of the things we think, say or do:

1. Is it the **TRUTH**?
 2. Is it **FAIR** to all concerned?
 3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
 4. Will it be **BENEFICIAL** to all concerned?

Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- First :** The development of acquaintance as an opportunity for Service;
- Second :** High Ethical standards in business and professions; the Recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- Third :** The application of the ideal of service in each Rotarian's personal, business and community life;
- Fourth :** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Song of the Day

MAY WAY

And now, the end is near
And dami pa, akong pautang
Hindi maka singil
Kasi ako, tinataguan

I lived a life that's full
Ng friends ko daw
Na umu-utang
Ngayon saan, sila
Di ko makita

This is the time,
I'm sure you know
Na kapos na ang pera ko
Kaya kayo BWISIT kayo
Bayaran nyo, naman ako
At kung, hindi handa kayo
I'LL DO IT MY WAY

(Lyrics adaptation by PP Bert Albano)

From the President

Pres. Garrick Ang

Dear Fellow Rotarians and Friends,

Good Day!

Thank you Incoming President Bong Paloma for presiding at our meeting last week. And what a busy week it was indeed with the just concluded DISCON 2022 held at Marriott Hotel followed by the emotional national election.

On behalf of the club, I like to congratulate the whole “Giting ng Pasig” team led by Congressman Rtn Roman Romulo, Mayor Rtn Vico Sotto and Vice Mayor Dudut Jaworski (a soon to be RC Pasig Rotarian) and all the councilors in their team and their Legal Adviser, PP Atty Peter John Javier for winning the election. Also, to the very able Pasig Chief of Police, PCol Rtn Roman Arugay, for ensuring a peaceful and orderly election and the PPCRV volunteer teams of Rtn Dodie Dy & Spouse Essa; IP Bong Paloma & Spouse Rosemarie and Rtn Fr. Kell. And our thanks to Rtn Alex Lacson for showing us the heart to challenge the giants in the Senate. As they said, the fight for change just started and indeed it’s a Life-changing year for RY21-22. All the best and may God continue to be your guide.

The DISCON has been an experience for IP Bong Paloma, Rtn Jake Oh and Rtn Rod Moreno with the opportunity in meeting and enjoying the fellowship with Rotarians in our District 3800. According to the Life-Changing Organizing Committee, it was a very successful DISCON but I will leave the comments to those who actually attended the event.

Rotary International President Representative (RIPR) and Past Rotary International Vice President (PRIVP) Olayinka “Yinka”

Babalola was at his best during the conference. He promised to taste our “balut” this week. We also had the chance to meet Ms. Anni Shin, our Rotary International Global Grants Coordinator and whom our HOF/PP Jess Acantilado wanted to meet in person for a very long time now. I invited her to our club meeting this afternoon and I hope HOF/PP Jess will finally meet her.

The Rotary District 3800 District Assembly (DISTAS) will be on May 22, 2022 at Taal Vista, Tagaytay.

It will then be followed by the Rotary Convention in Houston, Texas, USA on June 4 - 8, 2022. PRID Raffy Garcia will be there and Rtn Jake Oh has already registered.

Good afternoon and enjoy the rest of the day.

Thank you!

Garrick

Rotary Notes

PP Benny P. De Guzman

The people had spoken but the true sentiments were not as clear as expected. The credibility is questioned by many. It is incredible! Even the ink placed on the finger is not reliable as it is easily washed by alcohol. As of this typing, the differences of the PPCRV count and Comelec's Quick Count are different.

On the local front, our two members were ran a way winners for Pasig City. Our supported candidates for city councilor Eric Gonzales and Cong Roman's nephew, Mon Tantoco also won. Rtn Rebo Saguisag also did well in Makati as a re-elected councilor.

Our baby Rotarians were active in the last meeting. Rtn Doc Henry is tall and handsome but he did not do anything to his looks. But he can make people look better. Increase size? Not his turf but increase size of your waist line, he can do better. Rtn Anson is not only good in photography as he can also pray well. By this time, you will know if UP did Ateneo in supposedly last night. Or wait another day? Even Rtn Gary was there even if he could not bring his dad to be with him.

Rtn Albert is so well loved because of his balut. Today, but not intentional, PP Ner is celebrating his 86th birthday in his Batangas home. He committed to attend every other Thursday. Since he was here last week, today is his off Thursday.

Next week, PP Peter invited Dr. Mike Mejia, son of a former member, Dr. Res Mejia and PPA Baby Mejia, He will talk about prostate cancer and Rtn Rod cannot point a finger on this matter.

Can we designate a no zoom meeting day? We had a good percentage of new Rotarians attending last week. Can we see more of them? It will be embarrassing if we meet elsewhere and not

know each other. Remember when we had two members of the Rotary Club of Manila making up in our club? They met for the first time making up in our club which meets on the same day and time as their club.

Saw a first cousin of mine who told me they were our of the championship in PBA because their import played funny in the knock off game. Our very own IPP RJ has a similar tale woes in the collegiate level when his outgoing coach brought his two trusted players with him. Not only in politics but also in sports. In PBA, a good player gets same salary as a SVP of a major bank.

The call of HOF/PP Conrad for placement in our Luxid Rotary financial project got good response. The door is still open up to end of May.

Rtn Chony sent congratulatory messages to our members who did well in the last election. Kuya Alex failed as our voters in the A and B are not only few but many of them are not even voting. They forget it is not only the right but it is a duty to vote. C,D and E groups are the determinants of who are to win. The bigger is the U class, the Unknown who are computer experts.

IP Bong did well as the acting President last week. Former Rotarian Ray Armas was in attendance twice in a row. Is he coming back?

PRESIDENTIAL MESSAGE

Shekhar Mehta
President 2021-22
May 2022

Due to your positive response to the Each One, Bring One initiative, I am so happy to see that the membership trends in Rotary are looking up. Let us not lose this momentum — keep inviting new members, and also work hard to retain every member we attract. I look forward to seeing you next month in Houston at the 2022 Rotary International Convention, which I assure you will be a great event.

Also in Houston this June, we will be hosting my final presidential conference. We have devoted this year to conferences built around Rotary's areas of focus. They have been a tremendous success, both in terms of attendance and in the ideas that were generated.

Last fall, our conference in the Philippines, which focused on protecting the environment and growing local economies, attracted 2,200 people online. In Brazil, our meeting centered around water, sanitation, and hygiene and how it relates to disease prevention and treatment; more than 600 people attended. That was followed by an event about the environment, economy, and peace in Maputo, Mozambique, which attracted around 400 in-person attendees and another 700 virtually. Our conference about keeping the economy and environment in harmony, held in Venice, Italy, had more than 600 in attendance.

Walking the Avenues

PP Jun C. Zafra

Continuation 1.

Through these conferences and my world travels, numerous leaders have met with me and agreed to collaborate with Rotary. They include the prime minister of Mauritius, the president of Seychelles, the deputy prime minister of Bahrain, and the presidents of Albania and Kosovo. Clearly, Rotary is making an impact, and the world is eager for our leadership.

In Houston, the final presidential conference, Serve to Bring Peace, will focus on an area in which Rotary has long provided leadership. Everything we do in Rotary helps create the conditions that foster peace in communities, nations, and ourselves.

In March, I was able to see firsthand the tremendous difference Rotary is making in Ukraine, as refugees continue to pour into Poland. Donors have contributed millions of dollars to this effort; our projects are making a tremendous difference, and there is enormous gratitude for your continued generosity and support.

It is heartbreaking to see up close all the lives that have been uprooted, and the Ukrainian people are not alone. A devastating civil war in Yemen continues. The humanitarian crisis in Afghanistan is deepening. Armed conflicts affect nations across Africa, including Libya, South Sudan, the Central African Republic, northern Mozambique, Ethiopia, and Cameroon. And major refugee crises continue in Syria and Venezuela.

Rotary will always be on the side of the peaceful resolution of conflict and providing aid and comfort to people in need. Rotary was there at the end of World War II, promoting the creation of the United Nations and standing up for the cause of peacebuilding worldwide. It is time to renew our mission and perform our role as one of the world's great promoters of peace.

There is no better way to Serve to Change Lives than to serve the cause of peace.

Jaime A. FlorCruz

Jaime A. FlorCruz is a veteran China-watcher and foreign correspondent in China.

He was born April 5, 1951 in Malolos, Bulacan. A vocal anti-Marcos activist during his college days, FlorCruz in August 1971 unexpectedly found himself stranded in China. Then on a three-week tour of China, he was forced into exile when then-President Ferdinand Marcos suspended the writ of habeas corpus and rounded up hundreds of his opponents and critics. Marcos declared martial law in 1972 and a year later, FlorCruz' Philippine passport expired. He was a stateless citizen stranded in China for 12 years.

While in China, FlorCruz worked for a year (1972) in a state farm in Hunan province, Mao Zedong's birthplace and also in a fishing corporation in Shandong Province (1973-74). In Beijing, he took two years of intensive Chinese language study at the Beijing Languages Institute (1974-76). He received his B.A. in Chinese history from Peking University (1982) in addition to a B.A. in advertising at the Polytechnic University of the Philippines.

FlorCruz has reported extensively on China since 1981, when he started his journalistic career as a Beijing reporter for Newsweek. In 1982, he joined TIME Magazine's Beijing bureau, and served

as Beijing bureau chief from 1990 to 2000. In 2000-2001, he was the Edward R. Morrow Press Fellow at the Council on Foreign Relations in New York, the first non-American journalist chosen for the prestigious fellowship.

He was CNN's Beijing Bureau Chief and correspondent from 2001 through December 2014.

He has reported on the most significant events of China's past four decades, including the Tiananmen protests in 1989, the Hong Kong handover in 1997 and the 2008 Olympics in Beijing.

He is considered the dean of the foreign press corps in Beijing, having been the longest-serving foreign correspondent in China until his retirement in 2015.

He is a lecturer at Peking University and at the UP Asian Center.

He has just written a book "The Class of 1977", a personal account of his China journey, to be published in July 2022.

Dear My Rotary Family,

Maraming maraming salamat po sa inyong lahat!

I am deeply deeply grateful for all your brotherly love, prayers, sacrifices and support to my electoral journey.

We fought a good fight.

We gave our very best.

We fought for what we believe was and is best for our country and people.

We stood on the good side of every issue and problem. We turned to and sought God's guidance and wisdom, especially when things seemed muddled.

We surrender our fate to God and the judgment of our people.

Honestly, I am pained by the results. But if they truly reflect the will of the people, I shall accept them.

But if the results have been manipulated, I am ready to go to the streets again.

In due time, I would love to share with you my learnings from this electoral journey.

I am in a period of prayer now. I pray for guidance for the best way to move forward from here. Please include me in your prayers.

Maraming maraming salamat po ulit sa inyong lahat.

My love and best wishes always

Sincerely,

Rtn. Alex Lacson ☐ ☐ ☒
