Happy New 2025, my fellow Pasig Rotarians!

As we turn the page to 2025, we also mark the halfway point of our Magic of Rotary year. Looking back at the past six months, I am filled with gratitude and pride for all that we have accomplished together.

Our shared efforts have brought remarkable results: we've supported nearly 100 scholars from Rizal High School and Pamantasan ng Lungsod ng Pasig, strengthened our community presence in Ilugin and the GK Village, and responded swiftly to disasters with generosity and compassion. Together, we replenished our calamity fund to ensure we are always ready to help those in need.

We also celebrated milestones like the successful rehabilitation of the Canley marker, a testament to the dedication of Dir. Tet Mallare, and participated in the strategic planning of Luxid-RCP Microfinance Cooperative, positioning it for even greater impact. These accomplishments exemplify the passion and commitment each of you brings to our club.

Now, as we look ahead, we are gearing up for an exciting second half of the Rotary year. The highlight will be our **54th Anniversary Celebration**, where we will shift the spotlight to the most important VIPs in the club—you, our members. PP Jun Zafra is leading the charge to make this a celebration to remember, as we also welcome our sister club, RC Hong Kong Sunrise, to join in the festivities.

From the President

Pres. Bernard Dy

Continuation 1.

Another key event is the launch of the **PAPUGAY PNP Awards**, headed by PE Roy Quejada. This initiative honors our partnership with law enforcement and celebrates the shared values of integrity and service.

Our community projects continue, with upcoming initiatives for our scholars and a renewed focus on our GK adopted community. We are set to embark not only on the much-needed roof repairs but also values formation activities. We are exploring collaboration with Live Christ, Share Christ of the Couples for Christ Community for the latter.

As we step into this new year, let's carry forward the spirit of fellowship and service that defines us as Rotarians. The second half of our Magic of Rotary year promises to be just as meaningful and impactful as the first, and I am confident that together, we will achieve even greater things.

Thank you for your unwavering commitment to "Service Above Self." Here's to a 2025 filled with purpose, passion, and progress!

Yours in Rotary,

Bernardo Dy

Rotary Notes

PP Benny P. De Guzman

When are we (Filipinos) going to put an end to this?

THE BLIND LEADING THE LOST: A NATION BETRAYED

"He who accepts evil without protesting against it is really cooperating with it."

– Martin Luther King, Jr.

The halls of Congress and the Senate reek of betrayal. This is no longer just a circus—it is a grand heist, a vicious mockery of the Filipino people's sacrifices. While we break our backs, bleed, and sacrifice for this nation, our so-called leaders are busy looting not just our wealth but our very dignity. Their spectacle of greed and indifference has condemned 119 million Filipinos to despair. They are no leaders—they are traitors. Blind to the needs of the nation, leading us to a chasm of hopelessness.

A RUTHLESS BETRAYAL

Let us not mince words—this is treason. When Congress butchered billions from education, they didn't just adjust a spreadsheet. They tore futures from the hands of Filipino children. They shattered the dreams of students who saw education as their only escape from the clutches of poverty. They sabotaged a nation's chance to rise, condemning generations to mediocrity and despair.

Article XIV of our Constitution mandates that education receive the highest budgetary priority. Yet these cowards violated the law with impunity. They robbed the classrooms, burned the

Continuation 1.

books, and locked the gates of learning. Our dismal global ranking in Math, Science, and Reading is no accident. It is a crime. It is murder—the murder of our children’s potential.

HEALTHCARE: THE FIRST CASUALTY

Zero funding for PhilHealth in 2025 is not just negligence—it’s malice. It’s as if Congress has declared war on the poor. How many parents will have to bury their children because they couldn’t afford a doctor? How many breadwinners will be crippled by illness, left to rot because our healthcare system has been gutted?

PhilHealth is not a "reserve fund" for their thieving hands to dip into. It is the lifeblood of millions of Filipinos who cling to it in their most desperate hours. The Universal Health Care Act clearly mandates sin taxes to support PhilHealth. They violated that too. What do they call this? Mismanagement? No, this is state-sanctioned cruelty.

THE FARCE OF AKAP

And now, the "Ayuda sa Kapos ang Kita Program" (AKAP) comes along—a shameless election bribe dressed as charity. P26 billion stolen from education and healthcare, disguised as aid, but in reality, it’s ammunition for the corrupt to cement their power. They will toss these scraps to the people during election season while millions of Filipinos starve, bleed, and suffer.

Do they think we are blind? Do they think we cannot see this brazen, cynical ploy for what it is? Every peso wasted on

Rotary Notes

PP Benny P. De Guzman

Continuation 2.

AKAP is another peso stolen from classrooms, hospitals, and roads. It's another dagger in the back of the Filipino people.

OUR SILENCE MAKES US COMPLICIT

But perhaps the greatest betrayal is our own. Our silence feeds their arrogance. Why are we not in the streets? Why do we allow these thieves to gut our nation while we watch from the sidelines? Is it fear? Apathy? Exhaustion? Whatever the reason, our passivity emboldens them. Every moment of silence is a betrayal of the nation we claim to love.

Even our Supreme Court, the supposed guardian of justice, stands paralyzed—too terrified of congressional wrath to do their duty. Where is the justice for the oppressed when even the judiciary cowers? When justice is silent, tyranny thrives.

ENOUGH IS ENOUGH

This is no longer about politics—it's about survival. They are dismantling our nation, brick by brick, peso by stolen peso. And unless we fight back, they will leave nothing behind but ashes and despair.

But there is hope. We, the people, are the true power of this nation. We can end this betrayal. We can demand accountability. We can take back what is rightfully ours—a government that serves, not plunders.

THE TIME TO FIGHT IS NOW

If we remain silent, we deserve the ruin that follows. But if we

Rotary Notes

PP Benny P. De Guzman

Continuation 3.

rise—if we unite and act—we can reclaim this nation from the thieves and traitors who have hijacked it. Let our anger be our fuel. Let our indignation spark a revolution of accountability.

The question is not if we can fight back. The question is, will we fight back before it's too late?

For every peso stolen, for every dream crushed, for every life lost—we must demand justice.

This betrayal must end. This theft must end. This silence must end. The time to act is now.

Walking the Avenues

PP Jun C. Zafra

PRESIDENTIAL MESSAGE

Stephanie A. Urchick
President 2024-25
January 2025

I always walk into meetings at my home club of McMurray, Pennsylvania, with a smile on my face.

A few years ago, someone arrived late. Instead of scolding the person, we cheered. Since then, we've made it a tradition to applaud all members when they arrive for meetings. It's tough not to smile with a greeting like that.

There's nothing more powerful for engaging and retaining members than a club that's vibrant, welcoming, and — yes — fun.

Think back to what drew you to Rotary. Chances are, it wasn't just the service projects or professional networking. It was the people — the friendships, the shared laughter, and the joy of working toward a common purpose. That's what keeps us coming back.

If you're looking for that sense of joy in your meetings, don't be afraid to ask yourself and your fellow members some tough questions. If you were a prospective member, would you join your current club? It's a powerful question but don't stop there. Do members of your club feel that they belong? Are your meetings fun? If not, what can you do about it together?

Walking the Avenues

PP Jun C. Zafra

Continuation 1.

At your next meeting or event, try something new to bring out a few extra smiles. It's the simple things that create lasting bonds and make clubs simply irresistible.

Here's one example of a club moving in the right direction. The Rotary Club of Fukushima, Japan, has been combining environmental responsibility with community fun since 2021. In Japan, people have made picking up trash into a sport known as SpoGomi, and every year the club hosts a game. This year, more than 400 participants cheered each other on while they came together to improve their community.

This event is an excellent example of how Rotary clubs can have fun, make a difference, and raise awareness for broader global challenges all at the same time. And the inclusive, family-friendly format allows people of all ages to participate.

When we enjoy what we do, that energy becomes contagious. It's what attracts new members and keeps our clubs strong and engaged. It helps people feel that they belong.

Retention and culture go hand in hand. The healthier our club culture, the more likely members are to stay. Rotary magazine is an outstanding resource for inspiration on how to enhance our club culture and deepen member engagement. I encourage you to explore the stories and strategies in these pages, drawing from other clubs' successes to find ideas that work for you.

Together, we can create a more engaged, enjoyable, and inclusive Rotary that every member can feel proud to be part of. Let's continue with renewed commitment and enthusiasm, living The Magic of Rotary.

Hope Is What We Can Hold On To

“May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit (Rom. 15:13).”

Last January 1 we celebrated New Year’s Day. After a noisy evening of fireworks, trumpets and parties that greeted the first day of the year 2025, some or most of us might be reflecting or pondering with these similar thoughts: what’s is there to look forward in 2025? Can there be something new this year despite the prevailing problems and issues that cripple our country?

To the atheist, agnostic, or simple the spiritually indifferent, this year hopeless and meaningless. But to those who believe in God (or whatever divine name other religions call their Absolute Being), hope is what we can hold on to. For if we truly believe that God will always be at our side no matter what happens, then we have nothing to fear. If we trust truly God, then no need for us to worry this year for He will indeed grant us the grace we need to face with fortitude all the problems this year will throw at us. Then and only then can we truly experience peace and joy which this world or any human machination can give us.

Thus, may our Good Lord truly bless us with His Grace so we can truly hope for this year, for God is really Our Hope.
