# Invocation

Almighty Father, may everything we do today begin with Your inspiration so we may offer to you fruits of our labor worthy of Your praise. Teach us to be humble in our relationship with others, help us to forgive our neighbors whenever they wrong us, and grant us Your strength that we may face and overcome difficulties that may come in our way. This we ask through Jesus Christ, Our Lord.

**Amen.**

### **PASIG ROTARIANS**

*(Tune: Dancing Queen)*

Woo, woo, woo, woo, woo, woo, woo, woo

You can see, you can feel

Having the time of our life

Oh see us now, watch us now

Pasig Rotarians

Thursday noon and we're on the go

Meeting in a place you know

Breaking bread with one another

Getting in the swing

We come to meet with friends

Pasig Rotarians we all are

Young and old, wise and otherwise

With a sense of service

Everything we do

for the community

And when we get the chance

Pasig Rotarians

Young and old, since seventy one

Pasig Rotarians serves the need

of the community

You can see, you can feel

Having the time of our life

Oh see us now, watch us now

# Song of the Day

Pasig Rotarians  
We're Rotarians, we're on the go  
Looking for opportunities  
Where we can serve our brothers  
Looking beyond ourselves  
We're in the search to serve  
And when we get the chance  
Pasig Rotarians  
Young and old, since seventy one  
Pasig Rotarians serves the need  
of the community

You can see, you can feel  
Having the time of our life  
Oh see us now, watch us now

## **From the President**

**Pres. Roy Quejada**

**Leadership, Communication, and the Power of Moving Forward**

Congratulations and heartfelt thanks to all Pasig Rotarians for celebrating our 55th Anniversary in such a meaningful and memorable way. It was a joyful evening maraming kwentuhan, kanyawan, at masayang inuman but more than the laughter, it was the strong sense of brotherhood that truly stood out.

We were inspired by the message of our very own Pasig Rotarian, Vico Sotto, who reminded us that there is always hope for better governance when leadership is anchored in integrity and purpose.

Personally, I was deeply encouraged by the attention and engagement of our fellow Rotarians and guests when I spoke about RC Pasig's irreverence not as defiance, but as a commitment to higher standards and a clear sense of purpose. I was especially grateful when Mayor Vico echoed this message, and when several PDGs shared their appreciation for the reflections on RC Pasig's legacy, identity, and future direction.

One of the highlights of the evening was the thoughtfully curated exhibit that commemorated RC Pasig's journey through the decades. Each display told a story of service, resilience, and impact reminding us that our achievements did not happen overnight. They were built year by year, project by project, and leader by leader. And on a lighter note, judging by the photos, it seems our past presidents never aged lahat sila mukhang bata pa

rin! Seeing our history laid out so clearly gave depth to the celebration and reminded us of the responsibility we carry moving forward.

Leadership, as this milestone reminded us, requires vision, hard work, and commitment. The success of the celebration was made possible through transparent communication and teamwork may respeto sa isa't isa, malinaw ang usapan, at iisang layunin. Special thanks to Chairman Paolo, PP John, IPP Bernard, Director Mads, Rtn Jojo, PP Ramy, Spouse Nana, PRID Raffy Garcia III and Lady Minda, and our hosts PP Rel, PP Bong, and PP RJ.

Technology also played an important role enabling faster coordination, clearer communication, and smoother execution. It showed us how we can be more efficient while staying true to our values.

Dumaan man ang maraming panahon, babalik-balikan pa rin natin ang ating legacy lalo when we see our charter members like PP Arjan and PP Peping. While we all pass through this world, the legacy of RC Pasig will remain.

Mabuhay tayong lahat!

Roy Quejada

## **Rotary Notes**

**PP Benny P. De Guzman**

It was a grand 55th Charter Anniversary last Saturday. The good ones came in pairs. Two great speeches, the welcome address of PRID Raffy and message of Pres Roy both reintroduced the quality of our membership and our directions. As it is in pairs, with our two charter members and their spouses. In pairs again, both PP Peping and spouse Bella were in wheelchairs, with Bella with a major impairment.

In pairs again, two PDGs from our sister club in Batangas paired with our sister club in Hongkong and PP Henry took time to entertain them in their common tongue. A total of 14 PDGs and 11 spouses from our district came. And two spouses of PDGs who have passed on also came and a spouse of a PDG who was not well daw.

A PDG from Makati came to honor our anniversary. And of course, our DG Gina Sanchez came.

Tinig wants to honor a Rotary family of governors who attended. PDGs Tony and Marilou Co and their daughter, DGN Sheryl. Perhaps in the entire Rotary world, there is no such husband and spouse as PDGs and an offspring as another district governor. If this is, a first, let it be from the Philippines and our district too.

PP Vic Lim had a very good pre-birthday party during our celebration. Enjoying the night too were our seldom attending Rtn Cong Roman and lovely spouse Shalani. Since Mayor Vico was our keynote speaker, his presence as a member is not that

surprising. But the absence of VM Dudut, another seldom seen member was noticeable.

For anniversaries, our very own Rtn Chony should have been there. After all, his annual project, Parangal sa Pulis Ng Pasig is one of our prized project with cost Chony pays solely.

For a 55th Anniversary, with plenty of pictures of all past presidents and major club activities, surprisingly, some past 7 presidents did not come. Three at least are abroad. The present Board did not invite any past presidents who are not members if ever or nobody came? There must be some who are willing to join in fellowship but for more important reasons cannot continue their membership in our club.

Aside from Pres Roy and his Board, spouse Nana of PP Nick and daughter of PRID Raffy was all over to make sure it was a grand affair. I wonder if it was only us who she made special efforts to both attend. But it was Nana who pressed that my Pura must join. Pura is having difficulty to walk and is with a caregiver. I told Nana that since my Montero van will have difficulty having PP Totoy and spouse Fe with caregivers and wheelchairs and that we cannot fit with Pura having her caregiver. Nana said she will send her Grandia. I told her we have also but we will not all fit. Nana said her Grandia can fit all of us. Two caregivers, a wheelchair with the four of us were comfortably fitted. Nana, you made our day! Salamuch!

## **Olayinka H. Babalola urges members of Rotary to Create Lasting Impact**

Rotary International president-elect emphasizes effective action and ‘embracing the world with open arms’

Rotary International President-elect Olayinka H. Babalola called on members to Create Lasting Impact by making their clubs more welcoming, carrying out impactful projects, and allowing their Rotary experiences to transform them personally. “Rotary has changed us. It has shaped who we are and made us better people,” Babalola said at Rotary’s International Assembly in Orlando, Florida, USA, on 12 January. “We often talk about changing the world. We talk about ending polio, about building peace. We do not think enough about how Rotary transforms us.”

Babalola, a member of the Rotary Club of Trans Amadi, Nigeria, described how joining a Rotaract club as a teenager enlarged his perspective beyond the limited, privileged outlook he’d once had. That change in awareness came from observing the lasting impact his club had in the community, particularly from teaching people to read and write.

“As members of Rotary, we share a vision of a better future,” he said. “To make this vision a reality, we must acknowledge and unleash the change within ourselves. We must focus not only on outcomes, but on impact.”

Change and impact are not the same, he added: “Change is only the beginning. Impact is what endures.”

# **Walking the Avenues**

## ***Continuation 1.***

### **Understanding impact**

Rotary members have made an impact by expanding early childhood education in Knysna, South Africa, and increasing access to prenatal care in Nigeria, Babalola said. The Rotary Club of Knysna empowered local women to open and manage early childhood education centers.

“The project has reached thousands of children and families, and it will continue to provide education in those communities for generations,” Babalola said. “We can recreate this kind of impact in other parts of the world, and in doing so we can earn the trust and recognition of our neighbors in the communities we serve. And when more communities trust Rotary, more people want to join.”

Babalola also described the wide-ranging impact of Together for Healthy Families in Nigeria. The initiative to reduce maternal and neonatal mortality rates received a US\$2 million Rotary Programs of Scale grant in 2022.

“Before Rotary’s intervention, many women avoided prenatal care, which is essential to ensuring a safe birth for both mother and child,” he said. “After working with Rotary, systems were put in place to help expecting mothers receive prenatal care. The community was involved. Attendance went up. Mortality went down. That project [will] transform lives across Nigeria for decades.”

### **Extending a welcome**

Babalola urged members to take a more open, welcoming

## **Walking the Avenues**

### ***Continuation 2.***

attitude toward newcomers to their clubs. He described how, when he was a Rotaract club member eager to join a Rotary club, the president of the Rotary club treated him with scorn.

“He said, ‘What audacity! You cannot just join. You need an invitation,’” Babalola recalled. “I could have walked away. Instead, I said, ‘I didn’t know a child needed an invitation to enter his parents’ home.’”

While things have changed since that time, Babalola said, they haven’t changed enough. Some clubs close themselves off instead of “embracing the world with open arms,” he said. Young people aren’t necessarily treated with respect, he added, and people with different ideas and backgrounds aren’t always made to feel welcome. He urged members to think about how they could better welcome others.

“You never know whose Rotary story might begin or end based on the way you make them feel at a meeting or service project,” he said.

Another way members can focus on personal change, he said, is to aim to do better than their best. He urged district leaders to examine their past successes in raising funds, planning projects, and recruiting members. Then, he said, they should challenge themselves to surpass their past triumphs.

“When we change ourselves, we change our clubs and districts,” he concluded. “When we change our districts, we change the communities we serve. And when we change our communities, we create lasting impact across the globe, in our communities, and in ourselves.”

## Grace, Not Fortune

*The Lord bless you and keep you;*

*The Lord make his face shine on you and be gracious to you;*

*The Lord turn his face toward you and give you peace (Num. 6:24-26)*

Whenever I pass by stores selling lucky charms, I can't help but wonder why so many people need these things. I even wonder why they tune in to TV shows that feature horoscope readings of the day. Why I wonder? It's because we all worship a generous God who blesses us always. If that is so, then why do we need such lucky charms.

It's very clear in the bible that God blesses us who worship Him and obey His commands. He is indeed powerful, but his power is expressed in His generosity towards us by blessing us with His grace. His grace is none other than His ever-pervading Presence that He will be with us through thick and thin. In short, He blesses us by being with us no matter how challenging our lives are. We only need a quiet place and time to pray and beg Him to listen to our prayers, and believe with trust He will help us.

So, instead of us looking for lucky charms, why don't we pray for His grace? After all, unlike lucky charms being sold in the market, God's grace is FREE. We only need to ask in prayer.
