Thursday noon and we're on the go
Meeting in a place you know
Breaking bread with one another
Getting in the swing
We come to meet with friends
Pasig Rotarians we all are
Young and old, wise and otherwise
With a sense of service
Everything we do
for the community
And when we get the chance
Pasig Rotarians

Rotary Club of Pasig Extends Compassion to Pasig Inmates

The Rotary Club of Pasig carried out an initiative to bring dignity and hope to the inmates of the Pasig Police Station, whose living conditions are, as described by many, nakakaawa (pitiful). The project reflects the club's enduring commitment to Service Above Self by addressing not just material needs but also the human spirit behind bars.

Inside the cramped detention cells that currently house around 200 inmates, the lack of space and basic necessities paints a difficult picture of daily life. Recognizing this reality, the Rotary Club of Pasig extended help by donating yellow shirts and bottles of liquid soap simple yet meaningful items that promote hygiene, comfort, and human dignity.

The shirts were generously donated by Rotarian Bernard Bobadilla, while the liquid soaps were contributed by Rotarian Bien Sibug- embodying the Rotary spirit of generosity and compassion. These acts of kindness are not just material assistance but also a reminder to the inmates that they are not forgotten, and that rehabilitation begins with being treated with respect and care.

The activity was made possible in coordination with the Pasig Police under the leadership of PMAJ Kristo John L. Ramirez,

Chief of the Station Administrative and Resource Management Section, and PEMS Noli Paracale, PNCOIC of the Custodial Facility Unit as well as PCpt. Resel Guevarra.

This small gestures can uplift spirits and inspire change: When we extend kindness to those who are often unseen by society, we remind them and ourselves that everyone deserves proper treatment. PP / HOF John joined me in this activity and we were given a certificate of appreciation from Pasig PNP

Through this initiative, the Rotary Club of Pasig continues to live out its mission of building better communities, one compassionate act at a time.

Rotary Notes

PP Benny P. De Guzman

When it comes to quick response, our club is too fast to re react. The great earthquake that rocked Bogo, Cebu is a clear example when our ever alert members responded appreciable concerns. There are clearly three giants in our club when it comes to the proper response to the need of others. PRID Raffy is one for domestic and foreign concerns while Rtn Chony and Rtn Flor are for greater communities we can reach out to. For Cebu, PRID Raffy gave a huge amount but Flor had a more massive and personal concerns that the huge amount for the birthday celebration of spouse Baby plus more funds were generously given to the victims. Dir Tet had enough of water supply in container vans plus HOF/PP Jess provided milk from our milk bank at RMC to Cebu milk bank. It is so touching that the recipients were giving free buko juices and buko shreds to those giving aids.

Regular attendee former RC Valle Verde Rotarian Jerry Quibilan is so concerned about the community that he is distributing out stickers for their job new movement HKM proudly meaning kuno, Huwag Kang Magnakaw. But you know how prolific people are for interpreting initials. For Rtn Philip, a dedi for Korean whether from North or South, wala na kayo. He. Interprets this as Hail Korean Movement. It can also mean Huwag Kang Magpahuli. But the same, the initiative was from a nationalistic lawmaker, an idealist who has high hopes for our country. I will be a follower in spirit but not to place a sticker in my car.

the Polio Plus campaign. An active member of RC San Juan will celebrate her 70th birthday with a grand party where guests are requested to give gifts in checks for Polio Plus and for Paul Harris fellows or for The Rotary Foundation Mabuhay kayong dalawa, Ramy and Pilar!

NU Dean of Dentistry, our very own PP Nick has bolstered the dental clinic of our Ilugin Medical Center with its tie up with Pasig, Pateros & Taguig chapter of the Philippine Dental Association so now our dental chair can be of much use. Please tell those using this as barber chair or beauty chair that dental patients are now priorities.

Today, it is the birthday of senior Rotarian Chito. If we missed out on the lechon baka he is forgetful already. I hope that PP Garrick will not miss out as he celebrated his a few days ago. But tomorrow is a Double Ten celebration. it will be the 97th birthday of CM/PP Peping, 2nd eldest active member of our club and the 81st birthday of PP Topax. it is also the much celebrated Double Ten of Taiwan and UP Los Baños when the students and faculty pledge their loyalty to our republic. How about the 11th? That is the actual birthday of PP Pilar. Onahan lang yan!

Presidential message

Francesco Arezzo
President 2025-26
October 2025

October is Rotary's Community Economic Development Month, a time to spotlight our efforts to help communities build thriving, sustainable futures. This month's observance aligns perfectly with the Rotary core value of leadership.

Leadership means empowering people to guide their own progress. That is precisely what Rotary's economic development projects aim to achieve.

Take, for example, a recent initiative in southern India in which Rotary members unlocked the power of women of the Adivasi tribal groups through sewing training to earn a living and regain social inclusion. Historically, widows and abandoned women in this region lose social standing and are shunned by society or blamed for their misfortunes. Opportunities to support themselves or obtain training are minimal.

This year, the Rotary Club of Windsor Roseland, Ontario, partnered with clubs in Districts 3203 and 3234 in India — and with the Indian organization Sevalaya Trust — to provide sewing machines and training to 80 Adivasi women. They learned to stitch saree blouses, kurta tunics, and salwar suits, enabling them to support themselves and their families. Each

woman received a certificate for completing the program, and the sewing-machine provider offered free long-term maintenance for the machines. The project offered vital income and dignity to women ostracized by society after widowhood.

This story is one example of Rotary leadership in action: local people guiding solutions that address their community needs. Our role is not to deliver charity or to impose outside models, but to foster self-reliance by investing in leadership, skills, and sustainable enterprise.

This October, I invite Rotary members worldwide to reflect on economic leadership in their communities. Who is stepping forward to lead local economic initiatives? Where is there untapped talent that could be supported with training or mentorship? How can your club catalyze opportunity through partnerships with local businesses, vocational schools, or savings groups?

Leadership is not always about being visible. Sometimes it means listening, working collaboratively, and amplifying the voices of others. That approach lies at the heart of Rotary's philosophy and our lasting impact on economic development.

By building capacity — whether through microcredit groups, vocational training workshops, or entrepreneurship programs — we enable communities to lead their own transformation. When people take ownership of their progress, change becomes sustainable.

Let us lead with good intention and provide support with heart.

Walking the Avenues

Continuation 2.

By nurturing local leadership, we can create opportunities that ripple through communities, empowering individuals, families, and societies.

Together, we can support economies that work for everyone and enact community development projects that last.

Wheat not Weeds

By: Rtn. Fr. Kell Ortega

What is Accountability?

The Parable of the Unjust Steward (Lk 16:1-13) clearly gives us a message: everything we have is to be used for good, not to be squandered for selfish needs. Why? It is because everything that we see and hold is created by God and we are His stewards. So we will be held accountable on how we used these before God. We are, then, not owners but stewards.

As we demand accountability from our lawmakers and public servants regard the way public funds, which came from our hard-earned wages through taxes, were spent, so must we demand accountability on ourselves. We have to realize that everything we have and hold precious are gifts from God not only for our benefit but also others. In other words, God blessed us so many wonderful things so we can bless others especially the poor. We are then meant to help each other. In this case we are responsible to each other.

Thus, at the end of our lives, God will hold us accountable to everything we have done. If that's the case, we should then live our lives in service to others by using all the blessings God has given us. In this way, we practice being responsible to one another. So let's use what we have and who we are to help each other for the better. Then perhaps, we can build a better society where integrity, accountability, and transparency reign and not corruption.
