THE FOUR-WAY TEST

of the things we think, say or do:

4. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- First :** The development of acquaintance as an opportunity for Service;
- Second :** High Ethical standards in business and professions; the Recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- Third :** The application of the ideal of service in each Rotarian's personal, business and community life;
- Fourth :** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Song of the Day

PASIG ROTARIANS

(Tune: Dancing Queen)

Woo, woo, woo, woo, woo, woo, woo, woo, woo
You can see, you can feel
Having the time of our life
Oh see us now, watch us now
Pasig Rotarians

Thursday noon and we're on the go
Meeting in a place you know
Breaking bread with one another
Getting in the swing
We come to meet with friends
Pasig Rotarians we all are
Young and old, wise and otherwise
With a sense of service
Everything we do
for the community
And when we get the chance
Pasig Rotarians
Young and old, since seventy one
Pasig Rotarians serves the need
of the community

You can see, you can feel
Having the time of our life
Oh see us now, watch us now

Song of the Day

Continuation 1.

Pasig Rotarians
We're Rotarians, we're on the go
Looking for opportunities
Where we can serve our brothers
Looking beyond ourselves
We're in the search to serve
And when we get the chance
Pasig Rotarians
Young and old, since seventy one
Pasig Rotarians serves the need
of the community

You can see, you can feel
Having the time of our life
Oh see us now, watch us now
Pasig Rotarians, Pasig Rotarians

From the President

Pres. Jun Zafra

**“SERVICE IS WHAT WE DO. FELLOWSHIP IS HOW WE DO IT. IMPACT IS WHAT WE LEAVE BEHIND.”
“ADAPTED”**

Today we welcome the visit of District Governor Celso Montalla and his team for Official Visit.

This visit is more than formality. It is our moment to show that RC Pasig is alive, active and aligned with the Rotary International theme “Create Lasting Impact”. Truly, Rotary is both Service and Fellowship, and we have lived in the past three months.

Allow me to share our humble accomplishments so far.

1. On Membership – We are growing.

We have successfully inducted 2 new members, bringing fresh ideas and energy to our club. Even more encouraging, there are 4 more prospective new members attending our club meeting. Growth is a sign of healthy and happy club.

2. On The Rotary Foundation – We Are Committed.

We commit to remain a strong partner of TRF. RC Pasig commits at minimum level to be an EREY Club and to contribute at least USD10,000.00 to The Rotary Foundation. This is our share in Rotary’s mission of Doing Good in the World.

3. On Public Image – We are visible.

Our club remains visible and relevant. Our official bulletin

From the President

Pres. Jun Zafra

Continuation 1.

Tinig is published consistently, our Facebook page is active same with our website, and our projects are well-documented because we want Pasig to know that Rotary is here to serve.

4. On Service Projects – Across Rotary’s Seven Areas of Focus.

We have insured that our continuing legacy projects are well balanced, meaningful and with added features that will give more impact to the community we serve. The details of which will be carefully discuss during the Governor’s meeting with our team.

5. On Fellowship and Engaged Membership.

We are not just a club that serves, we are a family that enjoys. Fellowship remains strong after every meeting. Moreover, we have been blessed with competent and highly popular speakers in the last 3 months who enriched our Thursday meetings with knowledge, inspiration and current issues keeping our members engaged and coming back.

Service Above Self.

Jun C. Zafra
High Impact President
RY 2026 - 2027

Rotary Notes

PP Benny P. De Guzman

We had a fairly good attendance last week with a homegrown speaker, our very own Cong. Roman Romulo. The interest of members can be gleamed by the very encouraging questions after the talk with father and son HOFs/PPs Peter and John leading and another HOF/PP Conrad followed by Rtns Jon and James. Meeting emcee, PP Dodie had to end the open forum as it was way past 2 p.m. already.

I texted Edgar to inquire if Rtn John Henry Carvajal is still a member as I have not seen him for many meetings already. He still is but earning his laurels in aesthetics surgery and as a lecturer in his field of expertise.

Pres Jun is asking for support to our Scholarship Program by being sponsors, or getting sponsors for our golf tournament. By posting this, I may have earned my points already?

During our lone evening meeting, it was well observed that our Fireside Chats, our Memorial Day every last Thursday of October and our asking participation of our spouses called Anns then but now called Spouses already in important events which made our club more vibrant before. I mean MORE vibrant if we have more of the three mentioned. Remember every Memorial Day, PP Bert used to give us Lechon as it is close to his birthday.

Out of 57 presidents our club has produced, 23 have gone to the Great Beyond. It will be nice is we have majority of the widows of the PPs and spouses of our regular members attend to have a meaningful Memorial Day.

Rotary Notes

PP Benny P. De Guzman

Continuation 1.

A review of the Pangkat System and asking the Board to make the Leaders and Assistant Leaders their weekly presentation, even if not in charge of the affair, for a more vibrant crowd. HOF/PP Peter was right in fining his Pangkat leaders as many members were absent in the meeting they hosted.

Today is our Governor's visit. Did the Pangkat Heads make extra efforts for their members to attend?

After a series of rainy weeks, the feared Super El Nino is to come. May it not be as warm as electric bills are increasing in every household and it will have effect on all of us too. Our country is still a virtual paradise but with glaciers melting and climates erratic, we may experience many more calamities. Even Japan is suffering from monsoon rains now.

Today starts the second of the Ber months, meaning the year is about to end. Of the three major events, may the Board decide on how to best utilize all the three of them. Last week, Pres Jun asked me to bring PP Totoy and Spouse Fe for a special citation for Totoy's 100th birthday. Giving of cake and singing Happy Birthday lang pala. CM/PP Peping is two years and a month to go to achieve this great event. Let us prepare for this rare event.

Mumbai surgeon will serve as president of Rotary International - 2028-29

Rotary International has confirmed Dr. Bharat Pandya of the Rotary Club of Borivali, Mumbai, as its president-nominee for 2028-29.

NEW DELHI, (Sept. 21, 2026) — Dr. Bharat Pandya, member of the Rotary Club of Borivali in Mumbai, has been confirmed as president-nominee of Rotary International – the association of the membership service organization’s 45,000 clubs worldwide – and will begin his one-year term on July 1, 2028.

As president, Dr. Pandya will inspire Rotary’s 1.2 million members across continents and cultures to deliver real, long-term solutions to the world’s most persistent issues, while developing leadership through meaningful connections.

Among his priorities will be to oversee Rotary’s top goal of ending polio. Alongside its Global Polio Eradication Initiative partners, Rotary has achieved a 99.9 percent reduction in polio cases and contributed more than US\$3 billion and countless volunteer hours to protect more than 3 billion children from this paralyzing disease.

Dr. Pandya's story with Rotary began as the only doctor in his newly chartered club in 1989, when he was handed responsibility for the local pulse polio immunization drive. He set up ten immunization centres and personally went door-to-door administering the oral polio vaccine to children.

Walking the Avenues

PP Ramy Garcia IV

Continuation 1.

That experience became part of a longstanding commitment to polio eradication. Decades later, Pandya served on the India National PolioPlus Committee (2011-15), the committee overseeing the final push that led to India — once considered the world's hardest place to defeat the disease — being declared polio-free in 2014.

Dr. Pandya's professional career as a surgeon has shaped his approach to leadership. After earning his undergraduate and postgraduate medical degrees from Seth G. S. Medical College and King Edward Memorial Hospital in Mumbai, he has been practicing as a general and laparoscopic surgeon for 38 years.

“Being a surgeon has profoundly influenced the way I lead,” Dr. Pandya said. “In surgery, decisions are based on analysis, knowledge, evidence, boldness and integrity. I have carried this forward to Rotary. I often talk about three phases in life: learn, earn and return. Rotary gave me the chance to return, even while I was still earning. I’ve gotten far more from this organization than I could ever give back — and now I intend to keep giving. To me, the essence of Rotary can be captured in two words: hope and opportunity. Hope that a newborn child will be protected from polio through Rotary’s polio eradication efforts, hope that our communities can be made better — and the opportunity we have as Rotarians to fulfill that hope.”

Dr. Pandya follows Indian Rotary leaders who have served as Rotary International president, Nitish C. Laharry (1962-63), Rajendra K. Saboo (1991-92), Kalyan Banerjee (2011-12), and Shekhar Mehta (2021-22).

About Rotary: Rotary brings together a global network of volunteer leaders dedicated to tackling the world's most pressing humanitarian challenges and creating lasting change. Rotary connects 1.2 million people of action from more than 45,000 Rotary clubs in almost every country in the world. Their service improves lives both locally and internationally, from helping those in need in their own communities to working toward a polio-free world.

Rotary members throughout the world develop and implement sustainable, community-driven projects that fight disease, promote peace, provide clean water, support education, save mothers and children, grow local economies and protect the environment. More than US\$5.5 billion has been awarded through The Rotary Foundation – Rotary's charitable arm that helps clubs work together to perform meaningful, impactful service – to support these initiatives over the last 100 years.

Our Guest Speaker

CELSO C. MONTALLA
District Governor RY 2026 – 2027
RI District 3800

Our Guest of Honour's journey began from humble beginnings, where he learned early in life the values of hard work, discipline, and selfreliance. A consistent honor student in high school days, pursued chemical engineering in college, then became an instructor at the school of Chemical Engineering and Chemistry at Mapua Institute of Technology, he supported himself through various entrepreneurial ventures, proving that determination can overcome even the greatest challenges.

Professionally, he built an impressive career in the corporate world before venturing into entrepreneurship, establishing successful businesses in food manufacturing, printing, publishing, and packaging. Yet beyond business success, it is in Rotary where his passion for service found its true purpose. Since becoming a Rotarian in 1994, he has faithfully embodied the ideals of Service Above Self through integrity, humility, and a steadfast commitment to uplifting communities. His leadership continues to inspire Rotarians throughout District 3800 to create meaningful and lasting impact.

It was also at Mapúa where he met the love of his life, Engr. Margaret Rose "Meg" Montalla. Together, they have shared more than four decades of marriage, raised four accomplished

LEGAL CORNER

By Atty. Celso Ylagan II

In *Maquilan v. Maquilan*, G.R. No. 155409, June 8, 2007, the Supreme Court has ruled that conviction of adultery by the spouse does not disqualify a spouse from sharing in the conjugal property. Adultery carries a penalty of ***prisión correccional***, which does not include civil interdiction.

Facts:

Virgilio Maquilan and Dita Maquilan were spouses who once had a blissful married life and were blessed to have a son. However, their once sugar-coated romance turned bitter when Virgilio discovered that Dita was having illicit sexual affair with her paramour, prompting Virgilio to file a case of adultery against Dita and her paramour. Consequently, Dita and her paramour were convicted of adultery and sentenced to ***prisión correccional***. Thereafter, Dita filed a Petition for Declaration of Nullity of Marriage due to psychological incapacity, Dissolution and Liquidation of Conjugal Partnership of Gains and Damages. Subsequently, the spouses entered into a Compromise Agreement partially settling their conjugal properties. However, Virgilio later questioned its validity, arguing that Dita's adultery conviction disqualified her from sharing in conjugal property.

Ruling:

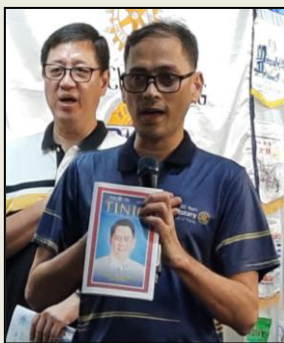

According to the Supreme Court, conviction of adultery alone does not strip property rights and that voluntary separation of property agreements are enforceable even without a final decree of nullity/legal separation. Adultery carries a penalty of ***prisión correccional***, which does not include civil interdiction. The Supreme Court further ruled that the Compromise Agreement is valid as a voluntary separation of property under **Article 134** of the Family Code, subject to creditors' rights and other parties with pecuniary interest. ⚖️

The Beauty of Generosity

"Whoever is generous to the poor lends to the Lord, and he will repay him for his deed." (Prov. 19:17)

One day I visited one of my parishioners who is a resident in a posh subdivision for a friendly chat. She shared to me that she's willing to donate a huge amount for our parish church. When I learned what amount she would share, I was surprised and said to her that she would have enjoyed her retirement happily while she lives. But she replied, "Father, will I be able to bring all of my wealth at my death?" And that's how I grew my utmost respects to her.

Generous people are indeed very beautiful in anyone's eyes, especially to God, not only because they have the resources to share but also they can share with a big smile on their lips. They share willingly without asking anything in return. Most of all, they are able to share because they are not attached to their own material and financial wealth. They know that they can be happy still regardless of how much they own. But they know they are happier whenever they share with others. In short, true generosity lead us to true happiness.

So let's share with what we have and with ourselves to others in need that we may taste true happiness.

COOPERATIVE PROFILE

BACKGROUND:

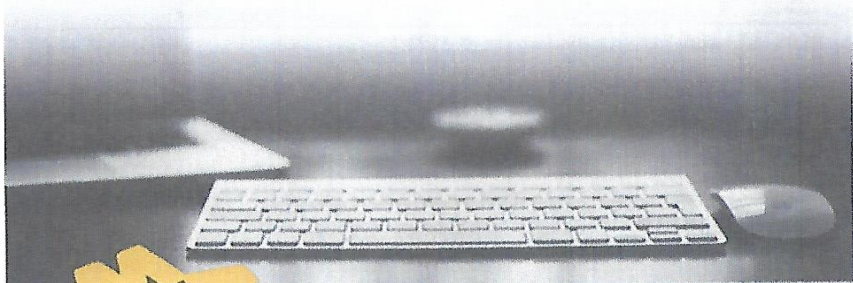

Prodded by a strong desire to help the marginalized in Brgys. Pinagbuhatan, Sto. Tomas, Palatiw and Bambang, Pasig City, the Luxid Foundation Inc., together with the Rotary Club of Pasig is deeply motivated to establish a micro finance and credit cooperative under the category of "associational" to grant loans to regular and associate members for providential and productive purposes. It will also encourage savings and capital build-up among the members.

This humble initiative is aimed at promoting cooperative as a way of life for improving the social and economic well-being of the society specially the marginalized ones. It also complements the local government and other concerned organizations in promoting credit cooperative as an alternative to more expensive 5/6 sources. The "residential" beneficiaries of this effort are just waiting to be formally organized to pursue a self sustaining credit cooperative. The aim of this project is to 'Help Others Help Themselves'.

RATIONALE:

A formal micro financing system has been proven to be an important factor in alleviating the plight of the marginalized and many small enterprises, specially the non- bankable sector. This was precisely the experience of many, specially SMDS Multipurpose Cooperative, Brgy. Pansol Q.C. whose membership are mostly informal settlers. SMDS is the credit cooperative that Luxid Rotary Coop will model itself to. As an agent to pool their funds together, SMDS has been able, for example, to gather as much as P120 Million pesos which have become the very source of the funds that members borrow.

As in the very competitive banking business: commercial, thrift and rural banks with branches all packed up in small communities, a well governed and professionally run credit cooperative attract not only clients but member-clients, owner-clients. The situation becomes unique as the success and progress of the coop is the success and progress of the owner-clients.
