fiddle just like Raffy. What caused Peping to slip? He saw his picture sent by Raffy when he was a charter member of our club, curly hair and may extra height pa? Reminds me when Dr. Aga joined us. So did the late Rhett. Panay curly sila.

At the start as always in our Rotary club, the officers have grandiose plans to make the Rotary year a good one. If they burn out earlier, Imagine, we are having a good one. The new theme of

Rotary gives us an advance excuse if we miscarry the plans. Imagine na lang natin, ayos na!

Pres Bong started his meeting with the traditional lechon plus many other extras. But the one needing a good follow through is the raffle. Many good prizes that PP Vic almost got two. He was recognized as an early bird. He bested Treasurer Jake who is usually the earliest. Jake is doing his work here, kaya upon registering, he will go to his usual corner. PP Rene won the major prize, a new 15K wrist watch. It is expensive as it is better than most of our watches. The time is always advance.

Congratulations to Rtn Anson. Aside from providing us with good early morning pictures, he gave lechon on his birthday and sponsored 3 new Rotarians. Now I understand one is returning his classification while another is anxious to return. After missing our meetings for so long, Pangkat former head Rtn Sonny had a good June and for July, he was out again.

Next week is Induction Night. I hope the advisers of Pres Bong did not fail to mention that no induction is ever successful without the support and participation of our partners, our spouses. Hindi na sila Rotary Anns now but their association remains the same, ARAP. Anybody who fails to get the full support of the ARAP then is unwittingly planning to fail. Baby Rotarians, have your spouses join ARAP. It is a fun organization. This late, if there is no ARAP presentation, expect a bad attendance of the ARAP. Try to convince Rtns Chony, Nesty, PP Hermie and all Baby Rotarians and their partners to attend. Then, we will have a good fellowship.

### **FIRST WOMAN TAKES OFFICE AS PRESIDENT OF ROTARY INTERNATIONAL**

EVANSTON, Ill. (June 29, 2022) – Jennifer Jones, member of the Rotary Club of Windsor-Roseland, Ontario, Canada, will be the first woman to take office as Rotary International President in the service organization’s 117-year existence on 1 July 2022.

During her one-year term, Jones will focus on building new relationships and establishing collaborations with organizations that share Rotary’s commitment to driving impact through humanitarian service and to developing leaders around the globe. She has also made Rotary’s commitment to diversity, equity, and inclusion a key part of her presidential platform.

“Diversity has long been one of our core values and continues to serve as a foundation for how we interact with each other and our communities,” said Jones. “I know that my experiences and perspective as a woman mean that I bring a different lens to how I see and approach opportunities and challenges for our organization. I hope to be a catalyst for similar opportunities for leaders from all backgrounds that comprise the global mosaic of our organization. We are stronger, more creative, and more effective when we ask for and leverage those diverse perspectives to tackle the world’s most pressing challenges.”

As a professional communicator with more than 30 years of experience, Jones will also use her vocational strength as a storyteller to shine a light on the positive and lasting impact Rotary clubs are making to improve lives and strengthen

communities across the globe. “This year, we are going to bring Rotary service projects center stage around the world. We will put a special focus on visible, high impact acts of service across our areas of focus, drawing attention to the incredible work that Rotary members are doing.” said Jones.

Jones officially takes office as Rotary International President on 1 July 2022 in Ottawa, Canada at the mid-point of her cross-country tour. Dubbed Imagine Rotary Canada, Jones is traveling coast-to-coast, stopping at twelve hubs along the way to meet with local officials and participate in projects that address pressing issues including food insecurity, plastic and litter in waterways, and the safety of seasonal guest workers.

Jones will also mark her year as president by touring model examples of Rotary's impact in action. Throughout the year she will connect with Rotary members and clubs spanning the globe to explore and share learnings from Rotary projects, with a focus that includes:

- the vital role of women health workers in the efforts to end polio in Pakistan;
- a day in the life of a community health worker helping to reduce malaria in Zambia;
- the efforts of 600 Rotary clubs to improve education for underserved students in Guatemala;
- a former refugee who is now a Rotary Peace Fellow at the Rotary Peace at Makerere University, in Uganda;
- health workers reaching children with live-saving vaccines in remote islands in the South Pacific; and

- Rotary's efforts to bring clean water, sanitation, and hygiene to all of Haiti

As president, Jones will oversee Rotary's top goal of eradicating polio. "When we harness our connections, deepen our relationships, and create new partnerships - our collective efforts can change lives for generations," said Jones. "There is no better proof point of our impact than our effort to eradicate polio."

Alongside its Global Polio Eradication Initiative partners, Rotary has achieved a 99.9 percent reduction in polio cases, and contributed US \$2.4 billion to protect more than 3 billion children from this paralyzing disease. Nearly 19.4 million people are walking today who otherwise would have been paralyzed by this vaccine-preventable disease, and 1.5 million people are alive who otherwise would have died. With the infrastructure Rotary helped create to end polio, a lasting global health legacy is now being used to protect millions of people from other diseases – including Ebola, malaria, and COVID-19.

About Jennifer Jones: Jennifer is the Founder and President of Media Street Productions Inc., a 25-year-old, award-winning media company in Windsor, Ontario. She has received many honors and recognitions including Rotary's Service Above Self Award and the Citation for Meritorious Service, the YMCA Peace Medallion, the Queen's Diamond Jubilee Medal, and Wayne State University's Peacemaker of the Year Award – a first for a Canadian. Jennifer is married to Rotarian Nick Krayacich, a family physician.

dedicated to tackling the world's most pressing humanitarian challenges and creating lasting change. Rotary connects 1.4 million people of action from more than 46,000 Rotary clubs in almost every country in the world. Their service improves lives both locally and internationally, from helping those in need in their own communities to working toward a polio-free world. ## Our Guest Speaker

***HON. TEODORO BRAWNER BAGUILAT JR.***  
***Ifugao Province***

In his twitter profile, Teddy Baguilat describes himself as a Katutubo, Activist, Organizer and an Ifugao. Whether as a public official or an environmental advocate, this is what defines him.

Teddy was born in Manila and grew up in Quezon City. But at the age of 13 and feeling an urge to discover his heritage, he left the Big City and continued his high school studies in Kiangnan, Ifugao, his father's hometown.

This is where he learned about his indigenous culture and being part of a tribe and discovered his calling in life – to be a public servant for the marginalized.

He continued his formal education at the University of the Philippines, College of Mass Communication taking up Journalism. After college, he worked with the Department of Environment and Natural Resources, with GMA-7, with the People's News Service and the Philippine Ecological Network.

But after two years in the city, he decided again to go back to where his heart beckoned – his province of Ifugao. In 1992, he ran for Municipal Councilor representing the youth of Kiangnan. After one term, he continued his public service being elected for two

terms as Mayor of Kiangnan. He then served Ifugao as Governor and helped remove the province from the list of 10 poorest provinces in the Philippines.

In 2010, he was elected as Congressman representing the lone district of Ifugao for 3 consecutive terms. There, he championed the rights of Indigenous Peoples, farmers, children, women and the LGBTQ community also authoring more than 20 laws including the Sagip Saka Act, Free Public Wi Fi Access, Kasambahay Law, National Mental Health law, among others and pushing for a new mining Act, total commercial logging ban, indigenous conservation and the SOGIE equality law.

Before running for the Senate, he was the executive Director of the ASEAN Parliamentarians for Human Rights and the Vice President of the Liberal Party and is currently serving as the President of the Global Consortium of Indigenous and Local Communities Conserved Areas and Territories.

He is now busy organizing a national movement of volunteers for the environment and Indigenous Peoples Rights called the Angat Kalikasan Pilipinas.

## SOME NATURAL LAWS OF GOLF

*Contributed by PP Rhett Ermita*

1. If you really want to get better at golf, go back and take it up at a much earlier age.
2. The game of golf is 90 mental and 10% physical.
3. Since bad shots come in groups of three, a fourth bad shot is actually the beginning of the next group of three.
4. When you look up, causing an awful shot, you will always look down again at exactly the moment when you ought to start watching the ball if you ever want to see it again.
5. No matter how bad you are playing, it is always possible to play worse.
6. Never try to keep more than 300 separate thoughts in your mind during your swing.
7. If you're afraid a full shot might reach the green while the foursome ahead of you is still putting out, you have two options: you can immediately shank a lay-up, or you can wait until the green is clear and top a ball halfway there.
8. The less skilled the player, the more likely he is to share his ideas about the golf swing.
9. The inevitable result of any golf lesson is the instant elimination of the one critical unconscious motion that allowed you to compensate for all of your many other errors.

# Tinig Tidbits

By: PP Peter M. Javier

## *Continuation 1.*

10. Golfers who claim they don't cheat, also lie.
11. Everyone replaces his divot after a perfect approach shot.
12. A golf match is a test of your skill against your opponent's luck.
13. Counting on your opponent to inform you when he breaks a rule is like expecting him to make fun of his own haircut.
14. There are two kinds of bounces: unfair bounces, and bounces just the way you meant to play it.
15. Every time a golfer makes a birdie, he must subsequently make two triple bogeys to restore the fundamental equilibrium of the universe.
16. There are two things you can learn by stopping your backswing at the top and checking the position of your hands: how many hands you have, and which one is wearing the glove.
17. Hazards attract; fairways repel.
18. You can put "draw" on the ball, you can put "fade" on the ball, but no golfer can put "straight" on the ball.
19. If there is a ball in the fringe and a ball in the bunker, your ball is in the bunker.
20. If both balls are in the bunker, yours is in the footprint.

Now go out again and enjoy a wonderful game!
