## Song of the Day

### MY ROTARY DAY

*(Adapted from "Beautiful Sunday")*

Thursday morning, I'm up and about  
I think I'll take a walk in the park  
Hey, hey, hey, it's a wonderful day

I've got someone waiting for me  
When I see him I know that he'll say  
Hey, hey, hey, it's our Rotary day

Hi, hi, hi, wonderful Thursday  
This is my, my, my, Rotary day  
When you say, say, say, say that you'll meet me  
Oh, hey, hey, hey it's our Rotary day

Birds are singing, you by my side  
Let's take a car and go for a ride  
Hey, hey, hey, it's our Rotary day  
We'll drive on and follow the sun  
Makin' Thursday go on and on  
Hey, hey, hey, it's our Rotary day

Hi, hi, hi, wonderful Thursday  
This is my, my, my, Rotary day  
When you say, say, say, say that you'll meet me  
Oh, hey, hey, hey it's our Rotary day

Hi, hi, hi, wonderful Thursday  
This is my, my, my, Rotary day  
When you say, say, say, say that you'll meet me  
Oh, hey, hey, hey it's our Rotary day

*(Lyric adaptation by PP Peter Javier)*

## From the President

**Pres. Bernard Dy**

Dear Fellow Pasig Rotarians,

Reflecting on the recent calamities in Batanes and Naga, I feel deeply proud to witness how each of you has brought Rotary's vision to life: *to unite people and take action to create lasting change*. Your swift, heartfelt responses show that these are not just empty words for us—but a vision we have taken to heart and embodied as a club.

When disaster struck, Rotary Club of Pasig was prepared, thanks to our calamity fund and the generosity of so many of you. In those critical first hours, we sent solar emergency lights and essential cash relief, addressing the immediate needs on the ground. I'd like to extend a special thanks to the members who stepped up with substantial contributions, getting the ball rolling with quick funds. Let's also recognize those who responded to specific calls for help, even donating essentials like clean underwear. This is who we are as Rotarians: ready, generous, and united by a commitment to serve those who need us most.

One of our members put it best: "Aanhin pa ang damo kung patay na ang kabayo." True success in our organization isn't just about responding quickly; it's having the foresight to plan and raise funds in advance, ensuring we're always ready to act when it matters. (And, yes, staying current on dues is part of that foresight! 😊) This planning allows us to respond immediately, knowing funds are available exactly when they're needed.

# From the President

**Pres. Bernard Dy**

## *Continuation 1.*

This past week, we drew heavily on our calamity fund, a reminder of the need to replenish it for future challenges. Today, we shall also distribute stipends to our Rizal High School scholars, using proceeds from our recent golf tournament—another testament to our commitment to education and its impact on young lives.

Thank you to each and every one of you, for your steadfast support and for standing together through every step of this journey. It's your contributions, big and small, that allow us to keep doing meaningful work, bringing hope to those in need and inspiring change in the world. Let's keep this momentum strong, ready for whatever lies ahead, knowing that together, we make Rotary Club of Pasig a true force for good.

To more meaningful Service Above Self.

Bernard Dy

## Rotary Notes

**PP Benny P. De Guzman**

By the grace of our present Board, we were spared the meeting last Thursday to provide breathing time to those who will spend their Undas out of town. But the traditional lechon of PP Bert was given in advance. It could be a bigger lechon if on the 31<sup>st</sup> as it was the birthday of PP RJ.

Our Memorial Day was made the 24<sup>th</sup>, our last meeting for October and the earliest we had our Memorial Mass. Too bad we had only three widows who attended namely, PPA Dely, Laching Raymundo and Ching Lucero. Dely is the widow of our 13<sup>th</sup> president, Tom Portillo. Spouse Celia Javier, Susan Grau, my Pura and host of lechon, Zeny Albano.

We lost 93 Rotarians and 30 spouses. Only 3 of the spouses have Rotarian husbands still alive. We lost also 5 children of Rotarians. Only one by accident was Marcos of CM/PP Peping. An avid Marcos believer? No way as it would be the biggest insult you will give the family. It was taken from St. Mark's. Our Memorial Day is usually a good time celebrating with our spouses.

My thinking that Rtn Alex is a great nationalist was bolstered by the fact that Alex is highly spiritual as well. "Everything we have belongs to the Lord" as Alec was quoting was Moses was saying in the Holy Book. He is willing to give free legal service to those preparing their last will and testament and giving a small percentage to the Lord aside from giving his estate to his heirs. The small amount you will give to the Lord may be part of your savings in the preparation of your estate planning. May

be a fitting help for the less blessed brethren. In short, Alex is praying for the needy and asking help from the greedy?

Before Undas, a truly memorable gesture came from ever generous Rtn Flor for giving a huge 100K for the victims of Typhoon Kristine. That was in honor of his generous spouse Baby as benevolence runs in the family, inculcated even to their children.

By now, our topic would be the newly elected president of the United States of America. We are not only simply interested but our interest as a nation is important as USA plays a major part of our economy. It plays a major part in our dollars coming into families sending assistance to their families here.

Dir Roland will sponsor another Konsi plus one already with us. Rtn Bien is running for the Council as well.

Remember former Rotarian Jun Gonzales, a Rotarian of the Year? He is not fully well yet as he survived a bout with pneumonia at age 84 per his son, a Rotarian from another Pasig club and who is running for reelection as a Konsi. Jun's spouse is a sister of PPA Celia Javier. Celia may soon have the distinction of being mother of a District Officer of ours if by endorsements, the SA in John's SAG will be removed. G na lang, highly qualified.

## Presidential message

**Stephanie A. Urchick**  
**President 2024-25**  
**November 2024**

One of Rotary's greatest strengths is the ability of our members to come together to create lasting change, and The Rotary Foundation helps us transform dreams of change into reality.

From eradicating polio to building peace, much of the work we do around the world would not be possible without our continued support of our Foundation.

The cause of peace is especially important to me, and one of the most effective ways we build peace is our Rotary Peace Fellowship — a product of The Rotary Foundation. The program helps current and aspiring peace and development professionals around the world learn how to prevent and how to end conflict.

Thanks to a \$15.5 million gift from the Otto and Fran Walter Foundation, we can continue supporting peacebuilders in more regions with the next Rotary Peace Center, at Bahçeşehir University in Istanbul.

Opening yet another peace center is a monumental achievement that we will celebrate at the 2025 Rotary Presidential Peace Conference in Istanbul.

## **Walking the Avenues**

**PP Jun C. Zafra**

*Continuation 1.*

The three-day conference 20-22 February will highlight the many ways our family of Rotary advocates for peace. Keynote speakers, panel discussions, and breakout sessions will allow us to share ideas about building peace and foster meaningful conversations about promoting peace everywhere.

Registration for the Presidential Peace Conference is open. I hope to see you there, but if you can't make it, our Foundation offers so many ways to change the world for the better. November is Rotary Foundation Month, a great time to get to know your Foundation better and pursue causes that appeal to you.

Global grants support large international activities with sustainable, measurable outcomes in Rotary's areas of focus. By working together to respond to pressing community needs, clubs and districts strengthen their global partnerships.

District grants fund small-scale, short-term activities that address needs in your community and in communities abroad. Each district chooses which activities it will fund with these grants.

Our Foundation can even help you support our wonderful youth programs, including Rotary Youth Exchange, Rotary Youth Leadership Awards, and Interact.

Your gifts to our Foundation also make Programs of Scale

possible. These are long-term projects that seek to solve otherwise intractable problems.

To ensure these good works continue beyond our lifetimes, it is up to us to reach our ambitious Rotary Endowment goal of \$2.025 billion by 30 June 2025.

The Magic of Rotary does not appear out of nowhere. We create the magic with every new member inducted, every project completed, and every dollar donated to our Foundation.

Please join me in supporting The Rotary Foundation, and together, we will change the world for the better.

## **DO YOU LOVE WHISKY?**

Characteristics of Whiskies from 4 Whisky-Producing Countries:

Just like wines, whiskies distilled in different countries come with unique characteristics of their own.

- American Whisky tends to be sweeter than whiskies from other countries.
- Scotch Whisky tends to be earthy with a distinctively smoky taste.
- Irish Whisky tends to be light-bodied and less overpowering.
- Canadian Whisky tends to be light and fruity.

## **Recognize the Different Types of Whisky**

Different American and Scotch whiskies are also distilled in different ways and can even use different base ingredients each of which produces a distinct flavor.

- American Bourbon is distilled from 51% corn and contains no more than 80% alcohol content. It has a subtly sweet taste.
- American Rye Whisky is distilled from at least 51% rye as the name suggests. Rye provides a slightly spicy flavour and rye whiskies are more bitter than - - Bourbons.
- Tennessee Whisky is a form of Bourbon distilled in

Tennessee and filtered through charcoal to give it a smokier taste.

- Single Malt Scotch is distilled using malted barley as the only grain ingredient. They tend to possess a fruity softness with a dry finish.
- Blended Scotch is quite literally two different whiskies from different distilleries blended together. They tend to have well rounded flavors with a lingering finish.

## Real Worth

What good is it for someone to gain the whole world, yet forfeit their soul? (Mark 8:36).

Honestly, I really crave for power, fame, and wealth. Why? So I won't be anymore be ignored, belittled, or even bullied. However, I asked myself with this: will I be truly happy in the end?

I'm sure some of us, if not most of us, have this kind of carnal desire not because we wanted to be above everyone else but not to be looked down by others. But Jesus offered a different paradigm by posing this question. I believe our true happiness does not lie on our possessions. More importantly, our true worth does not lie in such worldly treasures.

I believe our true worth that is the source of our real happiness is none other than God Himself. He Who created us is the source of our being. If so, He is truly our source of happiness and strength. So let's nourish our faith in Him but obeying every command and teaching of His as stated in the Bible, i.e., love Him with all of ourselves and our fellowmen no matter who they are (cf. Matthew 22:37-39).
