Song of the Day

Eye of the Tiger *(Survivor)*

Risin' up, back on the street
Did my time, took my chances
Went the distance, now I'm back on my feet
Just a man and his will to survive

So many times, it happens too fast
You trade your passion for glory
Don't lose your grip on the dreams of the past
You must fight just to keep them alive

It's the eye of the tiger, it's the thrill of the fight
Risin' up to the challenge of our rival
And the last known survivor stalks his prey in the night
And he's watching us all with the eye of the tiger

Face to face, out on the heat
Hangin' tough, stayin' hungry
They stack the odds still we take to the street
For the kill, with the skill to survive

It's the eye of the tiger, it's the thrill of the fight
Risin' up to the challenge of our rival
And the last known survivor stalks his prey in the night
And he's watching us all with the eye of the tiger

Risin' up, straight to the top

Song of the Day

Had the guts, got the glory

And the last known survivor stalks his prey in the night
And he's watching us all with the eye of the tiger

Supporting Mothers, Nurturing the Future: National Buntis Day 2026

Happy National Buntis Day and Happy Women's Month! 🌸

The Rotary Club of Pasig proudly supported the 22nd National Buntis Day, held last March 10, 2026 at the Unilab Bayanihan Center in Pasig City and organized by PANTAMED Society Inc. Led by Chair Dr. Avic Agilto-Mercadal, the event offered free medical consultations, ultrasound services, laboratory tests, medicines, parenting classes, and essential giveaways for expectant mothers.

The partnership began when Dra. Avic reached out to us last February 6, seeking support for the event with the goal of serving at least 200 expectant mothers from Pasig. Last year's participation reached only 70, and this year's goal aligned with RC Pasig's commitment to high impact projects. Two weeks before the event, the organizing group laid out clear steps to achieve this target.

We extend our gratitude to Dir. Tet Mallare, Rtn. Kap Richie Pua, and Rtn. Rudy Sanguyo for coordinating with the various barangays to encourage pregnant constituents to attend. The group was also invited by Kapitan Ambo to the meeting of Pasig's Barangay Captains to formally present the initiative. With the help of Dir. Mads Bengua, pubmats were prepared and distributed to ensure the message reached the community.

From the President

Pres. Roy Quejada

Continuation 1.

The result was truly remarkable more than 230 expectant mothers attended the event, exceeding the original target. With the support of local TODA groups, the moms were safely transported from their barangays to the venue. RC Pasig also provided breakfast for the dedicated doctors and medical volunteers who generously offered their time and expertise.

Rtn. Shaq Guiaman documented the day with photographs, while Rotarians Manny Buensuceso, PP John Javier, PE Jun Zafra, Rtn. Rudy Sanguyo, Dir. Tet Mallare, and Dir. Mads Bengua were present to support the activity. Rtn Vice Mayor Dodot Jaworski also graced the event, thanking the organizers and encouraging the mothers to care for their children and families.

During the event, we also showcased the Milk Bank Project through an information booth that introduced the initiative to attendees.

Indeed, it was a meaningful and successful celebration of motherhood and community care.

Roy E. Quejada

Respect. Support. Serve

Rotary Notes

PP Benny P. De Guzman

Pres Roy and his Board had a meaningful project on National Buntis Day where they transported the Buntis from Pasig City to the program site at the Unilab Bayanihan Hall and provided food for the doctors. I hope they also gave food for the buntis. PP Rel was not with them as he had a generous share of Buntis in other areas.

The next major project of the club headed by Dir Joseph is for our Rizal High School Interactors on what he called a fireside chat and seminar on three major fields the Interactors will like to be well informed about. These are the medical field, business field and computer field. Though under medical, he had only two areas offered, I volunteered a third where I excelled in, detailing of medicines. Also interesting are the items in the business field - entrepreneurship or ownership, marketing management and financial analysis. The computer field is also very encompassing as it involves all phases of any business undertaking. Too short a notice when he issued the text invite. Many from our membership cannot cancel skeds already but worth their expertise to share with the Interactors. Meanwhile, hope for a good result is what we can pray for. Good topics, good venue, poor timing. Good luck na lang Dir Joseph.

Dir Roland is trying to inspire us despite the fuel prices spiralling to stay focused so we can all move forward. Move forward? Even our speaker before MMDA Gen Manager Nicolas Torre is using a bike which is what he is proposing then to go to his office 7 kilometers away. Our very own Rtn Roy saw him actually on his bike. If motorcycles are easily stolen,

bike pa? And a good 30% of our members are disqualified based on age. Mas mahirap bone rehab for the elderlies.

Speaking of elderlies, we were visited by a former member now a widower, Roger Laraya. He had a stroke and was on a wheelchair and more in years than his present 80 years. He got his stroke when spouse died less than a year ago. Two also in wheelchairs but easily more in years than Roger are CM/PP Peping and PP Totoy. Peping is 16 years older while Totoy is 20 years older. Totoy will be celebrating his 100th birthday in September.

Our speaker last week, BGen Restituto Aguilar gave us a story of the Battle of Manila for historical record. Important event like the killing of the father of PP Topax then a captain when they liberated the American interns at UST should be set straight.

In a photo he showed of the liberated youth in February 1945, I felt I was one of them as we were liberated from the PGH 5th February, 1945. We were liberated earlier than the entire Manila while a week after, was the killing of all De La Salle brothers.

I understand that our member VM Dudut was a speaker on the National Buntis Day? He talked about how to miss your friends getting pregnant? Or there is truly a Buntis Program of our city?

United States

Everett Singleton was an educator who helped integrate schools in Collinsville, Illinois, in the 1950s. When Interactors from Collinsville High School learned that Singleton's gravesite lacked a marker, they organized a Dine-to-Donate event to raise the \$1,700 needed for a proper headstone. Honoring Singleton, who died in 1970, was second nature to the civic-minded students, says Brad Skertich, the club adviser. Singleton, who grew up in the town's Black neighborhood during segregation, served as a teacher at various schools and as a principal. "Our students have been eager to get involved, give back to their community, and help others," says Skertich, a member of the Rotary Club of Collinsville, Maryville, Caseyville.

Canada

The Rotary Club of Chilliwack Mt. Cheam in British Columbia ached its volleyball tournament in November, attracting 28 teams to a fundraiser that the club has hosted since 1995. "Many local businesses participate by registering a team, and they have their staff come out and play," says Kim Ashley, the club's president. "Each player brings a new toy to donate to Chilliwack Community Services as part of the Christmas Sharing Program." The project supports the club's foundation, which focuses on the needs of children, including dental work, medical assessments, and counseling. In all, the matches have raised more than \$300,000 and collected 15,000 toys over the past 30 years.

An event to celebrate Indian culture featured local luminaries with Bollywood connections and raised about \$2,200 for the Rotary Club of Maidenhead Bridge's service work. Attendees included Chittal Shah, choreographer to celebrities, and vocalist Atul Pushkarna, both of whom now reside in the United Kingdom. Ten of the club's 55 members are from India or have Indian heritage. "The laughter, dancing, and genuine sense of connection in the room showed just how powerful cultural celebration can be in bringing people together for a good cause," says Lisa Hunter, charter president of the club. The November event helped fund a Parkinson's disease support group and a trip by the club's vocational training team to Uganda for a maternal and child health initiative.

Malta

The Rotary Club of Gozo has discovered a formula for civic and social media engagement: Tell community members just how much they're appreciated. After rolling out the glitzy Pride of Gozo Awards in 2022, the club saw a burst of interest in the work of Rotarians on Gozo, one of Malta's three populated islands. "The event is our showcase of the year," says Tom Welch, a past president of the club who proposed the ceremony, which is supported by the Times of Malta newspaper and a government ministry. "While not a fundraiser, it raises our profile: a touch under 40,000 views on Facebook, 600 new followers, and over 2,000 engagements. It also provides us with a collection of wonderful speakers and drives membership growth."

The Rotary Club of Tokyo Hiroo embarked on a melodic mission in October, collaborating with the Rotary Club of Beverly Hills in California to bring the music therapy program Music Mends Minds to people with Alzheimer's. Over several visits, club members brought drums, cowbells, and other percussive instruments to care facilities and encouraged participants to clap along as the Rotarians struck up tunes. "Music Mends Minds helps older adults with memory loss reengage," says Miyuki Ochi, president of the club. "Watching older adults' faces light up through music is one of the greatest joys of our service."

Lesson From the Samaritan Woman

This month is International Women's Month to remind us to respect the dignity of women as persons. But how far have we progressed in promoting respect to women? Have we even consider them as persons?

Sadly, women today in some parts of the globe are not treated as human beings. Some were even treated worse than second class citizens or even mere tools of men. Thus, we haven't achieved globally respect for women as persons with basic human rights. But I hope John 4:7-9 will teach us how to treat women as human beings.

In this Gospel passage, the Samaritan woman was surprised that Jesus struck a conversation with her. At that time, women were not treated equally with men in society, let alone a foreigner. Yet Jesus conversed with her casually as if He was talking to a friend. Thus, Jesus taught us that women are to be given due respect as persons regardless of who they are in society.

Thus, let us pray that Jesus may teach us how to respect and even love women as co-equals in society.

Rotary Club of Pasig Strengthens Maternal Health Advocacy During 22nd National Buntis Day

The Rotary Club of Pasig (RCP) reaffirmed its dedication to maternal and child health as it took part in the **22nd National Buntis Day** on March 10, 2026, at the Unilab Bayanihan Center. Organized by the Philippine Obstetrical and Gynecological Society Foundation, Inc., the annual event gathered expectant mothers from various communities to access vital prenatal services and health education.

Representing RCP were Pres. Roy Quejada, Sec. John Javier, PE Jun Zafra, Rtn. Kagawad Rudy Sanguyo and Dir. Tet Mallare. The Club played a key role in coordinating with Pasig barangay officials to encourage participation and ensure that essential services reached mothers who need them most. This year's theme, "Traditional Roots and Innovation in Nurturing Mothers," aligned with RCP's ongoing commitment to strengthen maternal care in the community.

A highlight of RCP's involvement was the promotion of its partnership with the Rizal Medical Center's Human Milk Bank. This initiative aims to provide life-saving breastmilk to premature and vulnerable infants. In his message during the program, Pres. Roy encouraged mothers to support the Human Milk Bank's mission and to help sustain its advocacy for infant nutrition.

Throughout the morning, participants received free medical consultations, ultrasound examinations, and laboratory tests

services that are often inaccessible to low-income families. Educational sessions on prenatal care and maternal nutrition further empowered mothers with essential knowledge for a healthy pregnancy.

Bringing joy to the event was the Annual Buntis Day Pageant, which celebrated the strength and optimism of expectant mothers. Attendees also received free medicines, practical giveaways, and raffle prizes, made possible through the support of RCP and partner organizations.

As the event concluded, its positive impact was evident. Through continued partnerships and initiatives such as the Human Milk Bank project, the Rotary Club of Pasig remains committed to building a healthier **future for mothers, infants, and the wider community.**
