Invocation

Heavenly Father, we praise and thank you for all the blessings we have received from You. As we celebrate our 54th Anniversary, we thank you for all the graces we received from You and shared with others, for the gift of friendship and trust we built with one another, and the opportunity to serve the needy in our society selflessly and thus highlighting our motto, “service above self”. This we ask through Christ our Lord.

Amen.

THE FOUR-WAY TEST

of the things we think, say or do:

4. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- First :** The development of acquaintance as an opportunity for Service;
- Second :** High Ethical standards in business and professions; the Recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- Third :** The application of the ideal of service in each Rotarian's personal, business and community life;
- Fourth :** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

From the President

Pres. Bernard Dy

Dear fellow Rotarians, spouses, and guests,

Tonight, we celebrate 54 incredible years of the Rotary Club of Pasig—not just as a milestone, but as a testament to what service, unity, and commitment can achieve. More than a celebration, this is a thanksgiving for every dedicated member, past and present, who has built this legacy with their time, talent, and treasure. Our collective efforts have made RCP a beacon of hope and ever more relevant community today.

The format of our celebration has been thoughtfully designed to focus on what truly matters—celebrating fellowship and friendship, recognizing accomplishments, thanksgiving for blessings while leaving behind the unnecessary pomp. With more entertainment and less formality, we are reminded of the joy and simplicity in connecting with each other. Our heartfelt thanks go to Mr. Jonathan Badon and Past President Violinist Jamer Yapchulay for sharing their time and talents to make this celebration even more special.

But tonight is also a call to action. As we honor 54 years of service, let us challenge ourselves, the present members, to ensure this legacy continues for another 54 years and beyond. Let us look beyond tradition, ceremony, recognition and awards; rather let us focus on the lives we touch—the children whose dreams grow bigger, the families whose futures are brighter, the sick who are now filled with hope, and the communities transformed because they encountered RCP.

To our spouses and partners, thank you for your steadfast

From the President

support and for being part of our extended Rotary family. And to each member of the Rotary Club of Pasig, congratulations on our 54th anniversary. Together, let us continue to build a future filled with purpose, hope, and meaning.

Mabuhay ang Rotary Club of Pasig! Cheers to unity, service, and fellowship!

Rotary Notes

PP Benny P. De Guzman

Today is our 54th Charter Anniversary, a worthy preparation for our 55th next year. With membership close to 100, we have had more than 240 who were members. 21 Past Presidents have gone and more than 70 members. But our attendance now is a measly 35 in every Thursday noon meeting. But there are at least two RINOs in attendance who are active in major club projects who are sponsoring all the big costs like the annual Pagpupugay Sa Kabayahihan Ng Pasig Pulis.

In the roster of membership, we have had three cabinet members but only one of them was a past president. We had a member who died after being our city mayor. We had a senior associate justice of the Supreme Court and three cabinet undersecretaries. The incumbent lone congressman is from our club and the city mayor, vice mayor and a councillor are club members,

In Rotary's international affairs, we have a Past RI Director who is also a member of the Arch Klumph Society together with his son and son-in-law, both past presidents of our club. In district affairs, I was twice a Group Representative of the Group Study Exchange, one in Wisconsin & Michigan USA with my spouse Pura as required then if members of the team are all ladies. The other team I led was in London, England. I was also sent as Country Representative to Sydney, Australia for the Probus meeting and then when PRID Raffy was district governor, he made me chair of the Probus Committee.

Rotary Notes

PP Benny P. De Guzman

Continuation 1.

In the recent election for district governor, our club with 4 votes voted for PP Jerry Ang of RC Valenzuela Sunrise, our daughter club.

As a support for the stand of former Supreme Court Justice Antonio Carpio, I had it in my column last week. I take a stand on national issues. I am also supporting the Indignation Rally he is leading with many priests at the Edas Shrine this 31st January from 3 to 7 pm.

As a faithful follower of my Tinig boss, PP Peter, I have written why I will be always a Pasig Rotarian in Why I Continue To Be A Pasig Rotarian.

Unforgettable evenings in Calgary

Get your cowboy hat. Your Rotary pals in friendly Canada are excited to welcome you to signature convention events, including dinner in their homes, a country music jamboree, and boot-stompin' celebrations of the Western culture in Calgary.

"We're a big small-town city, and so the hospitality we have, the ticketed events, the experiences — they will be fantastic," says Mark Starratt, co-chair of the Host Organization Committee for the Rotary International Convention 21-25 June. Buy tickets at rotarycalgary2025.org.

Grandstand Spectacular, 21 June

This night of showmanship includes Indigenous hoop dancing, toe-tapping music, and horseback relay races.

Rockin' the Big Tent, 22 June

Country music fans and people who want to sample Calgary's Western charm will enjoy the honky-tonk beats and twangy guitars. The concert is billed as the night "Rotary rocks the roadhouse" in the Nashville North tent.

New Blood with the Calgary Civic Symphony, 22 June

The dance show features Peter Gabriel's music and explores Blackfoot traditions through the story of a man who survived a government residential school for Indigenous children.

For this convention favorite, members invite Rotary visitors to their dinner tables, restaurants, or other venues to “break bread and share in fellowship,” Starratt says.

Western Ranch Showcase, 24 June

You may notice you’re holding your breath from excitement when you watch bronc riding of the “wildest, orneriest, out-of-line” horses. The organizers advise, “Pull down that hat brim and hold on tight.”

"Why I Continue To Be A Pasig Rotarian"

From PP Benny de Guzman

I joined the club at age 36 during the time of the late PP Teddy Yabut. When martial law as declared, PP Teddy took me to be the lead endorser of Ang Bagong Lipunan when the brother-in-law of the press secretary, a batchmate of his in a major fraternity was looking for a good candidate. I was in every print, on TV and at the very start and closing of a movie. My picture was in all consulates and embassies. My former counterpart in Mindanao where I excelled in my working career told me never to go to Cotabato and Sulu as in all movie houses, when my picture is shown, citizens were shooting at the screen.

So with all the excitement that followed and the nice fellowship in my 53 years in our club, I will always cherish being a member. And being the 14th club president, you enjoy every chance of fellowship.

From PP Vic Aquino

Stuck in traffic on a Thursday morning on my way to our Rotary meeting, I asked myself, Why do I keep doing this?"

Every end of the year for the past 36 years without missing a year, I've brought home a plaque for Perfect Attendance and my spouse, Lee, would tease me, "So, you have another addition to your dust collectors!"

"Why I Continue To Be A Pasig Rotarian"

Continuation 1.

Those relics remind of the years I have spent and enjoyed being a Pasig Rotarian. Meeting and getting associated with all types of individuals and professionals, wise or otherwise, young or old, sharing experiences and expertise and common interests. But more important, being able to share whatever blessings I've had with those in need. And the smiles and never ending thank yous you get in return. Precious moments!

I don't think Lee would mind if I keep on adding to my Rotary museum as long as I feel I belong.

From Rtn. Dennis Albano

PP Alberto M. Albano was my sponsor when I joined the Rotary Club Of Pasig during the presidency of Val Chua. After a while, I became an in-active member.

Then, when PP Rel Gomez became the club president PP Bert strongly encouraged me to renew my membership. During PP Ner Laino's term, I was one of his directors.

On the RCP projects and other activities, I have committed myself to always take part and contribute in whatever capacity that I can and to the fullest of my abilities.

Congratulations Rotary Club of Pasig and the Noblemen on the occasion of our 54th anniversary!

"Why I Continue To Be A Pasig Rotarian"

Continuation 2.

From Rtn. Philip Yoon

Greetings from Korea! While I may be thousands of miles away, my thoughts and heart are with you all as we celebrate the remarkable 54th Anniversary of our club. I deeply regret not being able to join you but

I'm now in Korea for medical concerns.

Why I continue to be a Pasig Rotarian is a topic close to my heart. When I reflect on this question, the answer is both simple and profound: because my heart tells me so. Though my face and blood are undeniably Korean—or as my fellow Rotarians like to joke, “the North Korean sent by Kim Jung Un”—my heart has long been Filipino. The Philippines has been my home for longer than I lived in Korea, and it's the place where I've discovered the joy of service and the warmth of genuine friendships. Being a Pasig Rotarian allows me to give back to the community that has given me so much—a chance to serve, to learn, and to laugh with all of you.

Over the years, I've come to realize that being part of the club is not just about attending meetings or participating in projects. It's about living out our shared commitment to “Service Above Self”—whether that means building homes, feeding children, or simply lending a listening ear to a fellow member in need. Each project we undertake is a testament to the power of unity and compassion, and I am proud to stand alongside all of you, even from afar.

I often joke that the Philippines adopted me—not because I had

a choice, but because my heart never gave me an option. And so, as a “Korean by face but Filipino by heart,” I remain steadfast in my commitment to our Rotary family. Pasig Rotarians have shown me that true service transcends borders and cultures, and for that, I will always be grateful.

As you celebrate this milestone, know that I am raising a glass of soju here in Korea to toast all of you. Thank you for keeping the spirit of Rotary alive and for inspiring me to continue being part of this wonderful journey.

"Why Im Joined The Rotary Club of Pasig"

From Rtn. Dante Lardizabal

My Rotary Journey: From Anda Circle to Pasig

Seven years ago, I began my Rotary journey as a charter member of the Rotary Club of Anda Circle in Manila, invited by Ms. Gwen Pang of the Red Cross. Despite its promising start, the club eventually dissolved.

Years later, Rtn Anson introduced me to this club, where Rtn. Atty. Alex inspiring talk convinced me to join. This all men's club welcomed me warmly, with members like Jake, Bobba and then Pres. Garrick making me feel at home. Over time, I met more incredible Rotarians—Madz, Karl, Tet, Kap Richie, Rudy, Ping, Aris, the 2 Henrys and many others who embody the Pasig spirit: noble hearts, playful camaraderie, and shared purpose.

What sets Pasig apart is its influence and reputation in the community. I've been fortunate enough to invite notable speakers, and due to the club's strong standing, they couldn't decline our invitations. It's this reputation for upholding good governance and meaningful service that attracts leaders to join us in making a difference.

Pasig's informal yet purposeful meetings blend humor, fellowship, and service. With inspiring leaders like past presidents Bong, Adolf and now Pres. Dodie and incoming Pres. Roy continuing the legacy, I'm proud to be part of a club that truly lives by Service Above Self.

"Why Im Joined The Rotary Club of Pasig"

Continuation 1.

After four years, I can confidently say that Rotary isn't just about service—it's about building friendships, living with purpose, and creating lasting change.

Proud Pasig Rotarian – 4 years and counting!

From Rtn. Jimmy Gualberto

(Inducted November 2, 2023)

"I still vividly remember attending my first Rotary meeting at the age of 17. A friend's enthusiasm invited me to join the Rotaract Club of Pasig (District 3800), and I was inspired. Learning about Rotary Club of Pasig District 3800 International's mission, I knew I'd found my tribe.

The Pinatubo eruption relief efforts remain unforgettable. Our club and Rotaractor's provided crucial aid to affected communities, showcasing Rotary's transformative power.

Rotary Club of Pasig (District 3800) commitment to service, fellowship and diversity resonated deeply. I sought meaningful projects, leadership development and connections with like minded individuals. Through Rotary, I've participated in: -

- Literacy programs
- Health initiatives
- Community development projects

These experiences enriched my life, fostering purpose. Global connections opened doors for international collaborations and

friendships, providing valuable insights.

Joining Rotary ranks among my most rewarding decisions. If making a difference matters to you, explore Rotary International."

From Rtn. Bien Sibug
(Inducted January 19, 2023)

I've always been aware of Rotary's impact on society and felt drawn to be a part of such a noble group. The opportunity arose when my friends invited me to join, and it felt like the perfect timing. It's truly an honor and a delight to serve alongside my friends, knowing that our efforts, no matter how small, can make a positive difference in someone's life, this is why I chose the Rotary Club of Pasig. In the words of Mahatma Gandhi, "The best way to find yourself is to lose yourself in the service of others." I would like to thank PP Bong, SAG John, Dir Tet and Rtn Fr. Jojo for inviting me to join them to give service above self.

Cause for Celebration

*“ Rejoice in the Lord always. I will say it again:
Rejoice! (Phil. 4:4). ”*

We may still experience problems either personally or as a nation. But whatever it may be, we must never forget to find time celebrate with our loved ones or other people we are acquainted with. It's not because we ignore nor we numb ourselves from our current situations but simply because we have reasons to do so. Thus, we have every reason to celebrate our 54th Anniversary!

Indeed, we are celebrating our 54th Anniversary. As we are encourage to always rejoice in God by the Apostle Paul simply because we have God on our side, so must we celebrate. We celebrate as a Club not because we simply want to enjoy the night with food company but simply we have achieved so much in the past 53 years of our camaraderie and service to our community and our fellowmen. 54 years of service and unrelenting selfless reaching out to those in need is no joke. Thus we celebrate our victory in sharing ourselves despite the challenges we gapped with.

May this celebration be indeed renew our resolve to continue serving others above ourselves.
