# Song of the Day

## IT'S THE 4-WAY TEST

*(Tune: It's The Real Thing)*

We'd like to help Pasiguenos live  
In perfect harmony  
We'd like to help Pasiguenos grow  
As honest as can be.

The 4-Way Test is what we offer  
To guide their way through life.  
It teaches them to tell the truth  
And put lying out of mind.

### ***Refrain:***

It's The 4-Way Test  
It's Rotary's way  
We're all proud to say  
It's The 4-Way Test.

We'd like to help Pasig City grow  
In the most beneficial ways  
And bring Pasiguenos all together  
In harmony and peace.

The 4-Way Test is what we offer  
To bind them all as one.  
They'll cherish love as their ideal  
Put hatred out of mind.

## **From the President**

**Pres. Bernard Dy**

Good day, fellow Pasig Rotarians.

It is a proud moment for the Rotary Club of Pasig to host the first joint Zone 6 club meeting of the year. As the mother club of Pasig, we are deeply honored to welcome the other clubs in our zone for this special occasion, fostering unity and fellowship.

We are especially fortunate to have Justice Antonio Carpio as our esteemed guest speaker today, with Dean Heidi Mendoza graciously introducing him. Their presence greatly enhances this gathering and reinforces our shared pursuit of truth, guided by the principles of Rotary's 4-Way Test.

While each of our clubs has achieved much on its own, today is a reminder of the tremendous impact we can create when we come together. As Pasig Rotarians, this meeting is not just about what we can accomplish as a zone, but how together we can lead by example and inspire others through our collective efforts.

Let this gathering strengthen our resolve to collaborate and work toward even greater goals for our community and beyond. Together, we can make a more meaningful difference, not just for Pasig, but for everyone we serve.

# From the President

**Pres. Bernard Dy**

***Continuation 1.***

As we reflect on the significance of today's joint meeting, I am reminded of Henry Ford's words:

"Coming together is a beginning, staying together is progress, and working together is success."

Thank you, fellow Pasig Rotarians, for your unwavering commitment and dedication. Let's continue to move forward with a spirit of collaboration, unity and purpose.

## Rotary Notes

**PP Benny P. De Guzman**

New rush deadline for making this column sent pressing signals as I had a whole day meeting of my college class in San Mateo and the deadline I sent to boss HOF/PP Peter of 5 pm Saturday was not met. Anyway, I am rushing a rushed one whether it will be good or not for acceptance.

To make up, before typing, I asked PP Totoy if I can pass for him to join us in tonight's meeting He is our oldest member and he agreed. It will also be a few days before his 98th birthday. In between the phone rang but since the phone was not going well, I was not able to answer his call. Here goes anyways.

There were some exchanges of texts about who said, "sa ikauunlad ng bayan, bisikleta ang kailangan". Whether it was Pepe Pimentel or Ariel Ureta. The real answer was Ariel. It brings back to fore the several newsy items of Martial Law. I joined our Rotary Club under the 2nd president, the late Teddy Yabut. When martial law was declared during his term, he was coordinating the PR functions of Malacanang for the brother-in-law of then Sec. Kit Tatad. I was tasked to be the model of Bagong Lipunan's "Sa Ikauunlad Ng Bayan, Disiplina Ang Kailangan". My picture was in all the papers Before opening and at closing of TV programs my video was shown. In the movie houses for the opening of the movies and closing, my video was shown too. Results? I was not allowed to go in the Muslim controlled areas of Mindanao. When shown in movies, some were shouting at the screens. I was not given any honorarium nor even a free meal. But I had my shooting days in LVN Studio. Hindi lang pumasa sa screen test.

Next to PP Totoy, ever reliable CM/PP Peping is the oldest. He was commended by the guest speaker last week for being regular in attendance even if a wheel chair using guy. The other charter member with us, PP Arjan will not be entertaining us anymore with his jokes. Sabi ba naman sa akin,"ayoko nang mag-Otherwise ss club natin, they just make fun of what I tell them".I laughed because he usually laughs at his joke ahead naman. To make him feel I liked his jokes, I laugh right away.

It was pleasant to see PRID Raffy last week. After his major operation, he was mixing it out with us. He was always with a bottle of high end whiskey. But last week, iin his rush to get out of his limo, he dropped the bottle. Hirap yung waiter ng VVCC to clean the mess as he wanted to save some drops yet.

Balut King Rtn Albert, almost always a no show in our meetings was fined for his winning a major golf trophy during the first district golf tournament. His secret? Increase your handicap and improve your chances to get the trophy. Don't bother about the fine. No Class and walang trophy dito.

Friday the 13th birthday boy, super Rotarian Dante had his huge birthday cake when the meeting was already over.Ten pala after a good number left had their fellowship. Ube ang cake and dozens of San Miguel beer, Cheers pa din!

## **Rotary projects around the globe September 2024**

### **Canada**

About 200 college students, faculty, and community members took turns swinging baseball bats at junkyard vehicles during a Car Smash for Charity event organized by the Rotaract Club of Vancouver-University of British Columbia. The fundraiser, held each of the past three years before final exams, “offers people a fun way to relieve stress or test their own strength, while supporting a wonderful cause,” says Sara Lee, a past co-president of the club. The event, held on the campus quad in April, raised more than \$2,200 Canadian for education-related endeavors. A scrap car company delivered a Volkswagen and a Chevrolet and collected the remnants afterward for recycling. “Our team is continually amazed at the response the event receives,” Lee says.

### **United States**

The Rotary Club of Patchogue in New York has raised more than \$138,000 over the past dozen years by feting civic and business leaders in rollicking style. The most recent soiree, held in March to roughly coincide with St. Patrick’s Day, attracted nearly 250 guests. Attendees paid \$125 each for food and drinks and to listen to friends and relatives roast local celebrities. “There were some slightly embarrassing stories of their childhood and baby pictures,” says Paul Moran, a club member and organizer. A band featuring Moran and other Rotarians

performed cover tunes to help lead the merriment. More than \$17,000 was donated to the Patchogue Community Service Foundation, principally for youth services, including Camp Pa-Qua-Tuck, a residential program for people with disabilities that is operated by Rotary District 7255.

## **England**

Christopher Hill was diagnosed with a heart condition at age 38. A past president of the Rotary Club of Bolton Lever in Greater Manchester, he has since become an advocate for automated external defibrillators. In 2022, Hill's club joined five other Bolton-area Rotary clubs to purchase a nearly \$1,900 defibrillator for the Bolton Steam Museum. "When you are out there in the countryside, you can be miles and even hours from one," but when needed, Hill says, "it is needed in minutes." Hill takes to area trails as leader of a walking group, prompting the Bolton Lever club to acquire a portable, single-use defibrillator that Hill carries on the treks. All 33 club members have attended training sessions and refresher courses on how to operate the machines.

## **Italy**

Brushes and rollers in hand, members of the Rotary Club of Torino Lagrange converged on a youth center to supply a fresh coat of paint. The club members spent a weekend in April and about \$1,500 sprucing up the facility, which offers counseling services and a gathering place for people ages 14 to 28. "The aim is to help young people overcome difficult moments and face changes in a welcoming, confidential, and judgement-free

environment,” says club member Raffaele Battaglini. The club partnered with students at an arts high school who made paintings for the center.

### **India**

The Rotary Club of Bombay Seacoast staged a concert and high tea reception in May for about 150 veterans injured on duty and their families. Club members tapped their connections with local celebrities, among them the emcee, Neeta Mirchandani, the wife of club member and singer Vijay Mirchandani. “The jawans (soldiers) participated with full joy and excitement as several kept dancing and clapping to the music, with the families of many joining in toward the end,” says Sampath Iyengar, a past club president. “Some of the jawans seated on chairs or in wheelchairs participated as a mark of solidarity, their chairs lifted by their fellow jawans who still had strength in their arms, love in their hearts, and deep empathy for their fellow ex-soldiers without limbs.”

This story originally appeared in the September 2024 issue of Rotary magazine.
