Invocation

Heavenly Father,

We gather today in fellowship, united in our common purpose to serve humanity. As Rotarians, we seek to bring hope where there is despair, to uplift those who are burdened, and to promote peace and goodwill in all that we do.

Send forth the Spirit of wisdom to lead us with integrity, give us the strength to persevere through challenges, and the compassion to see the needs of others before our own. May our actions be guided by the principles of truth, fairness, and kindness, and may our work together inspire positive change in our communities and beyond.

Bless this meeting, bless each member present, and bless our efforts to make a lasting difference in the world.

Grant our prayers through Jesus Christ our Lord. Amen.

From: Rtn. Fr. Jojo Opinio

THE FOUR-WAY TEST

of the things we think, say or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- First :** The development of acquaintance as an opportunity for Service;
- Second :** High Ethical standards in business and professions; the Recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- Third :** The application of the ideal of service in each Rotarian's personal, business and community life;
- Fourth :** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Song of the Day

NEVER ON MY ROTARY DAY

Oh you can meet me on a Monday,
A Monday, a Monday is very very good.
Oh, you can meet me on a Tuesday,
A Tuesday, a Tuesday in fact I wish you would.
Or you can meet me on a Wednesday, a Friday,
A Saturday and Sunday is the best
But never, never on a Thursday, a Thursday
A Thursday 'cause that's my Rotary day

Refrain:

Most any day, you can be my guest,
Any day you say but my Rotary day.
Just name the day that you like the best,
Only stay away on my Rotary day.

Oh you can meet me on a cool day,
A hot day, a wet day, whichever one you choose
Or try to meet me on a gray day,
A May day, a pay day, and see if I'll refuse.
And if you make it on a bleak day,
A freak day, a week day, then you can be my guest.
But never on a Thursday, a Thursday,
A Thursday 'cause that's my Rotary day.

(Repeat Refrain)

From the President

Pres. Bernard Dy

Dear fellow Pasig Rotarians,

As we begin Rotary's Basic Education and Literacy Month, I'd like to open with a powerful reminder from Mother Teresa:

"Not all of us can do great things. But we can do small things with great love."

This message perfectly embodies our mission, particularly in the field of education. Nearly two years ago, under the leadership of PP Bong Paloma, we heard from three separate speakers who highlighted the alarming literacy challenges facing our youth. According to the World Health Organization, studies show a significant gap in literacy, especially among children in disadvantaged communities.

In response, RCP did what we do best — we took action. We partnered with the Read To Achieve Foundation, led by its founder Ms. Tisha Gonzales Cruz, to implement the Alapabasa Program to creatively empower young learners to read. In collaboration with DepEd Pasig, Alapabasa was introduced as a supplementary reading program for kindergarten students.

Our commitment didn't stop there. In March 2024, under the leadership of IPP Adolf, we trained 28 teachers from seven Pasig schools — Ilugin, Oranbo, Maybunga, Pineda, Sagad, Dr. Sixto, and Sto. Niño — to expand this impactful program.

Today, I'm proud to announce that we have not stopped. On September 30, we will be signing another Memorandum of

From the President

Agreement and turning over vital teacher materials. This is a timely step, aligned with Rotary's Basic Education and Literacy Month.

To each of you, I offer my heartfelt congratulations. You embody the spirit of Rotary and the "men of action" ethos. While the challenges in our education system are immense, we remain undaunted. By helping one teacher, one class, and one school at a time, we are making lasting and meaningful change. Every child who learns to read is one step closer to breaking the cycle of poverty — and we will continue to support them with great love.

Lastly, I urge you to rally behind our golf fundraiser for our scholarship and other programs. With only 21 days until the tournament, your support is crucial. Let's give it our all to ensure this event's success.

Let's keep moving forward, RCP!

Rotary Notes

PP Benny P. De Guzman

Tinig is happy to start a column with congratulatory messages for our members or their families who did well. First on the achievement list is the grandson of PP Tito and PPA Patsy for his graduating in the College of Medicine of Ateneo. To complement this, the guest of honor in the graduation was Rtn Mayor Vico, our very own. Ateneo honored him also for being a good product of their school. PRID/HOF Raffy was due out in a few days after his major gall bladder operation, a good five hours ordeal as he had platelets problems when he and Minda got married 58 years ago. Both were fresh college graduates from prestigious universities in the US when they tied the knot.

In another corner, HOF/PP Conrad had his successful anniversary of the fast surging Luxid major project of our club.

Director Gary is more like the director of the Weather Bureau when he issued the forecasts for the entire country. Where he gets his data that even the Weather Bureau is impressed. Moreover, his being able to package our all those needing OJT for the Rotaract members to graduate at the Pamantasan ng Lungsod ng Pasig is very commendable.

We have three members of our club who are very active in the ANIM movement. ANIM stands for Alyansa ng Nagkakaisang Mamayan. The goals are lofty and are truly badly needed at this precarious time of our nation's history. The six major players and proponents are Bishop Colin Bagafore, Capt. Yap, Gen. Aban, Mayor Magalong and Heidi Mendoza. Heidi, as many are aware, is the dedicated spouse of our Dir Roy. All the walks

of life are embodied in this ANIM, the religious, the military and all uniformed groups, civil organizations, business and professional groups, youth and women's sectors.

With their target of involving the citizenry in eliminating political dynasties and going to the grass roots of our nation, if this catches fire and it must, there is indeed a great hope for our country.

Highly respected in any sector he goes to, Rtn Alex is a good authority being invite4 all around the country and even abroad. His best selling book is a must read to make you feel that you are a Filipino and proud to be.

The major project of the Rotary Club of Makati in our barangay with special invite to our members to join them for a sumptuous lunch at Valle Verde Country Club I saw late. I could have joined even earlier then PP Vic L. as I left the hospital suite of Raffy before noon yet that day.

Congratulations to the handful of us who joined our sister club in Balayan on their induction. PP Ner was pictured cozy in front of a huge whiskey bottle. Pang pose lang yan. PP Vic is asking about our sister club in the US. Good question but is the answer good as well?

When Pres. Dody was asking for golf sponsors for the 25th September tournament we will host, can we just pay P30,000 for our annual dues and the P6,000 extra to go to the club? Simple? Good?

Presidential message

Stephanie A. Urchick
President 2024-25
September 2024

The Magic of Rotary is belonging, and it's a feeling that can appear when you least expect it.

Earlier this year, I was in Slovakia serving as a president's representative during a six-week trip through Europe. When I wrote to Katarina Cechova, governor of District 2240 at the time, I mentioned that my grandmother Veronica Zilka grew up in a small village in the area before settling in the U.S.

It wasn't long before Cechova tracked down my grandmother's village, Jakubova Vol'a. She even organized a visit for me, where I received an unforgettable Slovakian welcome.

When I entered the community center of Jakubova Vol'a, a small crowd of people dressed in traditional Slovakian clothing greeted me. They sang with beautiful and powerful Central European voices that reminded me of my grandmother.

A lot of families play cards or games when they get together. When I was young, my father would pick up his accordion and lead my family in song. My grandmother would sing along with her impressive voice.

When I walked into the community center and heard traditional

music from my childhood — when I saw a woman play the accordion the way my dad played — I suddenly felt like a little girl sitting at my grandmother's house in Monessen, Pennsylvania. I burst into tears of joy at the memories.

But the magic didn't stop there. District Governor Cechova really outdid herself. A local genealogist worked with a videographer to make a short film about my grandmother. We watched the video together in the community center.

When the video ended, I turned around and saw a man standing in the back of the room. I quickly learned that this stranger, Frantisek Zilka, was my second cousin. His grandmother and mine had been sisters. I felt like I had been struck by lightning.

I visited my newfound cousin's home, which happens to be the home where my grandmother was born. There, he shared old photographs I had never seen of my dad, my uncle, and my grandmother.

Since then, I can't stop thinking about my family of Rotary. When I refer to you as my family, I'm not just being kind. I really think of everyone in Rotary as my family. But I never would have imagined that my Rotary family would introduce me to long-lost personal family.

Sitting in that community center listening to traditional Slovakian music from my childhood filled me with joy and a profound sense of belonging. I am so grateful to District

Governor Cechova and everyone who helped create that magical experience.

As members of Rotary, we have a unique opportunity to share the same magic with each other and with the world. I encourage you to consider how you can help spread that magic and ensure other members of your club — other members of our Rotary family — feel like they truly belong.
