# Song of the Day

## Stand By Me

When the night has come  
And the land is dark  
And the moon is the only light we'll see  
No I won't be afraid  
Oh, I won't be afraid  
Just as long as you stand, stand by me

So darling, darling  
Stand by me, oh stand by me  
Oh stand, stand by me  
Stand by me

If the sky that we look upon  
Should tumble and fall  
Or the mountain should crumble to the sea  
I won't cry, I won't cry  
No, I won't shed a tear  
Just as long as you stand, stand by me

And darling, darling  
Stand by me, oh stand by me  
Oh stand now, stand by me  
Stand by me  
Darling, darling

## Song of the Day

*Continuation 1.*

Stand by me, oh stand by me  
Oh stand now, stand by me  
Stand by me

Whenever you're in trouble won't you stand by me  
Oh stand by me, oh won't you stand now, oh stand  
Stand by me

## From the President

**Pres. Bernard Dy**

My Dear Rotary Family,

We're in for a dynamic day! It's PNP Day here at Rotary Club of Pasig, as we have a special guest joining us, BGeneral Nicolas Torre III - the very officer who led the manhunt for Apollo Quiboloy! His insights are bound to be eye-opening. (Don't worry, unlike last night—no one's under interrogation here. After the meeting, President-Elect Roy Quejada, our ever-reliable Perpetual Secretary PP John Javier, and I will meet with the new Pasig Chief of Police, PCol. Hendrix Mangaldan to kick-start planning for next year's PNP Awards—our way of recognizing those who serve our community.

And here's some fantastic news: we've hit our target! Our calamity fund is back up to almost ₱500K, thanks to the tireless efforts of our "service above self" preparedness Czars—Rtn. Flor de Pano, HOF Conrad Cuesta, and HOF Peter Javier. Salamat sa pag gising at pag udyok sa RCP na maging matulungin sa mga nangangailangan. Knowing we can respond swiftly in times of need is a huge relief and a true testament to our club's commitment.

Let's also wish our delegation headed by PP Celso Ylagan with spouse Enya a safe and fulfilling journey, as they join PRID Raffy Garcia and spouse Minda in Hong Kong, to renew our sisterhood with RC Hong Kong Sunrise. Their trip strengthens our global ties and expands our reach, a core Rotary goal. I know they'll do us proud.

## From the President

**Pres. Bernard Dy**

### *Continuation 1.*

Next week, we're thrilled to welcome Governor Bobby Zamora to the RCP den! Let's bring out that signature RCP spirit—fun-loving, warm, and ever the Noble Gentlemen. Together, let's make it a memorable visit. RCP, behave!

Thanks for all you do as we head full speed to face the many tasks that lie ahead. Looking forward to seeing everyone's smiles as we tackle exciting times together!

Bernard

## Rotary Notes

**PP Benny P. De Guzman**

Truly, the brunt of the series of deadly typhoons brought havoc to many of our provinces. Northern Luzon and the Bicol areas were severely affected. In response to these calamities, proud and dedicated Rotarians took the floor and gave sizable amounts for the victims of Typhoon Kristice in Bicol and in Northern Luzon. Our Flor de Pano gave generously 150K each time. To match the second 150K, Pres Dodie challenged our club to match even just the second dole out. Response was slow but coming. In this regard, baka marami na tayong RINO sa club natin. Rotarian In Name Only?

PP Bert, our lechon donor last Memorial Day is busy raising funds for his Ilocos province also badly hit. Bka our club may consider assisting the province too?

As a community, we should be thankful that our terrain and elevation is far from a flood so that should make us aware of the needs of others. Blessed are those who can share blessings. Generous Flor who is in the medical assistance business knows how to care for others. Sana mappreciate natin fully.

Director Roland will sponsor a councilor daw to the club. We have a Konsi member in Simon Tantoco. Bokap Richie is also running for a council seat. Plus Mayor Vico and Vice Mayor Dodot, both non-attending members, are certainly running for reelection. Sana anybody running against them are not affiliated with other Rotary clubs in Pasig. Our Cong Roman has yet to have a worthy opponent.

## **Rotary Notes**

**PP Benny P. De Guzman**

*Continuation 1.*

Many of our members have tried the barbershop of our very own Rtn Richie. I did not know there are many gimmicks in that business. My regular shop is one at the side of this country club, so near, clean and reasonable. I tried last weekend at Bruno's and the cost is more than 3 times the cost of my regular shop. I will repeat a gimmick that my daughter encountered in a shop. While for her son in a shop, the barber motioned to her about scratching the hair. My daughter gave a thumbs up. The bill was 1.8K, 1.5K for the scalp treatment and 300 for the haircut. The scratching of the hair pala was not for shampoo but a scalp treatment. Kwentong barbero but true..

There are some Rotary clubs meeting only every other week. They need permission from their District Governor. I am not advocating for such. But every other month, let us involve our spouses. ARAP has been a good support arm for us. Even in fellowship or joint meetings with various interesting subject matters..Our zone meeting will have a speaker, a member of our club who is not known to majority of our members.RINO, there are a handful of them truly contributing in their own areas for the betterment of our community. RINO man at ginagalang at kailangan pa rin natin.

### **‘When,’ not ‘if’: Progress continues toward ending polio**

On World Polio Day, Rotary International leaders and public health experts reiterate their commitment to global eradication

Eradicating polio around the world is still an attainable goal, Rotary International President Stephanie A. Urchick and public health experts said as they commemorated World Polio Day in the city where the vaccine was developed.

“I know it is a question of when polio will be eradicated, not if,” Urchick told the audience at a livestream event on 24 October in Pittsburgh, Pennsylvania, USA.

“Our Action Plan talks about improving our impact. That’s really where our polio eradication program shines,” Urchick added. “Millions of children won’t get this crippling disease. Billions of U.S. dollars won’t be spent on ancillary health care costs as a result of this disease. We have made so much progress.”

World Polio Day raises awareness and funds for the Global Polio Eradication Initiative’s work to eliminate the disease. Since Rotary and its partners formed the GPEI in 1988, the number of wild polio cases has decreased by 99.9%. The event highlighted Rotary’s continuing efforts toward complete eradication.

Polio remains endemic in two countries, Afghanistan and Pakistan. In 2024, increased case counts of wild poliovirus and

the first case of paralytic polio in Gaza in 25 years served as a reminder that until the disease is fully eliminated everywhere, it remains a threat to children everywhere.

Despite the challenges, Michael K. McGovern, chair of the International PolioPlus Committee, said he remains confident as ever that global eradication is within reach. “We’re in a bumpy period, but we’re going to get this done by continuing to focus on Afghanistan and Pakistan and doing the things that were done so successfully by Rotarians,” he said.

The event included videos featuring polio vaccination workers in the field. Urchick said she was inspired by them during a visit to Karachi, Pakistan, earlier this year.

“Men work diligently to immunize thousands of children every day at traffic checkpoints, while women go house to house to reach families directly,” Urchick said. “Some workers literally climb mountains to vaccinate children in remote locations, and their determination never wavers.”

The livestream event was part of a two-day Rotary zone institute. RI Director Patrick Eakes, who convened the institute, said Pittsburgh was a perfect location because it’s where Dr. Jonas Salk developed the vaccine. “We realized we were in a unique position,” said Eakes, a member of the Rotary Club of Crescent (Greensboro), North Carolina, USA.

Dr. Peter L. Salk, president of the Jonas Salk Legacy Foundation in La Jolla, California, and a part-time professor at the University of Pittsburgh School of Public Health, talked about what drove his father to develop the first inactive polio vaccine.

## **Walking the Avenues**

**PP Jun C. Zafra**

*Continuation 2.*

“He just never let go,” Salk recalled. “It was his personality to have a dream and get things done.”

Salk said his father wanted to make a difference in the world from a young age and became interested in science. After working in the U.S. state of Michigan on an influenza vaccine, he came to Pittsburgh in 1947 to work at the virus research lab and received a grant for polio research from the National Foundation for Infantile Paralysis. That led to his work developing the inactive polio vaccine.

Other presenters at the livestream event included 2016-17 RI President John Germ. Several members of Rotary’s eradication effort also sent video messages.

In a video shown at the event that was originally recorded for the 2023 Rotary International Convention, Gates Foundation co-founder Bill Gates lauded the commitment toward eradication. “When polio is eradicated, it will be one of the biggest advances in public health in human history,” said Gates. The Gates Foundation, a partner in the GPEI, matches up to US\$50 million that Rotary raises each year at a 2-to-1 ratio, which means up to US\$150 million for the effort each year.

Salk, too, said he was honored to be in a room full of Rotary members who have a passion for solving tough problems.

“Every time I get together with Rotarians,” he said, “I am just uplifted by the quality of humanity that you all radiate and the dedication you put in all the different realms helping the world become a better place.”
