Song of the Day

IT'S THE 4-WAY TEST

(Tune: It's The Real Thing)

We'd like to help Pasiguenos live
In perfect harmony
We'd like to help Pasiguenos grow
As honest as can be.

The 4-Way Test is what we offer
To guide their way through life.
It teaches them how they should live
And answer human strife.

Refrain:

It's The 4-Way Test
It's Rotary's way
We're all proud to say
It's The 4-Way Test.

We'd like to help Pasig City grow
In the most beneficial ways
And bring Pasiguenos all together
In harmony and peace.

The 4-Way Test is what we offer
To bind them all as one.
They'll cherish love as their ideal
Put hatred out of mind.

(Repeat Refrain)

From the President

Pres. Bernard Dy

“Greatness is not in where we stand, but in what direction we are moving. We must sail sometimes with the wind and sometimes against it – but sail we must, and not drift, nor lie at anchor.” – Oliver Wendell Holmes

Fellow Pasig Rotarians,

As we embark on the new Magic of Rotary Year, we should be proud of the remarkable achievements the Rotary Club of Pasig has accomplished in just the first month. Since our last meeting on July 15 during the induction and handover, it has been an action-filled 17 days. Together, we have made a significant impact in various ways:

- **Brigada Eskwela:** In our adopted community, Ilugin Elementary School, we brought hope to teachers and students by upgrading bare cement floors to polyurethane-coated shiny floors in 7 public school classrooms.

When Typhoon Carina struck, the heroism, selflessness, and generosity of our club members shone through:

- **Rapid Fundraising:** Our members quickly raised funds as Typhoon Carina swept across Luzon.

- **Skyhydrant Deployment:** The newly activated ‘Service Team’ of our Service Directorate mobilized swiftly to deploy the Skyhydrant, providing clean drinking water to 400 families in Maly, San Mateo.

- **Medical and Wellness Missions:** RCP Rotarians

answered the call and raised our flag through participation in the medical and wellness missions in Pinagbuhatan, Pasig.

- **Anti-Leptospirosis Medicine:** We dispensed 400 tablets of much-needed anti-leptospirosis medicine to our communities affected by the floods especially in GK.

- **Hygiene Supplies:** We provided hand wash and soap to the Pasig Disaster Risk Reduction and Management Office, Barangays Pinagbuhatan and Manggahan.

- **Providing Drinking Water:** On the very first night, we provided more than a thousand bottles of drinking water to the Pasig DRRMO for distribution to the evacuation centers.

- **Financial Support:** We made a cash donation of 30,000 pesos to the Rotary District 3800 Disaster Response Committee for the evacuees in Marikina, Montalban, San Mateo and Malabon.

- **Cleaning Operations:** Our generous hearts continued to shine as we donated 300 bags of cleaning powder for operations at the largest evacuation center in Pasig, the Santolan Evacuation Center.

Additionally, our club's contributions were recognized with two awards of achievement as stakeholders of the PNP – one from the Pasig Police Headquarters and another from the Eastern Police District.

These accomplishments are impressive, especially considering it's only the first month of our new Rotary year. This demonstrates the incredible potential of what we can achieve when we work together.

From the President

Pres. Bernard Dy

Continuation 2.

Looking ahead, we have even more projects and initiatives planned to further our impact. Our journey is just beginning, and I am confident that we will continue to learn and grow in our efforts to serve our community.

Thank you for your unwavering dedication and for sharing your Time, Talent, and Treasure this first month, Pasig Rotarians. Mabuhay kayo! We are just getting our feet wet, as we strive to be more effective in our circle of influence. We will get even better! Once again, I am very proud to be an RCP Rotarian. We showed why **RCP is RCP!**

Yours in Rotary Service,

Bernardo “Dody” Dy
President, Rotary Club of Pasig

Rotary Notes

PP Benny P. De Guzman

Congratulations again for a great Rotary year that IPP Adolf led us to greater heights. The Irreverent Club delivered even if our weekly attendance was a great failure. And to show we are on another banner year, Pres. Dody in just his first week at the helm, showed us we are to greater heights. For years, we had no sister clubs but he had one as soon as he got in his job.

We welcome Rotary Club of Baguio South as our sister club. The club is led by Pres. Patrick, the nephew of PP Vic Aquino and son of CP Alex, a brother of Vic. It is a very cool sisterhood, malayo lang but cool enough to traveling members of our club. I hope their meeting schedule will not affect us as their club elected to avail of RI's rule of allowing twice a month club meetings.

PP Rel did a good fining session last time as the assigned finemaster PP Vic begged off and who certainly enjoy the sisterhood as the IPP of the club is a true sister.

Out induction night was a very good one despite many absences. We had Rtn Mayor Vico, Rtn VM Dodot and one who really attends most of the time, Rtn Cong Roman. Vic and Dodot attended for a great while. Since last minute my spouse Pura cannot join, I was sent to the tables of those without partners. But Rtn Nesty who was presumed as usual not to bring his spouse brought very lovely Au and they were seated with us. We had a ready muse. To show our being loved by many PDGs, this was one induction na super dami ng PDGs attended even those not really stepping out na. Most with their ladies as well. Yesterday, most offices were closed because of flooded streets

and continuing rains. Moreover, the typhoon was yet to exit. This is not an excuse for poor attendance today.

HOF/PP Jess when I asked about medical practices gave me a handful of very good advice even in getting a hospital bed of any illness/ Jess talks more of a concerned internist even if get his toll as a pediatrician. But the fact that CM/PP Arjan is keen on checking in at his hospital fir every illness is more than enough reason for me to use his hospital as well. His consultants are all from Medical City and he has a tie up with the Kidney Institute because of our very Rtn Ike. Good hospital care, nearer and bad to say, cheaper. More reasonable in cost is more pleasant to hear. I recall when Trump was hit in the ear, he would have said, "America lend me your ears'. While his security could not even shout Donald, Duck he automatically ducked. Trump is one husband who could not be hit by his wife as he knows how to duck!

HOF/PRID Raffy was quick to respond to the very good project of our speaker, Joey Lina with half a million annual support. His Jaycee days and his Rotary membership are with the elder brother of Pres. Dody.

At the birthday of former member PP Al Po, with some PPs always in attendance, 3 were absent. PPs Rhett Ermita and Sonny Samson who have gone ahead to wait for us and PP Bert Tayengco who then could not get out as spouse PPA Boots was in the ICU. Besides, PP Bert is in his 90s and seldom steps out. Many Rotarians call Bert Papa plus Teyengco. Corny but may fun pa din. At the birthday of Al, I was seated next to Sen JV Ejercito who was once national president of the Jaycees. He was surprised I knew Dody's b rother Cris, former national president of the Jaycees too and for international president pa.

PRESIDENTIAL MESSAGE

Stephanie A. Urchick

President 2024-25

July 2024

Rotary is at its best when we foster a sense of inclusion and belonging in our clubs. In fact, I would go so far as to say that belonging is The Magic of Rotary itself.

With a focus on inclusivity and belonging, it is easier to be united in a common purpose. When we are committed to one another and focused on our goals, we are most effective.

Rotary's Action Plan can help. The Action Plan comes with tools you can use to collect feedback, assess your club's strengths and weaknesses, and address challenges.

The world is changing, and our clubs can't afford to stand still. But the changes we make need to be consistent and strategic — building on one another toward a greater vision. The Action Plan can help you work toward that vision and create effective change within your club. Following the Action Plan and addressing suggestions from the community will go a long way to fostering the sense of belonging we want all Rotary members to feel in their clubs.

That's why expanding our commitment to diversity, equity, and

inclusion is so important. Committing ourselves to each other's well-being is the first step to expanding our reach, allowing us to spread Positive Peace in these troubled times.

Peacebuilding is one of our top priorities, and one of the most effective ways we can build peace is with our Rotary Peace Fellowships, through which peace and development professionals learn how to prevent and end conflict.

We offer the fellowships through our Rotary Peace Centers at leading universities around the globe, where more than 1,800 Rotary Peace Fellows have graduated. And thanks to a \$15.5 million gift from the Otto and Fran Walter Foundation, we can continue supporting peacebuilders in more regions with the next peace center at Bahçeşehir University in Istanbul.

Opening another peace center is a monumental achievement, and it is my great honor to invite you to celebrate at next year's Rotary Presidential Peace Conference at the Istanbul center. The three-day conference 20-22 February will highlight the many ways our family of Rotary advances peacebuilding. Registration for the conference is officially open. I hope to see you there.

The 2025 Rotary Presidential Peace Conference has great potential for our peacebuilding efforts — but only if we have your support.

The truth is, we're not going to bring peace to the world, end polio, or grow membership by waving a wand and saying some funny words. It's up to you. You create the magic with every

project completed, every dollar donated, and every new member inducted.

I love my Rotary family and I know you do too. That's why I know that together, we can make every club and district simply irresistible. This year, let us change the world by embracing The Magic of Rotary.

Littlest but the Best

In a Mass or Service, just because a churchgoer offers a little contribution during Offertory or Tithing doesn't he or she is poor. The same too with the rich - just because he or she offers or donates a lot in the church doesn't mean he or she is rich. So what's the rule of thumb for generosity?

According to John 6:9-11, Andrew brought a boy to Jesus who was one of the thousands of people gathered around Him who had only five loaves of bread and two pieces of fish. At that time, Jesus's disciples were worried of how to feed so many people while the nearest town from where they gathered was very far. But Jesus did the unthinkable and that is to feed thousands of people after thanking God in prayer for the food brought by a boy. Thus, thanks to the boys simple "lunchbox" of five loaves of bread and two pieces of fish, many people were fed.

Although Jesus made a miracle of feeding thousands of people, I believe due credit goes to the boy. Though he had a simple lunch, he willingly shared it to all and everyone (including him) benefitted. That's generosity. No matter how many or few you have, as long as you are willing to share them to all (especially to the poor), then you're being truly generous. Give or share what you have with others cheerfully out of your generosity instead of being too selfish or self-centered. Then you will be truly blessed.
