Invocation

O God, who restore us to eternal life in the Resurrection of Christ, grant your people constancy in faith and hope, that we may never doubt the promises of which we have learned from you. Through our Lord Jesus Christ, your Son, who lives and reigns with you in the unity of the Holy Spirit, God, for ever and ever.

Amen

THE FOUR-WAY TEST

of the things we think, say or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- First :** The development of acquaintance as an opportunity for Service;
- Second :** High Ethical standards in business and professions; the Recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- Third :** The application of the ideal of service in each Rotarian's personal, business and community life;
- Fourth :** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Song of the Day

YOUNG AT HEART

By: Frank Sinatra

Fairy tales can come true
It can happen to you
If you're young at heart

For it's hard you will find
To be narrow of mind
If you're young at heart

You can go to extremes
With impossible schemes
You can laugh when your dreams
Fall apart at the seams

And life gets more exciting
With each passing day
And love is either in your heart
Or on it's way

Don't you know that it's worth
Every treasure on earth
To be young at heart
For as rich as you are

Song of the Day

Continuation 1.

It's much better by far
To be young at heart

And if you should survive to 105
Look at all you'll derive
Out of being alive

And here is the best part
You've had a head start
If you are among the very
Young at heart

And if you should survive to 105
Think of all you'll derive
Out of being alive

And here is the best part
You've had a head start
If you are among the very
Young at heart...

From the President

Pres. Bong Paloma

Good afternoon RCP!

Today's TINIG issue will feature our April 27 and May 4 club activities. Last April 27, we celebrated PRID Raffy's 79th birthday with record-breaking attendance. The fellowship lasted until 4:30 pm and ended because we had to do the interviews (at 5:00 pm) with the Pasig Police nominees until 11 pm. It was a long day for some of us who painstakingly listened to the testimonies and stories of our Pasig Police nominees. The interview lasted for three days, and 63 nominees came forward for the interview. After three days, we came to know our Pasig Police better. We genuinely appreciate their heroic and unselfish act of service and their dedication and determination to serve the community.

Finally, last May 4, 2023, it was the culmination of the awaited Pasig Pulis Awards night. Our principal benefactor, Chony Gimenez, graced the event despite his advancing age and physical condition. He attended the two-and-a-half-hour awarding ceremonies and delivered a touching and inspiring message to our Pasig Police force. He also reiterated his commitment to support this activity next Rotary year, and we did a tripartite MoA signing agreement. The event was also attended by Congressman Roman and Vice Mayor Dodot, who delivered inspiring and congratulatory messages to our Police. Rtn Mayor Vico missed the event because he felt ill that night. The RC Pasig members (seniors and the young) also came in full force. RCP seniors present were PRID Raffy, PDG Augie,

PP Benny, PP Peter, PP Vic, PP Celso, PP Bert, PP Jun, and Rtn Noel. I lost count of the young RCP members who came, but I counted 34 RCP Rotarians at the Tanghalang Rizal that night, who all came dressed for the night.

The Pasig Pulis awardees went home with 25,000, plus 10,000 (best NCO and CO awarded) plus 5,000 (for those who won last year and this year). It was a blessing to have gone home with a max cash prize of 40,000 plus Php 1,500 Unveil products and a nice trophy. Those who did not win came home with 5,000 pesos each, plus the Unveil gift pack. Even the unit nominees did not come home empty-handed. They were given a UV Air Purifier courtesy of Signify (Peter Pancho).

A late dinner followed after the awarding ceremonies. Some of the winners and senior officers of the Pasig Pulis joined us at the La Colina function room to celebrate our birthday (advanced bday celebration for me and bday of PE Adolf) dinner. We feasted on caldereta, pancit malabon, elar's lechon, birthday cakes, Singleton 15 years old Single Malt, and Cab Sav red wine.

My only brother BGen Joel Paloma (Army), and wife, Lolit, also joined the dinner with my spouse Rosemarie. I also would like to commend PE Adolf and Dir Dodie for attending along with their spouse. It was a great evening. PRID Raffy, myself, PP John, and Dir Jake were the last men standing. We finally ended the night at 12:30 am.

From the President

Pres. Bong Paloma

Continuation 2.

Although the awarding is over, our work and collaboration with the Pasig Police has just started. Next in line is our medical mission on May 21. Next, a sports clinic (Basketball) in Barangays with a high incidence of drug use to persuade the youth to venture into sports and veer away from using drugs. Generous RC Pasig members have pledged support by sponsoring their time, uniforms, basketballs, cash for food, and other logistics needs to make the program sustainable and successful. Both PNP Pasig and RC Pasig will deliver more community service projects as we continue to assess the needs of various Pasig communities, leveraging on our Police force to carry out various community programs and service activities to bring RC Pasig and the Pasig Police closer to the communities.

Lastly, thank you, Dir Dodie and PP John, for leading the PNP Pasig Awards activity, to the RC Pasig board of Judges who diligently interviewed our nominees, Rtns Anson Tan, Bien Sibug, Dir Jake, and Dodie, and other anonymous donors for your generosity. Chony gave us Php 620K, and RC Pasig contributed 300K cash, plus 120K worth of in-kind donations. Again from the bottom of my heart, a big Thank You to all of you! May God bless you all!

Mabuhay ang RC Pasig!

Bong

Rotary Notes

PP Benny P. De Guzman

There was no Tinig last week but I was not told not to make my column. But that is stale kaya I have to make another one. And the news of the week is a community service project chaired by PN Dodie Dy awards for the awards for the outstanding policemen with many non-commisioned policewomen as awardees than the commissioned officers. Congratulations not only to the winners but to also the many outstanding members of our club who took time to review and make the right choices. To the new a la late PP Sonny Samson who added a few thousand pesos to award those who got the awards twice in a row. To Rtn Chony for his very inspiring project, Tinig wishes you well. He is a little younger than PRID Raffy and ten years younger than me but he could not walk on his own. A huge caregiver must literally carry him.

To the many generals who joined us for the dinner hosted by Pres Bong with his brother, also a Rotarian in Mindanao and also a young general. It very well could be the birthday party of PE Adolf who was celebrating his birthday that very day. A week-delayed lechon is still very much welcome, Adolf. If no lechon, baka hindi makabawi NU sa Sunday. Pati si PP RJ sinama mo.

A week before, I reminded PN Dodie to correct and delete a \post he placed on JPE when he was a young practicing lawyer. He was lecturing those who'll take up law when he noticed a young lad crying in one corner. The lad said he had a deformity and JPE said, "In law, what is needed more is the brain not muscles." This so inspired the youth who turned to become a

good lawyer. But when he mentioned the youth was no less than Apolinario Mabini, he missed his names. When JPE was born in the mid-20s, the Great Sublime Paralytic was already dead. I placed that in my column last week and I added, "I should know, I was in the wake." Wait and see reactions?

Going back to the very successful awards night. There were several outstanding generals and two outstanding Romans. Cong Roman and PCol Roman. The latter mixed with this former officers and co-Rotrians. Cong Roman was kind in his speech to mention HOF/PP Peter and me. For what, I cannot remember as I was just too happy. Mababa ang kaligayahan ko and kayo ba na mention?

There seems to be a controversy about the birthday of Rtn Albert. Bring more balut and we will decide when. Let us make it clear, the date of birth is truly different from the date of adoption. Iba ang baluit sa puti. Mas iba kung libre.

Tinig admires Rtn Cong Roman for finding time to be in our meeting even if comes in late many times. We call attention to our city officials, the Honorable Mayor Vico and his Vice Mayor Dudut. Dudut was with us in the awards program for the policemen but he left before it was over. Mayor Vico was a no show as he was avoiding Covid. Or, avoiding to help spread it as he came from an exposure to the dreaded Covid. There are at least three of them not attending our regular Thursday lunch meeting. Vico, Dudut and Chony but Chony is showing himself as an avid supporter with his project. Gayahin si Cong Roman. Pakita naman kayo kahit once a quarter.

I believe it is a time in our world for brave, courageous, intentional leadership.

Last month, in this column, you heard from my dear friend Anniela Carracedo. She is an amazing member of our Rotary family, and as a past Interactor and now Rotarian, she is this kind of leader.

Anni shared a very personal story about coping with a panic attack, something that I have also experienced. The outpouring and response to this story have been tremendous and punctuate how critical it is that we acknowledge not only our strengths but our vulnerabilities too.

When we talk about finding space for one another — creating comfort and care within Rotary — we're describing a club experience where we can all feel comfortable sharing like Anni did, and we can all empathize with and support one another. Whatever we are facing in life, Rotary is a place where we know we're not alone.

We spend so much time helping our world, whether it's working to end polio, cleaning up the environment, or bringing hope to communities that need it most. Sometimes we can lose track of the need to apply some of our energy and care to our fellow members and partners in service.

Walking the Avenues

PP Jun C. Zafra

Continuation 1.

The comfort and care of our members is the single greatest driver of member satisfaction and retention. We need to ensure that it remains a priority — and that we further strengthen these bonds by performing service that helps reduce the stigma of seeking out mental health treatment and expands access to care. That is why I'm so heartened by President-elect Gordon McNally's wonderful vision to help improve the global mental health system, not only for Rotary members, but for the communities we serve.

When Gordon announced our focus on mental health at this year's International Assembly in Orlando, Florida, he reminded us that helping others benefits our mental health by reducing stress and improving our mood. Studies show that performing acts of kindness is an effective way to improve your own mental and physical health. Rotary service brings hope to the world and joy to our lives.

Our new focus on mental health will take some time to do right, and yet it builds on something that has been part of who we are for 118 years. We are People of Action, and behind that action is care, compassion, empathy, and inclusion.

Becoming champions of mental health is not only the right and kind thing to do, it is a tool that can Create Hope in the World, Gordon's inspiring theme for his upcoming year as president. If we serve our members, we serve our communities, and if we can meet people where they are and lift them up, they will imagine Rotary in a new light and come to fully understand our value and our infinite potential.

INTEGRITY

The Covid-19 pandemic may be over (or at least it is now manageable/tolerable), but some or most of us ask still this question: why is there still corruption in our country?

I remember reading some articles on the newspaper and reliable posts in my social media accounts that the Philippines was one of the countries with the lowest integrity index but belonged to the top 50 countries with the highest corruption index. True enough, we hear stories of corruption in all branches in the government, military, education and even in religious institutions. In response, over and over again we cry out for accountability and transparency. But have we asked ourselves how true, honest and sincere are we?

Of course, human as we are, we commit sins of deception, dishonesty, hypocrisy, and insincerity in one way or another. But it does not mean we are incapable of integrity. That's the reason why God taught us what integrity is in the Bible. In fact, from the Book of Psalms, God even gave us a description of someone not living a life of deception. According to Ps. 15:1-3, "Lord, who may enter your Temple? Who may worship on Zion, your sacred hill? Those who obey God in everything and always do what is right, whose words are true and sincere, and who do not slander others."

So, let's practice the virtue of integrity no matter what our current status in life, or educational background for this virtue is one of the safest and best paths to holiness.
