Heavenly Father, as we are about to celebrate the birth of Your Son and Our Lord, may You teach us to obey Your Most Holy Will. Teach us to be humble in our ways, honest in our work and sincere in our relationships with others so we can offer our gift to Our Lord Jesus and that is our integrity. ## Song of the Day

### I WONT LAST THE DAY WITHOUT YOU

Day after day I must face a world of strangers  
Where I don't belong, I'm not that strong  
It's nice to know that there's someone I can turn to  
Who will always care, you're always there

When there's no getting over that rainbow  
When my smallest of dreams won't come true  
I can take all the madness the world has to give  
But I won't last a day without you

So many times when the city seems to be  
Without a friendly face, a lonely place  
It's nice to know that you'll be there if I need you  
And you'll always smile, it's all worthwhile

When there's no getting over that rainbow  
When my smallest of dreams won't come true  
I can take all the madness the world has to give  
But I won't last a day without you

Touch me and I end up singing  
Troubles seem to up and disappear  
You touch me with the love you're bringing  
I can't really lose when you're near  
When you're near, my love

## Song of the Day

### *Continuation 1.*

If all my friends have forgotten half their promises  
They're not unkind, just hard to find  
One look at you and I know that I could learn to live  
Without the rest, I've found the best

When there's no getting over that rainbow  
When my smallest of dreams won't come true  
I can take all the madness the world has to give  
But I won't last a day without you

When there's no getting over that rainbow  
When my smallest of dreams won't come true  
I can take all the madness the world has to give  
But I won't last a day without you  
Won't last a day without you, without you

## From the President

Pres. Bernard Dy

Dear Fellow Pasig Rotarians,

**This week we began the most festive month of the year in the Philippines!** From the endless Jose Mari Chan memes to the unmistakable holiday traffic, the signs of Christmas are all around us. Despite the rush, we embrace the joy, warmth, and fellowship this season brings.

**This December, we look forward to celebrating together.** Join us for our **Christmas Party on December 12, 6pm, at the Valle Verde 3 Clubhouse**, together with our spouses. Let us gather in gratitude and camaraderie as we celebrate the spirit of the season.

**Christmas, after all, is about remembering its true meaning.** Mark your calendars for these meaningful celebrations with our adopted communities:

- **December 19:** Twin Christmas Parties—gift-giving in the morning at our GK Village and in the afternoon at our Ilugin community.
- **December 24:** Annual gift-giving at Rizal Medical Center, made possible by the generosity of Rotarian Flor de Pano. We invite everyone to join in spreading Christmas cheer.

**Today, we also make an important milestone as a club.** We hold our elections and confirm **PE Roy Quejada** as our 57th President, along with his incoming board. Congratulations PE Roy on taking the helm for the year ahead!

**Finally, we take pride in our scholarship program under the capable leadership of Director Gary Ona.**

## From the President

**Pres. Bernard Dy**

*Continuation 1.*

Today, we distribute stipends to our PLP scholars at our regular meeting venue in Valle Verde Country Club—a testament to the Rotary spirit of supporting the next generation. It is especially fitting to have them join us on Election Day, as PE Roy, a former New Generations Director, personally mentored some of these scholars.

Let us continue to embody the Rotary spirit of service and fellowship, making a difference together this season.

Yours in Rotary,

Bernard

## Rotary Notes

**PP Benny P. De Guzman**

Today is election time for the club. I hope we have better attendance and the voters will be able to get the truly working ones to make our irreverent club true to its irreverence.

Tinig congratulates NU President, our very own PP RJ for the school's 100% passing in a board exam? Or for the very masterful cheering squad that topped the UAAP cheering squad competition? I will withhold my congratulations till I get news that their dentistry topped the school as 100% in passing and for topping the board exam. PP Nick, show them how..

Tinig congratulates a truly Rotary family. PDGs Tony and Mayrlou Co are the proud parents of DGND Sherrylou Khosiking. Galing ng family dedication.

I am impressed with the past presidents with their governor, PDG Efreen de Guzman of having regular meetings including their recent early Christmas party. I don't know if there are other PDGs meeting with their presidents not only for fellowship but good for other projects as well. I was lucky my own governor then was from our club but I now even forget the theme for the year. Past forty years na kasi and super seniors are allowed not to remember all.

PDG Mike, may his soul rest in peace with Lady Mita had a hard time even in his club when he was our governor. A PP of ours, may his soul rest in peace too, gave PDG Mike a hard time then. Irreverent member kasi.

Two weeks in a row, PP Peter took the fining session, twice

*Continuation 1.*

pala in three weeks as PP Celso had a session. PP Peter, true to requirements of fining, for achievements of finables took time to recognize the many achievers but also in the process, saw to it that all of us are finables.

There was a request for calamity assistance by Dir Roland for the victims of a fire in a barangay of ours. Sana, there are funds for such emergencies.

District 3810 where Sen Manny Pacquiao is a member being a CP of one of the clubs has a district project under the Pacquiao Boxing program. Last Bantamweight Oriental Championship was held here at Okada Hotel ballroom where a boxing arena was placed. Even our PDG Jun Farcon was in attendance. Two of their PDGs are ladies were also there in attendance.

Kung wala tayong district major project, may the entire zone of Pasig carry one? I am still keen on the challenge of the noted architect three weeks ago on a Pasig River Park. We can initiate, get him to design and ask Cong Roman and Mayor Vico to fund the same. We can initiate as Pasig Rotary River Park. Then Pasig will be known for this park. Now we are known as the motel capital of Metro Manila.

Our very own speaker last week, Usec Nicky TY did very well for a zonal program. Per PP John, he is a fraternity bro of our Cong Roman. RINO but super good. Mabuhay Nicky!

## PRESIDENTIAL MESSAGE

**Stephanie A. Urchick**  
**President 2024-25**  
**December 2024**

To adapt, as laid out in Rotary's Action Plan, we must occasionally step out of our comfort zone and try something new. Here are two examples of clubs that adapted — one with heart and one through critical thinking and strategy.

The Rotary Club of Chandigarh Mid Town, India, led with heart earlier this year. To engage members and grow membership, Club President Nitin Kapur personally called every former member of the club and invited them to a gathering billed as an alumni meetup.

Eight former members attended, and the results were stupendous. The visitors had a chance to connect once more — not only with current members but with the sense of camaraderie and belonging that membership gave them. By the end of the evening, the club welcomed six of the former members back into the Rotary family.

Club President Kapur showed courage when he reached out to the alumni. Not only did he adapt and try something new but he had the strength of character to show the club's alumni how much they still meant to the family of Rotary. That bravery paid off.

# **Walking the Avenues**

**PP Jun C. Zafra**

*Continuation 1.*

People want to feel needed and appreciated. People want to feel that they belong. And they might never feel that way if we don't have the courage to tell them.

Meanwhile, the Rotary Club of Seoul-Hansoo, Korea, has been experimenting with different club models to great effect. Over the past four years, Seoul-Hansoo has created and maintained four satellite clubs — a service club, an interest-based club for musicians, a cause-based club that mentors professionals, and a club for college students.

These satellite clubs are part of a five-year plan the Seoul-Hansoo club implemented to increase membership through innovation.

What's the secret to founding and maintaining so many satellite clubs? Membership between Seoul-Hansoo and its satellite clubs is fluid and synergistic. Many members of the satellite clubs attend the sponsor club's meetings. And many of the sponsor club's members participate in the satellite clubs.

Additionally, the focus of each satellite club is no accident. Each one appeals to different interests of people in the sponsor club and in the community, attracting existing and potential members. This is an excellent strategy to both retain and attract members because it offers flexibility. If someone is interested in joining but they can't make it to the sponsor club's meetings, they have plenty of options to choose from.

These are just two examples of how we can adapt with our hearts and minds. Every club is different, so I encourage you to

reach out to members of your club and of the community around you. Ask them about the club experience and what you can do to improve.

Talk to enough people and you might find ways that you can adapt and spark The Magic of Rotary in your club.

## **SOMETHING HERE FOR ALL OF US!**

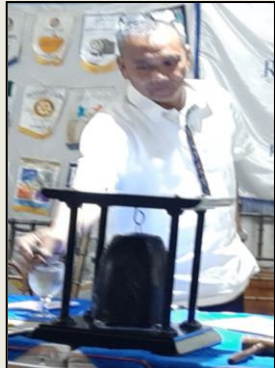

1. If you're choking on an ice cube, simply pour a cup of boiling water down your throat. Presto! The blockage will instantly remove itself.
2. Avoid cutting yourself when slicing vegetables by getting someone else to hold the vegetables while you chop.
3. Avoid arguments with the females about lifting the toilet seat — use the sink.
4. For high blood pressure sufferers — simply cut yourself and bleed for a few minutes, thus reducing the pressure on your veins. Remember to use a timer.
5. A mouse trap placed on top of your alarm clock will prevent you from rolling over and going back to sleep after you hit the snooze button.
6. If you have a bad cough, take a large dose of laxatives. Then you'll be afraid to cough.
7. You only need two tools in life — WS-40 and duct tape. If it doesn't move and should, use the WS-40. If it shouldn't move and does, use the duct tape.
8. Remember — everyone seems normal until you get to know them.
9. If you can't fix it with a hammer, you've got an electrical problem.

## Why Liars Go To Hell?

The Lord detests lying lips, but he delights in people who are trustworthy. (Proverbs 12:22)

One of the things that I admire in the Four Way Test of Rotary, which serve as its guiding principle is this: Is it the truth? In fact, it's the first to be recited so we, as Rotarians, be always constantly reminded to live a life of integrity. In the midst of our present situation where lies, graft and corruption and dirty politics thrive, we are challenged to be men and women of integrity, always speaking only the truth and accountable in everything we do up to the last cent. Before we point fingers who among our leaders the most corrupt, let's examine ourselves first. How honest are we to ourselves and to others? More importantly, how shall we practice even more our integrity.

May we be sincere in our relationships with another and transparent in what we do for the Lord truly detests liars (Prov. 12:22). If God truly hates liars, then liars will really go to hell someday. But, for those who are proven to be honest and sincere, they can taste Heaven even here on earth. Let INTEGRITY itself be the norm not only in our government and society but also in our families.
