## Song of the Day

### ELEKSYON NA NAMAN

*(Tune: Pasko Na Naman)*

Eleksyon na naman  
O kay tulin ng araw  
Eleksyon nagdaan  
Tila ba kung kaylan lang  
Ngayong eleksyon  
Dapat di problemahin  
Ngayong elekson  
*Si Dodie ating susundin*

Eleksyon, eleksyon, eleksyon na namang muli  
Tanging araw nating pinakamimithi  
Eleksyon, eleksyon, eleksyon na namang muli  
*Si Dodie ang maghahari*

*(Lyrics adaptation by PP Peter)*

## From the President

**Pres. Adolf Aran**

“Come to me, all who labor and are heavy laden, and I will give you rest. Take my yoke upon you, and learn from me; for I am gentle and lowly in heart, and you will find rest for your souls. For my yoke is easy, and my burden is light.” Matthew 11: 28-30

If you are in the thick of holiday things, you are either wallowing in a sea of food and booze, or you are simply hopping from one reunion party to another. Or maybe you are still in the midst of the holiday rush and you’re not quite finished with your Christmas shopping. This Bible verse is perfect for all of us.

Wrapping up our 2023, being tired of running around for almost 365 days, we experience more than just the physical fatigue; we also immensely feel the gratitude that the year is almost over. Followed by a hopeful outlook in 2024, we align our perspective with this Rotary Year’s theme, Create Hope in the World.

Which brings us to my perspective of the closing of the first 6 months our Rotary Year. What was the most significant service project that you became a part of? What zone wide fellowship activity resonated with you? Have you made new friends from other zones, within our club, or within District 3800?

What do you look forward to in the balance of 2024? What do you hope and pray for, for yourself, for the club, for the Rotary International?

## From the President

**Pres. Adolf Aran**

### *Continuation 1.*

Take advantage of these last few days of the year. Rest. Do some introspection. Assess your participation in the club and ask yourself, what can I give more of so I can get myself more of?

While you're at it, starting December 15 (GK, Sitio Caliwag, Bgy Pinagbuhatan) all the way to Dec 24 (Rizal Medical Center), there are service projects you can still volunteer to be a part of. Sali na para maging makabuluhan ang iyong Pasko!

Ang Paskong ito ay punung-puno ng pag-asa! Maligayang Pasko at isang makabuluhang Bagong Taon sa RC Pasig!

## Rotary Notes

**PP Benny P. De Guzman**

It is election time and our last meeting for the year. By tradition, we have a long Christmas break. By tradition too, Edgar and our regular waiters from VVCC are give extra by passing of the hat. And, the few closer to each other have exchange of gifts. Our Christmas Party was a despairing show of lack of fellowship concern of many of our members. The attendance was surely less than 40% of our members. A review of the membership roster must be made.

There are a few truly recognized as treasured members but given the privilege, unwritten and unrecognized apparently, of non-attendance. But Christmas Party and Induction Night must be MUSTS. Tinig salutes the following Rotarians who brought their spouses: Pres. Adolf, PP Totoy, Rtn Doc Ato, PE Dodie, PP RJ, PP Ogie, PP Peping, IPP Bong, Rtn Kap Richie, PP Celso, baby Rtn Jimmy and yours truly. Those who brought their families were IPP Bong and Rtn Doc Ato.

Rtn Doc Ato has a great talent for entertainment. But less than a week ago, he has to grieve for the passing away of his mom, Martha. I had a bad fall Tuesday night but no major harm except major pains in my neck and shoulder area. I missed my text messages and I missed about his mom's passing away. But a classmate of mine in college told me that the sister of my Unilab kumpadre who died decades ago, died. In honor of my kumpadre, I was to go to the wake yesterday (which I did) and the sister was the mom of Doc Ato. Two in one?

I had three wonderful bets ever two weeks ago. I won the first

when UP beat DLSU by 30 points. I gave a plus 5 for the next game and bet double. With the plus, halos 30 points din panalo ng DLSU. Third game, winner take all, no plus but I lost my bet on a close game.

I said OK SALAMAT UP. You read it backwards, Malas Ko Talaga. Next time bet ako sa runner up na lang. Better players na out coached UP De, enterverde. Na Demon kami. Verde nanalo. May berde din ang UP pero mas ang maroon, Maroonya na lang?

When I saw Rebo Saguissag in the awards night USAP, I immediately texted Edgar if member pa natin as I never saw him in a Rotary meeting. He was dropped na pala but may utang. It took us 3 years before dropping a member whose account reached more than 70K. Ano ba yan? Charge the two IPPs or the treasurers of these 2 uncollected years.

Seldom seen in Rotary meetings but regular in FBs with good looking clients becoming better looking is our debonaire Rtn Dr. Henry Claraval. He came and as requested with a bottle of red wine. But he kept it close to his shirt. Mukhang inuwi pa?

PP Chris Portillo, junior of our late PP Tom and of RC Pasig East sent a nice rendition by the UP Lawyers of the UP Hinirang. I sent this to all Pasig Rotarians who came from UP. I might have missed 3 or 4 though. It is nostalgic and worth sharing. Ano ang mashare ko? Panay talo naman. Ngayon umabot sa finals, 2 or 3, nakauna na, nawalan ng hangin.

When we elect our officers, let us bear in mind membership strength through participation and fellowship and not in useless numbers. 100 nga pero 40% efficiency naman. Great Republic of Pasig? Ipakit niyo!

### ROTARY LEADS 28 SESSIONS AT UNITED NATIONS CLIMATE CONFERENCE

*Presentations and workshops at COP28 highlight community-led solutions, partnerships.*

Rotary experts are hosting more than two dozen sessions at the 28th United Nations climate conference, addressing how a changing climate intersects with health, poverty, and other factors. Rotary International President R. Gordon R. McNally will discuss the mental health effects of climate-linked disasters.

The two-week conference in Dubai, also known as COP28 (short for Conference of the Parties, now in its 28th year), is the world's highest decision-making process addressing climate issues. It brings together more than 70,000 delegates from 197 countries and geographical areas as well as thousands of nongovernmental organizations, companies, and others. Rotary is taking part in the conference for the third time, highlighting community-led solutions, partnerships, and dialogue.

"The record global temperatures this year have underscored the immediate need to take action on climate change," McNally says. "They have also demonstrated the massive destructive toll that climate has taken on global mental health."

McNally notes studies connecting extreme heat to greater rates of violence and incidents of mental distress. His presentation will also address the anxiety that younger people feel because of climate change.

**PP Jun C. Zafra**

*Continuation 1.*

Recognizing the central role of young people in shaping a sustainable future, Rotary is sponsoring 22 youth volunteers to attend COP28. This amplifies young voices in the climate discussion and offers the volunteers learning opportunities and international experience.

Rotary's 28 sessions include presentations by members of The Rotary Foundation Cadre of Technical Advisers. Meenakshi Venkataraman, a member of the Rotary Club of Nilgiris West, Tamil Nadu, India, will discuss how invasive species cause biodiversity loss. Salvador Rico, a member of the Rotary Club of South Ukiah, California, USA, will offer an introduction to community-led watershed protection efforts.

In addition, Elif Selin Calik, author of "The Renaissance of Smart Energy" and a member of the Environmental Sustainability Rotary Action Group, will talk about how artificial intelligence can revolutionize areas like energy, agriculture, and disaster resilience.

Yaseen Mohamed Jaffer Mohsen, president of the Association of Rotary Clubs in the United Arab Emirates, will explore how environmental projects can be financed through corporate partnerships.

Other sessions focus on food systems, Indigenous land rights, and related topics.

From supporting vulnerable populations to forging partnerships across the public and private sectors, Rotary members are motivating progress and inspiring action on the environment.

***Continuation 2.***

Members in the United Arab Emirates are planting 50,000 mangrove trees in partnership with the government. The restoration of mangrove forests, which help protect coastlines and marine life, is a Rotary priority.

“Mangrove ecosystems in the tropics and subtropics around the world are in peril because of their position along coastlines,” says Christopher Puttock, chair of the Rotary Action Group for Endangered Species. “Because of the rapid sea-level rise we are experiencing, and the persistent need for human coastal development, these ecosystems are being squeezed out of existence. Working with governments and local communities, Rotary has the unique opportunity to assist in mangrove restoration projects.”

Rotary’s COP28 delegation includes Trustee Chair Barry Rassin and General Secretary John Hewko, as well as Judith Diment, dean of the Rotary Representative Network; Mohamed Delawar Aly, Rotary Representative to the Arab League; Yasar Atacik, chair of the Environmental Sustainability Rotary Action Group; and K. Neil Van Dine, chair of the Water, Sanitation, and Hygiene Rotary Action Group.

Rotary International has long worked to protect the environment by collaborating with communities to implement clean water and sanitation, alleviate poverty, and promote sustainable energy technologies. The Rotary Foundation has committed more than US\$23.7 million toward environmental projects led by Rotary members around the world.

## **THINGS I KNOW ABOUT SANTA CLAUS DESPITE NEVER HAVING MET HIM**

He is fat.

He is jolly.

He is kind.

He is magical in a way that no one else is magical.

He has a great big bushy white beard and moustache.

He wears a red suit trimmed with white fur, often with shiny black boots.

He chuckles ‘Ho! Ho! Ho!’

He is very, very old.

He rides in a magic flying sleigh with sacks full of presents on Christmas Eve.

He comes down the chimney, if there is one.

He fills children’s stockings with goodies.

His sleigh is pulled by magic flying reindeer called: Dasher, Dancer, Prancer, Vixen, Comet, Cupid, Donner, Blitzen (aka Donder) and Rudolph (the one with the red nose).

He lives at the North Pole.

### **...AND IF YOU WERE BORN ON CHRISTMAS DAY...**

According to folklore, the Devil can't take your soul.

When you're very young, you think all the fuss is because it's your birthday.

The you realize it's Jesus Christ's birthday.

Then you realize that not even Christians think that Christ was actually born on 25 December (it's just the date chosen to remember his birth.)

Then you realize that many people who 'celebrate' Christmas simply enjoy the Christmas tree, decorations, cards, presents, food and the get-together part of the day, rather than necessarily the religious aspect.

But what concerns you far more is the fact that you often end up with a combined birthday-cum-Christmas present instead of two separate ones!

## Better than Showbiz Gossip

With all the things that has been happening around us, I think we might go crazy. Sometimes, it can be even more insane to know that most people talk about the break up of Daniel Padilla and Kathryn Bernardo more than talking about the Sunday Mass bombing at Mindanao State University and the worsening inflation. But there's one Good News that we mustn't ignore.

Mark 1:1-8 tells about the public ministry of John the Baptist. To prepare the people of Israel to encounter the Messiah, he diligently preached the message of repentance and reconciliation and baptised those who were willing to change. His message really drove people to action, and that action is atonement. Thus, his message, good news really moved people because he preached nothing more but the Good News, and that Good News is none other than Jesus Christ.

How about you? What kind of message you wish to spread to others? Is it fake news that will lead to people to misunderstanding, misjudgment, and anger? Or the Good News that will lead others to Jesus?
