# Invocation

We come to you Ever-loving Father with humility and contrite heart. Forgive us for our shortcomings and for the many times that we become uncharitable towards our others. Continue to inspire us and make us agents of change in our society. As we gather today in fellowship, send your Spirit to touch each of us and make our hearts like your Son Jesus that we may glorify you mighty name.

**Amen.**

## Song of the Day

### PASIG ROTARIANS

*(Tune: Dancing Queen)*

Woo, woo, woo, woo, woo, woo, woo, woo, woo

You can see, you can feel

Having the time of our life

Oh see us now, watch us now

Pasig Rotarians

Thursday noon and we're on the go

Meeting in a place you know

Breaking bread with one another

Getting in the swing

We come to meet with friends

Pasig Rotarians we all are

Young and old, wise and otherwise

With a sense of service

Everything we do

for the community

And when we get the chance

Pasig Rotarians

Young and old, since seventy one

Pasig Rotarians serves the need

of the community

You can see, you can feel

Having the time of our life

Oh see us now, watch us now

# Song of the Day

*Continuation 1.*

Pasig Rotarians  
We're Rotarians, we're on the go  
Looking for opportunities  
Where we can serve our brothers  
Looking beyond ourselves  
We're in the search to serve  
And when we get the chance  
Pasig Rotarians  
Young and old, since seventy one  
Pasig Rotarians serves the need  
of the community

You can see, you can feel  
Having the time of our life  
Oh see us now, watch us now  
Pasig Rotarians, Pasig Rotarians

## From the President

Pres. Jun Zafra

***“ASK NOT WHAT YOUR COUNTRY CAN DO FOR YOU ---  
ASK WHAT YOU CAN DO FOR YOUR COUNTRY”***

Pres. John F. Kennedy

In 1961 when JFK mentioned in his inauguration above phrase, he was not just giving a speech. He was giving us a challenge that is still alive today.

What is happening in our country today?

We see it in the news and in our communities. We see families still recovering from floods and disasters. We see classrooms that need support, hospitals that need equipment and ongoing impeachment trial in the Senate.

We see young people looking for direction and many Filipinos asking “Who will help?”

But Rotary has never about waiting.

So what can WE do as Rotarians?

We SERVE – Every relief operation, every medical mission, every scholarship is us answering what we can do. Let us double down on projects that directly ease the burden in our communities.

We LEAD – People are watching us. Let us mentor new members, engage each other and show that service is still the most powerful force in a community.

## **From the President**

**Pres. Jun Zafra**

### ***Continuation***

We INVITE – Membership and Club Development Month reminds us more hands means more impact.

We may not fix everything. But we can fix something. Right here. Right now. Because when Rotarians act, the country feels it.

Our country does not need more critics. It need more Rotarians.  
Service Above Self

Jun C. Zafra  
High Impact President  
RY 2026 - 2027

## **Rotary Notes**

**PP Benny P. De Guzman**

Last week's meeting was a very well balanced one for our club. All parts went very well that even the talk of PP Celso and the classification talk of baby Rtn Abe Sarangaya blended with the very fine fining of HOF/PP Peter. Peter recognized the European rainy day outfit of Rtn James, starting a well balanced fining to set the tone.

Tinig welcomes the new column Legal Corner by PP Celso. But as a club bulletin, we should be guided by what the District wants of a bulletin.

Rtn Konsi Simon was not with us last week though.

It is nice the Tidbits column of HOF/PP Peter last week. He wrote that "I am" is the shortest non-elliptical sentence in English. May I add that "I do" is the shortest death sentence? I am reminded when CM/PP Peping repeated his marriage vows during their 70th wedding anniversary and how he shouted his "I do"!

What do you call a sentence when translated to English has 2 meanings. There was a long TV show that emphasized "Laging Panalo Ang Hapon". It meant for them always the winner and always referring to their balanced program but it can mean, always winner the Japanese or even Japan. To make it more biting. A lady NPA in Bicol told her ward "walang susuko". Meaning, nobody will surrender. Can it also mean "not my breast"? Funny the language of ours. When a Filipino and a European were waiting for the elevator, the Filipino asked

## **Rotary Notes**

**PP Benny P. De Guzman**

*Continuation 1.*

"bababa ba?". And the lift operator told him "bababa". And the confused European said "You understood each other?"

The middle table of our is always with a bunch of PPs and for sure, visiting ex-Rtn Jerry Quibilan. The group went inquisitive when I said that a good friend met me at the entrance of our meeting with a greeting "Benny, I am sure you are missing Pura a lot so when you are too lonely, just see me and I will cheer you up and I will make you happy." Somebody asked if the one who offered me was a widow. No, it was Jake Oh. And, Oh meant it.

Two good signs of a well handling of cane. PP Ner to show he is in his 90's already is using a cane. Rtn James with a golf cap was carrying a big umbrella. And HOF/ PP Peter is now using a walker because of a freak fall.

The 2 good talks last week showed Abe, even at a very young age seemed to be in a hurry in achieving his goals. It was a classification talk which he ended with a nice song. PP Celso citing his various club and District involvement also considered going for the governorship of our district. He did not mention at all that he was to be a regular priest but he realized he can be a better Christian by leading a well managed marital life.

Now with the distinguished Ms. Heidi Mendoza as our guest speaker, once again we will see Rtn Roy. Tagal na niyang nawala.

### ***Ms. Heidi L. Mendoza***

Heidi Reyes Lloce-Mendoza is a Certified Public Accountant (CPA) and former civil servant widely recognized both in the Philippines and internationally for her fierce advocacy against corruption and her commitment to governance reforms.

She attended Tayabas East Elementary School and graduated as the class salutatorian from St. John Bosco Academy in Tayabas. Mendoza later earned her Bachelor of Science in Accountancy from Sacred Heart College of Lucena City in 1983, passing the CPA board exam in 1984. Committed to lifelong learning, she pursued post-graduate studies at the University of the Philippines Diliman's National College of Public Administration and Governance, where she earned a Master of Public Administration. She also attended the National Defense College of the Philippines, completing a Master in National Security Administration.

Heidi began her career in public service in 1996 as a state auditor at the Commission on Audit (COA). Recognizing her expertise and integrity, she was appointed as one of its commissioners in 2011. She served in this role from 2011 to 2015 and briefly took the helm as the agency's Officer-in-Charge (OIC) from February to March 2015. Breaking barriers internationally, she served as the Under-Secretary-General of the United Nations Office of Internal Oversight Services from

2015 to 2019, making history as the first Filipino to hold that high-level position.

Heidi first gained national prominence in 2011 when, as a dedicated COA auditor, she uncovered deep-seated corruption within the Armed Forces of the Philippines (AFP). She fearlessly exposed irregularities involving the diversion of military funds alongside an unaudited pool of discretionary funds estimated at PHP 1.5 billion. Her explosive testimonies revealed that high-ranking AFP officials—including former military comptroller General Carlos Garcia—were siphoning off millions of pesos intended for soldiers' pensions and allowances. Despite facing severe personal risk and receiving numerous death threats, she refused to back down. Her revelations exposed systemic flaws within the AFP and solidified her reputation as a beacon of public service and ethical leadership.

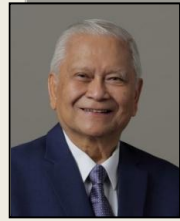

In recognition of her contributions, Heidi was honored with the prestigious 2024 Outstanding Professional in Accountancy award by the Professional Regulation Commission. She was also celebrated with the 2023 Accountancy Centenary Award of Excellence by the Professional Regulatory Board of Accountancy (PRBOA) and named by Yahoo! Philippines as one of seven modern-day Filipino heroes. Driven by a continued desire to serve, she ran as an independent candidate for the Philippine Senate in 2025, securing over 8.7 million votes and placing 21st overall.

She is happily married to Meynardo “Roy” Mendoza, a retired history professor from Ateneo de Manila University, with whom she has three children.

# LEGAL CORNER

By PP Celso Ylagan II

In ***Cabutaje vs. Republic of the Philippines***, G.R. No. 248569, January 15, 2025, the Supreme Court has ruled that the marriage of petitioner Ericson C. Cabutaje and private respondent Romelia A. Cabutaje is **VOID** on the ground of psychological incapacity.

## Facts:

Ericson married Romelia in Cagayan in January 2003, and had a daughter in February 2003. Thereafter, Romelia went to Taiwan, leaving Ericson to take care of their child. Due to financial difficulties, Ericson similarly went to Taiwan to work. In Taiwan, the spouses rarely met; over time, the marriage turned sour. After months of marital strife, Romelia egregiously had a romantic relationship with another man. In 2012, Ericson filed a petition for the declaration of nullity of marriage and sought to have his marriage with Romelia declared **void ab initio** on the ground of psychological incapacity.

## Ruling:

After a judicious rumination of the records, the Court granted the Petition and declared their marriage void **ab initio**. **Article 36** of the Family Code recognizes psychological incapacity of a spouse as a ground to void a marriage which plaintiff-spouse has to prove by clear and convincing evidence. It was found that Romelia had a histrionic personality disorder (**HPD**), a chronic and enduring condition marked by a consistent pattern of attention-seeking behaviors and an exaggerated display of emotions. Due to Romelia's evident disregard and lack of concern for her responsibilities as a wife and mother, Ericson and their child were deprived of moral and emotional support, respect, love, care, and trust. Given the foregoing discourse, the Court found that the severance of Ericson and Romelia's marital **vinculum** will better protect the State's interest to preserve the sanctity of marriage and family as social institutions, the meanings of which have been utterly lost on Romelia. 🏛️
