This we ask through Christ our Lord.

Amen.

## Song of the Day

### BRIDGE OVER TROUBLED WATER

*(Song by: Paul Simon)*

When you're weary  
Feeling small  
When tears are in your eyes  
I will dry them all  
I'm on your side

Oh, when times get rough  
And friends just can't be found  
Like a bridge over troubled water  
I will lay me down  
Like a bridge over troubled water  
I will lay me down

When you're down and out  
When you're on the street  
When evening falls so hard  
I will comfort you  
I'll take your part

Oh, when darkness comes  
And pain is all around  
Like a bridge over troubled water  
I will lay me down  
Like a bridge over troubled water  
I will lay me down

# Song of the Day

*Continuation 1*

Sail on, silver girl  
Sail on by  
Your time has come to shine  
All your dreams are on their way  
See how they shine

Oh, if you need a friend  
I'm sailing right behind  
Like a bridge over troubled water  
I will ease your mind  
Like a bridge over troubled water  
I will ease your mind

## From the President

Pres. Bernard Dy

Dear Fellow Rotarians,

There's a saying that goes, ***"Leadership is not about being in charge. It is about taking care of those in your charge."*** This perfectly captures what it means to lead in Rotary. It's not about titles or positions—it's about service, about stepping up when needed, and about guiding others toward a shared vision of making a difference.

Our ***President-Elect Roy Quejada*** is now stepping into this journey after completing his PELS training. As one past president once told me, ***"Most of the time, you only get fully Rotarized while serving as president."*** The weight of leadership, the depth of service, and the joy of seeing lives changed—it all becomes real when you take on this role. And Roy, you are already proving that you are ready.

This week will be a particularly demanding one for him. I am privy to the fact that today alone, as the Chair of this year's ***Papugay sa Kadakilaan ng Pasig Pulis Awards***, he is meeting with videographers and creatives to enhance the awards proper, ensuring that our club's work is recognized with the dignity and excellence it deserves. At the same time, he will be running the rigorous interview process for our PNP awards candidates begins today and runs until Saturday, a critical step in our annual awards. That is on top of the other equally demanding preparations PE Roy has to oversee as Chairman for the awards. Meanwhile, today alone is packed with four key meetings that sees the day of our other directors and board members just as

busy—each one reflecting our club's commitment to meaningful, sustainable service:

1. ***Service Director Tet Mallare*** will be spearheading a Community Meeting – Engaging with our GK homeowners association officers and Live Christ-Share Christ leaders for the values formation we've been wanting to instill in our GK community — ensuring that our community efforts go beyond material aid as we now focus on character-building.
2. Our ***New Generations Director Gary Ona*** will also be joining the Meeting with Live Christ, Share Christ – Planning activities for our Interact and Rotaract clubs, with a special focus on youth mental health, an issue that needs our urgent attention. He is also executing plans for more activities for our youth for the last few months of the Magic of Rotary year.
3. Our ever busy ***Perpetual Secretary, SAG, and PP John Javier*** is leading a Luxid Rotary Cooperative Membership Meeting together with ***Rotarian General Gene Menor, PAF***, strategizing ways to strengthen our cooperative and create more opportunities for our members.
4. Blood Banking Project Discussion – ***Rotarian Flor and Gen. Gene*** exploring a partnership with the Philippine Air Force to provide a life-saving blood bank initiative.

On top of all this, our ***Club Administration Director Roy Mendoza together Edgar*** is continuing with the hands on

training for ***Eleija***, a working student of the ***Polytechnic University of the Philippines*** who will assist in our club administration during our club meetings. Her support will help keep our operations running smoothly.

In times like these, when the workload is heavy and responsibilities seem endless, we remember why we serve. We do it neither for recognition nor for personal gain. We do it because someone, somewhere, is waiting for the impact of our work—a scholar who needs a chance, a community that needs guidance, a family that needs hope.

Let's also take a moment to pray for strength, wisdom, and endurance—for Roy, for all Rotarians involved, and for the success of our projects. Leadership is service, and service is love in action. Truly, in the Rotary Club of Pasig — We Lead! Let's continue leading with heart.  
Yours in service,

Bernardo Dy

## Rotary Notes

**PP Benny P. De Guzman**

Tinig congratulates PE Roy for his recent election to our club's presidency. It must be the fastest route from his induction to the highest post. Just see what service to the club can lead to.

PP Vic A. did a fine master's job that saw many being recognized and he fined plenty but truly with achievements. But the fines were so minimal, he has yet to hear there is an inflation around.

Our scholarly speaker, Prof. De Vera, one of the bar topnotchers during her time was properly recognized by governortiable SAG/ PP John. Her topic can really be more meaningful with the aftermath of the arrest of former President Digong. Madugong effect sa coming elections ito. A sitting senator may not make it to a reelection so itaga mo sa bato, madamay siya.

Dear readers, I will now cut short my usual column as I am sleepless as last Monday, I lost my youngest brother and his inurnment is tomorrow yet. To the more prayerful ones, please pray for my brother, Bert who was 6 days short of his 87th birthday. Shalom.

### **Turkish Rotary member honored for advancing women's leadership**

ISTANBUL, Türkiye (22 Feb 2025) — Rotary International has recognized Ayda Özeren for her outstanding contributions to women's leadership, education, and economic empowerment.

Özeren was presented with the Sylvia Whitlock Leadership Award, which honors Rotary members who have made a lasting impact in advancing gender equity and empowering women in their communities.

A member of the Rotary Club of Izmir-Gündoğdu, Özeren is an author, mediator, and professional speaker whose work has impacted as many as 11,000 women and girls. A longtime advocate for women's economic empowerment, she began teaching financial literacy at a bank, supporting female entrepreneurs before expanding her efforts through Rotary. She has visited more than 100 factories and small businesses, educating 8,000 women in rural areas, factories, and schools on finance and economic independence.

"We need to reshape the leadership landscape by creating more opportunities for women to lead," said Özeren. "I've seen how equipping women with the right skills and opportunities creates lasting change. True peace is only possible when women have a seat at the decision-making table—when they are included, societies become more just, resilient, and sustainable."

Özeren has also led earthquake recovery efforts in Türkiye,

launching mobile health services and economic relief projects for women. She helped women secure jobs in the ready-made clothing industry through the Golden Needle Project and supported farmers by providing olive and sumac saplings, an initiative expected to create 2,000 jobs. A strong advocate for girls' education, she donated all proceeds from her 2021 book, *Aziz Coguz Biziz (We Are More When We Are Together)*, to fund 1,000 scholarships for young women.

“Peace is built through actions that create a safe, prosperous, and equitable society, and one of the most powerful ways to achieve this is by unlocking the potential of women and girls,” said Rotary International President Stephanie Urchick. “This award recognizes a leader whose dedication goes beyond empowerment; it creates tangible opportunities that allow women to shape their own futures and drive meaningful change.”

The Sylvia Whitlock Leadership Award, named for Rotary's first female club president, honors one Rotary member each year who has actively worked to advance women. The award was presented during the 2025 Rotary Presidential Peace Conference in Istanbul, Türkiye, where 1,000 Rotary members and peace experts from 88 countries convened to discuss solutions for fostering peace and sustainable development. The event also celebrated the launch of Rotary's first peace center dedicated to peacebuilding in the Middle East and North Africa (MENA) region at Bahçeşehir University in Istanbul.

Rotary members throughout the world develop and implement sustainable, community-driven projects that fight disease,

Rotary connects 1.2 million people of action from more than 45,000 Rotary clubs in almost every country in the world, including 6,277 members across 249 clubs in Türkiye. ## Follow the Rule of Law

Recently a lot of political issues have besieged our country, especially what happened two days ago. But what's my take on this matter? It's simple: let's follow the **rule of law**.

As the Book of the Prophet Amos says, ***“Let justice roll on like a river, righteousness like a never-failing stream (Amos 5:24)!”*** We all hear left and right different cries regarding this recent event. Some say that injustice was done to the former president. But some say that justice was served. With all of this, what's our best response to it? Basing from the passage of the Prophet Amos, we simply follow the Rule of Law.

Thus, we pray that due process will be followed and that justice will truly be served.
