Invocation

Lord God, Creator of heaven and earth, We come before You in humble surrender. Our hearts tremble as storms rage and floods rise around us. We are reminded that all power belongs to you. In the face of all these natural and man-made calamities, we acknowledge our frailties. Forgive us for the times that we have taken your creation for granted.

Bless each one of us and touch our hearts as we come together in fellowship. May all the endeavors that we shall undertake today contribute towards rebuilding our community and the nation at large for the greater glory of your Holy Name through Jesus our Lord and Saviour. **Amen**

From: Rtn. Fr. Jojo Opinio

THE FOUR-WAY TEST

of the things we think, say or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- First :** The development of acquaintance as an opportunity for Service;
- Second :** High Ethical standards in business and professions; the Recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- Third :** The application of the ideal of service in each Rotarian's personal, business and community life;
- Fourth :** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Song of the Day

Batang-Bata Ka Pa

By: Apo Hiking Society

Batang-bata ka pa at marami ka pang
Kailangang malaman at intindihin sa mundo
'Yan ang totoo
Nagkakamali ka kung akala mo na
Ang buhay ay isang mumunting paraiso lamang

[Verse 2]

Batang-bata ka lang at akala mo na
Na alam mo na ang lahat na kailangan mong malaman
Buhay ay 'di ganyan
Tanggapin mo na lang ang katotohanan
Na ikaw ay isang musmos lang na wala pang alam
Makinig ka na lang, makinig ka na lang

[Chorus]

Ganyan talaga ang buhay, lagi kang nasasabihan
'Pagkat ikaw ay bata at wala pang nalalaman
Makinig ka sa'king payo, 'pagkat musmos ka lamang
At malaman nang maaga ang wasto sa kamalian

[Verse 3]

Batang-bata ako nalalaman ko 'to
Inamin ko rin na kulang ang aking nalalaman
At nauunawaan
Ngunit kahit ganyan ang kinalalagyan
Alam ko na may karapatan ang bawat nilalang
Kahit bata pa man, kahit bata pa man

From the President

Pres. Roy Quejada

Why the Stipend Keeps Coming.

Last Thursday, November 6, a few of us had the privilege of spending time with our scholars from Rizal High School. We distributed stipends for the first half of the school year to 60 deserving students.

As part of my opening talk, I asked a simple yet thought-provoking question:

“Why do you think you are continuously receiving stipends from RC Pasig?”

One student quickly answered, “Para sa mga gamit namin, mga iskolar.”

I asked the question again hoping it would encourage deeper reflection.

There was a moment of silence. Many looked thoughtful, perhaps unsure of what to say.

Then, I shared what was in my heart:

“The stipend will always find its way to you.

Why? Because you never stop learning and striving to do your best in school.

As long as you keep doing what is right and continue to pursue learning, the Lord will continue to provide.”

I reminded them that RC Pasig is but a conduit of God’s love a channel through which His blessings flow to those who work hard with faith, hope, and purpose. I ended by saying:

From the President

Pres. Roy Quejada

Continuation 1.

“So, keep learning. Keep doing your best.

Because God’s blessings always find their way to those who do good work and never give up.”

This is also a reminder to all of us to “Commit to the Lord whatever you do, and He will establish your plans.” Proverbs 16:3

The activity was attended by Dir. Aris, Dir. Roland, Dir. Gary, PP Jun, and HOF John.

Our scholars expressed their gratitude through a song and dance performance a simple but heartfelt gesture that deeply moved us all.

It was an afternoon truly well spent one that reminded us that no matter how tough things may look in our country right now, there’s always hope when you see it through the eyes of our youth.

So I hope that next time, you can join us spend time with our scholars, listen to their stories, and see for yourself how your presence can make a difference.

Your experience and wisdom can inspire them to dream bigger and work harder toward their goals.

Roy E. Quejada
President, Rotary Club of Pasig

Rotary Notes

PP Benny P. De Guzman

With Uwan now gone, we pray for a better week. What better week to start for our club with a special speaker invited by no less than HOF/PRID Raffy to boost our leadership style than the great Randy Heykin. Last week's speaker was also powerful in his Blockchain presentation. Dr. Donald Lim, in his professional career showed us that many of us (I am included), are lagging behind the tremendous progress of technologies in the world. He is also the superior officer of our PE Gary, a reserve major in the Air Force.

Later today, the movie on West Philippines Sea will be shown and PP Bong showed ala Flor de Pano style by sponsoring some 50 of our Rotaractors. Our Gabay Suporta sa Iskolar ng PLP has gotten full support especially from our Dir Pal.

The shortest fining in our club was registered by PP Ogie last week when he sluggishly fined all birthday and wedding anniversary celebrants. If RINO pa yung iba, no fines at all.

Tinig welcomes back to the fold returning James Porter. He again increased our average age after baby Rtn John reduced it a lot. Sana the second John Javier will be sponsored to lower our average age once again. And increase the Johns to three. The 1st, the 2nd and John Nepo.

The pose of Rtn VM Dudut na kapisaso na lang end na ang Polio is funny. It means kapisaso lang ang attendance niya SA club. It is also a reminder that our very own Rtn Mayor Vico is a no show in our meetings. Sila Chony na ba kayo?

Rotary Notes

PP Benny P. De Guzman

Continuation 1.

The Uwan destructions in many areas should make us aware how blessed we are in our City as we have been spared by many destructions. And we are situated in flood resistant area. I pity our Rotarians in Marikina when river levels are rising.

After the Memorial Mass the other week, Rtn Fr Kell, our travelling member assured us of his prayers in the cities in France and Italy that his team will visit. Better pray more for our country. We must likewise pray that we be spared from the greatly feared earthquake as what hit Bogo, Cebu, a truly devastating one. A great one is too dangerous as we are near a fault. It is not our fault though.

It is in calamities that we remember those in danger areas. Our PP Ner is in far away Batangas province that he attends our meetings every other week. Sana he was spared by Uwan's wrath.

Once again I salute CM/PP Peping for his physical efforts in his wheelchair to attend regularly our meetings. Those in better capabilities will rather shy away and deny the fellowship we deserve to get as well.

Did you notice our PE/PP Jun with his new body style? Nagbibinata as he is more than 6 years na biyudo. Naka tuck in na madalas and showing it around. I am kidding him that our Governor is a biyuda. By printing this, baka magka support even say district.

Rotary's History in Korea

The first Rotary club in Korea was chartered in Seoul on 10 November 1927. Since then, Rotary members in Korea have maintained their commitment to fellowship, service, and leadership through difficult times — growing membership, leading our organization, offering hospitality to the Rotary world, and showing themselves to be people of action.

Early years

Rotary members expressed interest in starting a club in Korea as early as 1922, but action was deferred while Rotary focused on expanding in countries that already had clubs.

The idea was reignited in 1926 when two clubs in the United States contacted Rotary leaders about Americans living in Korea who could organize a club. A club in the state of Kansas suggested an honorary member who was doing missionary work for the Presbyterian church. From Iowa came the recommendation of a man who was working for the YMCA.

James Davidson, who organized the first Rotary clubs in Australia and New Zealand, and other leaders who were guiding Rotary's efforts to establish clubs in new countries hesitated to change course quickly. They also had reservations about giving this responsibility to people with little Rotary experience.

Instead, work began in earnest in 1927, when members of the Rotary Club of Tokyo, Japan, advocated founding a club in Seoul. Hachisaburo Hirao of the Rotary Club of Osaka, Rotary's special commissioner for Japan, oversaw its

organization. At the time, Korea was under Japanese rule, and the new club included both Japanese and Korean members.

The Seoul club received visitors from near and far. It joyfully reported an occasion in 1931 when Rotarians from the United States attended a club meeting when their cruise ship docked nearby at Incheon. The club also hosted annual family outings; 1934's took place on the grounds of the Chosun Beer Company, where guests hunted for chestnuts and enjoyed food from different cultures.

The Rotary Club of Seoul was the only club in Korea until Rotary chartered clubs in Busan in May 1935, Pyongyang in July 1937, and Daegu in June 1938. This growth was short-lived. All clubs in Korea disbanded in 1940 as Japan adopted a strong nationalist stance opposed to Westernization and entered World War II. The clubs' membership in RI officially ended in December of that year.

Rotary returns to Korea

The Rotary Club of Seoul was formally re-established on 15 March 1949 with 25 members. When Seoul was occupied by the North Korean Army in 1950, club members were among those forced to flee. Some went to Busan, about 325 km (200 miles) southeast of Seoul, where they began helping other refugees and holding meetings that echoed their former Rotary club meetings. As a result of their efforts to make connections and serve the community, the Rotary Club of Busan was officially re-established on 3 January 1952.

In January 1961, Rotary International placed the 10 clubs in the

country in an administrative group known as a Rotary district. Although it was unusual for a district to have so few clubs, Rotary leaders believed that the organization's growth in Korea would be more successful using this approach than it would if clubs were grouped with clubs in other Asian countries.

Indeed, by Rotary's centennial in 2005, Korea boasted more than 1,200 Rotary clubs and 48,900 members. Twenty years later, it had more than 1,600 Rotary clubs and 64,000 members.

Rotary presidents

It is a great honor to be elected to lead Rotary International, and members from Korea have twice been selected to serve as president of the global organization.

Dong Kurn "D.K." Lee of the Rotary Club of Seoul Hangang was president in 2008-09. Reflecting at the start of his term on Rotary's growth in Korea, he noted that the country was very poor during and after the Korean War of 1950-53. "Many international organizations and governments helped build the economy back up. Now our economy is booming, and all Koreans want to give back some of what was given."

SangKoo Yun of the Rotary Club of Sae Hanyang, Seoul, was chosen to serve as president for 2026-27. Yun, a consummate Rotary leader and businessman, died in September 2025 before taking office.
