## Song of the Day

### NEVER ON MY ROTARY DAY

*Tune: Never on Sunday*

Oh you can meet me on a Monday,  
A Monday, a Monday is very very good.

Oh, you can meet me on a Tuesday,  
A Tuesday, a Tuesday in fact I wish you would.

Or you can meet me on a Wednesday, a Friday,  
A Saturday and Sunday is the best

But never, never on a Thursday, a Thursday  
A Thursday 'cause that's my Rotary day

#### **Refrain:**

Most any day, you can be my guest,  
Any day you say but my Rotary day.  
Just name the day that you like the best,  
Only stay away on my Rotary day.

Oh you can meet me on a cool day,  
A hot day, a wet day, whichever one you choose

Or try to meet me on a gray day,  
A May day, a pay day, and see if I'll refuse.

And if you make it on a bleak day,  
A freak day, a week day, then you can be my guest.

But never on a Thursday, a Thursday,  
A Thursday 'cause that's my Rotary day.

**(Repeat Refrain)**

# From the President

**Pres. Garrick Ang**

Dear Fellow Rotarians and Friends,

Good Day!

Last week, our speaker reminded us of the importance of understanding our history, good or bad, as it will all be part of our history. Our speaker, Dr. Roy Mendoza had promised to join our club and make history for the great Rotary Club of Pasig!

Last Saturday, our Food Fellowship Group held the very first Food Tour, the Binondo Food Crawl. It was a great food tasting event especially for those who still remember and crave the comfort food we grew up with. Rtn Anson Tan, Rtn Bernard Bobadilla and Rtn Jake Oh, led the tour in those exotic eateries in Chinatown including those with long lines like the Shanghai Fried Siopao in Ongpin St. They kicked off the tour with a Chinese laureate lunch that surely filled their stomach. Special thanks to PN Adolf for leading this group, SAG/PP Ramy for lending us a VIP van with driver, Rtn Anson for the standby van, PE Bong and AG/PP John for their leadership. Surely, it will have a Part 2! The group also announced the next Food Tour in July 2022 will be the “Meken! Malawus ka Pampanga!” We will walk the pathway of the late renowned international food critic, Anthony Bourdain, to the sizzling mystery of sisig, the different tocino and longanizza and many more!

A gentle reminder again to all Pasig Rotarians to update their membership dues as we end the Rotary year. Let us make sure that we give the incoming Imaginative Club President the resources to start the incoming Rotary year with a bang.

## **From the President**

**Pres. Garrick Ang**

### ***Continuation 1.***

Next week, we will have Vice Mayor-Elect Dudut Jaworski as our speaker and he will be inducted after his talk. Let us continue to work together with the local government of the city of Pasig. Our club's incoming Public Image Director, Dr. Ato Basco already started the ball rolling as he is set to meet with the City Health Officer of Pasig to discuss cooperation and collaboration in promoting Health Care for Mother and Child and Fighting Diseases, 2 pillars of the area of focus of Rotary.

Onward to the Imaginative Year, the mighty Rotary Club of Pasig!

Thank you!

Garrick

## **Rotary Notes**

**PP Benny P. De Guzman**

The attendance of our hybrid meeting last week was the worst we had faced. It defies the beauty of our Pangkat system and puts to task the members and especially the Pangkat Leaders. It is embarrassing to our guest speaker and a sure disappointment to the ones taking pains to invite them. Can our dear Alex remind our members of the just 6 Little Ways A Pasig Rotarian Can Do To Help our Club?

The Binondo sumptuous Chinese food expedition and the visit to Chinatown was a rare project. It was a nice start and we can devote a once a month meeting for this kind with the month's birthday and wedding celebrants hosting. The Pangkat of the month will be the main coordinator.

It will be a nice idea since this is the last month of the Rotary year that the incoming Board and all past presidents and Pangkat Leaders must thresh out meaningful actions, not to intrude in the plans of IP Bong but to compliment such. We have just one more regular meeting and then the traditional end of the RY hosting by outgoing president. With more than half a pandemic year and the face to face had carry overs, President Garrick did well and it is up now look at problems and where to start the great momentum to propel us to be truly a first class club.

SAG/PP Ramy and PRID Raffy sent first class super SUV or understatement ba yon, to ferry the Pasig Rotarians to Binondo. What will the June group do this time? Isabay na sa blowout ni President Garrick for a slam bang!

Today is the great challenge on attendance. If we don't improve, let us review those truly interested and weed out those not

## **Rotary Notes**

**PP Benny P. De Guzman**

*Continuation 1.*

interested. Not that we are interested in better attendance but we are interested in the valued fellowship we all miss. Pity if two Pasig Rotarians make up in another club only to find out they belong to the same club? If it was happening to members of the Rotary Club of Manila with membership in the 80s reaching 400, it should not happen to a club our size.

We may have a better Tinig yet despite being on a first class basis, . We may have colored pictures in the future. Watch PP Peter and Rtns Mads and Anson teaming up. It may yet be the time of IP Bong as planning is at the interesting stage as yet.

I understand that some members shied off when they could not find parking space as it was full already as the space allocation given us was small. Paging our members who are active members of VVCC. Can we get at least 12 parking slots in the basement for the truly geriatric members and additional in the open space parking?

May we encourage the baby Rotarians to at least be present in the face to face meeting and try to meet as many oldtimers? Can we get at least 95% attendance on induction night? Remember, induction is more than a month away yet. And improve involvement in club activities? Tinig will undergo a major change. Be part of the change. Participate and truly be involved.

Ex-Rtn Ray Armas has been attending the last five meetings. If there is a way to talk to him as to how to rejoin, may we have him back?

## IMAGINE MELBOURNE

After discovering new perspectives and being inspired by new ideas at the 2022 Rotary International Convention, attendees and virtual participants are looking ahead to next year's gathering in Melbourne, the sparkling second city of Australia.

This vibrant hub of art, sports, and cuisine will host the 2023 convention, set for 27-31 May. Rotary members, participants, and supporters are invited to Imagine What's Next and explore the possibilities for Rotary's future.

Our commitment to diversity, equity, and inclusion will also be an important focus during the event, which will be packed with thought-provoking speakers and practical breakout sessions. Rotary members in the Host Organization Committee are planning activities to show visitors why their city is known for world-class sports, cultural diversity, exceptional dining, and inventive street art.

**Anyone who registers by 15 December will pay a reduced price.**

The 2022 convention in Houston, Texas, USA, offered plenty of inspiring moments as Rotary's global network gathered in person for the first time since 2019, following two conventions that were held virtually because of COVID-19. The convention offered participants new horizons to discover through in-person events and a robust schedule of virtual offerings (with recordings available through 31 August).

## *Continuation 1.*

During the closing session , Rotary International President-elect Jennifer Jones gave members a preview of what she'll be focusing on.

"For the past two years, the most common question I have received is, 'How does it feel to be our first woman president?'" Jones said. "I will confess, I feel a sense of excitement brewing because I believe this opens opportunities for lifting and celebrating each of our diverse perspectives."

"We've all taken a different path to get here," she continued. "Some because your father was a Rotarian, some because an employer tapped you on the shoulder, others because a Supreme Court ruling permitted women to join ... and yet each of us entered through one mechanism — an invitation.

"That is why I am determined to harness diversity, equity, and inclusion to advance this invitation across the Rotary world."

Jones also called on leaders throughout Rotary to be trailblazers, and pledged to continue President Shekhar Mehta's Empowering Girls initiative, which she said "has resonated powerfully around the world."

## **Other highlights from Houston:**

- The Rotary Presidential Conference Houston: Serve to Bring Peace brought together peacebuilders from around the world to reflect on Rotary's response to conflict this year and reinforce our commitment to creating more peaceful and resilient societies.
- Rotary's response to the war in Ukraine was acknowledged several times during the convention. Rotary International

President Shekhar Mehta praised members for donating millions of dollars to help displaced Ukrainians. "They opened their hearts and homes...I saw from close quarters how Rotarians were caring for them. Seeing was believing," he said.

- Dr. Olha Paliychuk, a member of the Rotary Club of Cherkasy, Ukraine, thanked Rotary on behalf of the more than 1,000 members in Ukraine. "You have not only donated and shipped medical supplies and other daily essentials to those of us inside Ukraine, but also provided shelter to those who have fled," she said. "Your help has saved lives, giving us hope and inspiring Ukrainians like me to stand up, to help our people, and protect our homeland."
- Nobel Peace Laureate Kailash Satyarthi spoke about the work of the Kailash Satyarthi Children's Foundation to end the exploitation of children in India and around the world by addressing the inequality, injustice, and discrimination that lie at the core of child labor. Following his remarks, Mehta presented Satyarthi with the Rotary Award of Honor for his advocacy of children's rights globally.
- Dr. Hamid Jafari, director of polio eradication for the World Health Organization's Eastern Mediterranean Region, shared an update on Rotary's progress in ridding the world of polio. "Through your entrepreneurial spirit, you have energized and inspired other partners to never give up. You are the glue that holds us all together, motivated and accountable," he said. "You have led us from the start of global efforts to eradicate polio, and we will be together at the end of polio."
- Antoni Slodkowski, a 2003-04 Rotary Youth Exchange student from Poland to Japan, is the 2021-22 recipient of the Rotary

Contributed by: Rtn. Jake Oh

Good day Fellow Rotarians!

Firstly, the participants of the Binondo Food Crawl (Anson, Boba, Peter John, Carl, Rod, Bong, Jake and Adolf) would like to extend our warm thanks to Boss Ramy for the Van and (marites) driver, and to Boss Anson for sparing his (siga) driver and his manager and soon-to-be-member, Danny.

Special attendance of Mr. Danny (Manager of Boss Anson who was gracious to help us reserve a table in the super crowded restaurant) and Mr. Dante (who is the crying biker for Leni)

I was tasked by PP Boss Peter Javier to write something about this activity, which I gladly made pasaload to the others in order to get their personal perspective on the trip.

The first stop of our Binondo Food Crawl was President – a well-known Chinese restaurant located in Ongpin. Boss Anson ordered a full set meal including cold cuts, scallops with broccoli, pigeon, shrimps, abalone with sea cucumber, fish lips soup, steamed crabs, steamed lapu-lapu, and avocado almond. Obviously, nabusog ang lahat!

After our extremely filling first stop, we visited the original Eng Bee Tin store for some souvenirs! In short, Proof of Concept, para di magalit mga respective commanders. Then, we walked to Mr. Ube for some more Hopia (and more POC). We also passed by Chuan Kee, a known turo turo food spot, with a queue of about 28.56 meters – famous for its legendary “kiam pung” (Chinese adobo rice). We then proceeded to Carvajal Street to Quick Snack where I had my favorite fish ball soup while the others ordered

buns and other soup. Finally, the fried siopao...super winner to cap the day..

### **From Boss Anson Tan :**

My first time to join a Pasig Rotary Food Trip but not my first time to be a tour guide to my fellow Filipinos in my birthplace Binondo. The eating and chatting and walking were an experience that I didn't expect will happen when I joined Pasig Rotary. Fun and Funny I described the whole Binondo food trip. I'm so happy as a Chinoy that our food and culture was embraced by our fellow Rotarians. It was really "bitin" due to the limited time (due to late start) and I believe a Part 2 is highly recommended.

### **From Myself:**

To be honest, I was extremely excited about this event! The thought of eating all that delicious food already had me salivating! The only thing that disappointed me about the crawl was not being able to eat as much as I wanted to. More than the delicious food, I'm very glad I was able to have this experience with my newfound friends in Rotary. Reminiscing about my past, laughing, joking, and bullying inside the Van with fellow Rotarians was a delightful experience! (I will never forget the driver of boss Anson)

### **From Adolf Aran:**

Rotary Club of Pasig goes to Binondo! For fellowship, friendship and for the love of food, 8 Rotarians travelled to Binondo and explored the streets famous for Chinese cuisine and delicacies, including President Grand Palace, Eng Bee Tin, Amah's Kitchen, Shanghai Fried Siopao and many more. We ate and ate and told many stories along the way. What an exciting Rotary weekend!

## *Continuation 2.*

Special thanks to Rotarians Anson and Jake as our tour guides and for PP Ramy for his van and driver.

### **From Bong Paloma:**

The RC Pasig food crawl is something that I really enjoyed. Aside from the excellent food and various merienda tastings, I also enjoyed the story-sharing of our Fil-Chinese members (Anson, Jake, and Bernard). Reliving their childhood memories and experiences also takes us back to memory lane. Aside from Carlo, the youngest in the group, the age bracket of these food crawlers are from the 40s to 50s. We all had our share of Binondo stories (food, hopia and lumpia history, movie houses, nightclubs, brothels, vacuum tube TVs, VHS, electronics, etc.... ). Ultimately, on our way home, we became real friends and closer to each other and we all looked forward to our next food crawl and bonding destination.

### **From Carl Doce:**

Joining a food walk was a first to me and I really had fun. Also, being the youngest in the group, the experience was very insightful and engaging to know that even when years (generations lol) apart, there really are similarities in past of present interests. I am looking forward to more similar activities that would further foster fellowship among Rotarians.

All in all, this trip was an extremely enjoyable and valuable experience for everyone! Together, we were able to exchange stories and lessons while enjoying delicious food. I'm definitely looking forward to our next get-together!

P.S. Super Bitin.. best is to check the pictures. It says the thousand words.

## Binondo Food Crawl

Wala pa si PN Adolf & Rtn Rod. The food crawlers - Anson, Adolf, Jake, Rod, John, Carl, Bong & Bernard.
