Invocation

Almighty God, we praise and glorify
your mighty Name. May you grant us
the world cannot truly give and joy
from your graciousness as we share
our time and stories with one another.
This we ask through Christ our Lord.
Amen.

APAT NA URIAN NG ROTARYO

ng mga bagay na ating iniisip, sinasabi o ginagawa:

1. Iyon ba ang **KATOTOHANAN**?
2. Iyon ba ay **MAKATARUNGAN** para sa lahat ng kinauukulan?
3. Iyon ba ay lilikha ng **MABUTING KALOOBAN at LALONG MATAPAT NA PAKIKIPAGKAIBIGAN**?
4. Iyon ba ay magiging **KAPAKI-PAKINABANG** para sa lahat ng kinauukulan?

Ang Layunin ng Rotaryo

Ang layunin ng Rotaryo ay ***“PASIGLAHIN AT IPUNLA ANG SIMULAIN NG PAGLILINGKOD BILANG BATAYAN NG ISANG GAWAIN KARAPAT-DAPAT*** at lalo’t higit pasiglahin at ipunla:

1. Ang pagpapaunlad ng pagsasama bilang pagkakataon sa paglilingkod.
2. Ang mataas na uri ng tuntunin sa pangangalakal at sa hanapbuhay, ang pagkilala sa kahalagahan ng gawain kapakipakinabang at ang pagbibigay dangal ng bawa’t Rotaryo sa kanyang hanapbuhay bilang pagkakataon upang makapaglingkod sa lipunan.
3. Ang pagsasakatuparan sa simulain ng paglilingkod sa bawa’t Rotaryo sa kanyang pansarili, pangkabuhayan at panglipunang pamumuhay.
4. Ang pag-unlad ng pagkakaunawaan, mabubuting kalooban at kapayapaan ng mga bansa sa pamamagitan ng isang pang-daigdig na kapatiran ng mga propesyonal na nabubuklod sa simulain ng paglilingkod.

Song of the Day

IMAGINE

by the Beatles (John Lennon)

Imagine there's no heaven
It's easy if you try
No hell below us
Above us, only sky
Imagine all the people
Livin' for today
Ah

Imagine there's no countries
It isn't hard to do
Nothing to kill or die for
And no religion, too
Imagine all the people
Livin' life in peace
You

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will be as one

Imagine no possessions
I wonder if you can
No need for greed or hunger

Song of the Day

Continuation 1.

A brotherhood of man
Imagine all the people
Sharing all the world
You

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will live as one

From the President

Pres. Bong Paloma

Good afternoon RCP!

Welcome to the Governor's visit. Today, we will present our plans and goals for the year to our Governor. From there, we will also show our planned TRF contribution for the year, and I am knocking on the generous hearts of RCP members who are blessed to donate any amount to the Rotary Foundation and help contribute to making our world a better place.

In the last three weeks, we heard from our two speakers (Doc Ani Almario-David and Teacher Tisha Cruz) about our youth's declining quality of education. According to the World Bank report, 9 out of 10 Filipino children are not proficient in reading at late primary age. Reading skills is an essential foundation for progress learning. This statistic is very alarming and threatens our effort to build human capital and achieve sustainable development goals (SDGs). It also undermines sustainable growth and the poverty reduction program of our country. As a club (and Rotarians), we will take concrete action by collaborating and building synergies with our speakers' advocacies and other NGOs whose sole desire is to help avert this impending disaster in our educational system. Finally, we will incorporate the ALPABASA reading instructions, materials and methods of teaching in all four public elementary schools in Pasig, where we will build hand wash basins and clean drinking stations.

Today, our guest speaker is no other than our Governor, Bobby Tanyag. He will share his vision and priority programs for District 3800. Gov. Bobby is from the Rotary Club of Pasig South, and their club has already produced 4 Governors in the district. During

From the President

Pres. Bong Paloma

Continuation 1.

his term as Governor, he commits to achieving great and impact-filled projects for the community, and I am giving him our 100% support to make his vision a reality.

Today we also celebrate the gift of life for IPP Garrick, Rotarians Philip and Oyie. We will have Lechon, Paella, dessert, wine, and whisky to share over lunch and fellowship.

Thank you again for joining us today, and I wish you a great day.

Stay strong and healthy!

Bong

Rotary Notes

PP Benny P. De Guzman

I was to start this column thinking of what to start with to perk up the enthusiasm of this great club. A text from my brother, PDG Leo congratulating the Rotary Club of Pasig and District 3800 for placing the Philippines in the Top Four worldwide for TRF Giving to Polio Plus. This is our welcome greetings of Gov Bobby on his official visit today. Needless to add that PRID Raffy led us to this award.

Last week, we had a very good lady guest speaker, Patricia Gonzalez-Cruz, founder of ALPABASA Learn-To-Read Program, a play-based reading program to improve reading and writing in Filipino for children. It has raised national interests and produced very good results. A project with Rotary club in Iloilo was cited. In East Greenhills, a rich Assumption graduate has made better readers of school pupils with her branch of ALPABASA.

TOWNS, the women's group recognizing worthy achievements of the fairer sex in nation building awarded Dr. Ani Rosa Almario-David, a former guest speaker of ours, for Education and Entrepreneurship. Our last week's speaker has not been nominated as yet but for sure she is just as worthy for the TOWNS award.

The mini club assembly requested by many member pushed through after our regular meeting last week. Too many good points were raised and the many years we missed our Fireside Chat and re-orienting our new members and the fellowship the club missed during the pandemic will all be properly addressed. Being aware is one thing but we made sure the awareness will be followed by a keen resolve to perk up interest in attendance and fellowship.

Rotary Notes

PP Benny P. De Guzman

Continuation 1.

Tinig condoles with Rtn Sammy Lazo for the demise of an elder sister, Nenete. Over the years, Sammy lost another brother and a sister. That leaves him as youngest. May she rest in peace.

Pres Bong led a group of Pasig Rotarians who honored the senior citizens of Batangas in the Paraiso Farms of Tony Meloto. Earlier, PRID Raffy in his One Philippines Bi-Annual Program honored Tony as his Goodwill Ambassador, eventually selected a farmer who single-handedly built a 150 hectares of mangrove in Bohol. The tremendous singular act has saved many towns in Bohol from flooding and has improved agriculture in the area. Congratulations Raffy in your gargantuan undertaking for a better Philippines. May your tribe increase.

In Paraiso Farms thru Pres Bong, they donated for the elderlies and joined their celebration. Super Rotarians Anson lent his van and Dir Tet brought energizing beer. PP Henry was so amazed that he should consider a grand project for the club in tie up with Tony Meloto for a club project of a Paraiso Farm in any nearby area?

PP Jun Zafra's Paris trip is a show of his tiring of being a lonely boy and may end up his widowership with getting a partner?

Can we ask PP John to state the full meaning of Rule 85 for the computation of attendance percentage? The oldies want clarification as PP Ner wanted every other Thursday as regular meeting days.

Walking the Avenues

PP Jun C. Zafra

PRESIDENTIAL MESSAGE

Jennifer Jones
President 2022-23
October 2022

In August, I was proud to visit Pakistan and highlight Rotary's top goal, eradicating polio. It was also a tremendous opportunity to spotlight female health workers who are playing a critical role in protecting children from this vaccine-preventable disease.

This month, as we celebrate World Polio Day, we are shining a spotlight on our more than 30-year effort to lead the first global polio eradication campaign and our success in forming partnerships capable of completing this massive goal. We all know that this is one of the most ambitious global health initiatives in history and that we've reduced polio cases by more than 99.9 percent worldwide.

Pakistan is one of only two countries in the world where wild poliovirus remains endemic. (The other is neighboring Afghanistan.) I was able to witness and take part in vaccination campaigns in Pakistan, and soon after I left, a monumental nationwide immunization campaign took place, focused on 43 million children under the age of 5. I saw the incredible work of Rotary members on the ground. More than 60 percent of vaccinators in Pakistan are women, and they are doing a remarkable job building trust and convincing mothers to vaccinate their children.

Walking the Avenues

PP Jun C. Zafra

Continuation 1.

Seeing it all firsthand, I know that the will exists across the Rotary world to end polio, and I'm confident that we have the strategy. The Pakistani media has been very supportive of our efforts as well, and this is making a difference. This month, a new global pledging moment at the World Health Summit in Berlin promises to pull together more resources to fund these time-sensitive eradication efforts. Now it is up to us to do our part and raise \$50 million this year to earn the full 2-to-1 match from the Bill & Melinda Gates Foundation.

There's great cause for optimism on the polio front — but also some staggering new events that have further raised the stakes. Over the past few months, new polio outbreaks have occurred in Israel, the United Kingdom and, most recently, in the New York City area. These stories are frightening, but in every case, the response is clear — vaccines work, and if polio is spreading, we need to make sure the most at-risk people have kept their vaccinations up to date.

Most importantly, we need to eradicate this virus now. If polio exists anywhere, it can spread everywhere. What I saw in Pakistan convinced me that we can and must finish the job, but it will only happen if we remain committed to a strategy that's working and back it with all necessary resources.

Through our commitment, generosity, and sheer determination, we will #EndPolio.

Our Guest Speaker

DG Arturo “Bobby” C. Tanyag
District Governor, RY 2022-23
Imagine Rotary

District Governor Bobby has always believed in “Living One’s Dream”. He believes in “the lift of a dream”. To him, before the dream lifts you up to the clouds above, be sure you know and have looked hard at the facts on the ground, and to know oneself thoroughly before living one’s dream.

His whole life has been guided by one big advice his mother gave him. That is, to trust in God and to be true to oneself at all times - a very simple yet concise and comprehensive advice that guided him to achieve his dreams in life.

Schooling started too early for him at age four. He learned how to drive at age 10 and drove himself to school as a freshman high school student. He finished high school at age 14 and graduated from De La Salle University with a degree in BS Chemical Engineering at age 19. He managed to outclass his more mature peers. He dreamt of becoming a doctor but finished a chemical engineering degree. He worked hard to secure the Gold Medal for Excellence in Religion and Theology Award from that University for three straight years.

Our Guest Speaker

Continuation 1.

EDUCATIONAL AND PROFESSIONAL BACKGROUND:

Armed with a Chemical Engineering degree from De La Salle University at age 19, he was accepted as a Trainee Engineer at the Pilipinas Shell Petroleum Corporation's Refinery and worked his way up in the corporate ladder in various aspects of the company operations - from Quality Assurance to Technological Services, Supply, Planning, and Logistics, Specialty Products Marketing, Regional Marketing, Customer Services - and capped with a foreign assignment at Shell International in The Netherlands, and as Vice President of Shell Global Solutions based in London. He opted to retire early at age 53 ready to fulfill his dream of owning his own business fully equipped with an MBA degree earned from the Ateneo Business School.

While employed at Pilipinas Shell, he was also actively involved in government-related activities and programs. He was actively involved in the Department of Trade and Industry's Product Standards Agency as Chairperson for the following Petroleum Products: LPG, Gasoline, Diesel, and Aviation Fuels. He was also the Representative of Shell to the Oil Industry Management Bureau and to the Bureau of Energy Utilization of the Department of Energy (DOE). His active involvement in the energy conservation and management efforts of the DOE earned for him a 45-day Fellowship and Study Grant in Japan under the Asian Productivity Organization and the Development Academy of the Philippines.

BUSINESS INTERESTS:

He established his first business venture in 2003. He secured the exclusive distributorship of the Lubricants Line of the biggest

Our Guest Speaker

Continuation 2.

Japanese Oil Company, JX Nippon Oil and Energy, and introduced the ENEOS Brand of Petroleum Products in the Philippine market. He also managed to get distributorships from the China Petroleum Corporation of Taiwan, Hanval Industries of Korea, ABW Petroleum of Korea, and JP Royce Lubricants of Malaysia. As President and CEO of his company, Delta Japan Oil Products Corporation, he propelled the company with a significant market share in the Petroleum Lubricants Market.

He also established a real estate business after passing the licensure examination for Real Estate Brokering, which led him to establish other companies, namely, Del Coronado Properties Corporation, R. Tanyag Realty, and Arturo Tanyag Realty, again to fulfil his dream of building a real estate portfolio in the National Capital Region, and of investing and speculating in properties in all exit points of the South Luzon Expressway from Bicutan to Calamba starting from savings on earnings in real estate commissions.

ROTARY JOURNEY:

In 1994, DG Bobby was invited to Rotary by the late PDG Paul and Spouse Nitz Honorio who sponsored him as a member of the Rotary Club of Pasig South (RCPS). He was elected President of RCPS for RY 1996-1997. During his presidency, DG Bobby was awarded “The Most Outstanding Club President Award” and became the only Major Donor Level 1 from among the Club Presidents. From then on, he became involved in various Rotary activities and programs serving as District Chair for Group Study Exchange in RY 1999-2000 who led the Outbound Group Study Exchange Team of young professionals to RI District 5300 in

Our Guest Speaker

Continuation 3.

Northern California and Nevada in 2002. As the Group Study Exchange Team Leader, he attended and delivered speeches in at least 30 Rotary Club meetings and served as Guest Speaker in the District Convention of RID 5300 highlighting the Rotary programs of RI D3800 and promoting awareness about the Philippines. He volunteered to be President of RCPS for the second time in RY 2016-2017 and received a total of 15 awards, including the Presidential Citation of Merit. He was bestowed the Outstanding Assistant Governor Award for the second time in RY 2018-2019, served as Special Executive Assistant to the Governor in RY 2019-2020 and Chair of the District Awards Committee in RY 2019-2020. He was declared as District Governor Nominee for RY 2022-2023 by the District Nominating Committee in 2019.

CIVIC INVOLVEMENT AND OTHER INTERESTS:

Among his community-related activities include his service as President of the Fifth Valle Verde Homeowners' Association for three years. He also served as President of the Le Grand Condominium Corporation for 11 years, and currently serves as President of the Makati Southhills Association and the Phil AXA Life Centre Condominium Corporation at the Makati Central Business District.

In view of his fascination with the colors of Mother Nature, he collects raw mineral stones, natural gemstone formations, and polished mineral gemstones -“faberges”. He is likewise an accidental vintage car collector due to his sentimental attachment and loyalty to a particular car model that he has used and still keeps up to the present.

Our Guest Speaker

Continuation 4.

DG Bobby likewise continues to build his small collection of paintings, ranging from local Impressionists, Cubists, Modern abstracts, Mabini artworks, Euro street arts, and millennial artists.

Described by his children as a person with an “Edifice Complex”, he is constantly building houses, housing units, office buildings while still finding time to be a “gentleman farmer” during his leisure time.

DG Bobby has four children (two sons and two daughters) and enjoys being with his six grandchildren. His eldest son graduated with degrees in AB Psychology and Accountancy from De La Salle University who is now a registered Accountant based in New York and New Jersey, USA. His three other children, namely, Jose Augusto, Karla Margarita, and Kristine Marie, all graduated from the University of Asia and Pacific with degrees in Economics.

All of his children have their own respective businesses, ranging from petroleum products marketing, trading of non-metallic mining products, and online selling of a wide range of products.

Being a semi-retired businessman, DG Bobby pledged to dedicate most of his time, talent and treasures to Rotary in order to serve humanity to change lives. He professes and declares his complete commitment to Rotary’s Motto, “Service Above Self”, and his full support to the Rotary Foundation and its seven areas of focus. He pledges to be an active Rotarian forever.
