55 Years Irreverent: Honoring Our Legacy, Shaping What's Next

Fifty-five years ago, on January 18, 1971, 29 men from different walks of life came together to respond to a need. They did not gather for recognition. They gathered with purpose. From that moment, the Rotary Club of Pasig was born not as a club that would simply exist, but as one that would endure, evolve, and deliver.

Today, fifty-five years later, we are still here. United. Relevant. Willing to do the work para palakasin ang komunidad at ang ating bayan.

RC Pasig's legacy is not measured by awards or titles, but by lives improved and hope sustained. Through the years, we have built long-term, meaningful projects in education, health, community development, and livelihood initiatives designed not for quick wins, but for lasting impact. These projects were never meant to end with us. They were meant to outlive us.

We are sometimes described as irreverent not because we disregard values, but because we refuse to be ordinary. We are irreverent toward complacency, mediocrity, and comfort. Yet our irreverence is anchored firmly in Rotary's core values: Service, Fellowship, Diversity, Integrity, and Leadership.

As we look ahead, our legacy projects will remain and we will level them up. We will activate the networks of our members, connect institutions and partners, deepen our values in daily life,

From the President

Pres. Roy Quejada

and use technology to strengthen organization, communication, and engagement. Technology will not replace fellowship. It will strengthen it.

RC Pasig is not defined by the past 55 years alone.

We are defined by what we protect, what we build, and what we pass on.

May our service continue irreverent in spirit, united in brotherhood, and unwavering in impact.

Happy Anniversary Rotary Club of Pasig!

Roy Quejada

Rotary Notes

PP Benny P. De Guzman

Tonight, we celebrate a true milestone for our great Rotary Club of Pasig, our 55th Charter Anniversary. Only two charter members are still active members. They are PP Peping Mabanta and PP Arjan Ramnani. A few years back, CM/PP Kati de los Reyes returned his classification. CP Totoy Angeles, PP Tom Portillo and PP Esto Lichauco have passed away.

Pres. Roy is our 57th president as CP Totoy served only half of Rotary Year 1970-1971 and second president the late Teddy Yabut served his full term. Out of the 57 who have led the club, 22 have already passed on. With the 35 remaining, 9 had already left the club.

We have truly outstanding projects that have helped our community to a very a large extent. We have our scholarship program benefitting our Rizal High School youths with monthly stipends. We have the Parangal sa Pulis sa Pasig that our generous proponent Rtn Chony Gimenez has doled out a million pesos in cash awards to deserving policemen from the lowest level to junior officer ranks. Our Ilugin Clinic has provided more than adequate medical and dental needs to the community. Our Rotary-Gawad Kalinga housing project in the city proper has been a source of pride to the community with the units maintained very well by the club.

In reaching out, we have various sister clubs not only from within but also out of our country's boundaries. Our RC Hongkong Sunrise has been a consistent partner. Our sister club

in San Francisco, USA for some time has not been revived though.

We have plenty of PPs who excelled and they are being honored regularly. In the field of district affairs, we have had only two district governors. Our first daughter club has had four already. But our second DG has served well as RI director and aside from the Hall of Fame before his name, we have PRID Raffy as our lead guy in service beyond our club level. He and his son PP Ramy and son-in-law PP Nick are all members of the Arch Klumph Society with PRID Raffy in the Chair Level.

In service to the district, yours truly served as DGGR in Michigan and Wisconsin, USA and after seven years, served again as DGGR in London. Last 2010, yours truly was sent to Parameta, Australia for the Probus Conference for the entire Philippine Rotary.

We have a distinguished member who for several years now is giving in behalf of the club P1,000 each at Rizal Medical Center every Christmas time to the most needy 100 patients. Donor, Rtn Flor de Pano also donated during the recent Cebu major disaster cash of several thousand pesos for selected major victims.

Our 55th year has been so remarkable in reaching out. Let us all put ourselves in the back and let us move on. Mabuhay ang Rotary Club of Pasig!

Walking the Avenues

PP Jun C. Zafra

Presidential message

Francesco Arezzo
President 2025-26
January 2026

In a garage outside Salinas, California, young people who are learning to restore classic cars are doing more than developing a skill they are reclaiming their futures. This training program provides mentorship and, for some, a path away from gang involvement toward meaningful employment. Graduates leave with certifications, practical experience, and hope.

This is what Rotary's Vocational Service Month celebrates each January the power of bringing together people with unique skills to do good in the world. It reminds us that integrity isn't just about our actions matching our words. Integrity is in everything we do.

The California automotive program has been such a success because it was built on integrity. Members of the Rotary Club of Carmel-by-the-Sea didn't assume they knew what the community needed. They listened. They learned there was a shortage of skilled mechanics as well as a large number of young people lacking job training. They recognized that technical skills alone wouldn't be enough, so they partnered with Rancho Cielo, a nonprofit offering counseling and support services alongside vocational training.

That is The Four-Way Test in action. Those four simple questions help us not judge others but guide us toward genuine, effective service.

Walking the Avenues

Continuation 1.

Consider our commitment to ending polio. For nearly 40 years, we have promised the world's children we will eliminate this disease. Despite obstacles, we persist, and today we are closer to defeating the virus. Keeping this promise is the very definition of integrity.

The same integrity must drive our vocational service. With 1.2 billion young people in emerging economies reaching working age in the next decade and only 420 million jobs projected, we face a critical gap. Communities long excluded from economic opportunities need our support.

But support doesn't mean imposing our will. It means listening to local needs, building partnerships, and designing projects that communities can sustain themselves.

You have knowledge that can transform lives. Whatever your profession, your expertise combined with Rotary's values creates lasting change. The question isn't whether you have something to offer, it's how you'll use your skills to serve.

This January, I encourage you to ask how your club can address vocational needs in your community. What skills do your members have that could change someone's life? How can your networks open doors for young people? What partnerships can create sustainable jobs?

Let integrity guide you. Let The Four-Way Test light your path. And let the young people in California and the multitudes worldwide who need job skills remind you why vocational service matters.

Let us celebrate putting our professional skills to work for humanity with integrity at the heart of everything we do.

Why I Joined RCP

Rtn. Carlos Chuaunsu

When I thought about joining Rotary Pasig, I didn't know what to expect. I had an idea Rotary was about helping people, and that was it. I was told to just attend and see what it was. After that first meeting, I was convinced. I knew that this was a group I wanted to belong with.

I loved the environment. Even though I'm one of the youngest guys in the room, I never felt out of place. Instead, I felt lucky to be sitting with men who have already achieved so much in their lives. I realized that I wasn't just there to attend meetings I was there to learn from their stories and experiences. I also enjoy the weekly lectures; a great way to learn about things outside my usual work.

It's been about a year since I first attended, and I'm looking forward to more years. I also plan on being more active in RCP's initiatives. Long live RCP!

Rtn. Charles Reyes

I joined the Rotary Club of Pasig as a way to give back to our community, apart from the Prestige of being called a Rotarian.

Why I Joined RCP

Rtn. Joseph Gualberto

I joined the Rotary Club to become part of the team that is making an impact and difference in the community and other people's lives. The Rotary Club services provide a strong commitment to improving the local community, helping people and developing next generation leaders. The Rotary Club of Pasig with its officers and members has a strong commitment to the club by doing service above self and that is one of the reasons why I joined the club. That includes building good friendship, connecting with the members with diverse background and age, supporting each other and other clubs, district activities. Joining The Rotary Club of Pasig, can help me make more of an impact than I might be able to make on my own.

Rtn. Jojo Estolano

I was first invited to a Rotary meeting by one of the respected presidents of another club. From the moment I attended, the meaningful discussions and the warm, welcoming interactions with the speaker and fellow Rotarians made me feel at home jokes and all, even when someone was playfully called “the next victim” for attending!

When I joined my first weekly meeting at the Rotary Club of Pasig, I quickly realized how much the club allows me to stay active, productive, and engaged in meaningful community

service. Through participation in various activities, especially those benefiting the Pasig community, I've found countless opportunities to contribute, learn, and grow.

I particularly value the chance to collaborate with senior members and professionals whose guidance, experience, and leadership continue to inspire me. These interactions have enriched my perspective on service and helped shape my personal growth.

The lessons and experiences I've gained through Rotary are invaluable, and I look forward to sharing these stories with my family and passing on the spirit of service and fellowship for years to come.

Why I stay in Pasig Rotary

Rtn. Rudy Sanguyo

My membership at the Rotary Club of Pasig (RCP) was thru an invite by my childhood friend, Richie Pua.

I gave it quite a thought that my considerations for joining the RCP should include the commitment of its members to participate in various community service initiatives.

After being a Rotarian since 2023, not only did I realize that the RCP has accomplished various significant and continuing projects, but made a difference in the lives of our beneficiaries.

While my participation in the RCP is like a calling, I enjoy the solid camaraderie of new friends and the fulfillment of being an instrument to provide collective action towards building communities that are safe, healthy and sustainable.

HOF/PP Jess Acantilado

Pasig Rotary offers an amazing spirit of fellowship and friendship. Serving our less fortunate countrymen while enjoying camaraderie and insightful weekly speakers motivates me to attend every meeting. The service projects of RCP have truly made a significant impact on the Pasig community. I'm proud to serve our Pasig Community through the Rotary Club of Pasig.

Why I stay in Pasig Rotary

Rtn. Ben Baniel

As an Electrical Engineer and Businessman, I've spent my career building systems that work and businesses that last. I stay in Rotary because it's the ultimate "power grid" for service. It allows me to apply the same precision and problem-solving I use in my professional life to projects that create real, sustainable change in our community.

Whether I'm navigating a complex project or a challenging round on the golf course, I've learned that the best results come from integrity and fellowship. Rotary's ideal of "Service Above Self" aligns perfectly with my personal drive to give back. I'm proud to stand with a global network of leaders who believe that being fair, building goodwill, and being beneficial to all is the best way to do business and the best way to live.

PP Garrick Ang

I continue to be a Pasig Rotarian because here, I am part of something larger than myself. I am part of a 55-year legacy of compassion. I am part of a brotherhood that turns vision into reality. Most importantly, I am part of a family that believes that the best way to find oneself is to lose oneself in the service of others.

Here's to the next 55 years of making a difference. Mabuhay, Rotary Club of Pasig!

Why I stay in Pasig Rotary

Rtn. Alex Lacson

I continue to believe in the Rotary's pursuit of the ideal - - to tell the truth, to be fair with others, to promote goodwill and friendship, and to pursue the common good. And I continue to be inspired by many of the most generous, compassionate, patriotic, and exemplary Filipinos I know who are Rotarians - - Raffy Garcia, Arjan Rammani, Flor de Paño, Topax Colayco, Vic Lim, Dick Penson, Senator Albert Romulo, Mayor Vico, to name a few. I am also able to help our community and the country through the many programs and projects of the Rotary
