Invocation

With humility and contrite hearts, we come to you Almighty Father grateful for all your blessings to each one of us and to our families though at time we are unworthy of it. We lift up our lives to you. Bless our fellowship today. Grant us the gifts of enlightenment and wisdom that we may see your Divine will. May we have the courage to follow it that the people we serve may glorify you Holy name. We ask all these through Jesus Christ our Lord and Saviour.

Amen.

FLY ME TO THE MOON

Fly me to the moon and
Let me play among the stars
Let me see what spring is like

And let me sing for ever more
You are all I long for
All I worship and adore
In other words, please be true

Thank you fellow Pasig Rotarians for attending our first meeting last week. We from your board and officers are hoping that we made it clear on what we are going to do, your participation on different activities we lined-up this Rotary year and the resources we need to accomplish our tasks ahead.

Welcome to our 2nd meeting this Rotary year. Let us also welcome our latest member, Alfonso “Fons” Bautista. He is in the business of supplying medical equipment and national swimmer that competed in world swimming competition. One thing sure he can lower our average age in our club as he is only 28years old. We only need 9 more new members to complete our century target.

Our theme for July is “Maternal and Child Health” and early today, we witnessed the renewal of MOA between Pinagbuhatan Elementary School and The Medical City doctors. Different stakeholders presented their accomplishments for the year. We were acknowledged for our decades of supporting our Ilugin Community Clinic.

We have already started. Now we build momentum. Let us commit to 3 things this month.

1. Start early – “Well begun is half done” - Aristotle
2. Show up – Rotary works when we are present.

From the President

Continuation

3. Invite one – Growth starts with one guest.
4. Service Above Self. Lets Create Lasting Impact. Starting Now.

JUN C.ZAFRA
High Impact President

Rotary Notes

PP Benny P. De Guzman

The super typhoon has yet to show why may super even if it is not even rainy on my deadline for this column. I am just giving extra time for High Impact President Jun as he did not yet name my replacement for this weekly nonsense. In his very nice plan for this RY, my need to be replaced as overlooked. My Tinig boss, 5 weeks handicapped by a bad fall will still be the Tinig boss but after years of mostly nonsense, the more sensical thing to do is hang up your gloves for the others to show there are still sensible things to write about.

The Albanos are all over. When PP Bert talked about the wiser things in Rotary, it opened for the Vatican to announce that highest ranking Filipino in the church is Cardinal of the premiere Ministry of Albanos. Then it was the birthday of Rtn Dennis and the other day an apo of PP Bert graduated cum laude from UP.

IPP Rey must have overworked his Club Secretary last RY. Imagine being fined P1,000! That is the biggest fine for a PP much more for an IPP.

Imagine what a petty cash comment can trigger from PP Henry and Dir Roland. It is not petty anymore since the time Pura was confined, on the birthday celebration of PRID Raffy for our club and the other Rotarians in North Forbes, a day after his actual birthday. It was first day of Pura at Medical City. Can you believe that up to now she is still there? Ubos ang petty cash, pity the other cash out and she is still there but not at ICU anymore but telemeter ? room. Tell me metered ba ang payment?

Rotary Notes

Continuation 1.

Tinig welcomes new inductee Fons Bautista , thereby lowering our average age. In the process perhaps, even the attendance average. The first meeting was with a small impact, not a lot better than the weekly average. May our Pangkat system do the rest to give a shot in the arm for a better percentage of seeing each other? Sayang ang charging ni HOF/PP Conrad. Dapat for all the Rotarians ulitin charging niya. APPLE?

PP Peter is always listed as host of former VP of RC of Valle Verde, Jerry Quibilan who is more regular in attendance than the first 10% of our better attending Rotarians in our club. Isn't it about time he gets inducted?

Saturated na si PP Tito for sounding off the club's sponsorship for the 17th July golf tournament of the Kidney Foundation of the Philippines. Let us support him and also Rtn Ike. If you need dialysis, former Secretary of Health and Kidney Foundation chief Ike will assist you. If you do not support, he will still handle your kidney transplant but the cost will be higher. Spare parts of older cars are much higher, more so for parts of the human body. Much more expensive!

Imagine we have 24 PPs who have gone to the Great Beyond? It was PP Al PO, a past president who is no longer with us as the club's activities is a big hindrance to his golf game, reminded me that I am the only PP still alive from his usual birthday treat. PPs Bert Tayengco, Rhett Ermita and Sonny Samson are no longer around. I must attend as he, on his 83rd birthday next week will challenge me at 90 who will stay longer. My other ninetyish partner, PP Ner is now using a cane. Not to balance but for the many dogs In his Batangas farm.

Presidential message

Olayinka H. Babalola
President 2026-27
July 2026

Rotary has a way of surprising you.

It surprises you when a stranger across the table becomes a lifelong friend. It surprises you when a small project in one neighborhood ripples outward in ways you never imagined. And it may surprise you when you realize that the person Rotary has changed most ... is you.

That is why this year, we are called to harness the change within ourselves, to look to the future, and to Create Lasting Impact.

Now, I want to be clear about what those words mean. Change is only the beginning. Impact is what endures. We must think of the long-term impact of every project. How can a new water system contribute to the long-term health of a community? Can residents help other communities build their own? How can a new classroom be part of a wider strategy to improve education in the area? That is the sort of thinking we need.

As we prioritize impact, we must also consider how our actions can contribute to peacebuilding. Peace does not happen by accident. It must be built deliberately and strategically. As you plan your next project, ask yourself: "How does this create the conditions for peace?" Consult the Pillars of Positive Peace to learn how we can bring the world one step closer to peace in everything we do.

Walking the Avenues

PP Ramy Garcia IV

Continuation 1.

The more you change your community and the world, the more you will change. Don't just tell people about the projects you have run or the funds you have raised. Tell them how Rotary has shaped who you are. Those personal stories open doors, inspire new members, and remind all of us why we are here.

Storytelling is also an excellent way to recruit new members and raise funds. We need more people standing with us and more resources if we are to end polio, spread peace, and have a lasting impact on the world. We have set a goal of increasing membership to 1.25 million Rotarians and more than 125,000 Rotaractors by 2030, just in time for Rotary's 125th anniversary.

Sit down with your club and look back over your accomplishments in the last few years. Find your best year. Maybe it was a record year for new members. Maybe you reached a fundraising milestone. Maybe you completed a project that the whole community is still talking about. Once you find that year, I challenge you to do better than your best.

In these ways and more, we will Create Lasting Impact across the globe, in our communities, and in ourselves.

Thank you, my dear friends. Now let's get to work.
