PASIG ROTARIANS (Tune: *Dancing Queen*)

Woo, woo, woo, woo, woo, woo, woo, woo, woo
You can see, you can feel
Having the time of our life
Oh see us now, watch us now
Pasig Rotarians

Thursday noon and we're on the go
Meeting in a place you know
Breaking bread with one another
Getting in the swing
We come to meet with friends
Pasig Rotarians we all are
Young and old, wise and otherwise
With a sense of service
Everything we do
for the community
And when we get the chance
Pasig Rotarians
Young and old, since seventy one
Pasig Rotarians serves the need
of the community

You can see, you can feel
Having the time of our life
Oh see us now, watch us now

From the President

Pres. Bernard Dy

Dear Fellow Members of the Rotary Club of Pasig,

As I reflect on this month's Rotary theme of 'Membership, 'a short anecdote comes to mind:

In a small town, the people decided to hold a grand celebration. Each family was asked to contribute a bottle of their finest wine to fill a large barrel for everyone to share. On the day of the celebration, they discovered that the barrel was filled with water. Each person had thought, "My small contribution of water won't be noticed among all the wines."

Anecdotes like this are thought-provoking and can inspire different interpretations. For me, this story underscores the importance of individual contributions. The success of our club is dependent on our members' commitment and effort. Just as the townspeople's small contributions of wine could have created a splendid barrel, so too does each Rotarian's dedication make our collective service significant and meaningful.

As we welcome the second month of the Magic of the Rotary Year, let us sustain the gains we achieved in our extraordinary first month. This month, we are scheduling a "working fellowship" as we take on the important task of possibly addressing a Rotary issue on hand as a unified club. Additionally, we have started preparing for the big assignment of hosting the District 3800 Golf Tournament at the end of September, which will entail the full support of each one of us.

From the President

Pres. Bernard Dy

Continuation 1.

Let us also remember that some of our members might be facing health concerns and may need our encouragement and support. Reaching out to them will not only uplift their spirits but also strengthen our bond as a club.

As we celebrate the Rotary theme for the month, let us remember that every member is important and no one should be left behind. We succeed together or falter together. I encourage each of us to share our Time, Talent, and Treasure not only with our community but also with our fellow members of the Rotary Club of Pasig. Just as our fellowship strengthens our service, extending a hand to a fellow member will enhance our effectiveness in serving our community, ultimately benefiting us all.

Here's to enjoying great wine in our celebrations!

Yours in Rotary Service,

Bernardo "Dody" Dy
President, Rotary Club of Pasig

Rotary Notes

PP Benny P. De Guzman

I start my column with a sad note with the demise of PPA Lydia “Boots” Tayengco, spouse of our PP Bert. Both are in their early 90s and their two daughters, both based in Canada were around at the hospital when she died. We used to call Bert, Papa then add Tayengco of a mild humor. May you rest in peace Boots for a well lived life.

Fou our club and the entire Philippine Rotary, our hosting of the International Convention in 2028, already calendared was taken away by the RI President with her Board in an unexplained good reason. Sad indeed.

A big blow to our club's endorsement for our PRID & HOF Raffy to be president of RI suffered a major blow with the election for RY 2026-27 of Sangkoo Yun of RC Sae Hanyang in Seoul, South Korea as president-elect. But RI will not have two Asians as president in two successive years. May Raffy get his chance after 4 years? Wala pa siyang 85 by then and with his health, kaya pa niya.

The international situation looks awfully bad as well with the great US sending 12 battle ships in the Middle East, the biggest ship with 4,000 marines. If not handled carefully, it may lead to a greater conflict and our supply of oil will suffer.

All bad news to start. But the better news is that Pres. Dody is on top of our challenges. He started with a solid performance for July with a sister club arrangement, relief operations that saw us contributing also to the District Relief for the huge flooding we have had due to the recent typhoon and the habagat.

Rotary Notes

PP Benny P. De Guzman

Continuation 1.

From PP Celso, he suggested a basketball tournament for the District when Dir Roland produced a champion team with this wards. This is not a new idea as way back in the early 70s, when our club was very new and with very few clubs in the district, there was a district tournament. The late PPs Tom and Bobbit Sanchez were players with the late active Rotarian Ayc Santos. Of course they well all 5'5" at most. But the club took in March '72 PP Lino Concepcion and myself and the late Rtn Tony Guevarra.

I was the shortest at 5'8" while Tony was 5'11" and Lino Concepcion at 6'. Tony was a bench player of MICA then (wala pang PBA) and Lino was well rounded in golf and basketball and I had backyard basketball knowledge. We lost our first game against RC Mandaluyong 22-20. No, that was not the end of the first quarter but the end of the regular game. My elder borther, PDG Leo was playing for Makati when he was guarding a Manila Rotarian who was also a backyard player and he roughed up my borhter. I brought my brother to get first aid for his scratches and got a medical certificate then we filed for damages in the MTC. The American player was part of the ADB Board pala they had diplomatic immunity from minor suits. Lessons learned. It is not that simple for the Rotary basketball tournament. Sana may rule that players must be 50 years and above.

Our guest speaker last week and the active participation of another guest formerly with Comelec showed an alarming situation when easily our elections can be rigged. With the poor handling of our flood situation last time, our election may

produce less dedicated leaders to address the calamities of our people as we are too politicized.

Next week, a club assembly called by Pres. Dody is proper to address all our current concerns. Let not the enthusiasm of our dear Raffy be diminished as we are all in our desire to support him and strengthen our club in the process. May we have better attendance next week. Evening meeting, reminder lang.

PRESIDENTIAL MESSAGE

Stephanie A. Urchick
President 2024-25
August 2024

If we are to truly change the world with The Magic of Rotary, it's up to all of us to foster a sense of belonging in our clubs. But every club should take its own path to get there, and the Action Plan can help you find your way. What does that look like?

Take for instance the Rotary Club of Beveren-Waas in Belgium. It was chartered in 1974 but has evolved with the times, developing both a strategic plan and a membership plan. To find new members, the club analyzes the city's professions to help focus its search, and all new members are quickly assigned tasks and roles.

The club also mixes up meeting times, alternating between evening and afternoon sessions, making them accessible for all members.

Sometimes, circumstances force clubs to make changes. But as people of action, we know that behind every obstacle is an opportunity.

The Rotary Club of Holyoke in Massachusetts was forced from its meeting place because of rising costs after the COVID-19 pandemic, but members took this setback and turned it into a strength. The club started meeting in a library community room that was available for no charge and catering lunch from a

Continuation 1.

nearby deli. Lunch costs \$10 per person but it's optional, so no one has to spend money to attend a meeting. What a great way to work toward being "fair to all concerned."

Since making this change, the Holyoke club has gained 13 members. I suspect part of its membership growth is due to the club's sense of inclusivity — the first step toward belonging.

If you ask members what they expect from the club experience, you might find that your club doesn't meet expectations. Think of this as an opportunity to reshape your club in exciting ways, as alternative club models are making a positive impact.

For example, a Rotary Fellowship called Beers Rotarians Enjoy Worldwide, or BREW, has worked closely with the Water, Sanitation, and Hygiene Rotary Action Group for the past eight years to assist with clean water projects. In that time, BREW has funneled 25 percent of its dues to those initiatives.

BREW is one of many examples of members pursuing belonging to improve the world.

I can't stress enough the importance of belonging. Clubs become simply irresistible when all members feel that they are exactly where they need to be. To me, belonging is the spark that ignites The Magic of Rotary.

As you receive feedback from club members and the community you serve, I urge you to pursue that spark. The Action Plan can help you find the path to success, and if you light your way with the spirit of belonging, that path will lead to a bright future for your club, your community, and the world.

Glimpses of Last Meeting

Why is there a need for Electoral Reforms?

1. The May 9, 2022 NLE showed irregularities much more prevalent than in past Automated Election System (AES) elections.
2. Electoral Reforms are needed to bring clean and honest elections which are the bulwark of our democracy.

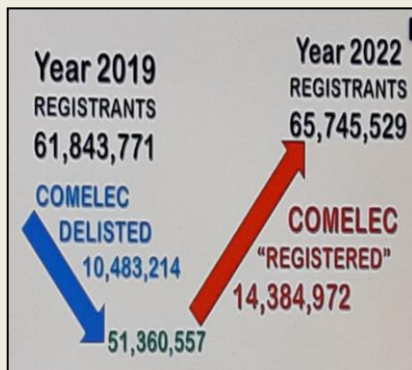

Advocating Electoral Reforms

- Continue searching for the **TRUTH** on what happened in the 2022 National and Local Election so that the irregularities observed will not happen again.
- Advocate for a more **Transparent, Clean and Honest Election System** in future elections by using a **Hybrid Election System (HES)**.
- Amend the Automated Election System to prevent the recurrence of election irregularities.
- Appoint **Electoral Watchdogs** that are independent of COMELEC.

amending the Automated Election System and need for an independent Electoral Watchdogs.

Atty. Melchor Magdano complements Gen. Rio's talk by explaining how the electoral scam grew.
