## Song of the Day

### HEAL THE WORLD

There's a place in your heart  
And I know that it is love  
And this place it was brighter than tomorrow  
And if you really try  
You'll find there's no need to cry  
In this place you'll feel there's no hurt or sorrow

There are ways to get there  
If you care enough for the living  
Make a little space  
Make a better place

#### (Chorus)

Heal the world  
Make it a better place  
For you and for me, and the entire human race  
There are people dying  
If you care enough for the living  
Make a better place for you and for me

If you want to know why  
There's love that cannot lie  
Love is strong  
It only cares of joyful giving  
If we try we shall see  
In this bliss we cannot feel  
Fear of dread, we stop existing and start living

## Song of the Day

*Continuation 1.*

Then it feels that always  
Love's enough for us growing  
Make a better world  
So make a better world  
( Chorus )

And the dream we were conceived in will reveal a joyful face  
And the world we once believed in will shine again in grace  
Then why do we keep strangling life  
Wound this earth, crucify its soul?  
Though it's plain to see, this world is heavenly  
Be god's glow

We could fly so high  
Let our spirits never die  
In my heart I feel you are all my brothers  
Create a world with no fear  
Together we cry happy tears  
See the nations turn their swords into plowshares

We could really get there  
If you cared enough for the living  
Make a little space  
To make a better place  
(Chorus)

Heal the world  
Make it a better place  
For you and for me, and the entire human race  
There are people dying

**Pres. Garrick Ang**

Dear Fellow Rotarians and Friends,

Let us all welcome our very first District Zone 6 meeting, a hybrid zoom and face-to-face meeting, for the Year 2022.

Today, we are honored to have Consul General Henry Bensurto Jr. to speak to us regarding the Ukraine Crisis that may affect the Philippines' dispute with China for the West Philippine Sea. Thank you to all Rotarians of RC Pasig for helping invite fellow Rotarians from other clubs and their friends to our meeting this afternoon.

Special thanks to PRID Raffy Garcia III, PP Nick Guzman and PE Bong Paloma for our audio video system for this meeting.

The Rotary District 3800 Conference (Discon) will be an in-person meeting on May 6 and 7, 2022 at the Marriott Hotel Manila in Pasay City, I am inviting everyone especially the new members to please register and attend one of the major events of Rotary. For those who want to stay at the hotel for the event, booking with a special room rate is also available on a first-come-first-serve basis. Please contact PP Jun Zafra or Edgar Manalang for your registration. Once again, come and experience the excitement of the face-to-face District Conference featuring invited notable speakers and fun-filled fellowships.

Our Amuma SugBohol Potable Water Distribution project in partnership with several NGOs including Balay Mindanaw have so far reached 2,587 families in 39 barangays of 7 municipalities.

My sincere condolences to Rotarian Marlo Guillano and family for the demise of his mother. May she rest in peace. Let us continue to pray for District Secretary and Past President Jun Angeles for his complete recovery from his heart ailment.

Stay safe and healthy fellow Rotarians.

Thank you, Garrick

## **Rotary Notes**

**PP Benny P. De Guzman**

Face to face meeting anyone? Many members wanted it but when we had it last week, there were only 33% warm bodies of our 101 members. Some attended thru the convenience of zoom though. It was a pleasant time as we met the new members although the fellowship was rather short. Today, we will be able to gauge whether this face to face thing will be good for a better attendance or not.

PP Ner attended last week as he was the number one proponent of such a meeting. But for today, he begged off as truly he is Batangas-based. He can use some more of the Alex Lacson for Senator posters.

We had a truly nice topic last week and a very good speaker, Madame Czarina Mallari whose entire family is in Pranic Healing and Meditation as a healing means. She talked very lengthily but the sound system and the projector were not cooperating. So were our members too. PP Peping took the time to take his usual siesta and so like the others missed a nice talk. It was not pranic health. It became PANIC!

I thought he was just mingling with the crowd but amboy PP Ferd took his franchise to heart as he asked a more sensible question that saved the day for us. The speaker realized after all the Rotarians while busy with their own business were listening after all.

Today is a zone meeting but the organization of our club is uncertain as we did not go all out for face to face for the members in our zone. It could have been a nicer one if we made efforts. PP Luz Cotoco of RC Ortigas Center, a text mate for bible verses and

Rotary jokes who I personally texted to attend was not sure as well. But if I added that there will be pro-Leni give aways, surely she will be around.

Our very own Congressman and City Mayor, Roman and Vico, respectively as active members of our club will attend. But Alex Lacson who is running for senator is not sure in even being able to catch up. Roman and Vico can promise him the local votes. Meanwhile, the many posters that PP John donated for Alex were distributed well. Many requests are pouring in. PP Ner is using his Batangas base a good area that includes part of Laguna. Rtn Jake can use his huge Subic connections to spread the Alex Lacson posters.

PRID Raffy is so enthused with attendance as he personally invited our honored guest speaker. With the subject especially on the Ukraine crisis, expect a lively open forum. Last week, for the first time in decades, I missed my column as the deadline was made four hours before I could work on it. I felt a sense of pride when PP Peping told me that spouse Bella was looking for my column every time He brings home a Tinig. This time, I will be ahead of the deadline. Twice in a row is a bad sign. It's nice to be relieved of such as assignment but not the way of being dropped.

PP Peter had very good tips about saving on gas in last week's Tinig Tidbits. Truly, even for those in the higher income brackets providing cars for their children whiles studying, they will have safety means on saving gas.

The easiest as I gleaned from his article is to save on idling and prevent from going fast often or better not at all. Study your route to avoid traffic and avoid sudden stops. Mixing pandemic and high fuel prices are major signs of harder things to face. Sana no

## **PRESIDENTIAL MESSAGE**

**Shekhar Mehta**  
**President 2021-22**  
**March 2022**

We have overcome so many challenges these past two years and changed numerous lives. It brings me great joy that we have worked so hard this year to grow Rotary through the Each One, Bring One initiative. The result has been excellent growth in membership. Let us keep up the momentum. I am happy that you have put a spotlight on all we do by organizing projects around the world in our Rotary Days of Service. The future looks brighter than ever for Rotary and our 1.4 million members.

On 11 March 2020, the World Health Organization declared that COVID-19 constituted a pandemic, and two years later it is important that we continue to draw on our expertise in our disease prevention and treatment area of focus to help people worldwide cope with the continuing challenges. The pandemic continues to defy all expectations, but we cannot be frozen in fear. Our work is too important. It is also important that we make time for each other, and I urge you to register for the upcoming 2022 Rotary International Convention in Houston. It is a great way for all of us to safely celebrate Rotary service.

We can continue to build hope and spread peace in the world by using our resources to help the most vulnerable and keeping our faith in the future. The pandemic has had an especially devastating impact on girls worldwide. On the first anniversary of the

pandemic, Henrietta Fore, the executive director of UNICEF, said that “immediate action is needed to mitigate the toll on girls and their families.” This need, unfortunately, remains just as strong a year later. The ripples of the pandemic have affected girls in unique ways — stunting their educational attainment, weakening their job prospects, and contributing to other terrible results such as child marriages and increased human trafficking.

Data from UNICEF reveals why our action is so essential. In the 2010s, important progress was made toward eliminating the practice of child marriage, and UNICEF estimates that 25 million such marriages were averted worldwide. Unfortunately, the pandemic reversed those positive trends, and as a result an additional 10 million girls are vulnerable to becoming child brides by the end of this decade.

This is why our focus on Empowering Girls is such vital work, and I am delighted that at this year’s virtual International Assembly, President-elect Jennifer Jones committed to continuing this initiative for another year. In my travels, I have witnessed many wonderful examples of club projects that back our Empowering Girls goals. But all Rotary members know that real change requires big efforts sustained over many years. This is the power of our global grants and actions taken within our areas of focus.

I encourage clubs to think of innovative ways to empower girls when designing their grant projects. Every step we take to improve education, health care, and economic opportunities for girls makes an important difference in helping them achieve their full potential. With opportunity we create hope, and with hope we

address the root causes of conflict around the world, setting the stage for sustainable peace.

None of us know how long the COVID-19 virus will linger — and as an organization that has worked tirelessly for decades to eradicate polio, we understand better than most the difficult work that lies ahead for the world. That is why we need to remain focused on the future and on what is possible — not feeling nostalgic for the way our lives were, but looking hopefully to a future that uses this opportunity to Serve to Change Lives. I look forward to continuing this good work with you.

## Our Guest Speaker

### **Hon. Henry S. Bensurto Jr.**

Mr. Henry S. Bensurto Jr. is a career senior diplomat, lawyer, teacher, and former student activist. He is one of the Philippines' leading experts on the UN Convention on the Law of the Sea (UNCLOS) and South China Sea/West Philippine Sea issue.

Mr. Bensurto recently completed his 6-year tour of duty at the Philippine Consulate General in San Francisco as Consul General (2014-December 2020).

In 2005, he was designated as lead counsel of the Philippine Embassy in Washington DC to protect PH sovereignty from attempts by the US Department of Justice to exercise long-arm reach of its criminal jurisdiction on Anti-Trust over PH Telcos with the issuance of arrest warrants to all Its executives. Mr. Bensurto was commended for the successful defense of PH sovereignty and his works were recognized by US lawyers and PH Telcos.

By 2010 to 2016, at the height of China's creeping assertions in the South China Sea, Mr. Bensurto was designated as the Philippine Department of Foreign Affairs' Lead Counsel in the South China Sea Arbitration. He earlier authored the Zone of Peace, Freedom, Friendship and Cooperation in the South China Sea (ZOPFFC) as the Philippine's foreign policy approach in the

South China Sea; and which later became the core legal framework of the Philippine suit against China.

Earlier in 2009, he was awarded the Presidential Award of Gawad Mabini with the Rank of Dakilang Kasugo by President Gloria Macapagal Arroyo for his works in the passage of the Philippine Archipelagic Baselines Law (RA 9522). The PH had been trying to pass said for the last 23 years but without success.

Mr. Bensurto was likewise involved in the successful defense of the Philippine Archipelagic Baselines Law (RA 9522) before the PH Supreme Court, after its constitutionality was questioned by a group of lawyers led by Atty. Harry Roque.

For his “distinguished and successful involvement in the Philippine’s suit against China before the Arbitral Tribunal in The Hague,” Mr. Bensurto received the 2016 Torch Bearer Award from the Philippine–American Press Club-USA.

As Secretary General of the Commission on Maritime and Ocean Affairs Secretariat, he helped shepherd the Philippine Submission for Extended Continental Shelf in Benham Rise which was approved the UN Commission on the Limits for Continental Shelf in 2012. He likewise collaborated with Congress notably Rep. Walden Bello for the passage of Resolution urging the Executive Department to rename the Philippine Exclusive Economic Zone as the West Philippine Sea (WPS).

For his expertise on public international law, the Philippine Supreme Court appointed Mr. Bensurto as Amicus Curiae in the case of Province of Palawan vs. the Executive Secretary on the Malampaya Funds.
