Invocation

Lord, as we continue to labor for our loved ones, may You reward our diligence and efforts with Your Grace so we continue to work not only for food for our homes but also to leave examples for our generations as we teach them that diligence and responsibility really pays off in life and not greed nor power. This we ask through Jesus Christ our Lord.

Song of the Day

AND I LOVE HER

I give her all my love
That's all I do
And if you saw my love
You'd love her too
I love her

She gives me everything
And tenderly
The kiss my lover brings
She brings to me
And I love her

A love like ours
Could never die
As long as I
Have you near me

Bright are the stars that shine
Dark is the sky
I know this love of mine
Will never die
And I love her

Bright are the stars that shine
Dark is the sky
I know this love of mine
Will never die
And I love her

From the President

**“A mother’s arms are made of tenderness,
and children sleep soundly in them”.**

Victor Hugo -

One of Rotary’s Areas of Focus is Maternal and Child Health. This is also Rotary’s theme for the month of July. Every day, mothers risk their lives giving birth and millions of children die each year from treatable and preventable causes. Rotary’s goal is to make high quality health care available to vulnerable mothers and children so they can live longer and grow stronger.

Rotary clubs and The Rotary Foundation focus on sustainable and community led solutions. What Rotary does are several key interventions as follows, Prenatal, Delivery and Post Natal Care, Immunizations and Medical Care and training of Health Workers. And we are so happy to say that with our collaborations with The Medical City Institute for Women’s Health and The Medical City Institute of Pediatrics Care we are doing great on this Rotary’s Areas of Focus.

On our meeting today, we have as our guest speaker Ms. Concepcion Samson of Unilab to discuss The Liwanag Advocacy – Mother and Child Care Advocacy Program. Let us listen and see how they can help us in our programs at our Ilugin Community Clinic to Create Lasting Impact.

On lighter side, our induction is now a few days to go. For those who have not yet registered to attend please do so.

From the President

Continuation

Thank you also Jeff Sonora for rejoining our club. Enjoy our fellowship and our community service.

High Impact President

Rotary Notes

PP Benny P. De Guzman

With another typhoon expected today, may our alarming attendance be again affected? The first meeting of Pres Jun looked the Impact is good to show. But like a new golfer, lacking yet in follow through?

We had a good Rotary Year last year given by IPP Roy and his Board. When you are good it means it could have been better and this is is somewhat a good trip for Pres Jun.

Remember the ARAP of many years ago? Many are not even aware of what ARAP is - Association of the Rotary Anns of Pasig. Before kasi, our spouses were solid Rotary Anns. There was not a single meeting with them last year. There were many projects of yesteryears made good because of the participation of the ARAP. And our induction already this coming Tuesday and as of yesterday, only 32 are bringing their spouses. Very commendable is young Rotarians Chico bringing in his spouse, Aya. Oldtimers? PP Rel has a very good excuse and I have the next better one as more than 6 weeks na sa hospital my very own. For PP Tito, I heard PPA Patsy had to go for a medical check up abroad. PPs Ogie, Adolf and Vic are good examples of PPs bringing their spouses. Even if our Cong Roman is not regular in club attendance, in more important club activities and projects, he manages to be around. This induction, he will bring his charming spouse.

Last week, seldom seen Mike, the D ollar man was seen around. He was part pala of the program.

As a Pasigueño, I am proud to note that the commencement

keynote speaker of the UP College of Law was our very own Mayor Vico, a non-UP graduate. But he excelled both in his presentation and the meaty message he delivered outlining his convictions and his directions. Like Cong Roman, whatever post Vico will seek, I will support. As if may value ang support ko? There is hope yet in our land and we have to start somewhere and we must start now.

Director Roland had a different sense of fining. He has yet to hear of what inflation is. Imagine fining at 50 pesos each. Even Edgar did not collect anymore.

Last week with so many part but delayed start of the program, I had to leave at past 2 pm as I have to be in another meeting. The next day, while I was paying my respect to the late Reli German, I saw Atty Howie Calleja also at the wake. He introduced his wife to me and I complimented that Howie was our club's speaker the day before. Imagine he added, "and Benny did not like my talk that he left before I could even close". Imagine he noted pala. He was a past president of RC Valle Verde, the club I sponsored.

Pres Jun, up to your induction lang column ko and am retiring after so long. Before I retire, tomorrow is the golf tournament of PP Tito for the Kidney Foundation. Baka wala siya due to Patsy's urgent needs.

initiatives across Africa. He has been actively involved with Rotary's Peace Center at Makerere University in Uganda – the organization's first on the continent.

As head of Rotary's 45,000 clubs worldwide, Babalola will lead Rotary's top priority of ending polio. Together with its Global Polio Eradication Initiative partners, Rotary has reduced polio cases by 99.9 percent and contributed more than US\$3 billion and countless volunteer hours to protect over 3 billion children from this paralyzing disease. He has also been deeply engaged in Rotary's polio eradication efforts, serving on the End Polio Now Countdown to History Campaign Committee and advising the Nigeria National PolioPlus Committee.

Rotary members throughout the world develop and implement sustainable, community-driven projects that fight disease, promote peace, provide clean water, support education, save mothers and children, grow local economies and protect the environment. More than US\$5.5 billion has been awarded through The Rotary Foundation – Rotary's charitable arm that helps clubs work together to perform meaningful, impactful service – to support these initiatives over the last 100 years.

About Olayinka Hakeem Babalola: Babalola holds a degree in engineering and spent more than 30 years in the oil and gas sector, including senior leadership roles at Shell PLC. He founded the Riviera Technical Services Ltd., an oil and gas infrastructure delivery firm, as well as Lead and Change Consulting, an executive coaching and organizational performance consultancy.

He has since held a number of leadership roles within the organization and currently serves as a trustee of ShelterBox UK, Rotary’s official project partner for disaster relief.

He and his wife, Preba, support The Rotary Foundation through a named endowment and are members of the Arch Klumph Society, which recognizes Rotary’s highest level of philanthropic giving. His Rotary honors include the Africa Centennial Heroes Award, the Service Above Self Award, the Regional Service Award for a Polio-Free World, and The Rotary Foundation Citation for Meritorious Service.

Respecting Others

Today we are witnessing the impeachment trial in the Philippine Senate of our Vice President. Though the outcome still remains to be seen, we can focus on what is being tried there, and that is her alleged death threat to the President, his wife, and his cousin if she would be murdered which was livestreamed in Facebook. Objectively speaking, lawyers from the Prosecution, the Vice President's Defense, and even the Senator-Judges were doing their best to understand the gravity of this offense. However, we ask ourselves with this: are we even different from the Vice President if her alleged death threat is proven true?

If we examine ourselves, we may realize that we are not different from her in our relationship with other people. Human as we are, we may have hurt and offended others. But it does not mean we should not learn from these. Every now and then we must remind ourselves to respect other people as fellow human beings no matter who they are to us. In fact, 1 Peter 2:17 says, "Honor everyone. Love the brotherhood. Fear God. Honor the emperor." So, it's not an excuse for us to disrespect other people even if they are our enemies. We must respect all so our own humanity will truly shine.

With that, let this Golden Rule be our guide when it comes to respect: respect others if you want to be respected.
