## Song of the Day

### IT'S THE 4-WAY TEST #4

(Tune: It's The Real Thing)

We'd like to see Pilipinos be  
As truthful as can be  
We'd like to see our leaders be  
As truthful as can be.

The 4-Way Test is what we offer  
To guide their way through life.  
It teaches them to tell the truth  
And not to tell a lie.

Refrain:

It's The 4-Way Test  
It's Rotary's way  
We're all proud to say  
It's The 4-Way Test.

We'd like to see Pilipinos live  
And work with honesty.  
We'd like to see our leaders live  
And serve with honesty.

The 4-Way Test is what we offer  
To guide their way through life.  
It teaches them to be always honest  
Put cheating out of mind.

(Repeat Refrain)

*(Adaptation #4 from It's The Real Thing adaptation of  
Rotary by PP Peter)*

**Pres. Garrick Ang**

Dear Fellow Rotarians and Friends,

Our Pagpupugay sa Kabayanihan ng Pulis Pasig, the Ignacio “Chony” Jimenez Awards got featured in the D3800 Governor’s Monthly Letter. I like to personally thank Rtn Chony for initiating this annual project and also to the hard working RC Pasig Rotarians AG/PP Peter John Javier, IP Bong Paloma, PP Jun Zafra, PP Ogie Lim, Rtn. Bernard Dy, Rtn. Bart Ronquillo and the other members of Pangkat 3. Also Pcol Roman Arugay, police chief and now our fellow Rotarian.

Incoming Public Image Director Rtn Doc Ato Basco is making wave as the City Health Officer of Valenzuela City starting with the Comelec Inter-agency Consultative Meeting to the donation of ambulances from MMDA. Congratulations Doc Ato and more fines for you!

Again, I would like to invite all RC Pasig Rotarians, especially the newest members to register and attend our District 3800 Conference (Discon). This will be an in-person meeting on May 6 and 7, 2022 at the Marriott Hotel Manila in Pasay City. Please contact PP Jun Zafra or Edgar Manalang for your registration. We will in the Discon 2022 Photo Exhibit through our RCP Photography Group.

We like to thank Pangkat 3 for organizing our meetings this Month of March 2022 and we look forward to Pangkat 4’s turn in April 2022. We end the month with so much talk about a swollen finger, SML error and an Oscar-winning smack in the face at the Academy Awards night.

Keep safe and stay healthy fellow Rotarians.

Thank you,  
Garrick

## **Rotary Notes**

**PP Benny P. De Guzman**

The summer heat is unbearable that the first face to face meeting had the best attendance of the three Thursday meetings, PP Peter suggest to LCP Garrick to transfer the venue to La Colina or any air conditioned function rooms. If not done, attendance will suffer further. PP Totoy agreed to join us the other Thursday but last week, he had to beg off as he would rather go back to zoom meeting. Zoom ang Rotarians, zoombah ang spouses!

PRID Raffy announced beforehand that a day of two prior to his birthday next month, he will have Elars lechon and choice hard drinks per table. If we will guarantee better attendance, he will guarantee 3 lechon? PP Peeter made sure that three days before his birthday, he ordered chicken inasal from our very own birthday boy Rtn Philip to match the set lunch at VVCC. The week before, PRID Raffy gave us beautiful new Rotary pins. I wore mine proudly and was going to fine those not wearing theirs but did not when I noticed there were none wearing theirs. No need for the pin as Rotary is in our hearts?

Tinig salutes PP Peping for his usual regular attendance despite having to have one to push his wheelchair. Talk of dedication and woe to the zoomers. PP Totoy is excused as he is on his second half for reaching the Golden Hundreth when the government gives him P100,000. And at 101, a cool million. By then, our Rotary Club will know how to match. Mayroon tayong PRID Raffy, the Rock Sonny, Generous Flor and Chony. And anonymous pa.

There was a wrong diagnosis of HOF/PP Conrad the last two weeks. Since he was walking with a bad limp, three groups made three guesses. First was geriartic circumcision, second was gout

## **Rotary Notes**

**PP Benny P. De Guzman**

*Continuation 1.*

and the third was 2 butterflies, one in the back nine and one in front for a bad golfing day. All four were wrong. Four? One thought it was a missed fart and went off. The real reason? It was a pulled muscle. Muscle na ba ang groin? No, in the thigh. Nice to see you in better shape Conrad. Stay well.

PP Ner gave us a good bargain with every other week face to face attendance. First HOF Rhett is full time in his farm palace.

Rtn Rod, our very own, gave us a preview of the benefits of declaring the full estate. The taxes now are reasonably provided and collection is better under a realistic scheme. But if his free advise will stay free, that no one will avail of billable consultations, it is his too much use of a finger that did him in.

Not the dirty finger but just a finger problem that landed him in the ER for dextrose and major pain killer. Where he placed his finger is a joke as bad as the one of Conrad earlier.

This column salutes the cash assistance of Rtn Chony. From ads, he has given us many free items as well. Too bad he gave up on his Christmas dinner package for us. But this can be revived. After the pandemic are new projects. A grateful club will be waiting.

## THE FUTURE IS INCLUSIVE

Broaden your connections and discover the positive impact of DEI

Interview with Todd “Bowtie” Jenkins – Rotary Club of Fayetteville, Arkansas – Diversity, Equity, and Inclusion (DEI) Task Force member.

1. You have worked with such companies as Walmart, Google, Facebook, American Airlines, and Kellogg’s. What can Rotary learn from these companies regarding DEI?

There is no one right way or one-size-fits-all to make DEI (diversity, equity, and inclusion) work. As individuals and as an organization, we must understand that we are all on a journey. These big companies have done a great job of understanding the business case for practicing DEI — that the most diverse companies are more likely than ever to outperform less-diverse peers. Rotary must use its connections to continue to activate an inclusive growth-mindset and become something the world hasn’t seen before — an organization where inclusion is at the core of everything we think, say, or do.

2. You speak to Rotary clubs and districts worldwide about DEI. Are there frequent questions you hear, and how do you address them?

There are certainly some common themes. One common question is: “Where do we start?” This is a great first question. It is vital to assess your community, where you are at, and understand where you wish to go. Then, most important, build a plan to get there, and live out your plan in behaviors and actions.

# Walking the Avenues

PP Jun C. Zafra

## *Continuation 1.*

Another question is: “How do we connect with diverse communities?” This one should be so easy for Rotary because connection is all about building relationships — authentic relationships! Get to know people who are different from you, and partner with marginalized communities through service projects or meaningful events.

A third, frequent question is: “How do we get buyin?” This is where it is so important to make sure that DEI efforts extend to all activities and involve everyone. Make sure there is a commitment to the work at the highest levels of the club and district, and if you can, make sure all the goals have measurable results.

3. As more clubs and districts work to set up specific committees to address DEI, what advice do you have for them?

Don't shy away from having hard conversations, but make sure you are able to answer two questions: Whom will this conversation benefit, and what are we looking to accomplish? We all come to these efforts differently, so we need to create spaces to listen and ask tough questions around representation, culture, systems, policies, and programs, all while avoiding the tendency toward shame and blame. I have learned to practice curiosity with compassion — looking to understand different views and perspectives. The more we practice these traits, the better we will become.

4. How optimistic are you for the future of diversity, equity, and inclusion within Rotary?

Hope is all we have, and it is part of why I believe Rotary is ready to do the work. Rotary brings hope every day to communities

around the world. This work and commitment are not meant to always be exhausting. Yes, you will have challenging times and conversations. However, I have seen in my profession that small changes in DEI work can make a big difference. You should celebrate the small wins. COVID-19 has taught us so many lessons, including that of gratitude. So don't forget to smile and enjoy the process of doing the right thing.
