Song of the Day

LOVE STORY ROTARY

Where do I begin
To tell the story of how great a ROTARY can be
The sweet love story that is older than the sea
The simple truth about the ROTARY brings to me
Where do I start...

With ROTARY's hello
It gave new meaning to this empty world of mine
There'd never be another love, another time
ROTARY came into my life and made the living fine
ROTARY fills my heart...

ROTARY fills my heart with very special things
With ROTARY' songs, with wild imaginings
ROTARY fills my soul with so much love
That anywhere I go I'm never lonely
With ROTARY around, who could be lonely
I reach for ROTARY's hand, it's always there...

How long does it last
Can ROTARY be measured by the hours in a day
I have no answers now but this much I can say
I know I'll need ROTARY 'til the stars all burn away
And ROTARY will be there...

Tagay para sa Fellowship

“Inuman na!” or as they say around the world, “Cheers!” in English, “Prost!” in Germany, “Kampai!” in Japan, “Salud!” in Spain. Different languages, one meaning connection. Nasaan man tayo, the act of raising a glass has always been about more than just drinking; it’s about celebrating life and it’s about the value of friendship where we feel safe.

That same spirit filled the air during the Rotary District 3800 Oktoberfest a night where Rotarians came together not as clubs or zones, but as one community. I witnessed the evening’s energy and laughter as each zone performed 80s and 90s dance and lip-sync numbers that brought out everyone’s fun side. And when Arnel Pineda and Nyoy Volante took the stage, the crowd came alive a time to chill and a time to just have fun.

Beyond the music and the “tagay,” there’s something deeper that events like this remind us of: fellowship is at the core of Rotary. It’s in these lighthearted moments that we strengthen relationships, expand our network, and renew the sense of purpose that drives our service. True collaboration, after all, doesn’t just happen in meetings or projects it’s built through shared experiences, laughter, and genuine connection.

As I looked around that night, seeing fellow Rotarians smile, sing, and celebrate together, I realized that service becomes more meaningful when anchored in friendship. When we take time to reconnect, we refuel our passion to serve others.

From the President

Pres. Roy Quejada

Continuation 1.

So here's my call to action: keep showing up for moments that bring people together. Find TIME to Celebrate connection. Strengthen fellowship. Because in Rotary and in life it's through unity and shared joy that we create the biggest impact.

Tagay to friendship. Tagay to service. Tagay to a stronger Rotary Club of Pasig.

Rotary Notes

PP Benny P. De Guzman

We start our Tinig with a very sad note for the old-timers in the club. We just lost a former member, Rtn Jun Gonzales less than a month after we also lost his wife Rosie. Rosie was the sister of our PPA Celia, lady of HOF/PP Peter. The ongoing wake is at Evergreen Chapels and final mass will be this Saturday after the 2 pm mass Immaculate Conception Church. Jun's son is a two termer councilor of our City.

Two weeks in a row, father and son, our lone HOFs/PPs father and son had nice fining sessions as they recorded the outstanding works of our members. Peter's fining though missed out on fining PP Ramy for the District award he earned last Rotary year.

After the devastating earthquake in Cebu and Davao, a great fear of a great one may hit NCR. The Marikina Fault Line extends to near our place in Valle Verde 1 and at the back of our meeting venue. Prayers are urgently needed to temper or e a prevent a great one.

When Pres. Roy was congratulated for the club's recognition, by was citing it was the club and the Board should be congratulated. My dear Pres. Roy, too much humility is also pride. But congratulations nevertheless.

The many assistances individually and as a club we sent to Cebu for the earthquake victims was greatly delayed due the tremendous response by many others. The huge assistance of our super Rotarian Flor and water tanker sent by Dir Tet were both delayed too.

Rotary Notes

PP Benny P. De Guzman

Continuation 1.

Our Bishop Cardinal Chito Tagle was named Church Head of the Diocese of Albano, Italy. No, walang kinalaman pamilya ni PP Bert dito. Same name lang.

Last Thursday, on the day itself was Rtn Chito's birthday. Not to spoil the fun, the birthday celebrants, CM/PP Peping and PP Topax sponsored the lechon. Elar's pa. No matter the delay, a willing club will wait for Chito's lechon. Kahit Lydia's or the Navotas ones, basta lechon.

The Oktoberfest was well attended by our club with PRID Raffy heading the group. He is not much of a beer drinker but he always manages to have a premium hard drink in his table.

We are ordering Polio Plus t-shirts and birthday boy Fr Kell surprised many of the size he ordered, 3 XL. While kami ordered XL lang, so it will fit like Rtn Bien's style, fit na fit with bulging muscles na wala kami.

Last Sunday, PP Pilar of RC San del Monte, celebrated her 70th birthday with a bang with contributions to Polio Plus and The Rotary Foundation she requested as a gift. Such devotion to Rotary is admirable. PRID Raffy, PP Ramy and I attended for the club. Of course PRID Raffy took care of The Rotary Foundation, sayang lang ang Chairman's Circle Niya sa AKS.

More than 30,000 set to gather in Taipei for Rotary's international convention in June 2026

Rotary members from 120 countries will be welcomed to Taipei for the second time since the city hosted the event in 1994

TAIPEI (17 Sept. 2025) – While in Taipei this week, Rotary International President Francesco Arezzo announced that more than 30,000 Rotary members and participants from over 120 countries will gather in Taipei, Taiwan 13-17 June 2026 for the membership service organization's annual international convention.

The Rotary convention is expected to inject US\$50-55 million into the local economy, and drive significant business for Taipei's hotels, restaurants, retailers, and tourism attractions. Taipei was selected as the site of the 2021 Rotary convention, but the event was cancelled because of the COVID pandemic.

Held in a different city each year, Rotary's international conventions serve as a hub for members and participants to connect and learn from each other and a range of experts on how to take action to address issues in their communities and promote health, peace, and prosperity in communities across the globe.

"Rotary conventions are powerful moments of unity, where people from every corner of the world come together to connect, celebrate service, and spark new ideas for creating a healthier and more peaceful future," said Arezzo. "We're

honored to welcome the global Rotary family to Taipei in June 2026, and I look forward to reconnecting with old friends and making new ones as we share in the joy of our collective work to uplift communities around the world.”

In June, convention attendees will transform the Taipei Nangang Exhibition Center and the Taipei Dome into an energized hub and cultural mosaic as the global network of volunteers gain inspiration from more than 100 humanitarian projects on exhibit and from world class speakers.

“Taipei City is very happy to welcome over 30,000 Rotary members from all over the world to the Rotary convention next year,” said City Mayor Wan-An Chiang. “Taipei is ready, and will extend our warmest hospitality to all the Rotary members to ensure that they have an unforgettable and fruitful visit in our city.”

Organized by Rotary International in conjunction with local Rotary members, the convention presents an opportunity to showcase Taipei’s culture, food, and attractions. “Rotary in Taipei and across Taiwan is thrilled to welcome Rotary members and participants from around the world back to Taiwan since we last hosted the Rotary international convention in 1994,” said Rotary Host Organizing Committee Chair, Jackson Hsieh. “I’m excited to share Taipei’s vibrant culture, innovative cuisine, creative and friendly spirit and highlight the positive and lasting change Rotary brings globally and locally.”

Rotary’s members throughout the world develop and implement sustainable, community-driven projects that fight disease,

promote peace, provide clean water, support education, help mothers and children, grow local economies and protect the environment. Over the last 100 years, US\$5.5 billion has been awarded through The Rotary Foundation – Rotary’s charitable arm that helps clubs work together to perform meaningful, impactful service.

In Taiwan, Rotary members are engaged in a wide range of community service projects that bring science education programs to rural schools, support Indigenous communities through environment and vocational training, tackle e-waste through computer refurbishing and donation programs, provide meals and companionship to senior citizens, and much more.

2. Your brain can generate 10-25 watts of power. That's enough to power a light bulb.
3. Your brain only fully matures when you're in your late teens. Empathy, multi-tasking and good decision-making are the skills that develop last.

6. Human beings have the wrinkliest brains of any species. These wrinkles are linked to sophisticated neural pathways & higher intellectual functioning.
7. On an average day, a human being has over 70,000 different thoughts.
8. The brain doesn't contain any pain receptors. That's why brain surgery can be performed on a conscious patient.
