Invocation

We come before you ever loving Father with humility grateful for your blessings that we enjoy everyday. As we gather today in fellowship, send us your spirit of wisdom to inspire our thoughts and discussion. Strengthened by the spirit of community service, may we be united always to achieve our shared aspiration for a better society. All these we ask of you through Christ our Lord. Amen

From: Rtn. Fr. Jojo Opinio

THE FOUR-WAY TEST

of the things we think, say or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- First :** The development of acquaintance as an opportunity for Service;
- Second :** High Ethical standards in business and professions; the Recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- Third :** The application of the ideal of service in each Rotarian's personal, business and community life;
- Fourth :** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Song of the Day

IT'S THE 4-WAY TEST

(Tune: It's The Real Thing)

We'd like to help Pilipinos live
In perfect harmony
We'd like to help Pilipinos grow
As honest as can be.

The 4-Way Test is what we offer
To guide their way through life
It teaches them to tell the truth
And not to tell a lie.

Refrain:

It's the 4-Way Test
It's Rotary's way
We're all proud to say
It's the 4-Way Test

We'd like to help Philippines grow
In the most beneficial ways
And bring Pilipinos all together
In harmony and peace.

The 4-Way Test is what we offer
To bind them all as one.
They'll cherish truth as their ideal
Put lying out of mind

(Repeat Refrain)

(Adaptation from It's The Real Thing for Rotary by HOF/PP Peter)

From the President

Pres. Bernard Dy

Dear Fellow Pasig Rotarians,

“A warm welcome is the universal language of kindness.”

Today, as we host this joint meeting, let us embody that spirit of unity and camaraderie by extending a heartfelt welcome to the 12 other Pasig clubs in our Zone 6 family.

During this zone meeting, it is an opportune time to acknowledge our perpetual secretary, **Senior Assistant Governor PP John Javier** for leading Zone 6 with excellence. His dedication and vision are a source of pride for us all, and we look forward to seeing him ascend as our future governor.

Amidst the political challenges our nation faces, it is both timely and inspiring to have **Undersecretary Nicky Ty**, a distinguished Pasig Rotarian and key leader at the Department of Justice, as our speaker today. Let us listen to his insights with open minds and seize this opportunity to learn from his vast experience.

Looking ahead, please mark your calendars for next week’s meeting, where we will elect our **new officers and directors for RY 2025-2026** under the leadership of President Elect Roy Quejada. Time indeed flies—we are already halfway through our term, and the progress we have achieved together is truly remarkable.

Right after next week’s meeting, I encourage everyone to join us at the **Pamantasan ng Lungsod ng Pasig** for the **stipend distribution to our college scholars**. Your presence is more

From the President

than a gesture; it is an inspiration to these young minds as they strive to fulfill their aspirations.

Finally, I would like to extend a heartfelt thanks to **PP Ramy, PP Celso, PP John, PP Garrick, PP RJ, and Dir Roland** for representing our club during the induction of the Rotary Club of Downtown Batangas City. Your commitment to Rotary's ideals shines brightly and serves as an example to us all.

Let us continue to welcome opportunities to connect, serve, and celebrate the Rotary spirit. I look forward to seeing you in our December activities, where we will share our time, talent, and treasures with our communities.

Yours in Rotary,

Bernard

Rotary Notes

PP Benny P. De Guzman

It is a zone meeting and we have our very own Rtn Nicky Ty as guest speaker. It will be an early evening meeting and attendance will suffer once again if the Pangkat leaders will not do their needed textings. The topic is so relevant that attendance is important for all members of our zone and beyond.

True to his job in his university, IPP Adolf visied Isabela and was impressed with their local Rotary club with all their facilities. It may be a worthwhile project now that we are in a zone meeting to start a better Rotary park for Pasig and have our own meeting site and the challenge of the previous speaker to have a Pasig River park. Tall order? But highly doable. Major rooms may have willing donors from any member of the zone. For their company or in the name of family or any honoree.

The Governor's visit saw 25 members of our club in attendance and 2 via zoom. The irreverence of our club showed very well. Is the Pangkat only for assignments in weekly programs and for the community singing?

The calamity fund for disasters in other areas. While the funds are available, the President and Board can assist local needs. The urgent needs after the fire in Pasig with the plea of Dir Roland should have been immediately resolved. May funds naman and willing members can easily replenish.

This weekend is the grand day of PRID Raffy's lady, Minda. But the pair will not be here as they are international Rotary figures already.

Rotary Notes

PP Benny P. De Guzman

Continuation 1.

In the local scene, the big high end van of the Garcias PP Ramy volunteered to be used to attend the induction of our sister club, the Rotary Club of Downtown Batangas. Those who attended were PP Ramy, Sec/PP John, PP Celso, PP RJ, PP Garrick and Dir Roland. I am sure there is no pronounced protocol for spouses of members to be endorsed by our present and past leaders. But there is something worthy for the spouse of our very own super active Dir Roy. His spouse, Heidi is a pride to be endorsed for the Senate seat she is seeking. High in credentials and achievements, both in the local and international circuit she was exposed in, she did all assigned tasks with remarkable grace that electing her to the Senate is a task we all must give our darn best. Can PRID Raffy help? Will it be proper to use our connection with other districts for the same endorsements? If Willie Revillamen and Philip Salvador will bet more voters than Heide malayo talaga ang chances of getting better people to our Senate.

How is last week's birthday boy doing in his attempt to join the City Council? Bokap Richie has yet to lose an election and his goal to reach the City Council is an opportunity for us to endorse. Isn't this zone meeting a nice chance? We have a member seeking reelection. A son of a former member doing well in the present Council, the nephew of PP Peter and PPA Celia, Eric Gonzales is seeking reelection. Election itch is in everyone of us and any help can surely go a long way. Let's consider sure reelectionist members Cong Roman, Mayor Vico and VM Dudut. Let us show our support this time. United ang Pasig Rotarians for our guys!

Rotary projects around the globe November 2024

Guatemala

The Rotary Club of Guatemala La Reforma's Upcycling Art Festival featured whimsical sculptures and paintings created with cast-off materials such as paper and cardboard, wood scraps, glass, plastics, metal, rubber, and electronic waste. Like many countries, Guatemala struggles with solid waste management, notes Esther Brol, a past club president who pioneered the event in 2023. "Pushing artists out of their comfort zone by challenging them to create works of art from waste has generated wonderful results," including raising funds for club projects and The Rotary Foundation, she says. The club partnered with the Rotaract Club of Guatemala La Reforma and the Rotary Club of Los Altos Quetzaltenango to organize the three-week exposition and sale that concluded 5 June.

Canada

The annual Concert to Feed the Need has raised nearly \$90,000 since 2018 to offer meals in the Durham region in Ontario, through a network of food banks, meal and snack programs, shelters, and other social service providers. Feed Ontario reports an increase of 47 percent in the number of employed people using food banks since 2018. "With the rising cost of food and the impact of the pandemic still being felt, food bank use is soaring," says Joe Solway, a member of the Rotary Club of Bowmanville, which initiated the event. Members of six other Rotary clubs also sell sponsorships and tickets and promote the

show, an eclectic mix of pop, folk, country, rock, blues, gospel, “and maybe this year some opera,” Solway says. Media attention surrounding the concert and its acclaimed performers helped it yield nearly \$23,000 in 2023. The 2024 event will take place on 8 December.

Bulgaria

In 2007, the Rotary Club of Sofia-Balkan teamed up with the Bulgarian Basketball Federation and the National Sports Academy to form a basketball club for wheelchair users, and the project has kept growing. Over the years, the club has lured coaches from the European Wheelchair Basketball Federation to offer a player clinic, cultivated referee skills, and established a Rotary Community Corps to help. On 13 February, in conjunction with a Rotary zone event, the Bulgarian team faced off against a Serbian team for a friendly match. RI’s president at the time, Gordon McInally, sounded the starting whistle and tossed the ball into play. The club’s signature project is a point of pride for Rotarians, says Past Club President Krasimir Veselinov, and several organizations that advocate for people with disabilities have signed on to support the venture.

Kenya

Recognizing the importance of sleep to child development, the Rotary Club of Nairobi delivered bed kits for 8,000 school children in 2024, a milestone in a long-running project. Over the past 16 years, the club has partnered with Toronto-based charity Sleeping Children Around the World to supply bed kits to a total of 80,000 children at a cost of about \$4 million, says club member Mumbi King. Each kit includes a mat or mattress,

bedding, and mosquito netting, along with school supplies and clothing. The kits have an outsize influence on children's lives, since better sleep improves health and school performance, King says. Twenty Nairobi Rotarians mobilized for the five-day delivery mission in February, serving the town of Naro Moru at the base of Mount Kenya and other villages, including in the Maasai Mara region. "The heat couldn't keep the team from visiting the villages and interacting with the families," says King.

Ethiopia

With the wind at their backs, members of the Rotary Fellowship of Kites and its founder, Henock Alemayehu, gathered for a day of kite making and flying with 250 children, many of them displaced by conflict among the more than 80 ethnic groups in Ethiopia. The children and volunteers converged on the grounds of an elementary school in Quiha, in the northern Tigray region, for the Ashengoda Kite Festival on 9 June. "The simplicity of this activity carried profound significance, offering a rare moment of peace and joy for these children," says Alemayehu, a member of the Rotary Club of Addis Ababa Central-Mella. The kite fellowship, which has more than 100 members from 12 countries, is "creating lasting change through the simple yet powerful act of kite flying," says Alemayehu.
