Song of the Day

Just the Way You Are

By Billy Joel

Don't go changing to try and please me
You never let me down before, mm, mm-hm, mm-hmm
And don't imagine you're too familiar
And I don't see you anymore

[Chorus]

I would not leave you in times of trouble
We never could have come this far, mm, mm-hm, mm-hmm
I took the good times, I'll take the bad times
I take you just the way you are

[Verse 2]

Don't go trying some new fashion
Don't change the color of your hair, mm, mm-hm, mm-hmm
You always have my unspoken passion
Although I might not seem to care

[Chorus]

I don't want clever conversation
Never want to work that hard, mm, mm-hm, mm-hmm
I just want someone that I can talk to
I want you just the way you are

[Bridge]

Need to know that you will always be
The same old someone that I knew
Ah, what will it take 'til you believe in me
The way that I believe in you?

Song of the Day

Continuation 1.

[Chorus]

I said, "I love you," that's forever
And this, I promise from the heart, mm, mm-hm, mm-hmm
I couldn't love you any better
I love you just the way you are

[Chorus]

I don't want clever conversation
I never want to work that hard, mm, mm-hm, mm-hmm
I just want someone that I can talk to
I want you just the way you are, oh-oh

From the President

Pres. Bernard Dy

Dear fellow Rotarians,

Yesterday, we celebrated the start of the Lunar New Year – the year of the Snake. The snake is said to symbolize wisdom, resilience, and transformation. The snake isn't the loudest or the fastest, but it moves with purpose, adapts to challenges, and knows when to act. As Rotarians, we can learn from this mysterious creature.

Serving as your club president has been a journey of growth and learning. This week, I was reminded that being a good member of the Rotary Club of Pasig isn't just about showing up; it's about being thoughtful in how we serve, learning more, caring more, and standing up when it matters. This has always been RCP's way. We've built a culture of curiosity, action, and heart, and that's what keeps our club strong.

Today, we are honored to welcome our guest speaker, former Chief Justice Maria Lourdes Sereno. Her journey is one of courage and commitment to what is right — values that we, as Rotarians, should strive to uphold. As one of the convenors of Project Dalisay, she continues to take a stand to protect our youth and defend the moral fabric of our nation.

I also want to congratulate Dir. Gary Ona and Rotarian Dean Raj Cordova for organizing today's Quiz Bee for our PLP Rotaractors and scholars. Investing in young minds is one of the best things we can do for the future.

From the President

Pres. Bernard Dy

Continuation 1.

And speaking of kindness, let's take a moment to recognize father and son tandem Dr. Ike and Dir. Gary Ona, who have stepped up to assist our long-time friend, VVCC's Chief Waiter Mardo, as he battles kidney failure. This is Rotary at its core — helping when and where we can, especially when it truly counts.

As we move forward in this Year of the Snake, let's be wise in our decisions, resilient in our service, and purposeful in our actions. Let's keep making a difference not just in big projects, but in the small moments that define who we are as Pasig Rotarians.

Let's keep doing good!

Rotary Notes

PP Benny P. De Guzman

This week, we recognize achievers in our club and in our district. The highest recognition, that of the US State Department for international leaders where our very own Mayor Vico was one of the 12 recipients its International Anti-corruption Champions Award. The District should recognize this in a zonal meet amongst the Pasig Rotary clubs in aid of recognition and election. Galing mo Vico.

Tinig also congratulates our very own Fr, Kell for his major promotion as Asst. Parish Priest of the Minor Basilica of St. Anne in Sta. Ana, Taguig City. Since our Thursday meeting is not too far away and he is loaded with many assistants, Fr, Kell need not return his classification. We are not requesting you to give the members general absolution in one of our meetings at baka ibalik ka sa dating position mo. God bless your spiritual life, Fr. Kell.

Ww congratulate PP Celso Montalla of RC Marikina Hilltop for his recent election as the DGNE as announced by our Gov. Bobby.

The club thanks father and son members Ike and Gary for attending to our decade long VVCC staff, Mario who needed urgent medical assistance due to his chronic kidney problem. He is well assisted at HKFI.

There is a citizens event that most of us will be willing to attend, the CCGG or Clergy and Citizens for Good Governance where a big rally against the national budget and is set for tomorrow at the EDSA Shrine from 3 pm to 7 pm.

Rotary Notes

PP Benny P. De Guzman

Continuation 1.

Lead convenor is retired Supreme Court Justice Antonino Carpio who was once our zone meeting speaker on the Chinese aggression in the West Philippine Sea. Even if quite near,, baka we'll need a car pool just in case the clergy can get a lot of people to join.

Our very own Rtn Ritchie who has sponsored quite a number of new Rotarians is running for city councilor in Pasig. We wish him well in his campaign.

The daughter of Rtn Alex is with the son of Tyn. Doc Ato in UP? Nice to see them in an active pose. Junior ni Alex yung daughter niya kaya Alexa.

I did not realize that Rtn Aris hos got good singing voice. Mataga; din niyang tinago. He sung well during our anniversary celebration.

Many were impressed with the guest apeaker last week. Diwa Gunigundo was a long time executive of our Bangko Sentral. His over all outlook can ba a good overview for any willing investor to invest in our country. He has identified all the many rasons why we are always a developing nation. Sana a more dedicated group can band together and sve our country from too much politics.

Year of the Snake it is this year in the Chinese calendar. Bewarer, nagingat baka may mang ahas sa iyo. Better unahan mo na at ahasin mo na kaagad. Kung Hei Fat Choi yesterday? For us today and always,"Pe Nge Tikoi!".Enjoy all a good Snake Year!

Rotary's response to U.S.'s plan to withdraw from World Health Organization

Rotary notes the recent announcement that the United States intends to withdraw from the World Health Organization (WHO), a partner in the Global Polio Eradication Initiative (GPEI). We remain resolute in our mission to eradicate polio. As a founding partner of the GPEI, Rotary has for decades worked closely with all the GPEI partners, the U.S. government, and other governments to end polio worldwide. This effort has reduced the number of children paralyzed by polio by 99.9% since 1988. The global effort to eradicate polio has innovated many times over the years to come close to protecting every last child.

Although this decision creates new challenges, Rotary remains dedicated to ensuring that every child is protected from this preventable disease. We are confident that the GPEI will continue to adapt, to innovate, and to implement effective strategies to keep polio vaccines available for every child in the United States and around the world, especially those in the most challenging and remote regions. The most important decisions leading to a polio-free world are made every day by parents who present their children for vaccination.

We remain committed to working with all GPEI partners to fulfill the promise of a polio-free world. Together, we have ended smallpox, and together, we can ensure that polio becomes the second human disease to be eradicated from the planet.

Our Guest Speaker

Hon. Maria Lourdes Sereno

Former Chief Justice

Supreme Court of the Philippines

Chief Justice Maria Lourdes Sereno is living proof that true courage is forged through adversity.

Sereno rose from humble beginnings to become the country's first female Chief Justice in 2012. She attended public elementary and secondary school, then pursued higher education through scholarships. She graduated valedictorian from the UP College of Law in 1984, and holds a Masters of Law degree, specializing in law and economics and international trade law, from the University of Michigan.

She was a law professor at the UP for nearly 20 years. The World Trade Organization recognized her stellar credentials with her 1998 appointment as Counsellor of their Appellate Body in Geneva, Switzerland. She was also involved in successful international litigation as co-counsel for the Republic and was AIM's Executive Director for their Policy Center.

With her modernizing outlook and firm belief in the power of technology, she co-founded a corporation that developed the first annotated electronic research system in Philippine Law. Her tenure as Chief Justice is marked by far-reaching reforms,

Our Guest Speaker

Continuation 1.

including eCourts, automated hearings, case decongestion, continuous trials, and expanded small claims courts. At the heart of her reform program is the strong conviction that justice and the law's protection should be accessible and responsive to the most vulnerable Filipinos. Because she was a staunch defender of judicial independence, Sereno was subjected to intense persecution.

Chief Justice Maria Lourdes Sereno is now a major voice for people-centered change in Philippine society. She believes this change is part of God's desire for this country, that every Filipino is precious in God's sight, bawat isa mahalaga, and that every citizen and community has a role in building up this nation. She is an advocate for faithfulness to the vision of a "just and humane society" in the Philippine Constitution, and integrity and accountability in governance.

Blessings From God

Yesterday we join the Filipino-Chinese community in celebrating their Chinese New Year, and designated as a the Year of the Snake. Like any Chinese Zodiac characters, the Snake brings joy and fortune. In other words, this Year of the Snake is a lucky year. But for us who believe in the Almighty God, we deserve more than just luck.

If we believe in God, then we must believe that this Almighty God we worship is a generous and loving God. In fact, because God loves us, He's willing to provide us the necessary graces we need not only to be prosperous but also to be strong with Him. We only need to pray humbly. In fact, Jesus taught us, according to the Gospel according to John, "Until now you have not asked for anything in my name. Ask and you will receive, and your joy will be complete (Jn. 16:24)." Truly, God is willing to bless us and hear our prayers because He wants us to be truly happy.

So, when was the last time you prayed and asked God for something you need?
