LUXID ROTARY

Microfinance & Credit Cooperative

ABOUT US

The Luxid Foundation is an organization of members from the different batches of the Ateneo De Manila University, 1959, 1963, and 1967, united to help alleviate poverty among underprivileged people.

The Rotary Club of Pasig is one of the biggest clubs in the country, and is respected and consistent in its service to the Pasig community and to the country in general.

The Luxid Foundation and the Rotary Club of Pasig formed an alliance in 2017 to create the LUXID ROTARY Microfinance & Credit Cooperative.

FRANCISCO "TOPAX" COLAYCO is the Chairman of the Board of LUXID Rotary Microfinance and Credit Cooperative, holds a Masters degree in Business Management (MBM) from the Ateneo de Manila University. He also holds a Ph.D. (Honoris Causa) in Humanities awarded by the National University of the Philippines.

FJC is an entrepreneur, a venture developer and the pioneer in promoting personal finance in the Philippines. He is the author of the "Wealth Within Your Reach" series, the award winning and biggest Filipino best sellers on personal finance and the leading advocate of the personal financial literacy movement in the Philippines.

FJC has over 50 years' experience as a consultant, a professional manager and business owner in the fields of Manufacturing and Marketing, Shipbuilding, Specialty and Pressure Vessel Fabrications, Banking, Financial Services & Real Estate Development. He is the Chairman and Founder of the Colayco Foundation for Education, Inc. (CFE).

FJC is currently the Chairman & CEO of AulumDev Ventures Corporation (AulumDev), and up to March of 2023 was Chairman of One Wealthy Nation Bank (OWN Bank), formerly, the Rural Bank of Cavite City.

Today, FJC is an active ventures advisor and investor in health services. He is engaged in joint venture consulting and specialty trading such as diesel and medical supplies. He is Chairman of The Health Network (THN), an out patient facility with diagnostics, pharmacy and doctors' offices based in Marilao and Guiguinto, Bulacan.

Invocation

Ever loving God, you are the source of all that is good. You never ceases to bless us Unworthy though we are of your love and forgiveness. Continue to protect and guide us closer to your son Jesus. Send your Holy Spirit to be with us in our fellowship. May this brotherhood be ever guided by your wisdom that our conversation and discussion may give glory and honor to your mighty name.

We also lift up to you our fellow rotarians who have gone ahead of us. Grant them eternal rest in your kingdom through Christ Jesus our Lord.
Amen

From: Rtn. Fr. Jojo Opinio

APAT NA URIAN NG ROTARYO

ng mga bagay na ating iniisip, sinasabi o ginagawa:

1. Iyon ba ang **KATOTOHANAN**?
2. Iyon ba ay **MAKATARUNGAN** para sa lahat ng Kina-uukulan?
3. Iyon ba ay lilikha ng **MABUTING KALOOBAN at LALONG MATAPAT NA PAKIKIPAG-KAIBIGAN**?
4. Iyon ba ay magiging **KAPAKI-PAKINABANG** para sa lahat ng kina-uukulan?

Ang Layunin ng Rotaryo

Ang layunin ng Rotaryo ay **“PASIGLAHIN AT IPUNLA ANG SIMULAIN NG PAGLILINGKOD BILANG BATAYAN NG ISANG GAWAIN KARAPAT-DAPAT** at lalo’t higit pasiglahin at ipunla:

1. Ang pagpapaunlad ng pagsasama bilang pagkakataon sa paglilingkod.
2. Ang mataas na uri ng tuntunin sa pangangalakal at sa hanapbuhay, ang pagkilala sa kahalagahan ng gawain kapakipakinabang at ang pagbibigay dangal ng bawa’t Rotaryo sa kanyang hanapbuhay bilang pagkakataon upang makapaglingkod sa lipunan.
3. Ang pagsasakatuparan sa simulain ng paglilingkod sa bawa’t Rotaryo sa kanyang pansarili, pangkabuhayan at panglipunang pamumuhay.
4. Ang pag-unlad ng pagkakaunawaan, mabubuting kalooban at kapayapaan ng mga bansa sa pamamagitan ng isang pang-daigdig na kapatiran ng mga propesyonal na nabubuklod sa simulain ng paglilingkod.

Song of the Day

In My Life

By: The Beatles

There are places I remember
All my life, though some have changed
Some forever, not for better
Some have gone and some remain

All these places had their moments
With lovers and friends I still can recall
Some are dead and some are living
In my life I've loved them all

But of all these friends and lovers
There is no one compares with you
And these memories lose their meaning
When I think of love as something new

Though I know I'll never lose affection
For people and things that went before
I know I'll often stop and think about them
In my life I love you more

Though I know I'll never lose affection
For people and things that went before
I know I'll often stop and think about them
In my life I love you more
In my life I love you more

From the President

Pres. Roy Quejada

Rotary Clubs of Pasig and Mandaluyong Celebrate World Polio Day with SCEI Students

In celebration of World Polio Day, the Rotary Club of Pasig led a heartwarming joint project with the Rotary Clubs of Pasig (Zone 6) and Mandaluyong (Zone 8) at the Special Children Education Institute (SCEI) in Pasig City last October 24, 2025.

With the theme “Boo-tiful Hearts,” the event combined the Rotary’s End Polio Now advocacy with SCEI’s annual Halloween celebration, bringing together fun, purpose, and compassion. The clubs distributed loot bags, food, and prizes, and organized games and activities that made the day more exciting for the students. Syempre Meron din mga loot bags mga Rotarians (di ba IPP Bernard?)

Fellow RC Pasig Rotarians graced the occasion, including Congressman Rtn. Roman Romulo, Vice Mayor Rtn. Dodot Jaworski, Hall of Famer John Javier, IPP Bernard, Dir. Aris, and Rtn. Bien Sibug. (Some joined us in spirit- Halloween nga!)

This visit marks a continuing partnership with SCEI following the initial joint project of both zones at the start of the Rotary Year 2025–2026. It served as a reaffirmation of Rotary’s commitment to support institutions that care for children with special needs showing that Rotary’s service goes beyond one-time projects.

The students’ joy was evident through their smiles and laughter,

From the President

Pres. Roy Quejada

Continuation 1.

as they eagerly participated in the games and took photos with Rotarians. PP John Javier and Vice Mayor Rtn. Dodot Jaworski shared words of encouragement, emphasizing Rotary's ongoing advocacy to End Polio and to uplift communities through compassion and shared purpose.

Indeed, it was a meaningful celebration a reminder that small acts of service create a lasting impact in the hearts of many.

PS : Today, we are welcoming the families of our departed Rotarians and spouses as part of our cherished yearly tradition of honoring our brothers and sisters in service during All Souls' Day.

It reminds us that though they are no longer with us, their spirit of service and fellowship continues to live on in our Rotary family.

Rotary Notes

PP Benny P. De Guzman

As we celebrate the Memorial Mass for our departed Rotarians and spouses, we must start with something more pleasant. Let us remember the live of first in celebration of major events.

The distinguished members are celebrating their wedding anniversaries counting the decades not their gray hairs in the process. To PP Bong and Dir Pal, happiest of anniversaries. Dir Pal said he will give the lechon, baka over lechon Tayo as every Memorial Mass, the lechon is the gift of PP Bert A who celebrated his birthday yesterday. Sana Pres Roy was able to warn one of the two as there is a next week pa naman.

The response of members for additional funds for our scholarship fund was very encouraging. If the late PP Sonny Samson was around, he would donate a huge amount as graduate siya ng Rizal High School. The needed funds will come from my golf tournament scheduled this coming January pa. If there are shortfalls, can Luxid-Rotary bridge the gap? Kayang kaya naman. No interest please, accomodation lang.

I am the most senior past president in active membership now but being 14th president means there were 13 before me, 12 of them have passed and a CM who surrendered his classification, PP Kati de los Reyes, remarried and resigned so as not to have a spouse be listed as replacement. Seven of the spouses before my term have passed on.

The response to the earthquake rehabilitation in Bogo, Cebu was heartwarming that we as members of our great club must

Rotary Notes

PP Benny P. De Guzman

Continuation 1.

rejoice in what a super Rotarian donated was there with spouse Baby, to give his cash out in generous amounts. Mabuhay ka Flor!

As we continue our prayers to prevent a similar one to strike our vicinity as we are near the fault in our vicinity, we sympathize also to the coastal town in Davao that was hit twice in a matter of weeks.

Tin welcomes to the club baby Rotarian John Nepomuceno, sponsored by PP Adolf to lower our average age. I cannot recall our last for fireside chat but that indeed is a true missing link to our vaunted fellowship.

This Memorial Mass is a fellowship as well if our departed members will be truly honored if their loved ones were invited to attend. In fact, this used to be assisted by our ARAP past presidents to make sure recognition and appreciation are well placed.

To the generous sponsors of our golf tournament this January, please replenish our funds.

Walking the Avenues

PP Jun C. Zafra

7 Areas of Rotary Service

The Trustees of The Rotary Foundation have identified seven areas of focus for the new grant structure. These areas reflect critical humanitarian issues and needs that Rotarians are addressing worldwide. They will align Rotary with other international development efforts and will strategically further the Foundation's mission.

Rotary Clubs serve communities around the world, each with unique needs and concerns. Rotarians have continually adapted and improved the way they respond to those needs, taking on a broad range of service projects. The most successful and sustainable Rotary service tends to fall within one of the seven following areas:

Peace and Conflict Prevention / Resolution

Today, 42 million people are displaced by armed conflict or persecution. Through our partnerships with several leading universities, Rotary Peace Fellows develop the skills to strengthen peace efforts, train local leaders to prevent and mediate conflict, and support long-term peace building in areas affected by conflict. We provide up to 100 peace fellowships per year at Rotary Peace Centers. (July 2014)

The Foundation enables Rotarians to promote the practice of peace and conflict prevention/ resolution by:

1. Training leaders, including potential youth leaders, to prevent and mediate conflict
2. Supporting peace-building in communities and regions affected by conflict

Walking the Avenues

Continuation 1.

3. Supporting studies for career-minded professionals related to peace and conflict prevention/resolution

Disease Prevention and Treatment

More than 100 million people are pushed into poverty each year because of medical costs. We aim to improve and expand access to low-cost and free health care in underdeveloped areas. Our members educate and mobilize communities to help prevent the spread of major diseases such as polio, HIV/AIDS, and malaria. Many of our projects ensure that medical training facilities are located where the workforce lives. (July 2014)

The Foundation enables Rotarians to prevent disease and promote health by:

1. Improving the capacity of local health care professionals
2. Promoting disease prevention programs, with the goal of limiting the spread of communicable diseases and reducing the incidences of and complications from non-communicable diseases
3. Enhancing the health infrastructure of local communities
4. Educating and mobilizing communities to help prevent the spread of major diseases
5. Preventing physical disability resulting from disease or injury
6. Supporting studies for career-minded professionals related to disease prevention and treatment

Water and Sanitation

More than 2.5 billion people lack access to adequate sanitation facilities. At least 3,000 children die each day from diarrheal diseases caused by unsafe water. Our projects give communities the ability to develop and maintain sustainable water and

Walking the Avenues

Continuation 2.

sanitation systems and support studies related to water and sanitation. (July 2014)

The Foundation enables Rotarians to ensure that people have sustainable access to water and sanitation by:

1. Providing equitable community access to safe water, improved sanitation, and hygiene
2. Strengthening the ability of communities to develop, fund and maintain sustainable water and sanitation systems
3. Supporting programs that enhance communities' awareness of the benefits of safe water, sanitation and hygiene
4. Supporting studies for career-minded professionals related to water and sanitation

Maternal and Child Health

At least 7 million children under the age of five die each year due to malnutrition, poor health care, and inadequate sanitation. To help reduce this rate, we provide immunizations and antibiotics to babies, improve access to essential medical services, and support trained health care providers for mothers and their children. Our projects ensure sustainability by empowering the local community to take ownership of health care training programs. (july 2014)

The Foundation enables Rotarians to improve the health of mothers and their children by:

1. Reducing the mortality and morbidity rate for children under the age of five
2. Reducing the maternal mortality and morbidity rate
3. Improving access to essential medical services, trained community health leaders, and health care providers for mothers and their children

Walking the Avenues

Continuation 3.

4. Supporting studies for career-minded professionals related to maternal and child health

Basic Education and Literacy

Sixty-seven million children worldwide have no access to education and more than 775 million people over the age of 15 are illiterate. Our goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy. (July 2014)

The Foundation enables Rotarians to ensure that all people have sustainable access to basic education and literacy by:

1. Involving the community to support programs that strengthen the capacity of communities to provide basic education and literacy to all
2. Increasing adult literacy in communities
3. Working to reduce gender disparity in education
4. Supporting studies for career-minded professionals related to basic education and literacy

Economic and Community Development

Nearly 1.4 billion employed people live on less than \$1.25 a day. We carry out service projects that enhance economic and community development and develop opportunities for decent and productive work for young and old. We also help strengthen local entrepreneurs and community leaders, particularly women, in impoverished communities.

The Foundation enables Rotarians to invest in people by creating sustainable, measurable, and long-term economic improvements in their communities and livelihoods by:

Walking the Avenues

Continuation 4.

1. Building the capacity of entrepreneurs, community leaders, local organizations, and community networks to support economic development in impoverished communities
2. Developing opportunities for productive work
3. Reducing poverty in underserved communities
4. Supporting studies for career-minded professionals related to economic and community development

Environment

Supporting the environment becomes Rotary's seventh area of focus. It joins peacebuilding and conflict prevention; disease prevention and treatment water, sanitation, and hygiene. RI past President Ian Riseley is the chair of the Environmental Issues task force, which he has championed the new area of focus.

Tinig Tidbits

By: HOF/PP Peter Javier

BIOLOGICAL DIFFERENCES BETWEEN MALES & FEMALES

- Most of the babies that are born with defects and disabilities are male. Females with defects have a spare copy of their x chromosome.
- Males usually have larger veins than females.
- Autism is four times more common in males than females.
- Generally speaking, females have vertical foreheads, whereas males have sloped foreheads.
- The fat in males is deposited between their organs. With females, fat forms around the abdomen in a ring shape. Liposuction is therefore easier to perform on females. And you can usually determine gender from an MRI scan.
- Males actually have longer eyelashes than females.
- On average, a man's longest finger is his middle one. Women usually have longer index fingers.
- Mitochondrial disease can only be passed to offspring by the female.
- Males can be anything from three to ten times more likely to stutter and stammer than females.
- As they age, men tend to get worse at hearing high-pitched sounds. Women get worse at hearing low-pitched sounds.

Tinig Tidbits

By: HOF/PP Peter Javier

Continuation 1.

- Females do much better at distinguishing between shades of colors than men do.
- In females, blood flow is concentrated around the pelvic region, as well as in vital organs. In males, the blood flow is spread more evenly. That's why women get colder extremities than men.
- Males and females process things like alcohol at different rates because our livers differ in about 1,000 genes.

Rotary Academy Refresher Course

By: Dir Joseph Gualberto

Last Saturday, October 25, 2025 the District 3800 had the Rotary Academy Refresher event which was attended by RCP Rotarian's, PE Jun Zafra, Dir. Roland Vasquez, Dir. Aris Marfil, Rtn. Rodolfo Sanguyo, Rtn. Richie Defensor and myself. The event was held at the President's Hall of Johnson Park North Greenhills San Juan from 7AM to 12PM. There were 4 topics discussed that we summarized as follows:

Topic 1 – Is about the DEI of Rotary membership which stands for Diversity, Equity and Inclusion. Diversity is the process of which Rotary accepts different races, nationality, professions and the like. Equity is the process of which Rotary upholds the equality among members. Every member will be treated equally and no one will be left behind. Inclusion is the process of which the member is considered and encouraged to join the Club's programs and activities. End Polio is one of the sample program that was discussed that applies the Diversity, Equity and Inclusion of Rotarian's. There are 2 more countries that still have Polio related cases and they are Afghanistan and Pakistan. Rotary International and the Clubs are continuously supporting this program to completely End the Polio cases around the world.

Topic 2 – Is about Increasing the Impact, Expand our Reach, Enhance Participant's Engagement and To Do Things Differently. Increasing the service impact refers to our project's result and impact to the end consumer or clients we are servicing. The end result should have a significant value that

Rotary Academy Refresher Course

By: Dir Joseph Gualberto

Continuation 1.

will make the project successful. Expand our Reach is the process on which we consider outskirts and rural areas of the community that are in need of Rotary's services and support. Enhance Participant's Engagement refers to creating a team for each project and engaging the members to handle roles and responsibility for the success of the project. The last one which is Do Things Differently refers to exploring and trying new ideas, don't be shy to share your inputs to the team and be a contributor for the success of the project.

Topic 3 – Is about The Rotary Foundation. The facilitator explained the T principle; Thinking will affect your Action. It starts with the Mind for thinking, then to the Heart for emotional assessment and last will be for Action that requires time, treasure and talent. Have learned that the TRF is the charitable arm of the Rotary and are also committed on the 7 areas of focus (Water, Peace, Health, Education, Economic Dev, Child Care and Environment Dev).

Topic 4 – Is about Basic Learning Seminar in Rotary International Learning Center. We can download the Rotary Learning Center application in our mobile phone or access it via RI website and go to Learning Center. We can access and go through the available training modules for our additional learning and knowledge about Rotary. The facilitator also explained about the 5 core values of Rotary, Diversity, Integrity, Leadership, Fellowship and Service. The most important from the 5 is the INTEGRITY. Rotarian's must

Rotary Academy Refresher Course

By: Dir Joseph Gualberto

Continuation 2.

uphold the value of integrity as one of the 5 core values of Rotary.

Overall, the seminar was well organized, on time and with so much food for everyone. Looking forward for this kind of event in the future. This helps the new members of Rotary to know more about the Rotary Club rules, regulation and processes.

ROTARY CODE OF CONDUCT

As a Rotarian, I will

1. Exemplify the core value of integrity in all behaviors and activities
2. Use my vocational experience and talents to serve in Rotary
3. Conduct all of my personal, business, and professional affairs ethically, encouraging and fostering high ethical standards as an example to others
4. Be fair in all dealings with others and treat them with the respect due to them as fellow human beings
5. Promote recognition and respect for all occupations which are useful to society
6. Offer my vocational talents: to provide opportunities for young people, to work for the relief of the special needs of others, and to improve the quality of life in my community
7. Honor the trust that Rotary and fellow Rotarians provide and not do anything that will bring dis-favor or reflect adversely on Rotary or fellow Rotarians
8. Not seek from a fellow Rotarian a privilege or advantage not normally accorded others in a business or professional relationship
