# Invocation

Good and Gracious God, We thank you for this time and for this beautiful day. We ask you to bless us with your spirit of wisdom. Help us to keep in mind our mission as Rotarians. Help us as we truly find God in all things, celebrate our diversity despite our differences, and courageous channel of blessings to those we meet along the way.

We pray all of this in the name of the God who created us, who redeems us, and who sanctifies us, in Jesus' name.  
**Amen.**

# THE FOUR-WAY TEST

of the things we think, say or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

## Song of the Day

### "Pumapatak Ang Ulan"

*Pangkat 3 Lyrics*

Pumapatak na naman ang ulan sa bubong ng Pasig  
Di maiwasang gumawa ng magagandang bagay  
Dakdak ng dakdak ng buong maghapon  
May kasiyaan at di maiwasan  
Mabuti pa kayang magbayad ka na lang  
At baka lumaki ang tiyan....

Continue changing and lets put our heart together...

Ang araw ko'y nabubusisi  
Ako ang nasisisi  
Bakit ba sila ganyan  
Ang pera ko ay di magkasya  
Hindi makapagsine at ayaw naman dagdagan  
Ubos na rin ang beer, kaya kape na lang  
Lahat sinusubukan kahit walang pulutan  
Ang buhay ng tamad  
Walang hinaharap ni konting  
Sarap man lang

Radyo, TV at mga lumang komiks  
Wala ng ibang mapaglibangan  
At kung meron kang tatawagan  
Trenta sentimos ika'y makakaltasan  
Aha

## **Song of the Day**

*Continuation 1.*

Umiindak ang paa sa kumpas na tugtuging bago  
Hanggang kumpas ka nalang at di mo na alam ang tono  
Sa paghinto ng ulan ano ang gagawain  
Huwag ng isipin at walang babaguhin  
Mabuti pa kaya matulog ka nalang  
Matulog na ng mahimbing

Pumapatak na naman ang ulan  
Pumapatak na naman ang ulan  
Pumapatak na naman ang ulan...

# From the President

**Pres. Bong Paloma**

Dear RCP,

Good afternoon!

Welcome to another exciting Thursday! Today we will hear from our esteemed speaker on how we can build a nation of Filipino readers. Experts say that reading is a fundamental building block to learning. It improves our vocabulary, stimulates our brains, reduces stress, and improves our overall wellness. Regardless of the language in which the book is written? Or should we encourage Filipinos to read more using our mother tongue? Remember what Dr. Ani shared during her talk? According to Dr. Ani, a strong mother tongue foundation leads to a better understanding of the curriculum, a positive attitude towards schools, and a love of country.

Last week, we heard former Congressman Colmenares reliving his martial law experience. His talk also brought me back to memory lane, and I vividly remember my mother telling us to be home before 6 pm, and never speak anything wrong about the military and the government else we would end up in the "Stockade," a term they used in the province for a prison cell. I hope we will never forget the country's dark years where oppression and human rights violations abound. We owe it to future generations to know the truth and learn from it.

I commend HOF/PP Conrad for steering our Luxid Rotary Microfinance and Credit Cooperative project out of the red. Kudos to Rotarians who helped and infused capital to keep the Cooperative

afloat during the pandemic. Finally, the Coop has posted a modest profit after so many years.

Lastly, the District will celebrate "Oktoberfest Retro Rakrakan" featuring VST & Company and Hagibis on Oct 15 (5 pm) at the Ynares Sports Arena. The ticket is sold at 500 pesos (with 200 pesos consumable). Let us join this event and celebrate Octoberfest with our fellow District 3800 Rotarians.

That's all for now, fellow Rotarians. Stay tuned for our upcoming service activities.

Stay strong and healthy!

Bong

## **Rotary Notes**

**PP Benny P. De Guzman**

The attendance is frightening for our club. Many of the new inductees for the last two RY are below par in attendance percentage. PP Peter is regular in checking those in face-to-face and in zoom and yet, we are not reaching even 40 or 40% roughly of membership base. PP Ner has suggested and he will be in this meeting as he attends every other Thursday for the club to have a mini club assembly immediately after our regular meeting today with all the PPs, Pangkat leaders and the Board to assess the situation and to make remedial measures. The Rule 85 of Rotary as mentioned by PP John will improve our attendance percentage from the less than to over 40%. Kawawa pa din.

Former Chief of Pasig PNP, our member Roman has been promoted to a higher position but not yet in rank as he must wait one or two more years. I asked him to sponsor his successor to our club and he will drop by every now and then as he is in Bicutan, Taguig now.

Congratulations to PP Rel for getting the second highest number of votes in the recently held election of the Junior Golf Federation or something for juniors. Bata pa naman siya. Kaya Junior.

The well known opposition leader, former Rep. Neri Colmenares is proud that his middle name is Javier. He would have been prouder of his Javier if related to PPs Peter and John. His being compared to our late PP Bobbit Sanchez is because he is known as a Colmenist, believe sa sarili but never a communist. Or, communist leaning.

Two seldom seen Pasig Rotarians were seen at the recently held

Professional Chess Association of the Philippines Festival at Estancia Mall. Mayor Vico and Cong Roman were with the officers of PCAP.

Our very successfully run Credit Cooperative headed by HOF/PP Conrad was supposed to have their annual general assembly meeting two hours earlier today. Many members who are supportive for their “add ng add” will attend. Conrad is going great according to him. And since he is credible, it must be doing great! The last 50K each we gave are not added investments but interest bearing advances. The interest sa coop na lang.

Congratulations to PRID Raffy for his One Philippines. Earlier, when we visited Tony Meloto's Paradise Farms project, he was so impressed that he offered one million pesos every year for the project. He even made Tony Meloto his Goodwill Ambassador for Tony's dedication to a better Philippines. This is not entirely a Rotary project but has support of many Rotary districts for a better country.

Pang Wise or Otherwise, since PP Arjan is not as active anymore in giving jokes, except last week, he came with a nice joke. It was so nice, I forgot about it!

PP Henry in Noblemen of Pasig wrote: Bahasa Malaysia is national language of Malaysia; Bahasa Melayu is national language of Brunei; Bahasa Indonesia is national language of Indonesia. But Baha Sa Pilipinas is due to heavy rains that flood our country every now and then. Mababaw? Kaya madaling bahain?

### **ROTARY PRESIDENT JENNIFER JONES ANNOUNCES US\$150 MILLION PLEDGE TOWARD POLIO ERADICATION**

Rotary International President Jennifer Jones appeared on the main stage at the star-studded Global Citizen Festival on 24 September to highlight Rotary's commitment to eradicating polio and announce an additional US\$150 million pledge toward that end.

Jones, who spoke in front of 60,000 people in New York City and tens of thousands more online and on TV, noted the state of emergency that the governor of New York state recently declared to combat a resurgence of polio in the region.

Jones stressed that polio is preventable through vaccines and that wild poliovirus is endemic in only two countries, Afghanistan and Pakistan. Although female vaccinators are critical to building relationships with mothers and reaching children in these areas, they sometimes can face harassment or even attacks.

In Pakistan, "frontline female health workers put themselves at risk every day," Jones said. "They are committed, even with obstacles, to reaching every last child with polio vaccines." The vaccination program works with the local police and government to ensure the safety of these health workers.

Jones talked about the effect of polio vaccinations in some countries being disrupted by COVID-19. She pointed out that in 2021, about 25 million children went without critical immunizations. "The world has beaten back this disease

significantly, but we must redouble efforts," Jones said.

The additional funding Jones announced will go to the Global Polio Eradication Initiative, which said in August that it was seeking new funding commitments for its 2022-26 polio eradication strategy. "We want this to be the start of a massive effort to reach the initiative's US\$4.8 billion funding goal," Jones said.

Rotary members have been at the center of the worldwide effort to eradicate polio for more than three decades. Rotary launched PolioPlus in 1985 and helped found the GPEI in 1988, when there were an estimated 350,000 polio cases across more than 125 countries in one year. Since then, cases have plummeted more than 99.9%, sparing more than 20 million people from paralysis. Rotary has helped immunize nearly 3 billion children against polio, contributed more than US\$2.5 billion to global polio eradication efforts, and helped secure more than US\$10 billion from donor governments.

The Global Citizen Festival, an annual music celebration, urges world leaders to end extreme poverty, take action on climate change, empower girls and women, and dismantle systematic barriers. This year's Global Citizen Festival, which took place in New York City and in Accra, Ghana, called on global leaders to invest US\$600 million into the future of women and girls, narrow the US\$10 billion climate change shortfall, and provide US\$500 million to help farmers in Africa to respond to the global hunger crisis.

The New York component, hosted by actor and Global Citizen ambassador Priyanka Chopra Jonas, included performances from Metallica, Charlie Puth, Jonas Brothers, Måneskin, Mariah Carey, Mickey Guyton, Rosalía, Angelique Kidjo, and Billy Porter. Presenters included celebrities Amber Ruffin, Bill Nye, Connie Britton, Katie Couric, Tamron Hall, Katie Holmes, and more. Global Citizen says that since its first concert in 2012, more than US\$41 billion in funding has been dispersed that's affected the lives of more than 1.1 billion people.

Jones urged people to get involved: "Global citizens, use your voice — help us call on governments, businesses, and other leaders to join us in pledging ambitiously at the World Health Summit in October to end polio forever."

Rotary has worked with Global Citizen for a more than decade, primarily regarding the effort to eradicate polio worldwide. At last year's event in Paris, France, Jones announced \$97 million pledge for sustainable project. At the 2012 concert in New York City, Rotary General Secretary and CEO John Hewko announced Rotary's \$75 million commitment to polio eradication. Rotary and Global Citizen have also connected at Rotary International Conventions, the Commonwealth Heads of Governments Meetings, polio advocacy events, and polio funding announcements.

## Our Guest Speaker

**PATRICIA GONZALEZ -CRUZ**

Before I introduce our guest speaker for today, allow me to quote **Robert John Meehan** who is poet, author and educator:

He said, *“Teaching **children** is an accomplishment; getting children **excited** about learning is an **achievement**.” end of quote.*

Today, we are privileged to have as guest speaker who exemplifies the quote that I just mentioned. Focusing on early education of Filipino children and investing on developing their abilities to read by making them enjoy the journey!

She is a graduate of Bachelor of Arts, in Psychology in 1992, at the University of Philippines. In 1997, she attained her Master of Art, in Early Childhood Education at the Teachers College, Columbia University New York, New York. She became a Certified Montessori Teacher at Center for Montessori Teacher Education, New York. Her teaching experience spans over 14 years.

She is now the current Executive Director of Read to Achieve Foundation Philippines Inc. She's also the founder of the ALPABASA Learn-To-Read Program. The Read to Achieve Foundation Philippines Inc. is a non-profit organization that aims to ensure that **all Filipino children have the ability to read.** The

foundation focuses on delivering an effective reading program to public schools and communities in need to improve the basic foundation of all knowledge – reading. The foundation believes that as it improves the reading skills of children, it creates lasting value for society!

In 2004, she founded the ALPABASA, a play-based reading program systematically designed to make reading and writing in Filipino fun and easy for children. Alfabasa is an 8-step Reading Program that is accompanied by a comprehensive 39-week Teacher's Guide. It has over 100 original Filipino songs, games, flashcards, decodable books, erasable worksheets, and a lot more.

Just to cite two noteworthy programs among many that were supported by ALPABASA:

- (1) In 2018, with the help of Rotary Club Iloilo Sound, the team was able to help 8 Kindergarten classrooms from Bacolod and Iloilo in the Visayas and Dipolog and Pagadian in Mindanao. In the same year, the Alfabasa team with another generous donor was able to help 12 teachers from Zambales;
- (2) 2019, Teacher Tisha trained 500 Grade 1 and Kindergarten teachers from Tarlac Province. These teachers attended a 2-day workshop on Reading and Literacy. With the help of the school board of Tarlac Province and generous individuals and companies.

My fellow Pasig Rotarians let us all welcome Ms. Patricia Gonzalez – Cruz!
