LUXID ROTARY

Microfinance & Credit Cooperative

ABOUT US

The Luxid Foundation is an organization of members from the different batches of the Ateneo De Manila University, 1959, 1963, and 1967, united to help alleviate poverty among underprivileged people.

The Rotary Club of Pasig is one of the biggest clubs in the country, and is respected and consistent in its service to the Pasig community and to the country in general.

The Luxid Foundation and the Rotary Club of Pasig formed an alliance in 2017 to create the LUXID ROTARY Microfinance & Credit Cooperative.

FRANCISCO "TOPAX" COLAYCO is the Chairman of the Board of LUXID Rotary Microfinance and Credit Cooperative, holds a Masters degree in Business Management (MBM) from the Ateneo de Manila University. He also holds a Ph.D. (Honoris Causa) in Humanities awarded by the National University of the Philippines.

FJC is an entrepreneur, a venture developer and the pioneer in promoting personal finance in the Philippines. He is the author of the "Wealth Within Your Reach" series, the award winning and biggest Filipino best sellers on personal finance and the leading advocate of the personal financial literacy movement in the Philippines.

FJC has over 50 years' experience as a consultant, a professional manager and business owner in the fields of Manufacturing and Marketing, Shipbuilding, Specialty and Pressure Vessel Fabrications, Banking, Financial Services & Real Estate Development. He is the Chairman and Founder of the Colayco Foundation for Education, Inc. (CFE).

FJC is currently the Chairman & CEO of AulumDev Ventures Corporation (AulumDev), and up to March of 2023 was Chairman of One Wealthy Nation Bank (OWN Bank), formerly, the Rural Bank of Cavite City.

Today, FJC is an active ventures advisor and investor in health services. He is engaged in joint venture consulting and specialty trading such as diesel and medical supplies. He is Chairman of The Health Network (THN), an out patient facility with diagnostics, pharmacy and doctors' offices based in Marilao and Guiguinto, Bulacan.

Invocation

Heavenly Father, may everything we do begin with Your Holy Inspiration, that we may offer the fruits of our works and labor to You as our thanksgiving for all the graces we received from You. And may You help us work in fulfilling Your Will here on earth by reaching out and serving the least, lost, and last in society. This we ask through Jesus, Your Son and Our Lord.

Amen.

From: Rtn. Fr. Kell Ortega

THE FOUR-WAY TEST

of the things we think, say or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- First :** The development of acquaintance as an opportunity for Service;
- Second :** High Ethical standards in business and professions; the Recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- Third :** The application of the ideal of service in each Rotarian's personal, business and community life;
- Fourth :** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Song of the Day

IT'S THE 4-WAY TEST

(Tune: It's The Real Thing)

We'd like to help Pilipinos live
In perfect harmony
We'd like to help Pilipinos grow
As honest as can be.

The 4-Way Test is what we offer
To guide their way through life
It teaches them to tell the truth
And not to tell a lie.

Refrain:

It's the 4-Way Test
It's Rotary's way
We're all proud to say
It's the 4-Way Test

We'd like to help Philippines grow
In the most beneficial ways
And bring Pilipinos all together
In harmony and peace.

The 4-Way Test is what we offer
To bind them all as one.
They'll cherish truth as their ideal
Put lying out of mind

(Repeat Refrain)

(Adaptation from It's The Real Thing for Rotary by PP Peter)

Rotary Club of Pasig and the Philippine Coast Guard Raise Youth Awareness on the West Philippine Sea

Last November 13, together with personnel from the Philippine Coast Guard (PCG), we treated students from the Pamantasan ng Lungsod ng Pasig, Rizal High School, and other Pasig scholars to a special film screening of “Food Delivery: Fresh from the Philippine Sea.”

A total of 14 Rotarians and 5 Rotary spouses from the Rotary Club of Pasig attended the event showing strong support for this timely and important initiative. Other Rotary Club presidents and members were also present.

I extend my heartfelt appreciation to PP Bong Paloma for generously sponsoring the movie tickets for all the students.

The activity aimed to educate the youth on the current realities in the West Philippine Sea (WPS) particularly the oppression and harassment experienced by Filipino fishermen under the actions of the Chinese Coast Guard. Through the documentary film and the open forum, the students gained a clearer understanding of the situation and the importance of defending our territorial rights.

We were also glad to witness the active participation of the students as they asked Commodore Jay Tarriela thoughtful questions and expressed their concerns about the issues surrounding the WPS.

From the President

Pres. Roy Quejada

Continuation 1.

Commodore Tarriela delivered two meaningful reminders for the youth:

First, he emphasized the need to combat misinformation by staying informed and speaking up the West Philippine Sea is ours.

Second, he encouraged the students to practice responsible citizenship by choosing leaders who prioritize the nation over personal interest especially in the coming elections.

Through this initiative, we hope to nurture a stronger sense of patriotism, awareness, and love for country among the next generation. Our club remains committed to promoting truth, national sovereignty, and civic responsibility across the Pasig community.

Roy E. Quejada

Respect. Support. Serve.

Rotary Notes

PP Benny P. De Guzman

After the devastations of Typhoons Tino and Uwan, PP Henry warned us that a new one as deadly is coming. Verbena by the name itself is intriguing to be as dangerous. Inगत!

Last week, in the showing about the WPS, PE Dodie was supposed to pass for me and HOF/PP Peter by 5 pm. But he delegated the task to Rtn Jojo who came at past 3 pm that both Peter and I backed out. Anyway the WPS will always be there.

Dir Roland was amused with the many initials flying around. ICC of Duterte, ICI of the flood control mess, INC rally, even ICU of JPE. JPE did not want to be part of the initials mess and decided to call it quits, no more ICU. But a new initials came in CPY. Copy? No, si idol pala, deadly yan kaya Bow!

Tinig congratulates our very own ultra Filipino, Alex who heads the Kontra Dinastiya. The House under Speaker Dy is preparing an Anti Dynasty bill BUT si Speaker Dy and family are all in the sanctioned group and to blend the bill will weaken it. Saka na lang?

Our sister club sent an invitation for their anniversary dinner, strictly formal, coat and tie BUT very clear, no blue coat. For dinner? No blue? Hiram kung green blooded La Sallite ang president, mas mahirap ang green coat for dinner. I hope the Board sent a delegation last 16th November.

We congratulate our very own PRID Raffy for inviting last week's speaker, Randy Heykin, a very young achiever and philanthropist who brought along a local talent to talk about

how getting good people to organize. He is so successful in his coaching in new ventures that he brought a local talent, Jatón Zulueta who can likewise coach and assist interested Rotarians to go on a new profitable venture. But PP Topax is wiser. He reserved his questions after the meeting. To get personal coaching and to exchange ideas and styles. Kaya Topax ang name, Top Axer yan. Akala Ng iba may topaks lang sa ulo. See his style, even at the fining session, his was short but very meaningful to show others how to do it properly.

Tinig congratulates again PP Bong for sponsoring many Rotaractors and scholars of our club for the movie on WPS. His donation is a tidy amount, making him a junior to our Rtn Flor. PRID Raffy is so far the best as no other Rotarian can be near his ranks.

Why is HOF/PP Peter always sponsoring former Rotarian Jerry in our regular meetings. With no orientation, he can be a good member as he was a very good Rotarian during his Rotary years decades back. Returnee Rtn James took a rest a week after his coming back by being a no show last week.

Rotary Donors Surpass Ambitious Fundraising Goals

Contributions will support projects around the globe, including a robust recommitment to the fight to end polio

Donors to The Rotary Foundation celebrated some big achievements in fundraising in the past year, showing their support for the wide array of programs the organization sponsors all over the world.

A multiyear campaign to increase the Endowment to US\$2.025 billion by 2025 exceeded its goal by US\$25 million. In 2024-25 alone, members and others contributed more than half a billion dollars to the Foundation.

“The goal was an inspiration, but the objective was to do good in the world,” says Mark Daniel Maloney, the 2024-25 Rotary Foundation trustee chair. “We are making sure that Rotary will always be able to carry out that mission.”

The Foundation raised more than US\$569 million in 2024-25 alone, exceeding its annual goal by almost US\$70 million. More than 478,000 individuals donated, along with over 31,000 Rotary clubs and nearly 1,900 Rotaract clubs.

Thanks to its donors, the Foundation was able to award 1,424 global grants, 468 district grants, and 74 disaster response grants in the past year. A US\$2 million Programs of Scale grant will help build peace and economic independence in Colombia.

Walking the Avenues

Continuation 1.

Rotary International also extended its long-standing partnership with the Gates Foundation, announcing a joint commitment of up to US\$450 million over three years to support global polio eradication efforts.

“Rotary members demonstrated their commitment to these efforts with their support of the 2.025 by 2025 campaign,” Maloney says. In particular, he notes the large number of fundraising events around the world that Rotary’s district governors organized.

“I am just amazed at the generosity of Rotary members,” he says. “They came together to make it happen.”

TRIVIAL FINDINGS ON DREAMING, SLEEPING & SNORING

- The average person has more than 1,460 dreams a year.
- The average human dreams lasts two to three seconds.
- The brain is more active sleeping than it is watching TV.
- Men are most likely to sleep in the nude than women are.
- Some babies especially those with low birth weight, stop breathing for very brief periods.
- People dream an average of five times a night, and each subsequent dream is longer than the one preceding it.
- There is no one who does not dream. Those who claim to have no dreams, laboratory tests have determined, simply forget their dreams more easily than others.
- As much as 6 percent of the world's population may experience sleep paralysis – the inability to move and speak for several minutes after awakening.
- On the average, a woman is three times more sensitive than a man to noises while sleeping.

Tinig Tidbits

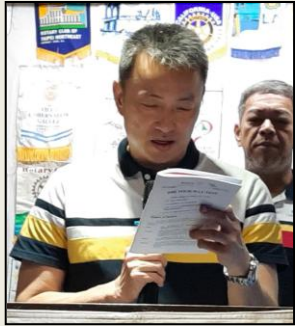

By: HOF/PP Peter Javier

Continuation 1.

- Nineteen percent of people who snore are so loud that they can be heard through closed door.
- If the roof of your mouth is narrow, you are more prone to snoring, since you are not getting enough oxygen through your nose.
- Women who snore regularly are at an increased risk of high blood pressure and cardiovascular diseases.
- While sleeping, one man in eight snores, and one in ten

PROGRAMS

Application	Explanation / how AI is applied
1. Program impact measurement & evaluation	AI can process large volumes of program data (e.g., surveys, reports, social media, field data) to identify trends, measure outcomes, and forecast.
2. Needs assessment & beneficiary targeting	Machine learning models analyze demographic, economic, or geographic data to identify the communities or populations most in need, helping NGOs allocate resources more rapidly and efficiently.
3. Monitoring & early warning systems	AI tools can detect early signs of issues (e.g., school dropout, malnutrition, disease outbreaks) using real-time data streams, allowing program staff to intervene earlier.
4. Program design & scenario planning	AI-powered simulations and modeling tools help nonprofits design new interventions, test "what-if" scenarios, and optimize strategies before roll-out.
5. Personalized service delivery	In education, youth, or health programs, AI personalizes learning paths, job skills training, or counseling content to meet individual participant needs.
6. Translation, accessibility & inclusion	AI translation, transcription, and voice tools enable multilingual and accessible program delivery (e.g., supporting children, parents, and teachers in local languages).
7. Data cleaning & insight generation	AI automates the process of cleaning messy program data, identifying patterns, and generating visual insights, freeing staff to focus on decision-making.

With The Eyes of Hope

Who would probably not in their right minds be not worry if he or she reads this:

“But in those days, after that suffering, the sun will be darkened, and the moon will not give its light, and the stars will be falling from heaven, and the powers in the heavens will be shaken. “Then they will see ‘the Son of Man coming in clouds’ with great power and glory. Then he will send out the angels and gather the elect from the four winds, from the ends of the earth to the ends of heaven. (Mark 13:24-27)

At first glance, it may be so. But if we will understand the intention behind Jesus’ public ministry, then we will understand the intention or meaning behind this. Even the first chapter of the Gospel of St. Mark reveals it. According to it, Jesus preached the message of repentance that lead to salvation. Meaning to say he offers hope to all. This seemingly apocalyptic or doomsday message is no different. He prophesied the end of the world so that a new world will be established where God rules triumphantly together with His chosen ones. If so, then it’s something we must hope for by doing our best to live a life of integrity or a virtuous life. Then and only then may we be found worthy to be part of “God’s new world” promised to us.
