Song of the Day

IT'S THE 4-WAY TEST

(Tune: It's The Real Thing)

We'd like to help Pilipinos live
In perfect harmony
We'd like to help Pilipinos grow
As honest as can be.

The 4-Way Test is what we offer
To guide their way through life
It teaches them to tell the truth
And not to tell a lie.

Refrain:

It's the 4-Way Test
It's Rotary's way
We're all proud to say
It's the 4-Way Test

We'd like to help Philippines grow
In the most beneficial ways
And bring Pilipinos all together
In harmony and peace.

The 4-Way Test is what we offer
To bind them all as one.
They'll cherish truth as their ideal
Put lying out of mind

(Repeat Refrain)

(Adaptation from It's The Real Thing for Rotary by PP Peter)

From the President

Pres. Roy Quejada

Fellow Rotarians,

For today's article, I'd like to share the inspiring message of Governor Gina during the induction ceremony of Metro Pasig.

She highlighted the meaning of Pasig "Daluyan" a channel or passage. Governor Gina reminded us that, just like a daluyan, our role is to connect and to give support to our communities.

What we do is more than service projects; it is community development that uplifts lives, creates opportunities, and strengthens the bonds.

Let us continue to be that daluyan of hope, compassion, and positive change.

Yours in Rotary,

Roy Quejada
Rotary Club of Pasig

Message for the Induction Ceremonies
Rotary Club of Metro Pasig

Magandang araw, mga kaibigan sa Rotary Club of Metro Pasig!
Chartered on Feb 13, 2002 by RC Pasig North with PP Roger Apilado as Charter President

Alam n'yo, bago tayo magsimula, gusto kong balikan kung saan nanggaling ang salitang Pasig. Ang ibig sabihin nito ay "daluyan," isang agos na nagdadala ng tubig mula ilog papunta

From the President

Pres. Roy Quejada

Continuation 1.

sa bukirin, at mula roon, nagiging buhay, pagkain, at kabuhayan para sa komunidad. Napakaganda ng imahe, kasi ito rin ang nakikita ko sa Rotary. Tayo ang daluyan. Tayo ang nag-uugnay ng resources sa pangangailangan, ng partners sa komunidad, at ng mga pangarap sa realidad. Kung walang daluyan, hindi umaabot ang tubig. Kung walang Rotary, hindi rin agad makararating ang tulong at pagbabago.

Ngayong hapon, una sa lahat, gusto kong magbigay-pugay sa ating Irresistible President Jason Lontok. Sa kanyang pamumuno, nailatag ang pundasyon, isang matibay na agos ng serbisyo at fellowship na siyang pinagpapatuloy natin ngayon. At syempre, isang malakas na palakpakan para sa ating Good President! Ikaw ngayon ang bagong agos na magdadala ng mas maraming oportunidad, mas maraming impact, at mas malayong mararating ang RC Metro Pasig.

October is Community and Economic Development Month at dito talaga kumikinang ang mga plano at proyekto ninyo. Hindi lang ito mga activities sa papel, ito ay mga konkretong paraan para makapag-angat ng komunidad. Tulad ng:

- Pagbuo ng high-impact project na hango mismo sa needs assessment ng komunidad. Ibig sabihin, hindi tayo basta nagdadala ng solusyon kundi tunay na nakikinig at tumutugon.
- Ang MOA with private companies tulad ng TGIF group of companies at water filtration projects. Mga proyektong hindi lang one-time kundi may dalang pangmatagalang sustainability, tulad ng agos ng Pasig na patuloy at hindi natutuyo.

From the President

Pres. Roy Quejada

Continuation 2.

- Pagpapalakas ng vocational service forums at trainings dahil hindi sapat na bigyan lang ng tulong ang tao. Dapat bigyan sila ng kakayahan at skills para kumita, lumago, at umasenso.
- At higit sa lahat, RC Metro Pasig ang unang club na nag-implement ng orientation para sa Private Partners tungkol sa Rotary. Ito ay napakalaking bagay dahil hindi lang nito ipinaliwanag kung ano ang Rotary kundi ipinakita rin kung bakit mahalaga at sulit maging katuwang sa ating misyon. Ito ang klase ng partnership na hindi lang panandalian kundi long-term na makakapagpalakas sa ating service at sustainability.

My fellow Rotarians, ito ang tunay na kahulugan ng Community and Economic Development. Hindi lang tayo nagbibigay ng pansamantalang lunas. Nagbubukas tayo ng daan para sa mas malawak na oportunidad. Hindi lang tulong ngayon kundi kabuhayan at kinabukasan. At sa panahon ngayon kung saan napakaraming hamon mula sa kahirapan hanggang sa kawalan ng access sa basic services mas nagiging mahalaga ang trabaho natin bilang Rotarians.

At habang pinapalakas ninyo ang inyong local projects, gusto ko ring pasalamat kayo sa inyong suporta sa district initiatives. Together, we've launched new efforts like the Rotary Peace Poles in four areas, the first-ever Service Project Expo, the Goodness for Kids campaign, at ang Unite for Good Service Projects. Sa membership, nakita natin ang growth ng

From the President

Pres. Roy Quejada

Continuation 3.

clubs at na-approve ang ating unang interest-based club, the Iron Wheels Club.

Sa The Rotary Foundation, nakapag-distribute tayo ng \$160,000 of DDF sa halos 90 clubs, kasama ang inyong club, nakapag-monitor ng bagong Global Grant applications, at nakapag-welcome ng 3 bagong Endowment Funds at 19 major donors. Sa public image naman, nailunsad natin ang website “Wheels in Motion”, nakapag-publish ng articles sa PRM at GML, at pumirma ng 5 bagong MOAs for partnerships. Lahat ng ito posible dahil sa inyong kooperasyon at taos-puso akong nagpapasalamat.

Pero tandaan natin, para manatiling malakas ang daloy ng ating Pasig, kailangan natin palakasin pa ang ating membership at engagement. Because the more people join the stream, the wider and stronger the flow becomes. Kaya I encourage everyone, imbitahin natin ang ating mga kaibigan, kapamilya, at katrabaho. Ipakita natin na Rotary is not just about meetings, it’s about friendships, service with real impact, and sustainable change we bring into the communities we serve.

RC Metro Pasig, tayo ang daluyan. Tayo ang Pasig na nag-uugnay ng tao sa oportunidad, ng komunidad sa solusyon, at ng serbisyo sa sustainability. Sama-sama tayong magpatuloy sa ating misyon. Sama-sama tayong mag-Unite for Good. Maraming salamat po!

Rotary Notes

PP Benny P. De Guzman

When Typhoon Nando was to exit, PAGASA cautioned heavy rains Friday till Saturday morning last weekend. During these times, no rains at all and our Christian group had to cancel our breakfast meeting at VVCC. But the entry of Openg was a different story with plenty of flooded areas, destructions and many deaths. Let us count our blessings for our being spared.

Our two distinguished doctors, HOF/ PP Jess and Doc Ato gave special health care messages to our Pasig Rotary GK village residents. Values formation were also given them by the group of Dir Tet. We are taking care of our GK side while the main proponent of GK is having own woes and concerns.

Super citizen, our very own Rtn Alex led proponents to the anti corruption march the other Sunday. He also gave a very sensitive comment why Mayor Benjie Magalong resigned as adviser of ICI. No nonsense mayor, Benjamin din kasi is not keen on dropping key names in the multiple problematic floodings issues. The imaginative Filipinos also had a good comparison with a leading personality that is being dropped, "the former House speaker". The comparison, American version: Martin Luther King, Filipino version, Martin Looter King. Subtle but malalim ang dating.

On the floodings issue, our fellow Pasgueño, Discaya (Discaya is the limit) is having a grand time telling on those who she gave some meaningful amounts. To the many who hold in high esteem our lone congressman of Pasig, his name was dropped

but Discaya said she has no direct knowledge of Cong Roman getting. The list of comrades in our club is a good manifesto of our concern as well. Even the RINOs signed.

Incidentally, PP Hermie Orbe is no longer with our club pala. He just liked to use the PP while Sammy Lazo returned his classification.

HOF/DDS/PP John Peter hosted the Elar's lechon last week. Even the very good balut? When Rtn Albert Mendiola returned his classification, I thought the days of good balut were gone but last week's was very good, konti nga lang.

Commodore Jay Tarriela, our guest speaker last week, reportedly the youngest general in the AFP, with a very personable approach had a different presentation by going to the floor and asking basic questions first. The WPS is certainly a hot topic to discuss with keen interests of China and many neighbors. Many of our Rotarians came to first hand basic information with the unique approach of Com. Tarriela. He was not aware that a Lt. General was in our midst, Rtn Nesty, easily decades ahead of the good Commodore. PP Bert was telling him that an uncle of his was a companion in some undertakings. Said uncle was my batchmate as club president during RY 1983-84. But I forgot what PP Ed was from.

Next week, our second oldest Rotarian, CM/PP Peping will be celebrating his 97th birthday.

More than 30,000 set to gather in Taipei for Rotary's international convention in June 2026

Rotary members from 120 countries will be welcomed to Taipei for the second time since the city hosted the event in 1994

TAIPEI (17 Sept. 2025) – While in Taipei this week, Rotary International President Francesco Arezzo announced that more than 30,000 Rotary members and participants from over 120 countries will gather in Taipei, Taiwan 13-17 June 2026 for the membership service organization's annual international convention.

The Rotary convention is expected to inject US\$50-55 million into the local economy, and drive significant business for Taipei's hotels, restaurants, retailers, and tourism attractions. Taipei was selected as the site of the 2021 Rotary convention, but the event was cancelled because of the COVID pandemic.

Held in a different city each year, Rotary's international conventions serve as a hub for members and participants to connect and learn from each other and a range of experts on how to take action to address issues in their communities and promote health, peace, and prosperity in communities across the globe.

“Rotary conventions are powerful moments of unity, where people from every corner of the world come together to connect, celebrate service, and spark new ideas for creating a healthier and more peaceful future,” said Arezzo. “We’re

honored to welcome the global Rotary family to Taipei in June 2026, and I look forward to reconnecting with old friends and making new ones as we share in the joy of our collective work to uplift communities around the world.”

In June, convention attendees will transform the Taipei Nangang Exhibition Center and the Taipei Dome into an energized hub and cultural mosaic as the global network of volunteers gain inspiration from more than 100 humanitarian projects on exhibit and from world class speakers.

“Taipei City is very happy to welcome over 30,000 Rotary members from all over the world to the Rotary convention next year,” said City Mayor Wan-An Chiang. “Taipei is ready, and will extend our warmest hospitality to all the Rotary members to ensure that they have an unforgettable and fruitful visit in our city.”

Organized by Rotary International in conjunction with local Rotary members, the convention presents an opportunity to showcase Taipei’s culture, food, and attractions. “Rotary in Taipei and across Taiwan is thrilled to welcome Rotary members and participants from around the world back to Taiwan since we last hosted the Rotary international convention in 1994,” said Rotary Host Organizing Committee Chair, Jackson Hsieh. “I’m excited to share Taipei’s vibrant culture, innovative cuisine, creative and friendly spirit and highlight the positive and lasting change Rotary brings globally and locally.”

Rotary’s members throughout the world develop and implement sustainable, community-driven projects that fight disease,

promote peace, provide clean water, support education, help mothers and children, grow local economies and protect the environment. Over the last 100 years, US\$5.5 billion has been awarded through The Rotary Foundation – Rotary’s charitable arm that helps clubs work together to perform meaningful, impactful service.

In Taiwan, Rotary members are engaged in a wide range of community service projects that bring science education programs to rural schools, support Indigenous communities through environment and vocational training, tackle e-waste through computer refurbishing and donation programs, provide meals and companionship to senior citizens, and much more.
