Song of the Day

To All The Girls I've Loved Before

By: Song by Julio Iglesias and Willie Nelson

To all the girls I've loved before
Who traveled in and out my door
I'm glad they came along
I dedicate this song
To all the girls I've loved before

To all the girls I once caressed
And may I say, I've held the best
For helping me to grow, I owe a lot, I know
To all the girls I've loved before
The winds of change are always blowing
And every time I tried to stay
The winds of change continued blowing
And they just carried me a way

To all the girls who shared my life
Who now are someone else's wife
I'm glad they came along
I dedicate this song
To all the girls I've loved before

To all the girls who cared for me
Who filled my nights with ecstasy
They live within my heart
I'll always be a part
Of all the girls I've loved before

Song of the Day

We dedicate this song

To all the girls we've loved before
Who traveled in and out our doors
We're glad they came along
We dedicate this song

Start of Pagpupugay sa Kabayanihan ng Pasig Pulis:

The recent kickoff of Pagpupugay sa Kabayanihan ng Pasig Pulis, held last Monday, February 2, marked another milestone in the continuing partnership between the Rotary Club of Pasig and the Pasig PNP. It was more than a formal launch it was a moment filled with gratitude, respect, and shared purpose.

During the Monday flag ceremony at Pasig PNP, I had the opportunity to deliver a short message to the men and women in uniform. When we announced the start of this year's Pagpupugay Awards, you could really feel the appreciation maraming nagpapasalamat, maraming ngiti, and plenty of handshakes. It was a simple but powerful reminder that recognition truly matters.

In my message, I thanked our police officers for their courage and commitment in keeping peace and order in Pasig. Napapanatag kami dahil alam namin na ginagampanan ninyo ang inyong tungkulin a reflection of the trust and confidence the community places in those who serve and protect.

I also reiterated why we continue this initiative. Beyond recognition, Pagpupugay is about honoring service and strengthening trust. As our benefactor Rtn. Chony Jimenez often says, "Mahal ko ang mga pulis." That simple statement captures the heart of this project.

We sealed this commitment once again by officially signing the Memorandum of Agreement for Pagpupugay sa Kabayanihan

ng Pulis, together with Pasig ACOPA, represented by Lt. Col. Dela Rosa, and witnessed by PP John Javier, Dir Gary Ona, and Dir. Roland Vasquez.

Now on its fifth year, this project has helped build trust between the police and the community and that trust has grown both ways. We are proud of that legacy.

This year, the project is chaired by Dir Gary Ona, with Rtn Carlos Chuaunsu as vice chair. As we begin the screening process, members will be invited to take part isang magandang karanasan ang makasalamuha ang ating kapulisan and to witness their dedication firsthand.

Peace and order is one of Rotary's areas of focus. As we continue this project, we live out the true meaning of Service Above Self.

Roy E. Quejada
Respect. Support. Serve

Rotary Notes

PP Benny P. De Guzman

inig is eager to know the proceeds of the two important events for our club. The President's Cup Golf Tournament we are hosting late next week and the noted Pagpupugay sa Pulis ng Pasig, a club project but solely financed by Rtn Chony, a non-attending member.

These two are meaningful projects, the first an earning in finances and the second, in community recognition and truly honoring the efficient police of our city

Our charter anniversary is actually the birthday of our PP Vic L. and to honor his 80th, close friends and college chums were there to honor him. Both Vic and Rtn Rod were blessed with an E.W.D. and they showed this with their respective canes. As they were given a new lease in life, the canes are gentle reminder how to take care next time around. Lucky for Vic, aside from the is a regular caregiver. His cane is ready to shove off any Rotarian talking to said caregiver.

The best greeter of our club was the empowering emcee last week, Rtn Jake. He called PP Adolf, Adolfo which was not pleasant to the ear of Adolf that he called Jake, Joaquin. I recalled Balagtas with his Conde Adolfo. Ang tapang ng tao, sa away di tatakbo.

Endorsed by Dir Roland, we are to induct to our club, Rtn Shaquille Gulaman, a Rotarian from the Rotary Club of Cotabato City. And on their third time in attendance, a Rotarian sponsored also by Dir Roland, Mark John Castillo and Armando

Rotary Notes

PP Benny P. De Guzman

Aquino. Abe Sarangaya is sponsored by PP Celso.

On his second attendance is Max Joaquin, is sponsored by PE Jun, a widower like him. The three earlier mentioned will lower our average age but with Max, it will go up a great bit. With Max, adjusting will be easy as he is an old timer and past president of Philippine Marketing Association and active with the religious group of PE Jun and many of us here in the BCBP. If you do not know what that stands for, it is not important. It is the man, not his group.

We congratulate the way PP RJ is leading his National University. The expansion program on their 125th Anniversary in reaching out to the countryside is certainly very good for the country. The expansion will be fast as it will go to the expansion of the business empire of the great Sy family.

Originally, SM was concocted to be for the Sy and Mendiola, the accountant who started the business empire of Henry Sy. it now stands for ShoeMart, with Mendiola, now deceased a forgotten founder

PP Henry and Rtn Richie are fond of spiritual passages to share. PP Henry from his own back yard while Rtn Richie pala is getting them from a friend and just sharing it in our viber group. Richie is good in coaching and in hair grooming that even to our PRID Raffy, he showed once that good grooming starts in his own barbershop. My grooming? Sa Landers, libre after any shopping with my spouse.

We join in congratulating Rotary Club of New Manila East for their coffee table book that won a major Rotary award.

Presidential message

Francesco Arezzo
President 2025-26

February 2026

At last month's International Assembly, President-elect Olayinka "Yinka" Hakeem Babalola called on members of the Rotary world to live out our presidential message for the 2026-27 Rotary year: Create Lasting Impact.

This February, as we observe Peacebuilding and Conflict Prevention Month, we have an opportunity to channel Yinka's call to action into real change.

Peace is not simply the absence of war. A life free from conflict but marked by hunger, instability, or the inability to care for one's family is not true peace. Peace requires liberty, opportunity, and respect for human dignity. Yet fear often blocks that path fear of change, of cultural loss, of people we don't understand.

Fear isn't defeated through avoidance or aggression. Knowledge is the first step toward peace. Rotary embraces this idea. Our Rotary Peace Centers and their peace fellows, along with other peace education initiatives, demonstrate how knowledge builds trust and helps communities find solutions to conflict.

In Colombia, decades of conflict have left deep wounds. The 2025 Rotary Foundation Programs of Scale awardee, Pathways to Peace and Prosperity, partners with the United Nations World Food Programme to expand opportunity, improve conflict

Walking the Avenues

Continuation 1.

resolution, and connect people with social services. Its goal is to break cycles of violence, poverty, and food insecurity so peace can take root.

In Maharashtra, India, People of Action honoree Swati Herkal built peace through prosperity. Her project confronted farmers' declining soil health, rising debt, and illness caused by chemical fertilizers. She and her Rotary partners launched a regenerative agriculture program that revitalized the land, lowered costs, and restored stability. More than 1,100 farmers now participate and over 50 villages have adopted the model.

Rotary also advances peace by restoring dignity. In Chad, Rotary Peace Fellow Domino Frank discovered that more than 1,500 women who fought in a rebellion had been erased from reintegration programs. His advocacy led to Chad's first Rotary Foundation global grant and the creation of Corridors of Peace. More than 100 women triple the goal completed literacy and vocational training and formed a cooperative to support their families.

From Colombia to India to Chad, the lesson is clear: Peace is not a dream. It is the result of sustained action with a focus on true, lasting impact. To replicate these successes, Rotary clubs can take three steps: Learn from peace fellows and other peace experts in our organization, apply a peacebuilding lens to community assessments, and prioritize impact over ceremony.

In a world filled with fear, Rotary cannot be satisfied with half-measures and empty words. If we are truly people of action, then action must define us. Together, we can Create Lasting Impact across the globe, in our communities, and in ourselves.

Justice, Not “Just Tiis”

At present, both the President and the Vice President are facing impeachment cases. People who filed claimed that they’re doing justice for the oppressed. But what is “justice”, or better yet how should we live just lives?

We all know that justice is giving what is really due to a person. It is like giving a piece of a pie to two persons - you give a bigger piece to a person who eats a lot and a smaller piece to someone who only eats a little but already satisfied. It is not, then, necessarily mean equality. We show justice for someone because it is truly due for him or her.

In our everyday lives, we render justice to anyone we meet even everyday. We show justice whenever we are courteous, polite, kind, and generous to others especially to the poor. In this way, we are giving them what is due to them, and that is respect to their dignity as persons. After all, the Book of Psalms say, “Blessed are they who observe **justice**, who do righteousness at all times. (Ps 106:3)”.

Let’s practice true justice with others, and not retribution.
